1 - INTRODUCTION BY THE CHAIRMAN

Welcome to The Football Association Handbook, the essential guide to the rules and regulations of football.

The FA has the privilege and the responsibility of overseeing football in England as a whole. We do so in an effective partnership with both the professional game and the national game. Football has rules to protect those who take part in it, and we approach it with one set of values, which allows the game to be successfully and effectively played in facilities all over the country.

The Handbook has been published every year since 1895, excluding the war years, and should prove again this year to be an invaluable companion to people involved in football at all levels.

We hope that every recipient of the 2022-2023 Handbook, whatever your involvement in the game, will find it a helpful reference book during what we hope will be another exciting season.

**DEBBIE HEWITT MBE, CHAIR

4 - STANDING ORDERS / POWERS AND DUTIES

STANDING ORDERS FOR THE CONDUCT OF BUSINESS AT MEETINGS OF COUNCIL OF THE FOOTBALL ASSOCIATION LIMITED (THE "COUNCIL") AND COMMITTEES OF COUNCIL EFFECTIVE FROM 22 JULY 2021 ("THE STANDING ORDERS")

GENERAL

1. The powers and duties of Council shall be as stated in the Articles of Association ("the Articles") of The Football Association Limited ("The Association" or "the Company"), the Rules of The Association and these Standing Orders.

MEETINGS OF COUNCIL

2. Save where expressly stated to the contrary or following a written decision of Council in accordance with Standing Order 29, Council may exercise any power or carry out any duty only at a meeting of Council.
3. There shall generally be not more than 6 meetings of Council in any period from 1 August – 31 July in any given year (the "Council Year").
4. Council shall determine the dates for meetings of Council at the first meeting in any Council Year, provided that:
 - a. At least one meeting takes place in June or July (and such meeting is designated by Council as the "Summer Meeting"); and
 - b. To the extent that an annual general meeting of The Association takes place in a Council Year, a meeting takes place on the date of such an annual general meeting.
5. Meetings of Council may be hosted at a physical location(s), on an electronic platform(s) or through a combination of physical locations(s) and electronic platform(s).
6. Subject to Standing Order 7, the time, date, place and/electronic platform(s) of each meeting of Council shall be fixed by Council and shall ordinarily take place in London.
7. At any time the Board may (and on the request of 5 or more Members of Council shall) call an extraordinary meeting of Council over and above those referred to in Standing Orders 3 and 4 by giving no less than 14 days' notice (or where the Board considers the matter(s) for consideration to be of an emergency nature, no less than 7 days' notice) to each Member of Council. The time, date, place and/or electronic platform(s) of each extraordinary meeting of Council shall be fixed by the Board and shall ordinarily take place in London.
8. The Board may at any time postpone or cancel a meeting of Council and give no less than 4 days' notice to each Member of Council of such postponement or cancellation.

NOTICE AND BUSINESS OF MEETINGS

9. No less than 7 days (or, where the Board considers the matter(s) for consideration to be of an emergency nature, no less than 3 days) before a meeting of Council, each Member of Council shall receive an agenda of the business to be conducted. A matter which is not on the agenda shall not be considered at a meeting of Council unless accepted as an extraordinary item by more than 50% of the Members of Council present and entitled to vote at the meeting.
10. A Member of Council may propose that a matter be an item on the agenda of a meeting of Council by giving no less than 14 days' written notice before the proposed date of the meeting. A matter which is proposed in compliance with this Standing Order shall be an agenda item.
11. The accidental omission to give notice of a Council meeting (or any committee meeting) to, or the non-receipt of notice of a meeting by, any Member of Council shall not invalidate any resolution passed or the proceedings at such meetings.

4 - STANDING ORDERS / POWERS AND DUTIES

QUORUM

12. The quorum of a meeting of Council shall be 50% or more of the Members of Council entitled to attend and vote.

CONDUCT OF MEETINGS OF COUNCIL

13. The Leader of Council or, in their absence, a Vice-Chair shall preside as chair at a meeting of Council.
14. If at any meeting neither the Leader of Council nor a Vice-Chair is present within fifteen minutes after the time appointed for holding the meeting, the Members of Council present shall choose one of their number to be chair of the meeting.
15. The chair of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
16. The chair of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without setting a time or to another time or place where it appears to the chair that:
 - a. the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
 - b. an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.
17. The conduct of a meeting of Council and the order of proceedings shall be at the discretion of the chair of the meeting. The order of proceedings at a meeting of Council shall generally be as follows:
 - a. the minutes of the previous meeting of Council shall be presented to the meeting and voted upon. Where the minutes are approved, the chair of the meeting shall sign them;
 - b. any apologies or other correspondence the chair of the meeting deems necessary or appropriate to present to the meeting shall be read out;
 - c. the chair of the meeting shall make a general report on matters considered by the Board and its committees since the previous meeting of Council, including a report on any changes to the Board's strategic plan for The Association;
 - d. a member of the Board shall present any written report from the Board to Council;
 - e. an authorised representative of the Football Regulatory Authority shall make a verbal report on regulatory issues arising since the previous meeting of Council and shall be available to answer questions on matters on the operation of the Football Regulatory Authority;
 - f. the chair of the meeting may invite debate by Council on any current and significant issues relating to football;
 - g. the minutes and reports of all meetings of Committees of Council shall be presented to the meeting for debate and for adoption by the chair of each Committee of Council, or, in their absence, a member of such Committee of Council, who shall make a summary report on matters of particular interest in the minutes and reports. The meeting shall consider the minutes and reports and any Member of Council may speak on any matter mentioned in the minutes and reports and may make a motion thereon, provided that notice of any question has been given in writing 3 days or more before the meeting. A report of a committee meeting may not be made in the absence of written minutes and reports, save with the consent of the chair of the meeting. Where such consent is given, the meeting of Council may consider such matter as an extraordinary item;
 - h. any proposals to amend the Articles, the Rules or any regulations shall be considered and, if thought fit, approved;
 - i. any proposals put forward by any of the Committees of Council, including changes to composition of Council, shall be considered and, if thought fit, be approved;

4 - STANDING ORDERS / POWERS AND DUTIES

- j. if relevant, the appointment, re-appointment or removal of the Chair and Leader of Council and any other appointments, removals or elections (as required) shall be considered; and
 - k. where possible, the balance sheet, the profit and loss account and the Directors' and the auditors' reports of The Association and the appointment of the auditors of The Association shall be considered and debated.
18. A Member of Council wishing to speak on any matter shall be entitled to do so only at the invitation of the chair of the meeting. A Member of Council who is invited to speak shall rise (if physically present at the meeting) and address the chair of the meeting. All Members of Council other than the one speaking shall remain seated (if physically present at the meeting) unless raising a point of order. Whenever the chair of the meeting speaks, no other Member of Council physically present at the meeting may rise.
19. A Member of Council may at any time raise a point of order. Such shall be dealt with by the chair of the meeting in such manner as they consider appropriate.
20. A Member of Council may at any time move that a matter be voted upon. If the chair of the meeting requires, such motion shall be put in writing and signed by the mover. Such written motion shall be handed to or communicated by electronic means to the chair of the meeting. Any such motion shall be read out by the mover before he speaks on it. A Member of Council may speak on a motion. A Member of Council shall be entitled to speak only once on the same motion unless permitted by the chair of the meeting to speak more than once. The mover of a motion shall be entitled to reply to any point made. The mover may only answer points made by other Members of Council and may not make additional points.
21. A Member of Council may at any time move an amendment to a motion. Any such motion to amend shall be put in writing if required by the chair of the meeting as if an original motion. Any number of motions to amend may be considered in relation to any motion. If any motion to amend is voted upon and carried, it shall form the motion to be considered by the meeting. Motions to amend this motion may then be considered as if it were the original motion. The mover of a motion to amend which is carried shall be entitled to reply to points made in relation to the motion.
22. Council may by vote resolve itself into a committee of the whole Council, and whilst in committee, there shall be no restriction as to the number of times a Member of Council may speak on a motion.

VOTING

23. All questions at a meeting of Council which is held wholly or partly on an electronic platform(s) shall be determined by an electronic ballot conducted by way of email notification to the Secretary or through such other voting system as the Secretary may determine (including as to the applicable time periods for voting), unless the recording of votes is requested, supported and determined in the same manner as required at a physical meeting of Council as set out below. All questions at a meeting of Council which is not held wholly or partly on an electronic platform(s) shall be determined by a show of hands, unless either: (a) a ballot; or (b) the recording of votes, is requested by any Member of Council, supported by at least 2 others. In the event of votes being recorded under (b), the names for, and against, shall be registered and entered in the minutes. In the event of there being validly supported requests for both procedures (a) and (b), the procedure to be applied shall first be determined by a ballot.
24. (a) Save where provided specifically to the contrary: (i) a matter shall be passed if supported by more than 50% of those Members of Council present and voting; and (ii) a Member of Council may vote only if they are present at a meeting of Council.
- (b) A Member of Council may appoint another Member of Council as proxy to vote on their behalf in any one or more of the following matters: (i) for the appointment and reappointment of the Chair; (ii) for the appointment and reappointment of the Leader of Council; (iii) for elections for Vice-Chair; and (iv) for the appointment and reappointment of the Independent Non-Executive Directors. The form of the proxy and procedures to be employed shall be as determined by Council from time to time.

4 - STANDING ORDERS / POWERS AND DUTIES

25. A declaration by the chair of the meeting that a resolution has been carried or carried unanimously, or by any particular majority, or lost, or not carried by a particular majority, and an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
26. In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall be entitled to a casting vote.

WHO MAY TAKE UP BUSINESS UNDER NOTICE

27. Except by the consent of Council, business under any notice upon the agenda shall not be proceeded with in the absence of the Member of Council in whose name it stands, unless the member has given written authority for it to be taken up by another member.

OBJECTIONABLE BUSINESS

28. If the chair of the meeting determines that any matter raised or motion moved to be made is of an objectionable character, the chair of the meeting shall have the power either before or after the same is brought forward, to put it to the vote (on which no discussion shall be allowed) as to whether the same shall be brought forward or not. If 75% or more of the members present and voting decide not to allow such motion to be brought forward, then it shall be considered as disposed of for that day.

WRITTEN DECISIONS OF COUNCIL

29. Subject to Standing Order 30 and only following the unanimous approval of the Leader of Council and the Vice-Chairs, the Leader of Council may ask Council to make a decision in writing on a specific matter. Save where a decision on a certain matter specifically provides to the contrary, a decision approved by more than 50% of the Members of Council entitled to vote at a meeting of Council shall be valid and effectual as if it had been passed at a meeting of Council provided that such will be effective only if it can be demonstrated that every member of Council entitled to attend a meeting of Council received notice of the proposed matter. Approval may be given by signature, in writing or any other means of recorded approval (including voting software) as determined by the Leader of Council. Any such decision shall be recorded as a written decision of Council.
30. The following decision of Council may not be made by way of a written decision of Council:
 - a. the appointment or removal of the Chair (and the filling of any vacancy thereof);
 - b. the appointment or removal of the Independent Non-Executive Directors (and the filling of any vacancy thereof);
 - c. the election or removal of the Leader of Council (and the filling of any vacancy thereof);
 - d. the election or removal of the Vice-Chairs (and the filling of any vacancy thereof);
 - e. the election or removal of the President (and the filling of any vacancy thereof);
 - f. the election or removal of the Vice-Presidents (and the filling of any vacancy thereof).

RECONSIDERING A DECISION

31. A decision of Council made at a meeting of Council may be reconsidered at the meeting of Council at which it has been made if any motion to reconsider is supported by more than 50% of the members present and voting.
32. No decision made at a meeting of Council or as a written decision may be considered within a period of 12 months from the date on which it was decided unless more than 50% of Members of Council present and entitled to vote at a subsequent meeting vote in favour of a motion to allow reconsideration.

4 - STANDING ORDERS / POWERS AND DUTIES

LEADER OF COUNCIL

33. Members of Council shall elect one of the non-executive Directors to be the Leader of Council. Nominations, proposed and seconded by Members of Council, shall be given to the Secretary in writing at least 21 days in advance of the date on which the election is to be held.
34. Subject to Standing Orders 33 and 44, the term of office of the Leader of Council shall be three years. No person may be the Leader of Council for more than three terms.

9 - ARTICLES OF ASSOCIATION

25 Convening of General Meetings

Subject to the provisions of Article 24.1, the Board may call general meetings whenever and at such times as it shall determine and, on the requisition of Shareholders pursuant to the provisions of the 2006 Act, shall forthwith proceed to convene a general meeting in accordance with the requirements of the 2006 Act.

26 Attendance and Participation at General Meetings

26.1 The Board shall determine in relation to each general meeting the means of attendance at and participation in the meeting, including whether the persons entitled to attend and participate in the general meeting shall be enabled to do so by simultaneous attendance and participation at a physical place determined by it or by means of an electronic platform(s) determined by it in accordance with Article 31.1, or partly in one way and partly in another.

26.2 Two or more persons who may not be in the same place as each other attend and participate in a general meeting if they are able to exercise their rights to speak and vote at that meeting. A person is able to exercise the right to speak at a general meeting if that person can communicate to all those attending the meeting while the meeting is taking place. A person is able to exercise the right to vote at a general meeting if that person can vote on resolutions put to the meeting (or, in relation to a poll, can vote within the required time frame) and, subject to Article 37.4, that person's vote can be taken into account in deciding whether such resolutions are passed at the same time as the of others attending the meeting.

26.3 When deciding whether a person is attending or participating in a meeting other than at a physical place, it is immaterial where that person is or how that person is able to communicate with others who are attending and participating.

BUSINESS – PROPOSALS

27 The Board shall be entitled to propose such business to a general meeting as it considers appropriate, including any amendment to these Articles and/or to the Rules (PROVIDED THAT, and subject always to the provisions of the 2006 Act, any proposal to amend the Rules and/or the Articles has the approval of Council as set out in Articles 86.2.2 and 87.1 respectively).

NOTICE OF GENERAL MEETINGS

28 A general meeting shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority in number of Shareholders having a right to attend and vote, being a majority together not holding less than 90% of the total voting rights at a general meeting.

29 Contents of Notice of General Meetings

29.1 The notice shall specify whether the meeting will be held (wholly or partly) at a physical place or by means of an electronic platform(s). The notice shall also state the time, date and place and/or electronic platform(s) of the meeting and shall, in the case of an annual general meeting, specify the meeting as such, and, in the case of a meeting to pass a special resolution, specify the intention to propose the resolution as a special resolution, as the case may be.

29.2 If the meeting is to be held (wholly or partly) by means of an electronic platform(s), the notice shall specify any access, identification and security arrangements determined in accordance with Article 31.3.

29.3 The notice shall state with reasonable prominence that a Shareholder entitled to attend and vote at the meeting being called is entitled to appoint a proxy to attend and vote instead of such Shareholder, and that a proxy need not also be a Shareholder.

9 - ARTICLES OF ASSOCIATION

30 Omission to give Notice and Non-receipt of Notice

The accidental omission to give notice of a meeting to any person entitled to receive the same, or the non-receipt of a notice of meeting by any such person, shall not invalidate the proceedings at that meeting. Notice of a general meeting shall be deemed to have been given to any Nominee if sent to a business address of the body set out under Article 8.1 entitled to the share and on whose behalf the Nominee has been appointed as Nominee under Article 9.

ELECTRONIC MEETINGS

31.1 The Board may decide to enable persons entitled to attend and participate in a general meeting to do so by simultaneous attendance and participation by means of an electronic platform(s). Shareholders or their proxies present shall be counted in the quorum for, and entitled to vote at, the general meeting in question, and that meeting shall be duly constituted and its proceedings valid if the chair of the meeting is satisfied that adequate facilities are available throughout the meeting to ensure that Shareholders or their proxies attending the meeting who are not present together at the same place may:

31.1.1 participate in the business for which the meeting has been convened;

31.1.2 hear all persons who speak at the meeting; and

31.1.3 be heard by all other persons present at the meeting.

31.2 If it appears to the chair of the meeting that the electronic platform(s) has become inadequate for the purposes referred to in Article 31.1, then the chair may, without the consent of the meeting, interrupt or adjourn the meeting. All business conducted at that meeting up to the time of that adjournment shall be valid and the provisions of Article 35 shall apply to that adjournment.

31.3 If a general meeting is held by means of an electronic platform(s), the Board may make any arrangement and impose any requirement or restriction as is:

31.3.1 necessary to ensure the identification of those taking part and the security of any electronic communication; and

31.3.2 proportionate to those objectives.

In this respect, the Board may authorise any voting application, system or facility as they see fit.

PROCEEDINGS AT GENERAL MEETINGS

32 Quorum at General Meetings

No business shall be transacted at any general meeting unless a quorum is present, but the absence of a quorum shall not preclude the choice or appointment of a chair of the meeting, which shall not be treated as part of the business of the meeting. Ten or more Shareholders entitled to vote upon the business to be transacted, each being a Shareholder or a proxy for a Shareholder or a duly authorised representative of a corporation shall be a quorum.

33 Procedure if Quorum Not Present

33.1 If such a quorum is not present within thirty minutes from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting, if convened on the requisition of Shareholders, shall be dissolved, and in any other case shall stand adjourned to such time and place as the chair of the meeting may determine.

33.2 If at the adjourned meeting there are less than ten Shareholders present, they shall have power to decide on all matters which might have been disposed of at the meeting from which the adjournment took place if a quorum had been present thereat PROVIDED THAT at least three days' notice has been given to the Shareholders of such adjournment in order to enable special business to be transacted thereat by less than a quorum.

9 - ARTICLES OF ASSOCIATION

34 Chair of General Meeting

- 34.1 The Leader of Council or in absence of such person, a Vice-Chair (or in absence of a Vice-Chair any other Director) nominated by the Board shall preside as chair at a general meeting.
- 34.2 If at any meeting neither the Leader of Council nor a Vice-Chair nor such other nominated Director (if any) is present within fifteen minutes after the time appointed for holding the meeting, the Shareholders present and entitled to vote shall choose one of their number to be chair of the meeting.

35 Adjournments

- 35.1 The chair of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting and specify the time, date, place and/or electronic platform(s) to which it is adjourned, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
- 35.2 The chair of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without specifying a time, date, place and/or electronic platform(s) or to another time, date, place and/or electronic platform(s) where it is apparent that:
 - 35.2.1 the Shareholders wishing to attend cannot be conveniently accommodated in the place and/or electronic platform(s) appointed for the meeting;
 - 35.2.2 the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
 - 35.2.3 an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.

36 Amendment to Resolutions

If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chair of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. With the consent of the chair of the meeting, an amendment may be withdrawn by its proposer before it is voted upon. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than an amendment to correct a patent error) may in any event be considered or voted upon.

37 Method of Voting

- 37.1 Subject to any rights or restrictions attached to any shares, on a show of hands each Shareholder who is present in person or by proxy shall have one vote and on a poll each Shareholder present in person or by proxy shall have one vote for every share of which they are the holder. Subject to any rights or restrictions attached to any shares, on a written resolution each Shareholder shall have one vote for every share of which they are the holder.
- 37.2 If any votes are given or counted at a general meeting which shall afterwards be discovered to be improperly given or counted, the same shall not affect the validity of any resolution or thing passed or done at the said meeting, unless the objection to such votes be taken at the same meeting, and not in that case, unless the chair of the meeting shall then and there decide that the error is of sufficient magnitude to affect such resolution or thing passed or done.
- 37.3 In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall be entitled to a casting vote in addition to any other vote the chair may have.
- 37.4 Upon any resolution to be considered at a general meeting to amend any of the Articles listed in Articles 22.1 and/or 23.1 of these Articles or for the removal of, or waiver or ratification of any breach of, any of those Articles:

9 - ARTICLES OF ASSOCIATION

- 37.4.1 whether on a show of hands or on a poll, when the votes cast on that resolution have been counted, the chair of the meeting, before any declaration of the result of that vote, shall immediately inform the Professional Game Special Shareholder and the National Game Special Shareholder (if present at the meeting):
- (a) of the number of abstentions on, and of the number of votes cast in favour of, and of those cast against, the resolution; and
 - (b) in respect of the Articles listed in Article 23.1, of the number of votes cast in favour by the National Game Shareholders whether in person or by proxy;
- 37.4.2 the chair of the meeting shall then invite the Professional Game Special Shareholder and the National Game Special Shareholder to cast the votes attached to their respective shares on that resolution, whereupon the Professional Game Special Shareholder and the National Game Special Shareholder may cast the votes attached to their respective shares on that resolution; and
- 37.4.3 the votes, if any, cast by the Professional Game Special Shareholder and/or the National Game Special Shareholder shall be counted and taken into account by the chair of the meeting in deciding whether the resolution has been passed.

38 Types of Resolution

Where for any purpose an ordinary resolution of the Company is required, a special resolution shall also be effective.

39 Poll Voting

- 39.1 A resolution put to the vote at a meeting held wholly or partly by means of an electronic platform(s) shall be decided on a poll.
- 39.2 Subject to Article 39.1, a resolution put to the vote of a meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Subject to the provisions of the 2006 Act, a poll may be demanded by:
- 39.2.1 the chair of the meeting;
 - 39.2.2 not less than five Shareholders present personally or by proxy having the right to vote at the meeting; or
 - 39.2.3 by Shareholders, present personally or by proxy, representing not less than one tenth of the total voting rights of all the Shareholders entitled to vote at the meeting.
- 39.3 Unless a poll is duly demanded (i) a declaration by the chair of the meeting of the result of a vote; and (ii) an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the result of such vote in absence of proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 39.4 Before the relevant poll is taken, the demand for a poll may be withdrawn with the consent of the chair of the meeting at the meeting or prior to the taking of the poll. A withdrawn demand shall not invalidate the result of any show of hands declared before any demand was made.
- 39.5 A poll demanded on the election of a chair of the meeting or on a question of adjournment shall be taken immediately on demand for such poll. A poll demanded on any other matter shall be taken in a manner determined by the chair of the meeting either immediately or at such time after the date of the meeting as may be determined by the chair of the meeting, and the result of such poll shall be deemed to be the resolution of the Company in general meeting.
- 39.6 A demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded.

9 - ARTICLES OF ASSOCIATION

- 39.7 No notice need be given of a poll not taken forthwith if the time, date, place and/or electronic platform(s) at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time, date, place and/or electronic platform(s) at which the poll is to be taken.
- 39.8 On a poll, votes may be given in person or by proxy. Shareholders entitled to more than one vote need not, if voting, use all their votes or cast all the votes used in the same way.
- 40** Objections or Errors in Voting
- 40.1 If:
- 40.1.1 any objection is made to the right of any person to vote is made;
- 40.1.2 any votes have been counted which ought not to have been counted or which might have been rejected; or
- 40.1.3 any votes are not counted which ought to have been counted,
- the objection or error must be raised or pointed out at the meeting (or the adjourned meeting) or the poll at which the vote objected to is cast or at which the error occurs. Any objection or error must be raised with or pointed out to the chair of the meeting. The chair's decision is final. If a vote is allowed at a meeting or poll, it is valid for all purposes and if a vote is not counted at a meeting or poll, this will not affect the decision of the meeting or poll.
- 40.2 The Company will not be obliged to check whether a proxy or corporate representative has voted in accordance with a Shareholder's instructions and if a proxy or corporate representative fails to do so, this will not affect the decision of the meeting (or adjourned meeting) or poll.

- B1.2** to ensure compliance by Clubs and other Participants with the statutes, regulations, directives, and decisions of FIFA and UEFA, including (without limitation) ensuring that:
- B1.2.1** Clubs do not form international combinations or alliances and/or participate in international competitions without the consent of FIFA and UEFA;
 - B1.2.2** Clubs and Players do not play matches or make sporting contacts with players or teams that are not affiliated to FIFA member associations without the approval of FIFA; and
 - B1.2.3** Clubs do not play or organise matches on the territory of another FIFA member association without the approval of The Association and that other member association.

Guidance

“International combinations or alliances” is intended to cover predominantly any combination or alliance which, if formed, is likely to breach FA Rules and in particular Rule B. If Clubs are unsure as to whether an arrangement is caught, they are advised to contact The Association.

“Sporting contacts” is a term used in the FIFA Statutes. For the purpose of Rule B, it should be construed to include (without limitation) making contact for the purpose of the training or acquisition of players or staff (including potential players or staff).

These words retain the same meaning where used elsewhere in this Rule.

- B2** The Association will exercise all powers and authorities conferred on it by this Rule B either:
- B2.1** through the Board - in relation to the Premier League, EFL, FAWSL, and FAWC (including any cup, youth and/or reserve team competitions which they organise); or
 - B2.2** through Council - for all other levels of the game, unless otherwise specified; or
 - B2.3** to the extent specified in the Sanction and Control of Competition Regulations, by delegation to an Affiliated Association.
- B3** References in this Rule B to ‘competitions’ and ‘matches’ extend to so-called ‘friendly’ competitions and matches, and to competitions and matches staged for charitable and/or testimonial purposes. In this context, ‘competition’ includes any format of competition, including (without limitation) leagues and knock-out (cup) competitions, and combinations thereof. Where powers under this Rule B are exercised by Council, notwithstanding any other provision in this Rule B Council may waive or vary requirements in respect of Participants, competitions or matches to meet criteria specified by Council or its nominee. For example this could include waiving certain requirements of Rule B at a particular level of the game.

COMPETITIONS AND MATCHES

- B4** Clubs, Club Officials, Match Officials, Players, and other Participants may not participate in, or support in any manner, directly or indirectly (e.g., by providing facilities for), any competition or match staged in England unless it has been authorised:
- B4.1** by UEFA and/or FIFA, in accordance with their respective statutes and regulations; or
 - B4.2** by The Association, in accordance with this Rule B; or
 - B4.3** by an Affiliated Association, in accordance with the Sanction and Control of Competition Regulations.
- B5** Accordingly, any competition or match staged in England that is not authorised by UEFA and/or FIFA requires the authorisation of The Association or (where applicable) an Affiliated Association in accordance with this Rule B before Clubs, Club Officials, Match Officials, Players or other Participants may participate in or support it.
- B6** Unless otherwise specified, The Association and Affiliated Associations will authorise competitions and matches staged in England on a season-by-season basis (i.e., the authorisation will be valid for one season

10 - RULES OF THE ASSOCIATION

only, and new authorisation will be required for the competition or match to be staged again the following season). Authorisation will only be granted if the following conditions are met to the satisfaction of The Association (or, where applicable, its Affiliated Association):

- B6.1** As a condition precedent to participation, all of the Clubs involved in the competition or match must be affiliated to The Association or another FIFA member association.
 - B6.2** The rules and regulations applicable to the competition or match should comply with, and should not conflict with, the statutes and regulations of FIFA, the statutes and regulations of UEFA, the Laws of the Game, and the Rules of The Association.
 - B6.3** There must be adequate and appropriate mechanisms in place to ensure the effective and transparent enforcement of the rules and regulations applicable to the competition or match and to discipline any non-compliance with those rules and regulations. In particular (but without limitation):
 - B6.3.1** Appeals relating to decisions of the Premier League, EFL, FAWSL, or FAWC will be dealt with as specified in the rules and regulations applicable to their respective competitions.
 - B6.3.2** Appeals relating to decisions of all other competition organisers will be heard by an appeal board appointed by The Association or (where the competition or match is authorised by an Affiliated Association) by an appeal board appointed by the Affiliated Association.
 - B6.4** The competition or match must satisfy such other objective and non-discriminatory conditions as are considered necessary by The Association to achieve the purposes of this Rule B.
 - B6.5** Any fee charged by The Association to cover its time and costs of considering and processing the application must be paid.
- B7** Where a competition or match requires the authorisation of The Association in accordance with Rule B6, the organiser of the competition or match must apply for that authorisation as soon as practicable, and in any event by the deadline specified by The Association. The application must be made using the form specified from time to time by The Association, and the following information must be included with the application:
- B7.1** A list of the Clubs involved in the competition or match, and confirmation that all such Clubs are affiliated to The Association or another FIFA member association.
 - B7.2** A copy of the rules and regulations applicable to the competition or match, together with confirmation from the organiser that those rules and regulations comply with, and do not conflict with, the statutes and regulations of FIFA, the statutes and regulations of UEFA, the Laws of the Game, and the Rules of The Association.
 - B7.2.1** Where previous editions of the same competition or match were authorised by The Association, the application for authorisation of the competition or match must highlight any differences between (a) the rules and regulations for the upcoming edition of that competition or match; and (b) the rules and regulations that applied to the last authorised edition of the competition or match.
 - B7.3** The rules and regulations applicable to the competition or match must include a description of the mechanisms that will be in place to ensure the effective and transparent enforcement of the rules and regulations and to discipline any non-compliance with those rules and regulations.
- B8** The Association may request such further information from the applicant about the competition or match as it deems necessary, and may also consult as appropriate with other relevant stakeholders. It may authorise the competition or match subject to satisfaction of any conditions that it considers necessary or appropriate to ensure compliance with the requirements of Rule B6. If the organiser fails to comply with any of the specified conditions, The Association may suspend the playing of the competition or match and/or declare the competition or match to be unauthorised.
- B9** Where a competition or match that is the subject of an application for authorisation satisfies the conditions set out in Rule B6, and therefore accords with the purposes of this Rule B, The Association will grant the application.

10 - RULES OF THE ASSOCIATION

Where The Association is considering denying an application for authorisation, it will give the applicant a fair opportunity to address its concerns before issuing any adverse decision, and any subsequent adverse decision (which will be given in writing, with reasons) may be challenged before a Tribunal in accordance with Rule K (to the exclusion of any other right or remedy).

- B9.1** Where previous editions of the same competition or match have been authorised by The Association, The Association will not refuse authorisation for a further edition of that competition or match unless there has been a material change in circumstances that warrant such refusal.
- B10** Once The Association has authorised a competition or match, the rules and regulations applicable to that competition or match may not be amended without the consent of The Association (such consent not to be withheld where the amendments satisfy the conditions set out in Rule B6 and therefore accord with the purposes of this Rule B). Where the organiser demonstrates that urgent consideration of the proposed amendments is required (other than due to the fault of the organiser), The Association will use all reasonable efforts to expedite its consideration of the amendments. Amendments to the rules and regulations that have not been approved by The Association will be invalid and unenforceable, and may not be implemented by the competition organiser.
- B11** Upon the request of any interested party, The Association will confirm whether or not a particular competition or match has been authorised in accordance with this Rule B. The fact of such authorisation will not make The Association liable in respect of any claims subsequently arising in relation to the competition or match.
- B12** The Association will apply the FIFA Regulations Governing International Matches in respect of matches or competitions (a) that are contested between teams affiliated to The Association and teams affiliated to one or more other FIFA member associations;¹ or (b) that are contested between teams affiliated to The Association and that are played in the territory of another FIFA member association; and (c) that are not organised by FIFA or UEFA (or another FIFA confederation).
- B13** Clubs, Club Officials, Match Officials, Players, and other Participants must comply with the FIFA Regulations Governing International Matches and with any requirements set by The Association in relation to those regulations. They may not:
- B13.1** form international combinations or alliances or participate in or support in any manner, directly or indirectly, any competition or match staged outside of England without the prior written approval of FIFA and UEFA; or
 - B13.2** participate in matches or make sporting contacts with players or teams that are not affiliated to FIFA member associations, unless they have the prior written approval of FIFA; or
 - B13.3** participate in, or support in any manner, directly or indirectly, any competition or match staged outside of England unless they have the prior written approval of The Association and of the relevant FIFA member association of the territory where the competition or match is staged.

Guidance

The words “support in any manner, directly or indirectly” should be construed widely. For the avoidance of doubt, The Association’s response to any potential breach of this provision shall be proportionate to the harm caused by such breach.

COMPLIANCE

- B14** A breach by a Club, Club Official, Match Official, Player, or other Participant of Rule B4 and/or Rule B13 constitutes Misconduct.
- B15** Liability for breach of Rule B4 and/or Rule B13 is strict, i.e., no proof of intent, recklessness, or any other fault is required. In particular (but without limitation), it is the responsibility of each Club, Club Official, Match Official, Player, and other Participant to establish that a particular competition or match is authorised as required

¹: This will not apply in respect of Welsh clubs playing football in competitions authorised by The Association or an Affiliated Association under this Rule B.

10 - RULES OF THE ASSOCIATION

under this Rule B before participating in it or supporting it in any manner; ignorance of its unauthorised status will not be a defence to a charge of Misconduct that results from such participation or support. However, in accordance with Rule B19, the degree of fault of the non-compliant Club, Club Official, Match Official, Player, or other Participant may impact on the sanctions imposed for such breach.

- B16** The Association will investigate and take disciplinary action as necessary against any Club, Club Official, Match Official, Player, or other Participant that commits such Misconduct. Any disciplinary action taken against a Club in relation to an unauthorised competition or match will not preclude The Association from taking disciplinary action against other Participants in relation to the same competition or match, and vice versa. In the event that a competition organiser investigates and/or takes action against a Club for the same acts or omissions under its rules or regulations, in accordance with Rule G3 The Association may stay its own investigation on agreed terms pending the outcome of the competition organiser's action, or conduct a joint investigation on agreed terms with the competition organiser, or carry out its own investigation and action independently of the competition organiser. Similarly, any disciplinary action taken by UEFA and/or FIFA against a Club or other Participant in relation to a breach of Rule B13 will not preclude The Association from taking disciplinary action against the same Club or Participant(s) for the same acts or omissions, and vice versa.
- B17** The Regulatory Commission may impose any one or more of the following sanctions on a Club that the Regulatory Commission finds to be in breach of Rule B4 and/or Rule B13:
- B17.1** a reprimand and/or a warning as to future conduct;
 - B17.2** a fine;
 - B17.3** a transfer embargo;
 - B17.4** a deduction of points for the current (or just completed) season and/or for one or more future seasons;
 - B17.5** a specified period of ineligibility to participate in specified current and/or future competitions and/or matches; and
 - B17.6** any other sanction(s) that the Regulatory Commission deems to be appropriate and proportionate in all the circumstances of the case.
- B18** The Regulatory Commission may impose any one or more of the following sanctions on a Player or other individual Participant that the Regulatory Commission finds to be in breach of Rule B4 and/or Rule B13:
- B18.1** a reprimand and/or a warning as to future conduct;
 - B18.2** a fine;
 - B18.3** a specified period of ineligibility to participate in current and/or future competitions and/or matches; and
 - B18.4** any other sanction(s) that the Regulatory Commission deems to be appropriate and proportionate in all of the relevant circumstances of the case.
- B19** The sanction(s) to be imposed in a particular case are to be determined by reference to all of the relevant circumstances of that case, including the seriousness of the breach (both in terms of the degree of fault of the non-compliant Club or other Participant and in terms of the harm caused by the breach), the need to protect the image and/or integrity of the game, the need to deter repetition of the wrongful conduct (whether by the Club or other Participant in question or by others), and any mitigating or aggravating factors that may be present (including the prior record of the Club or other Participant, and their degree of cooperation with the investigative and disciplinary process). Where more than one breach has been committed, the sanctions shall be based on the most serious breach, but increased by an amount appropriate to reflect the other breach(es).
- B20** Where the Regulatory Commission considers it appropriate, it may suspend the implementation of all or part of any sanction(s) imposed for a period, and waive implementation entirely at the end of that period, provided in each case that the Club and/or Participant who is the subject of the sanction(s) satisfies any conditions specified by the Regulatory Commission.

C. PLAYER STATUS RULES

SECTION I: OVERARCHING PRINCIPLES

- C1** Failure to comply with a provision of these Player Status Rules may constitute Misconduct.
- C2** Unless otherwise specified by The Association, all documents to be submitted to The Association shall be submitted in electronic copy only by email or in such other form or manner as may be specified by The Association from time to time.

Guidance

Where a document requires a signature, The Association will accept an electronic signature on a document provided that the signatory intends to authenticate the document, the signature is generated in software designed for that purpose and that any relevant formalities are satisfied. Any misrepresentation as to the validity of an electronic signature may constitute Misconduct. Secure e-signature technology shall be used wherever possible.

Where references are made throughout these Player Status Rules to offers or confirmations being given "in writing" it is sufficient for this to be done by email, provided the other requirements of the relevant Rule have been met.

- C3** Where documents submitted to The Association do not comply with The Association's Rules or regulations, The Association reserves the right to:
- C3.1** require amendments or clarifications to those documents;
- C3.2** require additional information or documentation; and/or
- C3.3** reject any document and to refuse to take any steps in relation to them.

10 - RULES OF THE ASSOCIATION

- C4** Any steps taken by The Association in relation to documents submitted to it shall not constitute its acceptance as to their compliance with The Association's Rules or regulations, nor any indication as to their legality or otherwise.
- C5** Clubs and Players must ensure that Players are registered with The Association in order to play in a Match.
- C6** Players may only be registered with a Club for the purposes of playing Matches. As an exception, a Player may be registered with a Club for technical reasons in order to ensure transparency in respect of a Player's registration record, to include in circumstances where a Player is subject to consecutive individual transactions.

Guidance

There is only one exception to the fundamental principle that a Player may only be registered with a Club for the purposes of playing Matches. This exception is when a player needs to be registered with a club purely for technical reasons related to the use of the domestic registration database and/or FIFA TMS. Such a 'technical registration' – where there is no (immediate) prospect that the player will play football for the registering club – might arise if, for example, a player returns to their parent club following a loan and is immediately loaned out again, or permanently transferred, to a third club.

To provide transparency and ensure that the transfer is accurately reflected domestically and/or on FIFA TMS, the player's registration must revert to their parent club before it is transferred to the club to which they are being loaned or permanently transferred. Therefore, it is necessary to register the player with their parent club, even if there is no prospect of the player playing for their parent club and even if the registration period of the parent club's member association is closed. In order for a transfer to occur after the 'technical registration', the registration period of the club to which the player is being loaned or permanently transferred must be open.

For the avoidance of doubt, this exception does not apply in respect of Bridge Transfers.

- C7** No Club or Player may enter into an agreement with a party (to include an agreement entered into between a Club and a Player) which contravenes The Association's Rules and regulations, to include the Third Party Interest in Players Regulations and the Working with Intermediaries Regulations.
- C8** Where a Contract Player ends their career upon expiry of their Playing Contract or a Non-Contract Player terminates their football activity, the Player will remain registered with The Association for a period of 30 months (such period commencing on the day the Player makes his last appearance in a Match).
- C9** In the event of any conflict between the Rules and the rules of any Competition and/or the terms of any Playing Contract, the Rules shall apply.

Guidance

For the purposes of playing football in England, registration with The Association constitutes a Player's primary registration. However, Competitions may, under their rules, impose additional requirements on Participants in respect of registering Players to participate in their Competition and contractual matters (and may impose sanctions in respect of non-compliance with any such requirements). Registration of a Player with The Association does not therefore constitute registration with each Competition in which that Player's Club participates.

- C10** For the purposes of futsal, these Player Status Rules shall apply save where there is any provision to the contrary in the Futsal Regulations.

10 - RULES OF THE ASSOCIATION

SECTION II: CONTRACTS

Unless otherwise stated, the provisions of Section II only apply to Participants in the Premier League, EFL, National League System and Tiers 1 to 4 of the Women's Football Pyramid.

Unless expressly stated, this section does not apply to Scholars and Academy Players. Provisions for such Players are set out in Section VIII of these Player Status Rules.

Payments

- C18** Each Club must ensure that Playing Contracts it enters into provide that all payments (save for those in relation to Image Rights and those made to Intermediaries on the Contract Player's behalf) are paid to the Contract Player, and not to any company, entity or individual acting on behalf of that Contract Player.
- C19** Any payments or benefits whatsoever that are made by a Club to, or otherwise made in relation to, a Contract Player must be referenced in and incorporated as terms of the Playing Contract (to include, but not limited to, those relating to Image Rights and those made to Intermediaries on the Contract Player's behalf).

Guidance

The Playing Contract must set out the relevant payments (for example as relate to Image Rights and those made to Intermediaries on the Contract Player's behalf) but need not, for example, set out the full payment schedule. In such circumstances, the payment schedule must be set out in a written agreement (to which the Club is a contracting party) and must be provided both to the Player and The Association.

- C20** All payments made to Contract Players, whether under a Playing Contract or otherwise, must:
- C20.1** only be made by the Club and be fully recorded in the Club's accounting records; and

- C24** Where any other agreement is entered into between a Contract Player (or the Player's Image Rights company) and a Club (including during the term of a Playing Contract), the parties must notify The Association of the agreement within five days of its execution and provide a short description of the nature of the agreement. The FA reserves the right to request a copy of any such agreement.

Guidance

- C25** Playing Contracts must contain a clause detailing the process for dealing with disputes regarding the unilateral termination of the Playing Contract.

- C27** The full terms of any Option must be set out in the Playing Contract.
- C28** As a result of the exercise of an Option, the terms of the Playing Contract (to include any guaranteed payments) must be the same or no less favourable overall than the terms of the Player's existing Playing Contract (excluding any signing-on fees).
- C29** Subject to Rule C30, a Playing Contract cannot include an Option which, if exercised, would result in the Playing Contract being extended for a period which is longer than the initial term of the Playing Contract.
- C30** An Option may extend a Playing Contract for a longer duration than the initial term of the Playing Contract where:

10 - RULES OF THE ASSOCIATION

- C30.1** the relevant Playing Contract is entered into after the commencement of the season but by no later than the first Monday in February; and
- C30.2** the Option provides for the Playing Contract to be extended for a period which is the same duration as the initial term of the Playing Contract plus any further period that is required to ensure that the Playing Contract expires at the end of the season.
- C31** A Playing Contract can contain multiple alternative Options, but only one Option may be exercised.
- C32** An Option cannot contain a further Option.
- C33** Where an Option is exercised, the Club must notify The Association within five days or by 1 June, whichever is sooner.

Guidance

The Association reserves the right to determine that an Option does not comply with the Rules at the time the relevant Playing Contract is lodged.

When considering whether an Option is on the same or not less favourable terms, The Association will require that the annual value of the financial terms offered are at least equivalent to the most favourable terms to which the Player was entitled in any year of their current contract. Further, The Association will primarily consider (and give greater weight to) guaranteed payments under the contract and in the option clause. However, The Association may also take into account any reasonably achievable contingent payments in appropriate circumstances.

An Option will be considered to be on the same or not less favourable terms where it provides for payment commencing from a different specified date as that under the current contract, provided that the effect of the Option/Re-engagement Offer is for the player to be paid for an equivalent period. This is to allow for the fact that the season start dates may differ slightly year on year.

If an Option provides for payment to be reduced or suspended (for any reason) during the season, this will not be considered to be on the same or not less favourable terms where the current contract did not contain an equivalent provision.

An Option can be for a shorter period than the term of the Playing Contract.

SECTION III: REGISTRATION

General

- C34** Subject to Rules C35 and C50, Players may only be registered during a Registration Period and upon receipt by The Association of a valid application for registration from a Club.
- C35** The following Players may be registered outside of a Registration Period:
- C35.1** Out of Contract Players whose Playing Contract has expired or terminated by mutual consent prior to the end of a Registration Period;
- C35.2** Non-Contract Players whose registration with a Club has expired or terminated by mutual consent prior to the end of a Registration Period;
- C35.3** Female Players who are registered in order to temporarily replace a female Player who has taken maternity leave;
- C35.4** Female Players upon completion of their maternity leave, subject to their contractual status;
- C35.5** Players whose Scholarship Agreement has expired or terminated by mutual consent prior to the end of a Registration Period; and
- C35.6** other players where, in The Association's sole discretion, exceptional circumstances apply.

10 - RULES OF THE ASSOCIATION

Guidance

Rule C35.6 is not intended to provide Clubs with the opportunity to register new players on a permanent basis outside of a Registration Period, rather such a step will only be permitted in exceptional circumstances. Examples of exceptional circumstances include where the integrity of a Competition is affected (such that the registration of a goalkeeper may be permitted on loan where the loanee club does not have a player in that position) and where the wider interests of the game and Participants are best served through application of that discretion.

Competitions may, under their rules, impose additional requirements on Participants in respect of registering Players outside of Competition-specific registration periods.

- C36** The Association reserves the right to refuse the registration of a Player, to include where the Player and/or relevant Club fails to supply such information or documentation as The Association may require pursuant to The Association's Rules or regulations.
- C37** A Player is ineligible to play for a Club until such time as the Club receives written confirmation from The Association of registration with that Club. Where a Player plays in contravention of this requirement, The Association may impose sanctions on the Player and/or the relevant Club.

Guidance

Notwithstanding confirmation of registration with The Association, a Player's eligibility to play for a Club remains subject to any disciplinary suspension and the fulfilment of any applicable eligibility requirements provided for in the rules of the relevant Competition.

- C38** The Association may, in exceptional circumstances and upon application by a Player or the Player's Club, cancel the registration of a Player.

Guidance

The Association's exercise of this power in relation to Contract Players would ordinarily be subject to the outcome of any dispute between a Contract Player and a Club in relation to the termination of the Playing Contract.

- C39** Where a Club ceases to be a member of a league within the National League System or Tiers 1 to 4 of the Women's Football Pyramid other than by reason of promotion, relegation or expulsion, all Contract Players of the Club may (from the date the Club ceases to be a member of the relevant league) cancel their registration with that Club by notifying the Club and The Association in writing of their intention. The Association will provide to such Contract Players written confirmation that their registration has been cancelled and the date on which such cancellation takes effect. From that date, such Contract Players may register for another Club without a transfer fee being payable to their former Club (subject to The Association confirming that this is permissible in accordance with FIFA regulations).

International Clearance

- C40** Any player aged 10 or above who was last registered with a club affiliated with another national association may only be registered with a Club once an ITC has been issued by the former association and The Association has confirmed receipt of the ITC.
- C41** The transferee Club must enter such details and provide such documents as are required by FIFA TMS.
- C42** Where the ITC is issued (once the former association has completed the relevant information), The Association will complete the relevant player registration information in FIFA TMS. In that regard:
- C42.1** if the request is rejected, the Player will not be permitted to register for the transferee Club;
- C42.2** if the request is accepted, The Association will confirm this to the transferee Club in writing.
- C43** The ITC procedure must be conducted exclusively through FIFA TMS.
- C44** Any form of ITC other than the one created by FIFA TMS shall not be recognised.

10 - RULES OF THE ASSOCIATION

Contract Players

- C45** All Contract Players must be registered with The Association.
- C46** In order to register a Contract Player, a Club must submit the following to The Association:
- C46.1** a copy of the Playing Contract, and any other contract entered into between the Contract Player and the Club;
 - C46.2** a copy of the Intermediaries Form and, where applicable, the Representation Contract; and
 - C46.3** any other information, forms or documents as required by The Association from time to time.
- C47** A Club must submit the Playing Contract and any Intermediaries Form to The Association within five days of signature by the Contract Player.

Guidance

To provide clarity on the requirements of The FA's registration process.

Contracts should be lodged with The FA as soon as possible after signing to ensure that the player's registration status and player passport is as accurate as possible (as until the Playing Contract is registered with The FA, the player is not a registered player and cannot play for the club). As electronic signatures and submissions are now permitted, The FA expects the majority of contracts to be submitted before the fifth day after signature. However, The FA acknowledges that there may be a short delay for all documents to be completed (particularly if there has been a transfer with an international element). This is also consistent with the requirement in the Standardised Rules and the EFL Regulations.

- C48** A Contract Player must not:
- C48.1** register with more than one Club at a time; or
 - C48.2** enter into a Playing Contract with more than one Club at a time.

Guidance

If a Playing Contract has been submitted to The Association in respect of a Contract Player, the same Contract Player cannot enter into a Playing Contract with any other Club unless and until The Association has rejected or cancelled the Contract Player's registration.

- C49** A Contract Player may only play for the Club holding their registration, unless otherwise permitted by these Player Status Rules or where:
- C49.1** the prior written permission has been obtained from The Association and the Club holding the Contract Player's registration for the Contract Player to participate in a benefit, testimonial or charity match; or
 - C49.2** a Contract Player who is registered to a Club in Tiers 1 to 4 of the Women's Football Pyramid is enrolled in higher education, in which case the Contract Player may also play for the higher education establishment provided the Contract Player's Club has provided prior written consent.

Non-Contract Players

- C50** Clubs must ensure that all Non-Contract Players are registered with the relevant league and/or Affiliated Association (as prescribed by, and in accordance with, the rules of the relevant league and The Association's Rules and regulations).
- C51** All payments made to Non-Contract Players, must:
- C51.1** only be made by the Club and be fully recorded in the Club's accounting records;
 - C51.2** be made to Non-Contract Players gross, before deductions for all applicable taxes; and
 - C51.3** comply with any relevant tax legislation.

10 - RULES OF THE ASSOCIATION

SECTION IV: TRANSFERS OF REGISTRATION

Unless otherwise stated, the provisions of Section IV apply to Participants in the Premier League, EFL, National League System and Tiers 1 to 4 of the Women's Football Pyramid.

General

- C52** The transfer of a player's registration can be made on a permanent or temporary basis.
- C53** Where a Contract Player is transferred in accordance with the provisions of this Section IV, they will be ineligible to play for the transferee Club until such time as that Club receives written confirmation from The Association of registration with that Club. Where a Player plays in contravention of this requirement, The Association may impose sanctions on the Player and/or the relevant Club.
- C54** Where a registration is transferred, the transferor Club must provide to any previous club(s) with which a Player was registered, and which have the right to a sell-on fee in respect of any transfer of that Player, full details of the transfer fee and/or any contingent fees to which the transferor Club is or may be entitled in respect of the transfer or future transfer of the relevant Player. The Club receiving the information shall not disclose or divulge it directly or indirectly to any third party without the prior written consent of the transferor Club, save to statutory and regulatory authorities or as may be required by law or to its auditors.
- C55** Any transfer fee and/or contingent fees paid in relation to the transfer of a Player must only be paid between the transferor club and transferee club, or otherwise in accordance with The Association's Rules and regulations.
- C56** Where a Club enters into a pre-agreement in relation to the future transfer of a player, the pre-agreement must comply with The Association's Rules and regulations, to include the Third Party Interest in Players Regulations.

- C57.1** state the full name of each club's corporate entity, including the relevant company registration number (where applicable);
 - C57.2** set out full particulars of all financial and other arrangements agreed between the two clubs (to include in relation to any payments to the player the sums due, the club responsible for payment and the applicable term);
 - C57.3** comply with The Association's Rules and regulations, to include The Association's Third Party Interest in Players Regulations and Working with Intermediaries Regulations; and

- C60.3 any other information, forms or documents as required by The Association from time to time.

Temporary transfers

General

- C61 A loanee Club is not permitted to sub-loan or otherwise transfer the loanee Player to a third club.
- C62 Where a Player who is the subject of a temporary transfer returns to their parent Club (whether in accordance with the terms of the loan agreement, in accordance with the relevant league rules or otherwise):
 - C62.1 the parent Club must submit a copy of the recall letter, notice or agreement to The Association; and
 - C62.2 the Player is ineligible to play for the parent Club until such time as the Club receives written confirmation from The Association of the Player's registration with the parent Club. Where a Player plays in contravention of this requirement, The Association may impose sanctions on the Player and/or the relevant Club.

A Club must also comply with any applicable provisions of the RSTP in respect of international loans.

SECTION V: TRIALS FOR PLAYERS (EXCLUDING MINORS)

Unless otherwise stated, the provisions of Section V apply in respect of players aged 18 or over.

- C66 A player registered with The Association, or a player who is not currently registered but whose most recent registration was with The Association, can trial at a Club not holding that player's registration provided that:

SECTION VI: CONTRACTUAL STABILITY

Re-engagement

Unless otherwise stated, Rules C70 to C74 apply to Participants in the National League System and Tiers 1 to 4 of the Women's Football Pyramid.

Retaining right to compensation

General principles

- C70 A Club that makes a Re-engagement Offer to a Contract Player is entitled to receive a Compensation Fee from a Club to which that Player is subsequently registered (as a Contract Player or a Non-Contract Player), provided that:

C70.1 the Player is under the age of 24 years as at 30 June in the year that the Player's Playing Contract expires;

C70.2 the Re-engagement Offer is made in accordance with Rule C72;

C70.3 the Player has rejected or failed to respond to the Re-engagement Offer; and

C70.4 in respect of Participants in the National League System only, the parties comply with Rules C75 and Rules C76 (as applicable).

- C71 Where a Compensation Fee is payable by a Club, The Association will not register the Player until that Club has confirmed to The Association in writing that it will:

C71.1 negotiate a Compensation Fee with the Player's former Club; and

C71.2 in the event that a Compensation Fee cannot be agreed between the Clubs, be bound by a decision of the Compensation Fee Tribunal in respect of the compensation payable.

Requirements of a Re-engagement Offer

- C72 A Re-engagement Offer must:

C72.1 be made to the Contract Player during the Re-engagement Period;

C72.2 be the same or no less favourable than the terms which applied at the point of expiration of the Contract Player's most recent Playing Contract with the Club; and

C72.3 be for a minimum duration of until:

C72.3.1 the first Saturday in May or the date of the last league or Competition match played by the Club's first team in the following playing season, whichever is later; or

C72.3.2 30 June in the following playing season.

- C73 In the event of a dispute concerning the validity of a Re-engagement Offer and/or a Contract Player's acceptance or rejection of it, the burden shall be on the sender of the notice to establish that it was received by the other party within the applicable time period set out in these Player Status Rules.

10 - RULES OF THE ASSOCIATION

Events following a Re-engagement Offer

C74 Upon receipt of a Re-engagement Offer, a Contract Player must accept or reject it by notifying the Club in writing within 28 days. A Contract Player who rejects a Re-engagement Offer, or fails to respond to a Re-engagement Offer within 28 days of receipt, is immediately free to enter into contract negotiations with another Club.

Guidance

For the avoidance of doubt, where a Player enters into contract negotiations with another Club, the right of the Club that made a Re-engagement Offer to receive a Compensation Fee is unaffected.

The following Rules C75 and C76 only apply to Participants in the National League System.

C75 An existing agreement shall continue and have full force and effect between the parties on the terms and conditions as those pertaining prior to the expiration of the initial period of employment, or the option period if appropriate, and the Player will continue to train and play as instructed by the Club until 31 August, or the date on which the Player registers for another Club, whichever is the sooner.

C76 In the event of the Player continuing to play for the Club after the 31 August, a week-to-week agreement must be completed and submitted to The Association under which the Player will continue to be paid in accordance with the terms of the existing agreement.

Unless otherwise stated, Rules C77 to C87 apply to Participants in the National League System and Tiers 1 to 4 of the Women's Football Pyramid.

No Re-engagement Offer

C77 If no Re-engagement Offer is received by the Contract Player during the Re-engagement Period (and no Option is exercised by the Club), that Player may following the end of the Re-Engagement Period make enquiries or enter into contract negotiations with other clubs.

Notification to The Association

C78 By 1 June in each season, or any alternative date communicated by The Association from time to time, all Clubs must notify The Association of all Re-engagement Offers made.

Compensation Fee Tribunal

C79 A Compensation Fee Tribunal shall have jurisdiction in the following cases:

C79.1 where:

C79.1.1 the Re-engagement Offer is made by a Club in membership of the National League System or Tiers 1 to 4 of the Women's Football Pyramid;

C79.1.2 (i) re-engagement terms have been offered to a Contract Player by a Club in membership of the Premier League or EFL, (ii) such terms comply with the relevant league's rules regarding re-engagement, and (iii) the Contract Player wishes to register with a Club not in membership of either league; or

C79.1.3 (i) re-engagement terms have been offered to a Contract Player by a Club in membership of the EFL, (ii) such terms comply with the relevant league's rules regarding re-engagement, and (iii) the offering Club has been relegated into the National League System,

and, in any case the two Clubs cannot agree the Compensation Fee; and/or

C79.2 where the Re-engagement Offer is made by a Club in membership of the National League System or Tiers 1 to 4 of the Women's Football Pyramid and there is a dispute as to whether the Re-engagement Offer: (i) was validly received, accepted or rejected; and/or (ii) meets the requirements of Rule C72.

10 - RULES OF THE ASSOCIATION

Where two Clubs cannot agree the Compensation Fee

- C80** The Compensation Fee Tribunal shall be convened to determine the Compensation Fee payable upon the application of either Club.
- C81** A Compensation Fee Tribunal shall be comprised of one nominated representative from each of the following:
- C81.1** Council (to act as the independent chairperson);
 - C81.2** the relevant league(s) in the National League System or Tiers 1 to 4 of the Women's Football Pyramid;
 - C81.3** the Premier League or EFL (provided that the dispute relates to men's football and one Club is a member of one of those Competitions);
 - C81.4** the Professional Footballers' Association (or an alternative, independent and appropriately experienced person as nominated by The Association at its absolute discretion); and
 - C81.5** The Football Association of Wales (if one or both Clubs are members of The Football Association of Wales).
- C82** Before the date of a hearing before any Compensation Fee Tribunal, both Clubs must pay to The Association a non-refundable administration fee of £300 (without which, the Compensation Fee Tribunal shall not proceed to hear the dispute).
- C83** The Clubs must make the following written submissions to the Compensation Fee Tribunal in support of their cases:
- C83.1** The Club which held the Player's registration must submit the relevant Compensation Fee Tribunal form, details of the Player's registration and length of service with the Club, and any other documents requested in accordance with the directions of the Compensation Fee Tribunal.
 - C83.2** The Club seeking the Player's registration must submit the relevant Compensation Fee Tribunal form, details of the Player's proposed registration, and any other documents requested in accordance with the directions of the Compensation Fee Tribunal.
- C84** In determining the value of the Compensation Fee, the Compensation Fee Tribunal may take into account some or all of the following criteria:
- C84.1** the status of each Club;
 - C84.2** the age of the Player;
 - C84.3** the amount of any transfer fee paid by the former Club on acquisition of the Player and the length of time the former Club has held the Player's registration;
 - C84.4** the terms of the new contracts offered to the Player by each Club;
 - C84.5** the training and development of the Player at the former club, including for example the provision of any specialist coaching, education or welfare;

 - C84.7** substantiated interest shown in the Player by other Clubs;
 - C84.8** other costs incurred by the former Club directly or indirectly attributable to the training and development of the Player, including any relevant medical or rehabilitation costs; and/or
 - C84.9** attempts made by the parties to reach an agreement concerning the value of the Compensation Fee due provided that there is evidence of telephone calls, meetings or written correspondence between the two Clubs.
- C85** The Compensation Fee Tribunal will determine whether a dispute can be determined on the basis of written submissions alone or if an oral hearing is necessary.

10 - RULES OF THE ASSOCIATION

C86 The Compensation Fee Tribunal may, in its absolute discretion, order either Club to pay all or part of the costs of the proceedings.

Guidance

By way of example, the Compensation Fee Tribunal may order one Club to pay the costs of the tribunal proceedings if it has failed to negotiate with the other Club or if it has made a spurious claim.

C87 The decision of the Compensation Fee Tribunal shall be determined by majority. Each member of the Compensation Fee Tribunal shall have one vote and the chairperson shall have a casting vote.

C88 The decision of the Compensation Fee Tribunal is final and binding and there shall be no right of appeal.

Approaches

The provisions regarding approaches must be read in conjunction with The Association's Working with Intermediaries Regulations.

Contract Players

Rule C89 applies to Participants in the Premier League, EFL, Steps 1 to 4 of the National League System and Tiers 1 to 4 of the Women's Football Pyramid.

C89 Subject to Rules C74 and C77:

C89.1 A Club, Club Official, Intermediary or Player (or any other Participant) must not directly or indirectly approach a Contract Player or Scholar with a view to inducing them to leave the Club for which they are registered, except with the prior written permission of that Club. This includes through an employee, contractor or agent.

C89.2 A Contract Player or Scholar (or any Intermediary or other Person) must not directly or indirectly approach a Club, Club Official, Intermediary or Player with a view to leaving the Club for which the Contract Player or Scholar is registered, except with the prior written permission of the Contract Player's or Scholar's Club. This includes through an employee, contractor or agent.

Non-Contract Players

Unless otherwise stated, Rules C90 to C98 apply to Participants in the National League System and Tiers 1 to 4 of the Women's Football Pyramid. However, the provisions of these Rules shall apply to Approaching Clubs at any level of the game.

C90 Subject to Rule C91, a Club wishing to approach a Non-Contract Player (the "Approaching Club") registered with one or more Clubs must give to the club secretary of each such Club seven days' written notice of its intention to approach the Non-Contract Player (the "Approach Notice").

C91 An Approach Notice must be given by:

C91.1 a Saturday Club only to other Saturday Clubs;

C91.2 a Sunday Club only to other Sunday Clubs; and

C91.3 a midweek Club only to other midweek Clubs.

C92 A Club that receives an Approach Notice must ensure that the Non-Contract Player has received and is aware of the Approach Notice.

C93 The Approaching Club must send the Approach Notice:

C93.1 by first-class post to the registered address; or

C93.2 by email to the club secretary or chairperson,

of the Club(s) that the Non-Contract Player is registered with.

10 - RULES OF THE ASSOCIATION

C94 An Approaching Club:

C94.1 may only register the relevant Player after seven days have elapsed since sending the Approach Notice (i.e. no earlier than the eighth day); and

C94.2 must register the relevant Player no later than 28 days following the sending of the Approach Notice.

Guidance

For the purposes of calculating the relevant time limits, the day on which the Approach Notice is sent shall be day zero.

C95 An Approaching Club must not:

C95.1 approach the same Non-Contract Player at the same Club more than once per season;

C95.2 having sent an Approach Notice to a Club, approach another Non-Contract Player at the same Club until 28 days have elapsed since sending the Approach Notice; and

C95.3 subject to Rule C96, approach more than one Non-Contract Player at a Club at the same time.

C96 An Approaching Club is permitted to simultaneously approach up to two Non-Contract Players in each age group at a Club provided that those Non-Contract Players are both invited to trial at an Academy.

C97 If a Non-Contract Player approaches a Club, that Club shall give the Club(s) for which the Non-Contract Player is currently registered seven days' written notice that the approach has been made before registering the Non-Contract Player (in accordance Rules C90 to C94).

C98 Where a Club is found by The Association and/or an Affiliated Association to have acted in breach of Rules C90 to C97, its registration of the Non-Contract Player may be cancelled and the Club may be subject to such other penalty as The Association or relevant Affiliated Association deems appropriate.

SECTION VII: DISCIPLINARY AND TERMINATION

Unless otherwise stated, Rules C99 to C112 apply to Participants in the Premier League, EFL, National League System and Tiers 1 to 4 of the Women's Football Pyramid.

Disciplinary

C99 Any dispute between a Contract Player and a Club concerning disciplinary matters shall be determined in accordance with the terms of the Playing Contract.

C100 Clubs must keep a record of any suspension or fine imposed under the Playing Contract and/or Club rules and provide details of any such suspensions or fines to The Association upon request.

Termination

General

C101 A Playing Contract may only be terminated by mutual consent or in accordance with the terms of the Playing Contract.

C102 Where a Playing Contract is terminated in accordance with Rule C101, the Club must notify The Association in writing within five days of the termination by providing a copy of any settlement agreement, or such other notice, as signed by the Club and Player.

C103 Where a Playing Contract has been terminated by mutual consent, the Player is not permitted to re-register as a Contract Player for that Club for a period of three months from the date of cancellation of the registration without the prior written permission of The Association.

10 - RULES OF THE ASSOCIATION

Guidance

Competitions may, under their rules, impose additional Competition-specific restrictions in respect of the re-registration of a Player to participate in their Competition. For example, the Premier League and the EFL in their respective rules preclude re-registration in these circumstances for a period of twelve months from the date of cancellation of the registration without their prior consent.

- C104** Upon the termination of a Playing Contract coming into effect, the Player's registration shall be released and the Club shall perform all actions as required by The Association to effect such release.

Disputes

- C105** Any dispute between a Contract Player and a Club in relation to the termination of a Playing Contract shall be determined in accordance with the terms of the Playing Contract.

SECTION VIII: YOUTH

Unless otherwise stated, Rules C113 to C134 apply to Participants in the Premier League, EFL and Clubs that operate an Academy.

Scholarships

General

C113 All Scholars must be registered with The Association.

C114 Clubs in the National League System and Tiers 1 to 4 of the Women's Football Pyramid may not offer Scholarship Agreements or register Scholars.

Guidance

Clubs in the National League System recently relegated from the EFL may - during the run-off period for an Academy in these circumstances (as set out in the Professional Game Youth Development Rules) - continue to register Scholars that were registered at the time of relegation in order that they may complete their Scholarships with the Club.

C115 In order to register a Scholar, a Club must submit the following to The Association:

C115.1 a copy of the Scholarship Agreement signed by the Scholar and his parent or legal guardian;

C115.2 a copy of the Scholarship Form signed by the Scholar;

C115.3 proof of nationality in the form of a valid passport or such other form of identification as required by The Association; and

C115.4 any other information, forms or documents as required by The Association from time to time (to include, where the registration concerns the international transfer of a minor or the first registration of a non-national minor, any such information requested in accordance with the provisions of the 'International transfer of minors' section below).

C116 The Scholarship Agreement and Scholarship Form must be provided to the Scholar and submitted to The Association within five days of being signed by all parties.

C117 A Scholar is ineligible to play for a Club until such time as the Club receives written confirmation from The Association of registration with that Club. Where a Scholar plays in contravention of this requirement, The Association may impose sanctions on the Scholar and/or the relevant Club.

C118 A Scholar may only be registered with one Club at a time.

C119 The validity of a Scholarship Agreement cannot be made conditional upon the completion of a successful medical examination or the grant of any right to work authorisation.

C120 On or after a Scholar's seventeenth birthday, the Scholar may enter into a Playing Contract (subject to the rules of the relevant league and Section III of these Player Status Rules).

10 - RULES OF THE ASSOCIATION

- C121** Players under the age of 18 may not sign a Scholarship Agreement for a term longer than three years.
- C122** The Association reserves the right to refuse the registration of a Scholar, to include where the Player and/or relevant Club fails to supply such information or documentation as The Association may require pursuant to The Association's Rules or regulations.
- C123** Where a Club ceases to be a member of a league within the National League System other than by reason of promotion, relegation or expulsion, all Scholars of the Club may (from the date the Club ceases to be a member of the relevant league) cancel their registration with that Club by notifying the Club and The Association in writing of their intention. The Association will provide to such Scholars written confirmation that their registration has been cancelled and the date on which such cancellation takes effect. From that date, such Scholars may register for another Club without a transfer fee being payable to their former Club (subject to The Association confirming that this is permissible in accordance with FIFA regulations).

Payments

- C124** Each Club must ensure that the Scholarship Agreements it enters into provide that all payments are paid to the Scholar, and not to any company, entity or individual acting on behalf of that Scholar.
- C125** All payments made to Scholars must:
 - C125.1** be made by the Club and be fully recorded in the Club's accounting records;
 - C125.2** set out all payments to be made to Scholars gross, before deductions for all applicable taxes; and
 - C125.3** comply with any relevant tax legislation.

Form and Content

- C126** Where The Association and/or league prescribes the form of a Scholarship Agreement, Clubs must only use that prescribed Scholarship Agreement in respect of its Scholars.

- C128** All parties to a Scholarship Agreement must ensure that the Scholarship Agreement:
 - C128.1** states the full name of the Club's corporate entity, including the relevant company registration number (where applicable);
 - C128.2** clearly sets out all terms and conditions of employment;
 - C128.3** sets out all payments and/or benefits whatsoever due and/or made to a Scholar;
 - C128.4** is of stated duration, subject to any relevant limits specified by The Association and/or the relevant league;

For the avoidance of doubt, the Scholar may not play for the work experience Club in any first team match in the Premier League, EFL, EFL Cup or EFL Trophy. The Player may not play in The FA Challenge Cup Competition without the prior written permission of the Club that holds their registration (in accordance with the FA Cup Rules).

- C133** Clubs that operate an Academy are obliged to report all minors attending that Academy to The Association, and to provide The Association with any such details as it may request.

Guidance

This provision applies to both nationals and non-nationals, and includes any minor attending an Academy on trial.

- C134** Minors previously registered with another national association may only attend a Club (to include on trial) in circumstances where one or more of the exceptions provided for in Article 19 RSTP applies. No such minor may attend a Club on trial without the prior written authorisation of The Association.

Trials for minors

- *that the player's parents move to the country in which the new club is located for reasons not linked to football;*

- 41 Save where expressly stated otherwise, a Regulatory Commission shall have the power to impose any one or more of the following penalties or orders on the Participant Charged:
 - 41.1 a reprimand and/or warning as to future conduct;
 - 41.2 a fine;
 - 41.3 suspension from all or any specified football activity from a date that the Regulatory Commission shall order, permanently or for a stated period or number of Matches;

11 - DISCIPLINARY REGULATIONS

- 41.4 the closure of a ground permanently or for a stated period;
 - 41.5 the playing of a Match or Matches without spectators being present, and/or at a specific ground;
 - 41.6 any order which may be made under the rules and regulations of a Competition in which the Participant Charged participates or is associated, which shall be deemed to include the deduction of points and removal from a Competition at any stage of any playing season;
 - 41.7 expulsion from a Competition;
 - 41.8 expulsion from membership of The Association or an Affiliated Association;
 - 41.9 such further or other penalty or order as it considers appropriate.
- 42 In imposing penalties, a Regulatory Commission must apply any:
- 42.1 applicable standard sanctions as may be communicated by The Association from time to time. A Regulatory Commission may only depart from such standard sanctions where it deems it appropriate having regard to the facts of an individual case (for example, where a particular act of Misconduct is sufficiently serious that the guideline sanction would not constitute a sufficient penalty for the Misconduct that has taken place);
 - 42.2 mitigating and/or aggravating factors, to include but not limited to the disciplinary record of the Participant and other factors that may be communicated by The Association from time to time.

Suspended Penalty

- 43 Save where any Rule or regulation expressly requires an immediate penalty to be imposed, and subject to paragraphs 43-46 below, the Regulatory Commission may order that a penalty imposed is suspended for a specified period or until a specified event and on such terms and conditions as it considers appropriate.
- 44 When considering imposing a suspended penalty, a Regulatory Commission must:
- a) Determine the appropriate penalty for the breach, irrespective of any consideration of it being suspended; and
 - b) Consider whether there is a clear and compelling reason(s) for suspending that penalty; if so
 - i. Set out what the clear and compelling reason(s) are; and
 - ii. Decide the period of the suspension, or event, until which the penalty will be suspended; and
 - iii. Upon what other terms or conditions, if any, the penalty will be suspended.
- 45 Where a Participant has committed a breach of Rules E5, E8 or E14, the Regulatory Commission must consider suspending a portion of the penalty imposed if:
- 45.1 that Participant has provided assistance and/or information to any Competition, The Association, UEFA, FIFA, other national football association, a law enforcement agency or professional disciplinary body; and
 - 45.2 the assistance and/or information provided results in the discovery or establishment of any criminal offence or the breach of disciplinary rules by another person relating to betting or integrity (not including anti-doping, in respect of which the Anti-Doping Regulations shall apply) in football or sport generally.
- 46 Where the Regulatory Commission, in exercising its discretion under paragraph 45, considers it to be appropriate to suspend a portion of the penalty, the extent to which the penalty may be suspended will be based on the significance of the assistance provided by the Participant to the effort to eliminate corruption from sport.

11 - DISCIPLINARY REGULATIONS

Aggravated Breaches (Rule E3.2)

- 47 Where an Aggravated Breach is found proven, a Regulatory Commission shall apply The Association's sanction guidelines for Aggravated Breaches set out at Appendix 1 to Part A: Section One: General Provisions.
- 48 Where a Regulatory Commission sanctions a Club in accordance with Rule E3.4, it may impose any sanction it considers appropriate, taking into account any aggravating or mitigating factors present.

Drug Rehabilitation and Counselling

- 49 Where a Participant has breached the provisions of the Anti-Doping Regulations or the Social Drugs Regulations, a Regulatory Commission may order a compulsory period of target testing, rehabilitation and counselling, and attach such conditions as it considers appropriate.

Compensation Orders

- 50 The Regulatory Commission may, where it considers it appropriate, order the Participant Charged to pay compensation to another Participant (the "**Compensation Claimant**"), instead of or in addition to any penalty or other order. Such an order may be for such amount as the Regulatory Commission considers appropriate.
- 51 The Regulatory Commission may order compensation only where:
- 51.1 it receives, in advance of its determination as to whether a Charge has been proven, a written claim by or on behalf of the Compensation Claimant which sets out the amount claimed and detailed reasons for the claim;
 - 51.2 it is satisfied that the Compensation Claimant has suffered loss as a consequence of the Misconduct of the Participant Charged; and
 - 51.3 the Participant Charged has had an opportunity both of seeing the claim in advance of an order being made and of making submissions to the Regulatory Commission in relation to it.

COSTS ORDERS

- 52 Save where otherwise provided, any costs incurred:
- 52.1 in bringing or defending a Charge will be borne by the party incurring the costs; and
 - 52.2 by a Regulatory Commission, which are considered by the Chairman of the Regulatory Commission to be appropriate, may be ordered to be paid in full or in part by either party (such costs may include, but are not limited to, the costs of the Regulatory Commission and related expenses).
- 53 The applicable deadlines for any appeal against only the quantum of costs shall be those set out in paragraph 5 of Part C: Appeals – Non-Fast Track. Any such appeal shall be heard and determined by a single person appointed by Sport Resolutions (UK) (or similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted.
- 54 A Notice of Appeal against a decision of a Regulatory Commission shall be deemed not to have been lodged unless either:
- 54.1 all financial orders, including costs orders, relating to the Participant in question have been paid in full; or
 - 54.2 the Chairman of the Regulatory Commission has made an order to set aside the relevant financial orders pending the outcome of the Appeal.
- 55 In the event of an appeal being lodged, where applicable payments of costs made will be held in escrow by The Association.

11 - DISCIPLINARY REGULATIONS

COMPLIANCE WITH PENALTIES AND ORDERS

- 56 Unless the Regulatory Commission determines otherwise, a penalty or order shall come into effect immediately at the date of the notification of the decision.
- 57 A Regulatory Commission may issue such further order, requirement or instruction as it considers appropriate for the purpose of giving effect to its decision.
- 58 Where a Regulatory Commission is satisfied that a Participant Charged has failed to observe or comply with a penalty or order imposed by the Regulatory Commission, it shall have the power to order that the Participant Charged be suspended immediately from all or any football activity for such period and on such conditions as it considers appropriate.
- 59 In respect of any appeal made by a Participant Charged against a decision of a Regulatory Commission, the Regulatory Commission shall have the power, upon application and its absolute discretion, to stay the effect of, or compliance by the Participant Charged with, a penalty or order of a Regulatory Commission.

PAYMENT OF FEES, FINES AND COMPENSATION ORDERS

- 60 Payment of any administration fee, fine or compensation shall be made to The Association by such deadline and under such terms as ordered by The Association at the time of the written notification or decision.
- 61 The failure to make payment within the deadline ordered may result in an automatic increase of 25% of the amount due. Failure to pay within a further 35 days from the deadline ordered may result in the automatic suspension of the Participant until such time as payment has been received. Where the Participant is a person, such suspension will be from all football and football activity. Where the Participant is a Club, such suspension will be from playing in any Match or Competition.

WRITTEN DECISION

- 62 The Regulatory Commission shall as soon as practicable send to the Participant Charged and the Chief Regulatory Officer (or their nominee) a written statement of its decision, which shall state:
- 62.1 the Charge(s) considered and whether admitted or denied;
 - 62.2 the decision as to whether Misconduct has been proven or not; and
 - 62.3 any penalty or other order imposed.
- 63 The written decision shall be signed and dated by the Chairman of the Regulatory Commission and be the conclusive record of the Regulatory Commission's decision. A copy of the written decision shall be forwarded to The Association.

WRITTEN REASONS

- 64 Where the relevant parts of Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations so provide, written reasons may be requested and provided.
- 65 Where written reasons are provided they shall state in writing:
- 65.1 the findings of fact made by the Regulatory Commission;
 - 65.2 the reasons for the Regulatory Commission's decision finding the Charge(s) proven; and
 - 65.3 the reasons for any penalty or order.

11 - DISCIPLINARY REGULATIONS

APPEALS

66 The rights of appeal shall be as set out in Part B: Non-Fast Track Regulations or Part E: Fast Track Regulations.

APPENDIX 1 - STANDARD SANCTIONS AND GUIDELINES FOR AGGRAVATED BREACHES

PLAYERS, MANAGERS AND TECHNICAL AREA OCCUPANTS

Sanction Range

A finding of an Aggravated Breach against a Player, Manager or Technical Area Occupant will attract an immediate suspension of between 6 Matches and 12 Matches (“**Sanction Range**”).

A Regulatory Commission shall take all aggravating and mitigating factors into account, including but not limited to those listed in these guidelines when determining the level of sanction within the Sanction Range.

The lowest end of the Sanction Range (i.e. 6 Matches) shall operate as a standard minimum punishment (the “**Standard Minimum**”).

Where a Player is aged 12-15 (inclusive) a Regulatory Commission may suspend any number of Matches on terms and for such period as it considers appropriate provided that a suspension of no less than one Match is served.

A Regulatory Commission may impose an immediate suspension in excess of 12 Matches in circumstances where aggravating factors of significant number or weight are present.

Exceptions to the Standard Minimum

A Regulatory Commission may only consider imposing a suspension below the Standard Minimum where the following specific (and exhaustive) circumstances arise such that the Regulatory Commission determines that the Standard Minimum would be excessive:

Where the offence was committed in writing only or via the use of any communication device **and**:

- Where the Regulatory Commission is satisfied that there was no genuine intent on the part of the Participant Charged to be discriminatory or offensive in any way and could not reasonably have known that any such offence would be caused; or
- The age of the Participant at time of the offence (e.g. where the Participant was a minor at the time the offence was committed); or
- The age of the offence (e.g. a social media post made a considerable time ago).

For the avoidance of doubt, the existence of the circumstances above will not necessarily result in a departure from the Standard Minimum. A Regulatory Commission must be satisfied that the unique circumstances and facts of a particular case are of such significance that a departure from the Standard Minimum is justified to avoid an unjust outcome for the Participant Charged. In reaching a decision, the Regulatory Commission must also consider whether or not it is in the best interests of the game in tackling all forms of discrimination to depart from the Standard Minimum. In any event, a Regulatory Commission shall impose a suspension of no less than 3 Matches.

Where a Player is aged 12-15 (inclusive) a Regulatory Commission may suspend any number of Matches on terms and for such period as it considers appropriate provided that a suspension of no less than one Match is served.

11 - DISCIPLINARY REGULATIONS

ALL OTHER PARTICIPANTS

Where a finding of an Aggravated Breach is against a Participant who is not a Player, Manager or Technical Area Occupant, a Regulatory Commission may assess that a Match-based suspension is not appropriate.

In such circumstances, a Regulatory Commission shall impose an appropriate time based suspension that is commensurate with the breach, having regard to the specific roles and responsibilities of the Participant.

EDUCATION

Any Participant who is found to have committed an Aggravated Breach shall be made subject to an education programme, the details of which will be provided to the Participant by The Association.

OTHER PENALTIES

A Regulatory Commission may impose any one or more of the other penalties as provided by paragraph 41 of Part A to the Disciplinary Regulations.

FACTORS TO BE CONSIDERED WHEN DETERMINING SANCTION

A Regulatory Commission will have due regard to the circumstances and seriousness of the incident when determining the appropriate sanction and whether (and to what extent) to depart from the Sanction Range. For the avoidance of doubt, any departure from the Sanction Range below the Standard Minimum may only be considered by a Regulatory Commission where the specific (and exhaustive) circumstances listed above arise.

In so doing, the Regulatory Commission shall give consideration to any aggravating and mitigating factors, to include but not limited to:

Aggravating factors

- Repeated use of discriminatory language or conduct during commission of the offence.
- The public nature of the offence (e.g. the commission of the offence in a public place, via broadcast media or a social media platform (particularly via an account on a social media platform with a high number of followers in relative terms)).
- The profile of the Participant, including where they hold a position of responsibility within their Club or organisation (e.g. Club captain, Chairman, member of senior management).
- The relative ages of the Participant and the victim(s) at the time of the offence, particularly where the victim was a minor and the Participant was not.
- Failure to co-operate with The Association.
- Previous disciplinary record of the Participant.
- Any attempt to conceal the breach.
- The extent of any premeditation.

Mitigating Factors

- Admission at the earliest opportunity where the factual conduct forming the basis for the charge would be capable of being disputed.
- Demonstration of genuine remorse.
- Co-operation with The Association.
- Where it is accepted that the Participant had a legitimate expectation of privacy.
- Inexperience of the Participant by reference to their age or background at the time of the offence.

11 - DISCIPLINARY REGULATIONS

- In respect of social media posts, the age of the post and the Participant's age at the time of the post. For example, depending on the other circumstances and characteristics of the offence, it may be considered a mitigating factor where the post was made a considerable time ago and/or where it was made at a time when the Participant was a minor.

SECOND OR FURTHER OFFENCES

Second or further offences will be treated with the utmost seriousness.

There will be a presumption that the sanction for a second or further offence will be higher than the top end of the Sanction Range (i.e. 12 Matches), however the Regulatory Commission shall in any event impose an immediate suspension of no fewer than 7 Matches.

Where a Player is aged 12-15 (inclusive) and commits a second or further Aggravated Breach, in determining the suspension to be imposed, a Regulatory Commission shall use as an entry point, an immediate suspension of 11 matches. The Regulatory Commission may depart from the entry point where aggravating or mitigating factors are present but, in any case, must impose an immediate suspension of no fewer than 7 matches.

Regulatory Commissions shall still be entitled to take all aggravating and mitigating factors into account when determining sanction.

PLAYERS AGED UNDER 12

Where an Aggravated Breach is committed by a Player aged under 12, no disciplinary charge will be brought. In such cases, the Player will be subject to an education programme, the details of which will be provided to the Player by The Association.

11 - DISCIPLINARY REGULATIONS

B - NON-FAST TRACK REGULATIONS

- 1 These Non-Fast Track Regulations shall apply to all matters of Misconduct proceeding before Regulatory Commissions, save for those matters which are stated in Part E: Fast Track Regulations to be conducted in accordance with the expedited timetables set out therein.
- 2 For the avoidance of doubt, the matters which shall proceed under these Non-Fast Track Regulations shall include (but are not limited to):

 - 8.2 comply with any of the requirements at paragraphs 5 to 6 above;
- the Regulatory Commission shall determine the Charge in such manner and upon such evidence as it considers appropriate.

- 10 Where a Participant is provided with material in accordance with paragraph 9, they may provide The Association with such further evidence or relevant material on which they intend to rely provided that they do so at the earliest opportunity and in any event no later than seven days before the date on which the Regulatory Commission is to determine the matter (whether at a hearing or on the papers). Evidence or material not provided within time may not be relied upon at the hearing.
- 11 The purpose of the provisions relating to the Reply and further evidence or material at paragraphs 5 to 10 above is to:
- 11.1 clarify for all parties and the Regulatory Commission the issues to be determined at a hearing; and
 - 11.2 ensure the just, timely and efficient disposal of the case,
- and the parties shall cooperate with one another in so far as they are able in order to achieve this purpose.

In the absence of such an application, the Preliminary Application will be conducted by the Regulatory Commission appointed to determine the Charge.

After a Charge

- 21 Where the Participant has been issued with a Charge, but wishes to have the Provisional Hearing conducted by a separate Regulatory Commission to that appointed to determine the Charge, the Participant may apply to the Judicial Panel Chairman who shall determine whether it will be conducted by the Regulatory Commission appointed to determine the Charge or by a separate Regulatory Commission. DETERMINATION

On Written Submissions

- 29 Where the Participant Charged states, in accordance with paragraph 5.2.1, that they wish for the matter to be dealt with on written submissions, the Regulatory Commission may dispense with an oral hearing. 11 - DISCIPLINARY REGULATIONS

At a Hearing

- 30** Where the Participant Charged states, in accordance with paragraph 5.2.2, that they wish for the matter to be dealt with at a hearing, the Regulatory Commission shall proceed in accordance with this paragraph 30:
- 30.1** The Participant Charged must, if an individual, attend a hearing of the Regulatory Commission in person. If the Participant Charged is not an individual, it shall attend through a Club Official.

DECISION ON CHARGE

Deliberation

- 31** The Regulatory Commission will first consider whether or not a Charge is proven. In doing so, it will have regard to any admission of all or part of the Charge made by the Participant Charged. Where a Charge is denied, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.

Notification of the decision on Charge

- 32** The Regulatory Commission shall notify parties of its decision as to whether a Charge is proven. The Regulatory Commission may cite such findings as it considers appropriate to enable the parties to understand its decision. The Regulatory Commission shall notify parties of its decision as soon as reasonably practicable and in such manner as it considers appropriate. Where such decision is reached at a hearing at which the Participant Charged is present it should be notified immediately, save where the Regulatory Commission considers it appropriate to act otherwise.

- 35 Where a Charge is proven following determination on written submissions, the Regulatory Commission shall then consider the disciplinary record of the Participant together with any mitigation, and any other matters it considers relevant in its consideration of penalty.

Notification of decision on penalty

- 36 The Regulatory Commission shall notify parties of its decision as to any penalty or other order to be imposed as soon as is reasonably practicable and in such manner as it deems appropriate. Where an appeal is lodged electronically, the appeal fee must be received not later than the third day following the day of despatch of the electronic notification (including both the day of despatch and receipt);
 - 7.5 where appropriate, apply for leave to present new evidence under paragraph 10 below.
- 8 The respondent shall serve a written reply to the Notice of Appeal (the “**Response**”) on an appellant and the Appeal Board within 21 days of the lodging of the Notice of Appeal. Where appropriate, the Response must include an application for leave to present new evidence under paragraph 10 below.
- 9 Where the Regulatory Commission or other body appealed against has not stated the reasons for its decision:
 - 9.1 the appellant shall request written reasons from that body which shall be provided to the Appeal Board; or
 - 9.2 the Appeal Board shall require that a member of that body attends the appeal hearing. In which case:
 - (i) questions may be put by the Appeal Board at a hearing to satisfy itself as to the reasons for the decision);
 - (ii) cross-examination by the appellant or respondent shall not be permitted; (iii) representations may be made by the parties to the Appeal Board who may then put questions to the member of the body that made the decision.
 - 9.3 In addition to the above, The Association may also request written reasons from a Disciplinary Commission where it is acting as secretariat to a relevant Appeal Board.

New Evidence

- 10 The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Any application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. Save in exceptional circumstances, the Appeal Board shall not grant leave to present new evidence unless satisfied (i) with the reason given as to why it was not, or could not have been, presented at the original hearing and (ii) that such evidence is relevant. The Appeal Board’s decision shall be final. Where leave to present new evidence has been granted, in all cases the other party will be given an opportunity to respond.

Appeal Board Proceedings

- 11 The appellant shall prepare a set of documents which shall be provided to the Appeal Board and respondent at least seven days before the hearing and which shall comprise the following (or their equivalent):
 - 11.1 the Charge;
 - 11.2 the Reply;
 - 11.3 any documents or other evidence referred to at the original hearing relevant to the appeal;
 - 11.4 any transcript of the original hearing;
 - 11.5 the notification of decision appealed against and, where they have been given, the reasons for the decision;
 - 11.6 any new evidence;
 - 11.7 the Notice of Appeal;
 - 11.8 the Response.

11 - DISCIPLINARY REGULATIONS

- 12** An appeal shall be by way of a review on documents only and shall not involve a rehearing of the evidence considered by the body appealed against. The parties shall however be entitled to make oral submissions to the Appeal Board. Oral evidence will not be permitted, except where the Appeal Board gives leave to present new evidence under paragraph 10 above.
- 13** Once an appeal has been commenced, it shall not be withdrawn except by leave of the Appeal Board (or the Judicial Panel Chairman (or their nominee) if an Appeal Board has not yet been convened). Where an appeal is so withdrawn, the Appeal Board may make such order for costs, or such order in respect of any bond lodged pursuant to paragraphs 27 to 37 below, as it considers appropriate.
- 14** The chairman of an Appeal Board (or the Judicial Panel Chair (or their nominee) if an Appeal Board has not yet been convened) may upon the application of a party or otherwise, give any instructions considered necessary for the proper conduct of the proceedings, including but not limited to:
- 14.1** extending or reducing any time limit;
 - 14.2** amending or dispensing with any procedural steps set out in these Regulations;
 - 14.3** instructing that a transcript be made of the proceedings;
 - 14.4** ordering parties to attend a preliminary hearing;
 - 14.5** ordering a party to provide written submissions.
- The decision of the chairman of the Appeal Board shall be final.
- 15** The Appeal Board may adjourn a hearing for such period and upon such terms (including an order as to costs) as it considers appropriate.
- 16** The Appeal Board shall proceed in the absence of any party, unless it is satisfied that there are reasonable grounds for the failure of the party to attend, and shall do so in such manner as it considers appropriate.
- 17** The following procedures shall be followed at an appeal hearing unless the Appeal Board thinks it appropriate to amend them:
- 17.1** the appellant to address the appeal board, summarising its case;
 - 17.2** any new evidence to be presented by the appellant;
 - 17.3** the respondent to address the appeal board, summarising its case;
 - 17.4** any new evidence to be presented by the respondent;
 - 17.5** each party to be able to put questions to any witness giving new evidence;
 - 17.6** the Appeal Board may put questions to the parties and any witness giving new evidence at any stage;
 - 17.7** the respondent to make closing submissions;
 - 17.8** the appellant to make closing submissions.
- 18** The Appeal Board may, in the event of a party failing to comply with an order, requirement or instruction of the Appeal Board, take any action it considers appropriate, including an award of costs against the offending party.

11 - DISCIPLINARY REGULATIONS

APPEAL BOARD DECISIONS

General

- 19 A decision, order, requirement or instruction of the Appeal Board shall (save where to be made under the Rules by the Chairman of the Appeal Board alone) be determined by a majority. Each member of the Appeal Board shall have one vote, save that the Chairman shall have a second and casting vote in the event of deadlock.
- 20 The Appeal Board shall notify the parties of its decision to the parties as soon as practicable in such a manner as it considers appropriate; and unless it directs otherwise, its decision shall come into effect immediately.
- 21 The Appeal Board shall have power to:
- 21.1 allow or dismiss the appeal;
 - 21.2 exercise any power which the body against whose decision the appeal was made could have exercised, whether the effect is to increase or decrease any penalty, award, order or sanction originally imposed;
 - 21.3 remit the matter for re-hearing;
 - 21.4 order that any appeal fee be forfeited or returned as it considers appropriate;
 - 21.5 make such further or other order as it considers appropriate, generally or for the purpose of giving effect to its decision.
 - 21.6 order that any costs, or part thereof, incurred by the Appeal Board be paid by either party or be shared by both parties in a manner determined by the Appeal Board.
- 22 Decisions of the Appeal Board shall be final and binding and there shall be no right of further challenge, except in relation to appeals:
- 22.1 to CAS brought by FIFA or WADA pursuant to the Anti-Doping Regulations; or
 - 22.2 concerning the amount of costs any party is ordered to pay by the Appeal Board (which is considered in paragraph 24 below).

Other Costs

- 23 Any costs incurred in bringing, or responding to, an appeal shall normally be borne by the party incurring the costs. In exceptional circumstances the Appeal Board may order one party to pay some or all of the other party's costs. Such costs will not include any legal costs. Any applications for such costs must be made at the Appeal Board and must include details of the exceptional circumstances.
- 24 An appeal against only the quantum of costs ordered to be paid shall be heard and determined by either:
- 24.1 a single person appointed by Sport Resolutions (UK) (or a similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted; or
 - 24.2 where the appeal proceedings relate to a decision of an Affiliated Association; or a league operating at Step 5 or below of the National League System; or a league operating at Tier 3 and below of the Women's Football Pyramid, it shall be determined by the Judicial Panel Chairman, who shall decide all matters of procedure for how the appeal will be conducted.

Guidance: with regard to costs appeals under Paragraph 24.2, the Judicial Panel Chair may invite submissions from the National Game Disciplinary Chair (as defined in the National Game Chair Terms of Reference) when determining the matter.

11 - DISCIPLINARY REGULATIONS

Written Decision and Written Reasons

- 25 As soon as practicable after the hearing, the Appeal Board shall publish a written statement of its decision, which shall state:
- 25.1 the names of the parties, the decision(s) appealed against and the grounds of appeal;
 - 25.2 whether or not the appeal is allowed; and
 - 25.3 the order(s) of the Appeal Board.
- 26 The Appeal Board shall, upon the request of the appellant or the respondent (such request to be received at The Association within three Business Days of the date of the notification of the decision), give written reasons for the decision.

APPEALS FROM DECISIONS OF LEAGUES: BOND APPLICATIONS

- 27 The provisions relating to bond applications at paragraphs 28 to 37 shall only apply where an appellant is appealing a decision of a League (save for decisions of the Premier League or the EFL).
- 28 Within seven days of lodging the Notice of Appeal, the League (as respondent) may make an application for the Appeal Board to require a bond to be lodged by the appellant before the appeal may progress.
- 29 Whilst such a bond application is being processed, no Response to the Notice of Appeal will be due from the Respondent in accordance with paragraph 8 above.
- 30 Any bond application must be copied to the appellant, and must:
- 30.1 state the grounds for the application; and
 - 30.2 state the amount applied for.
- 31 The appellant may provide a response to the bond application within seven days of its submission.
- 32 Whether or not the appellant has provided any response to it, the Appeal Board shall consider the bond application as soon as practicable after the seventh day following its submission. The Appeal Board may, in its discretion, consider the bond application on papers alone, or require the parties to attend a personal hearing. Any such personal hearing shall be conducted according to such timings and procedure as the Appeal Board may determine at its discretion.
- 33 The test to be applied by the Appeal Board is whether it is satisfied that there is a real risk that the appellant will not pursue the appeal to a final determination by the Appeal Board. Where it is so satisfied, the Appeal Board may order the appellant to lodge a bond with The Association on such date and in such amount as it considers appropriate. The Appeal Board's decision in this respect shall be final and binding with no further right of appeal. For the avoidance of doubt, consideration of a bond may only be given by an Appeal Board following submission of an application by a respondent in accordance with paragraph 28.
- 34 Where an Appeal Board orders a bond to be lodged with The Association, the Appeal may not proceed until the bond is duly lodged. In any such appeal, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date that the bond is lodged with The Association.
- 35 Where an Appeal Board decides not to order a bond to be lodged with The Association, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date of the Appeal Board's decision.
- 36 Any bond lodged with The Association pursuant to paragraph 33 above will be held by The Association until the final determination of the appeal by an Appeal Board. Following such final determination, the bond shall in all cases be returned to the appellant in full.

11 - DISCIPLINARY REGULATIONS

- 37 Notwithstanding the terms of paragraph 23 below, in any case where a bond has been lodged with The Association, and the appeal is not pursued by the appellant to a final determination by the Appeal Board, the Appeal Board shall have a discretion to order the forfeiture of any part or all of the bond, such amount to be paid in full to the respondent to cover any costs it has so far incurred in responding to the appeal.

11 - DISCIPLINARY REGULATIONS

SECTION ONE: PROVISIONS APPLICABLE TO CATEGORIES 1, 2 AND 3

CHARGES

- 5 The Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section One. In deciding whether or not to issue a Charge, The Association will have particular (but not exclusive) regard to the following:
- 5.1 any applicable Law(s) of the Game or Rules and Regulations or FIFA instructions and/or guidelines;
 - 5.2 the nature of the incident, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - 5.3 where applicable, the level of force used;
 - 5.4 any injury to any Participant caused by the incident;
 - 5.5 any other impact on the Match in which the incident occurred;
 - 5.6 the prevalence of the type of incident in question in football generally;
 - 5.7 the wider interests of football in applying consistent sanctions.
- 6 A Regulatory Commission considering a Charge pursuant to paragraph 5 above shall have regard to any standard punishment imposed pursuant to paragraphs 23 to 32 below for the same incident when considering any penalty in accordance with paragraph 41 of Part A: General Provisions Section Two.
- 7 The Association may issue a Charge against a Club at any time during the playing season in relation to cautionable or sending-off offences committed by Players of the Club.

MATCH OFFICIALS' REPORTING OF OFFENCES TO THE ASSOCIATION

- 8 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 9 Referees must submit a report to The Association following a Match stating the cautionable and/or sending-off offences. In the case of sending-off offences, the Assistant Referees must also submit a report.
- 10 The deadline for the submission of report(s) to The Association under paragraph 9 is:
- 10.1 for Matches falling within Category 1, 12 noon the day following the Match; or
 - 10.2 for Matches falling within Categories 2 and 3, within two days of the Match (excluding Sundays).

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 11 A Player who has been cautioned or sent off in a Match will be notified by The Association, through their Club, of:
- 11.1 the cautionable and/or sending-off offence reported by the Referee to The Association;
 - 11.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section One during the current playing season; and
 - 11.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions or the sending-off offence pursuant to paragraphs 23 to 32 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section One.

11 - DISCIPLINARY REGULATIONS

- 12 An administration fee of £10.00 will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 11. It is the responsibility of the Club to collect the administration fee from the Player and forward it to The Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE AND SENDING-OFF OFFENCES)

- 13 Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out in Fast Track 3 of the Fast Track Regulations.
- 14 Where, despite there being clear evidence that there is a case of mistaken identity, a Player or their Club does not submit a claim within the specified time limits, The Association may within seven days of the incident request a Regulatory Commission to review the matter. A Club failing to submit a claim for mistaken identity may be charged with Misconduct by The Association if there is evidence that the Club sought to gain an advantage by remaining silent on the matter.

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

- 15 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in Fast Track 4 of the Fast Track Regulations. In order to demonstrate that the decision was wrongful, the Player / their Club must establish that the Referee made an obvious error in sending off the Player.
- 16 A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a receiving a second caution in the same Match.
- 17 Notwithstanding the outcome of the claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.
- 18 Where a Player or their Club:
- 18.1 submits a notification of their intention to claim wrongful dismissal in accordance with the provisions of Fast Track 4 of the Fast Track Regulations but fails to complete the claim; or
 - 18.2 withdraws a complete claim prior to it being considered by a Regulatory Commission,
- and, in either case, The Association believes that the notification or claim of wrongful dismissal had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.
- 19 A Player or Club may be charged with Misconduct by The Association if there is evidence that video footage showing the incident from all available angles was in their possession but was not submitted to The Association when a claim of wrongful dismissal was made.

11 - DISCIPLINARY REGULATIONS

CLEARLY EXCESSIVE OR CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

- 20** **20.1** A Player and their Club may seek to limit the disciplinary consequences of a sending-off offence by making a claim that the standard punishment would be clearly excessive in accordance with the procedure set out in Fast Track 5 of the Fast Track Regulations. In bringing such a claim, the Player / their Club must establish that it is clear and obvious that the standard punishment otherwise applicable to that sending-off offence would be clearly excessive. Such claims may only be made by a Player and their Club for the following sending-off offences: (a) using offensive, insulting or abusive language and/or gestures; (b) serious foul play; (c) violent conduct; or (d) spitting at an opponent or any other person.
- 20.2** The Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient in accordance with the procedure set out in Fast Track 6 of the Fast Track Regulations. The Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to that sending-off offence would be clearly insufficient. Such claims may only be made by The Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.
- 21** The ability to claim under paragraphs 19.1 and 19.2 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 27 below will be appropriate and will be applied.
- 22** Notwithstanding the outcome of a claim made pursuant to paragraph 19.1 or paragraph 19.2 above:
- 22.1** the Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 15 above; and
- 22.2** the sending-off offence:
- 21.2.1** will remain on the record of the Club and the Player;
- 21.2.2** will remain the subject of the administration fee set out in paragraph 12 above; and
- 21.2.3** will still accrue the applicable number of penalty points as set out in paragraph 62 below.
- 23** Where a Participant:
- 23.1** submits a notification of their intention to make a claim that the standard punishment is clearly excessive in accordance with the provisions of Fast Track 5 of the Fast Track Regulations but fails to complete the claim; or
- 23.2** withdraws a complete claim prior to it being considered by a Regulatory Commission,
- and, in either case, The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.

11 - DISCIPLINARY REGULATIONS

STANDARD PUNISHMENTS

Accumulation of Cautions

- 24 The accumulation of a set number of cautions by a Player in certain Competitions during a playing season will, subject to any applicable cut-off points, result in that Player receiving an automatic suspension and/or fine.
- 25 The relevant number of cautions, automatic suspensions and/or fines, the applicable cut-off points and the Competition(s) in which the automatic suspensions are to be served are as set out in:
- 25.1 **Category 1:** Table 1;
 - 25.2 **Category 2:** Table 3; and
 - 25.3 **Category 3:** Table 5.
- 26 Unless otherwise stated, such automatic suspensions shall only be served in the Competition in which the cautions were accumulated.
- 27 Where a Player accumulates 20 cautions in certain Competitions (as set out in Tables 1, 3 and 5) during a playing season, that Player shall be required to attend a Regulatory Commission within seven days of the date of the last caution. The Regulatory Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player.
- 28 Subject to paragraph 26 above, where a Player accumulates any cautions after the final applicable cut-off point in a particular Competition during a playing season (as set out in Tables 1, 3 and 5), the accumulation of those cautions shall not count towards or result in that Player receiving an automatic suspension and/or fine.
- 29 Where a Player moves between Clubs participating in different Leagues falling within Category 1 (as set out in Table 1) during a playing season, any cautions accumulated by the Player in the League in which their former Club participates shall be deemed as cautions accumulated by the Player in the League in which their new Club participates for the purposes of paragraphs 24 to 28 above.

Sending-Off Offences

- 30 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.
- 31 The relevant automatic suspensions and/or fines arising from a sending-off offence by a Player and the Competition(s) in which the automatic suspensions are to be served are as set out in:
- 31.1 **Category 1:** Table 2;
 - 31.2 **Category 2:** Table 4; and
 - 31.3 **Category 3:** Table 6.

Additional Sending-Off Offences

- 32 **Category 1:** subject to paragraph 34 below, a Player who, in the same playing season, has previously been sent off in a Match falling within Category 1 (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to a Match falling within Category 1) will be automatically suspended for one extra Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.

For the purposes of this paragraph 32, a sending-off offence committed by a Player in a Match falling within Category 2 will only be taken into account where it was for a) violent conduct, b) serious foul play or c) spitting at any opponent or any other person.

- 33 **Category 2:** subject to paragraph 34 below, a Player who, in the same playing season, has previously been sent off in a Match falling within Categories 1 or 2 will be automatically suspended for one extra Match falling within Category 2 for each such previous sending-off offence, in addition to the automatic suspension applicable to the latest sending-off offence.

11 - DISCIPLINARY REGULATIONS

For the purposes of this paragraph 34, a sending-off offence committed by a Player in a Match falling within Category 1 (or a suspension under Fast Track 1 of the Fast Track Regulations) will only be taken into account where it was for a) violent conduct, b) serious foul play or c) spitting at any opponent or any other person.

- 34 EFL Trophy only:** a Player who, in the same playing season, has previously been sent off in an EFL Trophy Match (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to an EFL Trophy Match) will be automatically suspended for one extra EFL Trophy Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.
- 35 Category 3:** a Player who, in the same playing season, has previously been sent off in a Match falling within Category 3 will be automatically suspended for one extra Match falling within Category 3 for each such previous sending-off offence, in addition to the automatic suspension applicable to the latest sending-off offence.

Commencement of Suspension

- 36 Categories 1 and 2:** subject to paragraph 38 below, a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player associated with a Club in Categories 1 and 2 will commence immediately, save for where a Player / their Club have brought a claim under paragraph 13 in relation to Mistaken Identity or paragraph 15 in relation to Wrongful Dismissal and that claim has not been determined by a Regulatory Commission before the next applicable fixture.
- 37 Category 3:** subject to paragraph 38 below, a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player of a team in Category 3 will commence on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence (in relation to sending-off offences), save for where a Player / their Club have brought a claim under paragraph 13 in relation to a cautionable or sending-off offence or paragraph 15 in relation to a sending-off offence.

Multiple Suspensions arising from a single Match

- 38 Categories 1, 2 and 3:** where multiple periods of suspension arise from a single Match, those periods of suspension will be served in the following order of precedence: (a) any period of suspension arising from a sending-off offence followed by (b) any period of suspension arising from an accumulation of cautions.

Scope of Suspension

- 39 Category 1:** a period of suspension applicable to a Player associated with a Club in Category 1 will, where the period of suspension arises from either an accumulation of cautions or a sending-off offence apply only to the relevant number and type of First Team Competitive Matches as set out in Tables 1 or 2.
- 40 Category 2:** a period of suspension applicable to a Player associated with a Club in Category 2 will, where the period of suspension arises from either an accumulation of cautions or a sending-off offence, apply to the relevant number of Non-First Team Competitive Matches (as set out in Tables 3 and 4) played during the period between the opening date in the League in which their Club's first team participates to the final Match of any Competition in which their Club is participating during that playing season. During this period, only one Non-Fast Team Competitive Match per day for which the Player is eligible shall count towards the service of that period of suspension.

Any dispute in relation to this paragraph 40 above shall only be dealt with by a Regulatory Commission on written submissions. Such written submissions must be received by The Association within three days of the suspension notice being received by the Player's Club.

- 41 Category 3:** a period of suspension applicable to a Player associated with a team in Category 3 will:
- 41.1** only constitute a suspension from playing Saturday Football for teams competing at Steps 2-4 of the National League System, save for a period of suspension arising from a Charge issued pursuant to paragraph 5 above.
- 41.2** where the period of suspension arises from a sending-off offence, encompass a suspension from Friendly Matches during the relevant period (Friendly Matches will not however count towards the service of such a suspension); and

11 - DISCIPLINARY REGULATIONS

41.3 where a suspension is as a result of a Charge, also constitute a suspension from playing any Match falling within Category 5.

42 In exceptional cases, a Player may make a claim to The Association that a suspension is disproportionately harsh, due to the period of time required to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension to a Football Category-specific suspension.

Multiple Automatic Suspensions

43 Subject to paragraph 38 above, a Player shall serve automatic suspensions arising from this Section One in a chronological order of precedence.

Example:

Player A receives (a) an automatic suspension of 3 Matches for accumulating 15 cautions in Premier League Matches prior to the applicable cut-off point (which only applies to the Club's next 3 Matches in the Premier League) and arising from his Club's next FTCM (a Match in the FA Challenge Cup), Player A receives (b) an automatic suspension of 3 Matches arising from a sending-off for violent conduct (which applies to the Club's next 3 FTCM - save for any Match in the EFL Trophy).

Player A's Club's next 6 FTCM are as follows: (i) Premier League, (ii) FA Challenge Cup, (iii) Premier League, (iv) FA Challenge Cup (v) EFL Cup and (vi) Premier League.

Player A's automatic suspension for accumulating 15 cautions in Premier League Matches was received first and would therefore apply to the 3 Premier League Matches listed above. Player A's automatic suspension for the sending-off offence would apply to the 2 FA Challenge Cup Matches and the EFL Cup Match (as Player A is already suspended from Premier League Matches as a consequence of the first automatic suspension).

Re-arranged Matches

44 A Regulatory Commission may determine that a Match shall not count towards the service of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension so that the Player may be eligible to play in a particular Match.

Collection of Fines

45 The Player's Club is responsible for collecting from the Player any fine payable pursuant to paragraph 24 and/or 30 above and forwarding the amount to The Association upon request.

Imposition of Fines by a Club under a Player's Employment Contract

46 Clubs may impose a fine on Players for cautionable and sending-off offences under their employment contract (where applicable). If a Club chooses to impose such a fine it must, without delay, notify The Association of the details of the fine.

47 Clubs in Categories 1 and 2 are required to submit a nil return for any offence under the guidelines on Club discipline issued from time to time by the Professional Football Negotiating Consultative Committee for which a Player was not fined.

Outstanding Suspensions

48 Subject to paragraph 47 below, any period of suspension or part thereof arising from this Section One or as a result of a Charge which remains outstanding at the end of the playing season:

48.1 Categories 1 and 3: must be served at the commencement of the following playing season; and

48.2 Category 2: must be served at the commencement of the relevant period outlined in paragraph 36 above in the following playing season.

49 Any period of suspension or part thereof arising from an accumulation of cautions in relation to the FA Challenge Cup, EFL Cup, EFL Trophy, FA Trophy, Women's FA Challenge Cup or FA Women's League Cup which remains outstanding at the end of the playing season will be repealed and need not be served at the commencement of the following playing season.

11 - DISCIPLINARY REGULATIONS

Transfer of Outstanding Suspensions

- 50** Where a Player, who is subject to an outstanding suspension arising from a sending-off offence in an EFL Trophy Match, either:
- 50.1** remains registered to the same Club, but that Club becomes ineligible for or does not enter the EFL Trophy; or
 - 50.2** moves to a different Club that is ineligible or does not enter the EFL Trophy;
- that period of suspension shall be transferred so that it may be served with reference to Matches other than those in the EFL Trophy (to which the suspension originally applied).

Players Moving Between Clubs

- 51** Where a Player moves between Clubs at a time when that Player is subject to a suspension, the following shall apply:
- 51.1** until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which that Player moves (for which the Player is eligible to play);
 - 51.2** where the Club that the Player moves to competes at the same level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall be served by reference to Matches completed by the Club to which that the Player moves (for which the Player is eligible to play);
 - 51.3** where the Club that the Player moves to competes at a different level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to Matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to Matches completed by the Club to which that Player moves.
- 52** For the purposes of paragraph 51, Clubs compete at three different levels. Each level is comprised as follows:
- 52.1** Premier League, EFL Leagues and the National League;
 - 52.2** The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;
 - 52.3** Steps 5 to 6 of the National League System, or any other League outside the National League System which operates a match-based disciplinary system.
- 53** Paragraph 51 applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of The Association, however they occur. This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club to which that Player moves.

Suspensions Notified on an International Transfer Certificate

- 54** Where The Association is notified of a relevant outstanding suspension on a Player's International Transfer Certificate, that suspension shall be applied to the Player with reference to the applicable number of First Team Competitive Matches or Non-First Team Competitive Matches.

11 - DISCIPLINARY REGULATIONS

DISCIPLINARY ACTION AGAINST CLUBS – MULTIPLE OFFENCES IN A SINGLE MATCH

- 55 The Association will take disciplinary action against a Club if six or more of the Club's Players are either cautioned or sent off in a Match falling within Category 1 or Category 3.
- 56 On the first occasion that this happens in a playing season, The Association may offer the Club a standard punishment as set out in the following table:

LEAGUE	FINE
Premier League	£25,000
EFL Championship	£5,000
EFL League One	£2,500
EFL League Two	£1,000
National League	£750
National League (North and South)	£500
Northern Premier League, Southern League and the Isthmian League	£250
FA Women's Super League	£750
FA Women's Championship	£500

- 57 For each successive occasion that this happens in the same playing season, the standard punishment offered will be a fine that is double and then treble (and so on) the amount set out in the table at paragraph 56 above.
- 58 A Club may either; a) accept The Association's offer of a standard punishment or; b) make written representations in mitigation before a Regulatory Commission no later than 28 days following the date of the offence. In the event the written representations in mitigation are rejected, the Regulatory Commission may consider whether or not the standard punishment should be increased.

11 - DISCIPLINARY REGULATIONS

DISCIPLINARY ACTION AGAINST CLUBS – ACCUMULATION OF PENALTY POINTS BY A CLUB’S PLAYERS

General

- 59 For the purposes of paragraphs 57 to 73 below, in relation to Category 3, references to a Club’s Players shall mean a reference to Players of a Club’s team competing in Matches falling with Category 3.
- 60 The purpose of the penalty points system is to assess the disciplinary record of a Club’s Players across two periods during a playing season:
- 60.1 penalty points period 1: the beginning of a playing season to 31 December (inclusive); and
- 60.2 penalty points period 2: the beginning of a playing season to the end of a playing season (inclusive).
- 61 The number of penalty points accumulated by a Club is calculated in accordance with paragraphs 63 to 67 below.
- 62 In determining whether to issue a Charge against a Club, The Association will (in accordance with paragraphs 70 and 72 below) compare the number of penalty points accumulated by a Club during each penalty point period against the number of penalty points accumulated by other Clubs competing in the same League during the same penalty points period.
- 63 A Club required to appear before a Regulatory Commission for matters related to an accumulation of penalty points must be represented by at least one of its Directors and its Manager.
- 64 A Club’s disciplinary record will be subject to interim review as at 31 December annually. Any such record may be requested from the Club by The Association pursuant to Rule F2. Clubs may be ordered to attend a Regulatory Commission to discuss a disciplinary record that is deemed to be poor at that stage of the playing season.

Calculating Penalty Points Totals

- 65 Each cautionable or sending-off offence committed by a Club’s Players in each Match falling within Category 1 or Category 3 during a playing season will incur that Club a set number of penalty points in accordance with the table at paragraph 67 below.
- 66 Cautionable or sending-off offences committed by a Club’s Players in Matches falling within Category 2 will not incur that Club any penalty points.
- 67 The number of penalty points incurred for a cautionable offence and each sending-off offence is as follows:

OFFENCE	PENALTY POINTS INCURRED
Any cautionable offence	4 penalty points
Denying the opposing team a goal or an obvious goal-scoring opportunity by a handball offence	10 penalty points
Denying a goal or an obvious goal-scoring opportunity to an opponent whose overall movement is towards the offender’s goal by an offence punishable by a free kick	10 penalty points
Serious foul play	12 penalty points
Spitting at an opponent or any other person	12 penalty points
Violent conduct	12 penalty points
Using offensive, insulting or abusive language and/or gestures	12 penalty points
Receiving a second caution in the same Match	10 penalty points

- 68 In relation to teams in Category 3 only, Players of those teams charged with Misconduct for a breach of Rule E3 which is subsequently found proven will incur 12 penalty points.

11 - DISCIPLINARY REGULATIONS

- 69** Where any sending-off offence is subject to a successful claim for wrongful dismissal under paragraph 15 above, any penalty points that the sending-off offence would otherwise have incurred shall be disregarded for the purposes of calculating a Club's cumulative total of Penalty Points in accordance with paragraphs 64 and 67 above.

Accumulation of Penalty Points and Sanctions

Penalty Points Period 1

- 70** A Club whose Players accumulate a total number of penalty points (as calculated in accordance with paragraphs 64 to 68 above) in Matches between the start of the playing season and 31 December (including any Match played on that day) which is 40% or more above the median number of penalty points per Match average in the same League, will be required to appear before a Regulatory Commission to explain the conduct of its Players.
- 71** The Regulatory Commission may order that a visit be made to the Club by representatives of The Association and/or PGMOL or other appropriate body, in order to discuss and/or offer advice on the Club's disciplinary record.

Penalty Points Period 2

- 72** A Club whose Players accumulate a total number of penalty points (as calculated in accordance with paragraphs 64 to 68 above) in Matches during the whole playing season which is 40% or more above the median number of penalty points per Match average in the same League, will be required to appear before a Regulatory Commission to explain the conduct of its Players.
- 73** If the Regulatory Commission considers that the Club is not able to provide a reasonable explanation for such occurrence, the Club may be warned and/or ordered to pay a fine up to the relevant amount set out in the following table:

LEAGUE	FINE (MAXIMUM)
Premier League	£100,000
EFL Championship	£50,000
EFL League One	£25,000

National League (North and South)	£1,000
Northern Premier League, Southern League and the Isthmian League	£500
FA Women's Super League	£6,000
FA Women's Championship	£1,000

- 74** Where any Club's Players accumulate a total number of penalty points which is between 40% and 50% (inclusive) above the median number of penalty points per Match average in the same League, any fine will normally be suspended in whole or in part for a period of one playing season, unless the Regulatory Commission determines that this is not appropriate, in which case it will be imposed immediately.
- 75** Where any Club's Players accumulate a total number of penalty points which is more than 50% above the median number of penalty points per Match average in the same League, any fine will normally be imposed immediately, unless the Regulatory Commission determines that this is not appropriate, in which case it will be suspended in whole or in part for a period of one playing season.
- 76** In addition, the Regulatory Commission may order the Club to pay the cost of the hearing to The Association. Any action taken by the Club to discipline its Players under paragraph 46 above may be taken into consideration by the Regulatory Commission.

11 - DISCIPLINARY REGULATIONS

SECTION TWO: PROVISIONS APPLICABLE TO CATEGORY 4

CHARGES

- 1 The Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section Two.
- 2 A Regulatory Commission considering a Charge pursuant to paragraph 1 above shall have regard to any standard punishment imposed pursuant to paragraphs 6 to 9 below for the same incident when considering any penalty in accordance with paragraph 41 of Part A: General Provisions Section Two.

MATCH OFFICIALS' REPORTING OF OFFENCES TO THE ASSOCIATION

- 3 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 4 Referees must submit a report to The Association following a Match stating the cautionable and/or sending-off offences. In the case of sending-off offences, the Assistant Referees must also submit a report to The Association.
- 5 The deadline for the submission of report(s) to The Association under paragraph 4 above is within two days of the Match (excluding Sundays).

STANDARD PUNISHMENTS

Cautionable Offences

- 6 The Association shall not impose any standard punishments in respect of cautionable offences.
- 7 Where standard punishments are imposed on Players in respect of cautionable offences with their agreement (for example, as part of tournament rules), any such standard punishment can only apply to Matches played by Clubs falling within Category 4, as determined by The Association.

Sending-Off Offences

- 8 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension of one Match.
- 9 Such automatic suspension can only apply to Matches played by Clubs falling within Category 4, as determined by The Association.

SECTION THREE: PROVISIONS APPLICABLE TO CATEGORY 5

GENERAL

- 1 Each Affiliated Association must set out in its rules or regulations a copy of this Section Three, which is to be followed where a Participant of a Club in Category 5 commits an alleged act of Misconduct and where a Player commits a cautionable or sending-off offence in a Match.
- 2 Nothing in this Section Three shall preclude:
 - 2.1 an Affiliated Association delegating to The Association or to another Affiliated Association its powers and duties to investigate and/or adjudicate in cases where it may be advantageous so to do; or
 - 2.2 the exercise by The Association of its powers pursuant to Rule G1.
- 3 All written communications from a Player to the Affiliated Association Secretary must be sent by the secretary of the Player's Club unless the Player is no longer registered with that Club (in which case written communications must be sent by the Player or the secretary of the Club to which that Player has moved).
- 4 Where a Club receives a notification pursuant to this Section Three, it is the duty of the Club Secretary and the Player, by the deadline stated on any notification, to ensure that either (a) the Affiliated Association Secretary receives the completed player reply form or (b) ensure that a response has been provided via the electronic system operated by The Association from time to time with such information that includes:
 - 4.1 the full name and address of the Player;
 - 4.2 the Player's date of birth (and other personal identification data requested);
 - 4.3 the name of each Club for which the Player is currently registered or was registered in the previous two playing seasons;
 - 4.4 the signature of the Player concerned (where applicable); and
 - 4.5 the names of any school, college or other educational establishment currently attended by the Player.

Where the Player is not available to sign the player reply form, the Club should complete and return it indicating the reason for the non-completion together with the administration fee and confirmation as to whether or not the Player has been made aware of the contents. Where the Club provides a response via the electronic system operated by The Association from time to time, in doing so the Club Secretary acknowledges that the Player has been made aware of the contents. Any suspension order resulting from failure to comply with this paragraph 4 shall be on the Club and the individual Player, subject to paragraph 108 below.
- 5 Clubs may participate in a pilot programme as set out by Council and will be required to abide by the regulations and terms of that programme.
- 6 Payment of any fine or costs in respect of disciplinary matters must be paid in accordance with the terms set out by the Affiliated Association.
- 7 Unless approval has been granted by The Association for such suspensions to be extended across all levels of football, any period of suspension under this Section Three shall apply only to football at Step 5 and below of the National League System. For example, a Player serving a period of suspension arising from this Section Three would not be precluded from participating in a Match in the FA Challenge Cup for a Club or team participating in any League above Step 5 of the National League System.

11 - DISCIPLINARY REGULATIONS

CHARGES

- 8 An administration fee of £15.00 will be charged to the Player through their Club for the cost of processing each Charge.
- 9 References to cautionable offences in this Section Three shall include those punished by a temporary dismissal.
- 10 An Affiliated Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section Three. In deciding whether or not to issue a Charge, an Affiliated Association will have particular (but not exclusive) regard to the following:
- 10.1 any applicable Law(s) of the Game or rules and regulations or FIFA instructions and/or guidelines;
 - 10.2 the nature of the incident, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - 10.3 where applicable, the level of force used;
 - 10.4 any injury to any Participant caused by the incident;
 - 10.5 any other impact on the Match in which the incident occurred;
 - 10.6 the prevalence of the type of incident in question in football generally;
 - 10.7 the wider interests of football in applying consistent sanctions.
- 11 A Disciplinary Commission considering a Charge pursuant to paragraph 10 above shall have regard to any automatic suspension or sanction imposed pursuant to paragraphs 51 and 56 for the same incident when considering any sanction.

MATCH OFFICIALS' REPORTING OF OFFENCES TO AFFILIATED ASSOCIATIONS

- 12 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 13 Referees must submit a report to the relevant Affiliated Association within two days of the Match (excluding Sundays) stating the cautionable, sending-off offences and/or extraordinary incidents. In the case of sending-off offences and extraordinary incidents, the Assistant Referees may also submit a report.
- 14 Reports related to Players participating in Matches in County Representative and FA County Youth Cup football must be sent to the Affiliated Association of the Club of the offending Player. A copy of each such report must also be provided to The Association.
- 15 An Affiliated Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 16 A Player who has been cautioned or sent off in a Match will be notified by the relevant Affiliated Association, through their Club, of:
- 16.1 the cautionable and/or sending-off offence reported by the Referee to the Affiliated Association;
 - 16.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section Three during the current playing season; and

11 - DISCIPLINARY REGULATIONS

- 16.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions, sending-off offence and/or multiple temporary dismissals pursuant to paragraphs 51 and 56 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section Three.
- 17 Save for single cautionable offences also punished by a temporary dismissal, a fee will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 16 above. The applicable fee is £12.00 for each notification of a cautionable offence and £15.00 for each notification of a sending-off offence. It is the responsibility of the Club to collect the fee from the Player and forward it to the Affiliated Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE OR SENDING-OFF OFFENCES)

- 18 Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out at paragraphs 19 to 20 below.

Making a Claim of Mistaken Identity

- 22 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.
- 23 If the appointed Disciplinary Commission is satisfied that the claim of mistaken identity has been proven, the record of the offence will be transferred to the appropriate offender, who will be subject to any applicable disciplinary consequences in accordance with this Section Three.

11 - DISCIPLINARY REGULATIONS

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

General

- 24 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in paragraphs 26 to 28 below. In order to demonstrate that the decision was wrongful, the Player and/or their Club must establish that the Referee made an obvious error in dismissing the Player.
- 25 A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a) receiving a second caution in the same Match or b) using offensive, insulting or abusive language and/or gestures.

Making a Claim of Wrongful Dismissal

- 26 Where a Player and their Club intend to make a claim of wrongful dismissal, they must notify the Affiliated Association that they intend to make such a claim. - 30 Claims of wrongful dismissal accepted by the Affiliated Association will be placed before a Disciplinary Commission for consideration as soon as possible but no later than the date upon which an automatic suspension is due to take effect.

Disciplinary Commission Procedure

- 31 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.

11 - DISCIPLINARY REGULATIONS

- 32 After considering the evidence, the Disciplinary Commission will decide whether the claim of wrongful dismissal is rejected or is successful. A claim will only be successful where the Disciplinary Commission is satisfied that the Referee made an obvious error in dismissing the Player.
- 33 If the claim of wrongful dismissal is successful, the automatic suspension will be withdrawn the fee is returned to the Player and their Club. If the claim is unsuccessful, the fee is not returned to the Player and their Club.
- 34 Where the standard punishment is withdrawn, the sending-off offence shall not be counted for the purposes of paragraph 58 below.
- 35 Notwithstanding the outcome of a claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.

- 36 The following fees apply in respect of claims of mistaken identity or wrongful dismissal proceeding under this Section Three:

LEVEL OF CLUB	FEE

CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

General

- 37 In truly exceptional circumstances, an Affiliated Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient. An Affiliated Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to the sending-off offence would be clearly insufficient. Such claims may only be made by an Affiliated Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.
- 38 The ability for an Affiliated Association to bring a claim under paragraph 37 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Disciplinary Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 57 below will be appropriate and will be applied.
- 39 Where an Affiliated Association brings such a claim:
- 39.1 a Referee's report showing that a Player was sent off for a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person shall be conclusive evidence that the Player committed the relevant sending-off offence under Law 12 of the Laws of the Game and shall not be subject to challenge, save for where a sending-off is subject to a claim for wrongful dismissal pursuant to paragraph 24 above; and
- 39.2 the Player will be provided notice of the claim together with any evidence in support of the claim and will be invited to submit a written reply to the claim together with any evidence and submissions in support of that reply.
- 40 A Disciplinary Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee.

11 - DISCIPLINARY REGULATIONS

- 41** Notwithstanding the outcome of a claim made by an Affiliated Association pursuant to paragraph 37 above:
- 41.1** the Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 24 above; and
 - 41.2** the sending-off offence:
 - 41.2.1** will remain on the record of the Club and the Player;
 - 41.2.2** will remain the subject of the administration fee set out in paragraph 17 above; and
 - 41.2.3** will still accrue the applicable number of penalty points as set out in paragraph 90 below.

Disciplinary Commission

- 42** A claim made by an Affiliated Association pursuant to paragraph 37 above will be determined by a Disciplinary Commission on the basis of video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.
- 43** Claims pursuant to paragraph 37 above will be placed before a Disciplinary Commission for consideration prior to the commencement of the automatic suspension (if possible) but in any event no later than the date upon which an automatic suspension is completed.
- 44** A Disciplinary Commission will be convened to decide the matter on any relevant video and written evidence submitted.
- 45** The following procedures will be used at a Disciplinary Commission unless the Disciplinary Commission thinks it appropriate to amend them:
- 45.1** the Disciplinary Commission Secretary will produce:
 - 45.1.1** the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action;
 - 45.1.2** any video and written evidence provided in support of the claim.
 - 45.1.3** the written reply and all evidence and submissions provided by the Player in response to the claim.
 - 45.2** after considering the evidence, the Disciplinary Commission will decide whether the claim should be successful or rejected.
 - 45.3** The claim will only be successful where the Affiliated Association satisfies the Disciplinary Commission so that it is sure that:
 - 45.3.1** the circumstances of the sending-off offence under review are truly exceptional, such that the standard punishment should not be applied; and
 - 45.3.2** the standard punishment would be clearly insufficient.
 - 45.4** in considering the matters at paragraph 45.3, the Disciplinary Commission shall have regard to those factors set out at paragraphs 10.1 to 10.7 above.
 - 45.5** in the event the claim is rejected, the Player shall serve the standard punishment.
 - 45.6** in the event the claim is successful, the Disciplinary Commission will then decide on the additional punishment to be applied to the Player in respect of the sending-off offence. In deciding on such punishment, the Disciplinary Commission shall have regard to the matters at paragraphs 10.1 to 10.7 above.

11 - DISCIPLINARY REGULATIONS

- 46 The decision will be subject to appeal only:
- 46.1 in the event that the additional suspension imposed (over and above the automatic suspension) is in excess of three Matches; and
 - 46.2 on the single ground that the additional suspension is excessive; and
 - 46.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.

For example, where a Player is suspended for 8 Matches following a sending-off for violent conduct, they may appeal only in respect of the two Matches in excess of the three automatic and three additional Match suspension.

- 47 Appeals shall proceed in accordance with Part C: Appeals - Non-Fast Track.

STANDARD PUNISHMENTS

Friendly Matches

Cautionable Offences

- 48 An Affiliated Association shall only impose standard punishments in respect of cautionable offences committed by Players during Friendly Matches where Participants have agreed, for example as part of tournament rules, that such punishments apply. Competitive Matches

Accumulation of Cautions

- 51 The accumulation of a set number of cautions by a Player in the same Football Category or Competition during a playing season will, subject to any applicable cut-off points, result in that Player receiving an automatic suspension and/or fine.
- 52 The relevant automatic suspensions and/or fines, the applicable cut-off points and the Football Categories or Competition in which the automatic suspensions are to be served are as set out in Table 7. Unless otherwise stated, such automatic suspensions shall only be served in the Football Category or Competition in which the cautions were accumulated.
- 53 Where a Player accumulates 20 cautions in the same Football Category (as set out in Table 7) during a playing season, that Player shall be required to attend a Disciplinary Commission within seven days of the date of the last caution. The Disciplinary Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player during the same playing season.
- 54 For the avoidance of doubt, the accumulation of cautions by a Player in relation to Matches in the same Football Category shall include those that are punished by a temporary dismissal.

11 - DISCIPLINARY REGULATIONS

- 55** Where a Player is the subject of more than one temporary dismissal during a Match in a Football Category, that Player will receive a fine of £25.00 and an automatic suspension of 1 Match to be served in the same Football Category in which the temporary dismissals were incurred.

Sending-Off Offences

- 56** The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.

Commencement of Suspension

- 59** Any period of suspension arising from an accumulation of cautions, a sending-off offence or multiple temporary dismissals will commence on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence(s) (in relation to multiple temporary dismissals and sending-off offences), irrespective of whether paperwork has been received from the relevant Affiliated Association.

Period of Suspension

- 60** During a period of suspension, a Player will
- 60.1** be suspended from operating as a Match Official:
 - 60.2** will remain eligible to play in Matches in a Football Category (or Competition) other than that to which the suspension applies.
- 61** If the suspension is as a result of a Charge, during the whole period of suspension the Player is suspended from playing all football (including Friendly Matches). The Football Categories affected by this paragraph are Saturday, Sunday, Midweek, Veterans, Further Education and Representative Football. This will be deemed to be a suspension from playing only, unless specified otherwise by a Disciplinary Commission.
- 62** A period of suspension will be complete once the Player's team has completed the appropriate number of Matches in the Football Category or Competition in which the suspension must be served as set out in Tables 7 and 8. In respect of suspensions arising from County Association and League Representative Football, any such suspension will be from Representative Football only and not any other Football Category unless a Disciplinary Commission has specified that the suspension is to be from all football.
- 63** In exceptional cases, the Player may make a claim to the Affiliated Association that a suspension from all football is disproportionately harsh due to the period taken to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension so that it applies only to a single Football Category.
- 64** Where a Player has to serve more than one suspension at the same time the following criteria will apply:
- 64.1** any suspensions arising from this Section Three and due to commence on the same date will result in the total number of Matches involved running consecutively.
 - 64.2** any suspensions that overlap (i.e. where a suspension starts before the previous suspension ends) will also run consecutively.
 - 64.3** Matches cannot be used more than once to cover two or more suspensions.

Payment to Players Under Suspension

11 - DISCIPLINARY REGULATIONS

- 65** During a Player's applicable period of suspension, Clubs must not pay a Player more than the basic wage payable under the Player's contract (where applicable).

Outstanding Suspensions

- 66** Subject to paragraph 67 below, any period of suspension or part thereof arising from this Section Three or as a result of a Charge which remains outstanding at the end of playing season must be served at the commencement of the following playing season.
- 67** Any period of suspension or part thereof arising from an accumulation of cautions in relation to the FA Cup or FA Vase which remains outstanding at the end of the playing season will be repealed and need not be served at the commencement of the following playing season.
- 68** Affiliated Associations will impose split suspension periods where suspensions have to be carried over to the following playing season. The last day of the first suspension period shall be the Player's team's last competitive Match of the playing season. The suspension will recommence upon that team's start of the following playing season.

Players Moving Between Clubs

- 69** Where a Player moves between Clubs at a time when that Player is subject to a suspension, the following shall apply:
- 69.1** until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which the Player moves;
- 69.2** where the Club that the Player moves to is within the same level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall be served by reference to Matches completed by the Club to which the Player moves;
- 69.3** where the Club that the Player moves to is within a different level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to Matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to Matches completed by the Club to which the Player moves.
- 70** For the purposes of paragraph 69, Clubs compete at three different levels. Each level is comprised as follows:
- 70.1** Premier League, EFL Leagues and the National League;
- 70.2** The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;
- 70.3** Steps 5 to 7 of the National League System, or any other League outside the National League System which operates a match-based disciplinary system.
- 71** Paragraph 69 applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of The Association, however they occur. This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club that the Player moves to.
- 72** Players who are otherwise eligible (i.e. but for any suspension) to play for two or more Clubs competing at the level referred to at paragraph 70.3 above will not be taken to have moved between those Clubs for the purposes of this paragraph by virtue only of the fact that they are so eligible to play for them.

11 - DISCIPLINARY REGULATIONS

Re-arranged Matches

- 73 A Disciplinary Commission may determine that a Match shall not count towards the completion of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension and thus enable the Player to play in a specific Match.

RESPECT SANCTION SYSTEM

Respect Offences

- 74 A Respect Offence for the purposes of Respect Sanctions comprises any of the following:

- 78 An administration fee of £10.00 will be charged to the team's Club for the cost of processing each Respect Sanction.

Responding to the imposition of a Respect Sanction

- 79 A Club may submit a written plea in mitigation in respect of the Respect Sanctions imposed at Stages 2 and 3 only and this mitigation may be considered by a Disciplinary Commission at a non-personal hearing.
- 80 There is no right of appeal in relation to the Respect Sanctions imposed up to and including Stage 3.

11 - DISCIPLINARY REGULATIONS

DISCIPLINARY ACTION AGAINST CLUBS – MULTIPLE OFFENCES IN A SINGLE MATCH

STEP OF THE NATIONAL LEAGUE SYSTEM	FINE
Step 5	£150
Step 6	£150

DISCIPLINARY ACTION AGAINST CLUBS – ACCUMULATION OF PENALTY POINTS BY A CLUB'S PLAYERS

General

- 87 The purpose of the penalty points system is to assess the disciplinary record of Players of each of a Club's teams across a playing season.
- 88 The number of penalty points accumulated by a one of a Club's teams is calculated in accordance with paragraphs 89 to 90 below.

Calculating Penalty Points Totals

- 89 Each cautionable offence and sending-off offence committed by a team's Players in each Match during a playing season (together with each Charge issued to a team's Players in that playing season) will incur that team a set number of penalty points.

11 - DISCIPLINARY REGULATIONS

- 90 The number of penalty points incurred for a cautionable offence, each sending-off offence and Charge are as follows:

TYPE OF OFFENCE/CHARGE	PENALTY POINTS INCURRED
Cautionable Offences	1 penalty point (with the exception of a caution for dissent, which will incur 2 penalty points)
Denying the opposing team a goal or an obvious goal-scoring opportunity by a handball offence	3 penalty points

- 95 A Disciplinary Commission shall meet to consider the Charge within 14 days of date of the Charge letter.

OFFENCES AGAINST MATCH OFFICIALS

Examples include but are not limited to: the use of words that imply (directly or indirectly) that the Match Official may be subjected to any form of physical abuse either immediately or later, whether realistic or not; the raising of hands to intimidate the Match Official; pretending to throw or kick an object at the Match Official.

Investigation and Process

- 97 If a Match Official's report indicates that an offence has been committed against a Match Official (as categorised in paragraph 96 above), the Affiliated Association will without delay investigate the Match Official's report.
- 98 Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:
- 98.1 issue a Charge against the Participant; and
- 98.2 may issue an Interim Suspension Order in accordance with paragraph 113 below which shall only be lifted in accordance with paragraph 115 below.

11 - DISCIPLINARY REGULATIONS

- 101** Where a Charge issued in accordance with paragraph 98.1 above has been found proven against the Participant, a Disciplinary Commission shall impose sanctions in accordance with this paragraph 101:

Sanction range (Suspension)

A Disciplinary Commission shall impose an immediate suspension within a range based on the category of offence committed (as set out below). A Disciplinary Commission shall take all aggravating and mitigating factors into account, including, but not limited to, those listed in paragraph 102, when determining the level of sanction within the range.

Unless otherwise stated, the lowest end of the applicable range shall operate as a standard minimum suspension. A Disciplinary Commission may impose an immediate suspension in excess of the upper limit in circumstances where aggravating factors of significant number or weight are present.

- 101.8** an order that the Participant completes an education programme before the time-based suspension is served.

102 Factors to be considered when determining sanction

- 104** If a Match Official's report indicates that a Participant has perpetrated an assault on another Participant causing serious bodily harm before, during or after a Match, the Affiliated Association shall without delay investigate the Referee's report.
- 105** Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:
- 105.1** issue a Charge; and
 - 105.2** may issue an Interim Suspension Order in accordance with paragraph 113 below against the alleged offender from all football activity until a Disciplinary Commission has adjudicated on the matter.

- 110 The Club Secretary must make Players aware of the applicable punishment where an automatic suspension and/or sanction applies. The Club Secretary must sign and return the reply form to the Affiliated Association by the response date. By signing the form, the Club Secretary is confirming that they have made the Player so aware.
- 111 Where a Participant has been issued with a Charge both the Club Secretary and the Participant will be required to sign and return the form to the Affiliated Association.
- 112 When dealing with compliance issues the Affiliated Association must consider the following:

In cases where the Disciplinary Commission can order costs in accordance with paragraph 132 below, it shall take into account any deposit lodged by the Player.

FAST TRACK 1: NOT SEEN INCIDENTS AND SUCCESSFUL DECEPTION

GENERAL PRINCIPLES

General

- 1 This Fast Track 1 sets out the standard directions for charges relating to Not Seen Incidents and Successful Deception matters proceeding before Regulatory Commissions. It shall apply to Players of Clubs in Category 1 only.
- 2 Matters falling within this Fast Track 1 shall ordinarily proceed in accordance with timetable set out herein. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that, wherever possible, matters falling within the scope of this Fast Track 1 are concluded ahead of the Player's next fixture. As a general guide, the following schedule will ordinarily apply:

GENERAL GUIDE (WHERE THE INCIDENT TAKES PLACE ON FRI/SAT/SUN)		
CHARGE	REPLY / SUBMISSIONS	REGULATORY COMMISSION
Tuesday	Wednesday	Thursday

- 3 Where a Player charged has been suspended due to a dismissal or has otherwise been suspended in accordance with this Fast Track 1 in the same playing season prior to the issue of the charge, the penalty offered shall be increased to include, in addition to the applicable standard punishment, one game for each occasion that the Player has been so suspended. For these purposes a dismissal in, or suspension arising from, Non-First Team Competitive Matches prior to issue of the charge will only be considered where it is for violent conduct, serious foul play or spitting.
- 4 Matters falling within this Fast Track 1 will be determined on video and written evidence only, and parties shall not be present or represented in person.

11 - DISCIPLINARY REGULATIONS

Not Seen Incidents

- 5 In relation to Not Seen Incidents only:
- 5.1 A written statement by Match Officials that they did not witness a particular incident shall be conclusive evidence of that fact.
 - 5.2 Where one or more of the Match Officials sees only part of an incident, an act of Misconduct that occurs during or immediately after that incident may be regarded as not seen by the Match Officials where, without limitation:
 - 5.2.1 an act of violent conduct occurs secondarily to a challenge for the ball, and so is not seen as the Match Officials are concentrating on the challenge for the ball; or
 - 5.2.2 the Match Officials' view of the incident was such that none of them had an opportunity to make a decision on any act of Misconduct that took place within it.

CHARGE

- 6 A Charge shall ordinarily be issued by 6pm on the second Business Day following the incident which shall be accompanied by all evidence, documents and written submissions upon which The Association intends to rely.
- 7 In respect of Successful Deception matters, the Charge shall also set out the applicable standard punishment.
- 8 In respect of Not Seen Incidents only:
- 8.1 the Charge will ordinarily offer the standard punishment that would have applied to the offence had it been seen and reported by the Match Official(s) during the Match.
 - 8.2 in exceptional circumstances, the Charge may not be accompanied by an offer of the standard punishment. In such circumstances, the Charge will state that The Association claims that the standard punishment would be clearly insufficient and will set out the basis for that claim.

REPLY

- 9 The Player must serve on The Association a Reply by 6pm on the first Business Day following receipt of the Charge, by e-mail (as directed by The Association), in which they:
- 9.1 admit the Charge and, where applicable, the standard punishment;
 - 9.2 deny the Charge; or
 - 9.3 in respect of Not Seen Incidents only:
 - 9.3.1 admit the Charge but claim that the standard punishment would be clearly excessive (having regard to the factors set out at paragraphs 22.1 to 22.7 below);
 - 9.3.2 deny the Charge and claim that the standard punishment would be clearly excessive (having regard to the factors set out at paragraphs 22.1 to 22.7 below); or
 - 9.3.3 where no offer of the standard punishment is made in the Charge, admit or deny the Charge, and in either case may contest any claim by The Association that the standard punishment would be clearly insufficient.
- 10 The Reply shall be accompanied by copies of all evidence, documents and written submissions upon which the Player intends to rely.

11 - DISCIPLINARY REGULATIONS

- 11 In the absence of a Reply, the matter will be dealt with directly at the next available Regulatory Commission, and written submissions from the Player may not be considered by the Regulatory Commission.
- 12 In the event that the offered punishment is accepted in accordance with paragraph 9.1, the suspension will commence forthwith upon receipt by The Association of the consent of the Judicial Panel Chairman and the matter shall not proceed to a Regulatory Commission.

REGULATORY COMMISSION PROCEDURES

- 13 Save in the circumstances set out in paragraph 13 above, a Regulatory Commission will be convened to consider the matter. Where practicable, it shall be convened on the first Business Day following receipt of the Reply.
- 14 The Secretary of the Regulatory Commission shall put before the Regulatory Commission:
 - 14.1 reports along with any other evidence, including video evidence, in support of the Charge;
 - 14.2 all statements and video or other evidence in defence of the Charge.
- 15 In respect of Successful Deception matters only, where subject matter of or facts pertaining to a Charge brought against a Player is linked to a claim of wrongful dismissal pursued by a Player and their Club under paragraphs 15 to 18 of Section One of Part D: On-Field Regulations, and where the Regulatory Commission believes it appropriate for the timely and efficient disposal of the proceedings, the relevant Regulatory Commission shall have the power to consolidate proceedings so they are conducted together and both the charge and the claim of wrongful dismissal may be determined at the same hearing.

DECISIONS

General

- 16 Where a Charge is denied, the Regulatory Commission will decide whether the Charge is proven or not proven.
- 17 Where a Charge is not proven, the Charge will be dismissed.
- 18 Where a Charge is proven, or admitted in accordance with paragraph 9.3.1:
 - 18.1 in respect of Not Seen Incidents only, the Regulatory Commission will decide on the penalty to be served by the Player. The standard punishment may be decreased or increased by the Regulatory Commission only in the exceptional circumstances set out at paragraphs 21 to 25 below. In all other cases, the penalty shall be the standard punishment.
 - 18.2 in respect of Successful Deception incidents, the standard punishment will commence forthwith.
- 19 The decision of the Regulatory Commission will be communicated verbally to the Player on the same day as the decision is reached, and in writing by the end of the following Business Day.

Not Seen Incidents: Increasing and decreasing the standard punishment

- 20 The provisions relating to increasing or decreasing the standard punishment at paragraphs 21 to 25 below shall apply only in respect of Not Seen Incidents.

Decreasing the standard punishment

- 21 Where the offer of the standard punishment is made in the Charge, the Regulatory Commission may only decrease that standard punishment where the Player has claimed in their Reply that the standard punishment would be clearly excessive.

11 - DISCIPLINARY REGULATIONS

- 22 In such cases the Regulatory Commission shall decrease the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly excessive, having regard to the following:
- 22.1 the applicable Law(s) of the Game and any relevant FIFA instructions and / or guidelines;
 - 22.2 the nature of the incident including the Player's state of mind, in particular any intent, recklessness or negligence;
 - 22.3 where applicable, the level of force used;
 - 22.4 any injury to an opponent caused by the incident;
 - 22.5 any other impact on the game in which the incident occurred;
 - 22.6 the prevalence of the type of incident in question in football generally;
 - 22.7 the wider interests of football in applying consistent punishments for dismissal offences.

Increasing the standard punishment

- 23 Subject to paragraph 25 below, where no offer of the standard punishment is made in the Charge, the Regulatory Commission may only increase the standard punishment where The Association has claimed in the Charge that the standard punishment would be clearly insufficient.
- 24 In such cases, the Regulatory Commission shall increase the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly insufficient, having regard to the those factors listed at paragraphs 22.1 to 22.7 above.
- 25 In all cases, the Regulatory Commission may increase any punishment if it believes a denial of the Charge, or any claim by the Player that the standard punishment would be clearly excessive in their case, to have been an abuse of process or without any significant foundation.

Successful Deception: Withdrawal of Associated Caution or Dismissal

- 26 The provisions relating to the withdrawal of an associated caution or dismissal at paragraphs 27 to 29 shall apply only in respect of Successful Deception matters.
- 27 In the event that a Charge relating to Successful Deception is proven or admitted, the Regulatory Commission shall, in its absolute discretion, consider whether or not to withdraw any associated caution or dismissal received by an opposing Player as a result of the act of simulation.
- 28 Where the Regulatory Commission determines that an associated caution or dismissal should be withdrawn, the standard punishment set out in paragraphs 23 to 32 of Section One of Part D: On-Field Regulations applicable to the relevant opponent Player shall not apply and any applicable fee returned. In these circumstances, any dismissal shall not be counted for the purposes of paragraphs 29 to 32 of Section One of Part D: On-Field Regulations.
- 29 If the effect of the decision of the Regulatory Commission is that one of two cautions received by the opponent Player during the relevant Match is withdrawn, that Player's punishment shall be reduced from that of a dismissal to a caution and the provisions of paragraph 23, rather than paragraph 27 of Section One of Part D: On-Field Regulations shall apply.

11 - DISCIPLINARY REGULATIONS

APPEALS

- 30 Subject to paragraph 31 below, there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 1.
- 31 In respect of Not Seen Incidents, the Player will have a right of appeal only:
- 31.1 in the event that the penalty imposed (over and above the automatic suspension) is in excess of three Matches; and
 - 31.2 on the single ground that the additional suspension is excessive; and
 - 31.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.
- For example, where a Player is suspended for eight Matches following a dismissal for violent conduct, they may appeal only in respect of the two Matches in excess of the three standard and three additional Match suspension).
- 32 Where permitted in accordance with the appeal provisions above, appeals shall proceed in accordance with Part E: Fast Track 7: Appeals - Fast Track.

 - 1.2 any other Charge brought in respect of any incident of alleged Misconduct which the Judicial Panel Chairman, of their own volition or following the application of any party, orders to proceed under this Fast Track 2. Such an order may be made, but is not limited to, cases where the incident concerned arises from the same facts as, or is otherwise sufficiently linked to, an incident which is otherwise to proceed under this Fast Track 2.
- 2 This Fast Track 2 shall apply to Participants affiliated to Clubs in Categories 1 and 3, save that any time limits set out herein shall not apply to Participants within Category 3.

11 - DISCIPLINARY REGULATIONS

REPRESENTATION

- 3 In matters proceeding under this Fast Track 2, Participants may be represented in accordance with, and subject to, the provisions of paragraphs 10 to 11 of Part A: General Provisions.
- 4 For the avoidance of doubt, failure to comply with the notification requirements set out in paragraph 10 of Part A: General Provisions will result in the right to representation being forfeited. The date of any personal hearing that takes place pursuant to this Fast Track 2 shall be in accordance with the timings set out herein, regardless of the availability or otherwise of the Participant's chosen representative.

OBSERVATIONS

- 5 In certain cases, particularly those concerning media comments, as a preliminary step a Participant may be required by The Association to provide their observations.

CHARGE

- 6 A Charge shall be issued which shall be accompanied by all evidence, documents and written submissions upon which The Association intends to rely.
- 7 A Charge shall ordinarily be issued by 5pm on the third Business Day following:
 - 7.1 the incident; or
 - 7.2 where the incident relates to media comments, any media comments being brought to the attention of The Association; or
 - 7.3 where observations are requested in accordance with paragraph 5 above, provision of those observations to The Association.

STANDARD PENALTIES

- 8 The Association may in its absolute discretion designate a case as a "Standard Case"
- 9 In exercising that discretion, The Association shall not designate any case as a "Standard Case" where any one or more of the following exceptional circumstances applies:
 - 9.1 where the particular facts of the alleged Misconduct are of a serious and/or unusual nature, as determined by The Association;
 - 9.2 where the Participant Charged has been issued a Charge for a similar matter, as determined by The Association, which took place in the preceding 12 months, and that Charge was found proven; and/or
 - 9.3 where the Charge is issued in relation to media comments made by the Participant.
- 10 Where a case is designated as a Standard Case:
 - 10.1 Standard Penalty 1 shall be offered in the Charge and will come into effect where such a Charge is admitted and the Standard Penalty is accepted;
 - 10.2 Standard Penalty 2 shall come into effect when the Charge is denied and is subsequently found proven by a Regulatory Commission.
- 11 In all cases Standard Penalty 1 shall be lower than Standard Penalty 2. In the ordinary course it shall be lower by approximately by one third.

11 - DISCIPLINARY REGULATIONS

- 12 Where a case is not designated as a Standard Case (a “non-Standard Case”), a Standard Penalty will not be offered and, where such a Charge is admitted or found proven, the Regulatory Commission shall have a discretion to impose any such penalty as it considers appropriate.

REPLY

- 13 The Participant Charged must serve on The Association a Reply by 6pm on the third Business Day after the Charge, by e-mail (as directed by The Association), in which they admit or deny the Charge in accordance with the provisions below relating to Standard Cases and non-Standard Cases (as applicable).
- 14 The Reply must include a clear explanation of the nature and extent of the Participant’s admission or denial of the Charge(s) or any part of a Charge and shall be accompanied by copies of all evidence, documents and written submissions upon which the Participant Charged intends to rely. Any evidence, documents and written submissions not provided within the time limits set out in paragraph 13 above may not be considered by the Regulatory Commission.
- 15 In the absence of a Reply, the matter will be dealt with directly at the next available Regulatory Commission, and evidence, documents and written submissions from the Participant Charged may not be considered by the Regulatory Commission.

Standard Cases

- 16 In a Standard Case, by way of Reply the Participant Charged may:
- 16.1 admit the Charge and accept Standard Penalty 1. In such cases Standard Penalty 1 shall come into effect immediately upon receipt of the consent of the Judicial Panel Chairman (or their nominee) and the matter shall not proceed to a Regulatory Commission;
 - 16.2 admit the Charge and submit general written mitigation and / or an application for Standard Penalty 1 to be reassessed on the basis of the income of the Participant Charged. Such cases will be considered by a Regulatory Commission on written submissions;
 - 16.3 deny the Charge and request to contest it at a personal hearing before a Regulatory Commission; or
 - 16.4 deny the Charge and submit written material for a Regulatory Commission to consider on written submissions (such material to include, where relevant, an application for Standard Penalty 2 to be reassessed on the basis of the income of the Participant Charged).
- 17 Where a Charge is denied and subsequently found proven by a Regulatory Commission, before making a determination on penalty the Regulatory Commission may consider any general written mitigation and / or an application for Standard Penalty 2 to be reassessed on the basis of the income of the Participant Charged, as submitted by the Participant with the Reply to the Charge.

Non-Standard Cases

- 18 In a non-Standard Case, by way of Reply to the Charge the Participant Charged may:

 - 18.4 deny the Charge and submit written material for a Regulatory Commission to consider on written submissions.

11 - DISCIPLINARY REGULATIONS

RESPONSE TO REPLY

19 Where a Participant Charged:

19.1 denies a Charge; or

19.2 admits a Charge but submits mitigation or other material for consideration by the Regulatory Commission,

The Association may provide a response to the Reply, evidence, documents and written submissions provided by the Participant Charged. Any such response to the Reply must be provided to the Participant Charged and the Regulatory Commission within three Business Days of receipt of the Reply. Written submissions, evidence and any other relevant material not submitted within this time limit may not be considered by the Regulatory Commission.

TIMING OF HEARING

20 Where the circumstances of paragraphs 16.2, 18.1 or 18.2 apply, the hearing will take place within three Business Days of receipt of the Reply by The Association or, where a response to the Reply is provided in accordance with paragraph 19, within three Business Days of receipt of the response to the Reply by the Participant Charged.

21 Where the circumstances of paragraphs 16.3 or 18.3 apply, the hearing will take place within ten Business Days (i) of confirmation by The Association that it does not intend to provide a response to the Reply in accordance with paragraph 19, or (ii) where a response to the Reply is to be provided, of receipt of that response to the Reply by the Participant Charged.

22 Where the circumstances of paragraph 16.4 or 18.4 apply, the hearing will take place within three Business Days (i) of confirmation by The Association that it does not intend to provide a response to the Reply in accordance with paragraph 19, or (ii) where a response to the Reply is to be provided, of receipt of that response to the Reply by the Participant Charged.

23 Where Charges have been consolidated in accordance with paragraph 13 of Part A: General Provisions, the timelines in paragraphs 20 to 22 above shall run from the date at which the last relevant Reply is received from a Participant Charged in accordance with paragraph 13.

24 In the instance of a case concerning Incidents Outside the Jurisdiction of Match Officials, wherever possible the hearing will take place prior to the next Match in which the Player would be eligible to play.

PROCEDURES

25 The following procedures shall be followed at a personal hearing before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:

25.1 The Association may address the Regulatory Commission, summarise the case against the Participant Charged, and then adduce its evidence.

25.2 The Participant Charged may then summarise its case and adduce evidence of any matter of which notice has been given in the Reply.

25.3 Each party in turn may question witnesses as they give evidence and the Regulatory Commission may question parties and witnesses at any time.

25.4 After the conclusion of the evidence of the Participant Charged, The Association and the Participant Charged in turn may make closing submissions.

11 - DISCIPLINARY REGULATIONS

- 25.5 Where the Participant Charged admits the Charge(s), the Regulatory Commission may dispense with hearing the evidence and consider submissions from The Association and the Participant Charged in turn. Where the Participant Charged denies a Charge or part thereof, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.

DECISIONS AND PENALTY

- 26 The Regulatory Commission will decide whether each denied Charge is proven or not proven.
- 27 Where a Charge is not proven, the Charge will be dismissed.
- 28 Where a Charge is proven or admitted, subject to the application of any Standard Penalty, the Regulatory Commission may impose any penalty that it considers to be appropriate in accordance with its general powers set out in paragraphs 41 to 44 and 52 of Part A: General Provisions.
- 29 The decision of the Regulatory Commission will be communicated verbally to the Participant Charged on the same day as the decision is reached, and in writing by the end of the following Business Day.

Standard Cases only

- 30 This provision gives effect to the principal that, in a Standard Case, either Standard Penalty 1 or Standard Penalty 2 shall not be reduced unless truly exceptional mitigation exists, or a Participant Charged can demonstrate that the Standard Penalty would be disproportionately harsh due to their level of income.
- 31 In a Standard Case where the Participant Charged:
- 31.1 admits the Charge, but submits general written mitigation and / or an application for Standard Penalty 1 to be reassessed in accordance with paragraph 16.2;
- 31.2 denies the Charge, by submits general written mitigation and / or an application for Standard Penalty 2 to be reassessed in accordance with paragraph 17,
- the Regulatory Commission shall proceed in accordance with paragraphs 32 to 34 below.

Where the Participant Charged submits general mitigation

- 32 Having considered the general mitigation, the Regulatory Commission will have a discretion to impose any penalty that it considers appropriate, including increasing the penalty above the applicable Standard Penalty. A Regulatory Commission may decrease the Standard Penalty only where it is satisfied that any mitigation put forward is truly exceptional and so merits a reduction. Where it is so satisfied, it may impose any penalty that it considers to be appropriate in accordance with its general powers.
- Where the Participant Charged submits an application for reassessment of the Standard Penalty
- 33 Where a Participant Charged can demonstrate that any financial element of a Standard Penalty would be disproportionately harsh due to the level of their income, they may make an application to have the financial element of the penalty reassessed by reference to that income.
- 34 Where such an application is made, and the Regulatory Commission does accept that the Standard Penalty would be disproportionately harsh, the Standard Penalty will not apply and the Regulatory Commission may impose any penalty that it considers to be appropriate in accordance with its general powers.

11 - DISCIPLINARY REGULATIONS

APPEALS

- 35 Participants and The Association shall have the right to appeal against the decision of, or penalty imposed by, a Regulatory Commission to an Appeal Board. Appeals shall proceed in accordance with Part E: Fast Track 7: Appeals - Fast Track.

WRITTEN REASONS

- 36 A request for written reasons in respect of the decision of the Regulatory Commission may be lodged with the Regulatory Commission, in which case the request must be made at the time of verbal notification of the decision (i.e. on the same day as the Regulatory Commission). If requested, written reasons will be supplied to parties by 6pm on the third Business Day following the hearing.

FAST TRACK 3: MISTAKEN IDENTITY

GENERAL PRINCIPLES

- 1 This Fast Track 3 sets out the process in respect of Players who have been cautioned or dismissed from the field of play but claim that they were the victim of mistaken identity in relation to the imposition of such sanction.
- 2 This Fast Track 3 shall apply to Players of Clubs in Categories 1, 2 and 3.
- 3 The procedures set out in this Fast Track 3 shall proceed in accordance with the applicable timetable set out at Table 11 below. The time limits and other requirements are to be strictly applied, and only complete claims submitted before the relevant deadline will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 3 are concluded ahead of the suspension being served.
- 4 Where claims are submitted for both mistaken identity in accordance with this Fast Track 3 and wrongful dismissal in accordance with Fast Track 4 for the same incident, the matter of mistaken identity will be considered first.
- 5 Matters falling within this Fast Track 3 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

Claim

- 8 The Player or their Club must submit their claim, along with the evidence upon which their claim is founded, to The Association by email (as directed by The Association). Wherever possible, the claim should include a written statement from the Player who is responsible for the offence. In any event, the evidence must include:

Regulatory Commission

- 9 The Association will convene a Regulatory Commission to examine the claim, which shall consider the matter prior to any suspension being served.
- 10 The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 10.1 the Secretary to the Regulatory Commission will produce:
 - 10.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 10.1.2 all statements, video footage and other evidence provided in support of the claim.
 - 10.2 After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful.
 - 10.3 In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment. In all other cases, the penalty shall be the standard punishment.
 - 10.4 In the event the claim is successful, the standard punishment shall be transferred from the record of the Player reported by the Referee to the identified offender.
 - 10.5 A record of the decision will be provided to the relevant Player's Club on the same day the decision is made.

11 - DISCIPLINARY REGULATIONS

EXCEPTIONAL CIRCUMSTANCES: NO OR INSUFFICIENT BUSINESS DAYS

- 11 Where, due to there being no or insufficient Business Days between two Matches in the relevant Competition(s), it would not be possible for a claim to be determined before the suspension is to be served the following will apply:
- 11.1 Where there are no Business Days between two Matches in the relevant Competition(s), the Club shall notify The Association by email (JudicialServices@TheFA.com) by 1pm the day following the incident. If this notification is properly submitted, the Player will be eligible to play in the second Match. Submission of the claim will still be required as set out in Table 11.
- 11.2 Where there are insufficient Business Days between two Matches in the relevant Competition, the timetable as set out in Table 11 will still apply. However, the Player will be eligible to play in Matches prior to the claim being determined by a Regulatory Commission (provided that The Association has been notified in accordance with paragraph 7 above).

APPEALS

- 12 The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 3.

FAST TRACK 4: WRONGFUL DISMISSAL

GENERAL PRINCIPLES

- 1 This Fast Track 4 sets out the process in respect of Players who have been dismissed from the field of play (except as a result of two cautions leading to a dismissal), but claim that the Referee made an obvious error in dismissing the Player.
- 2 This Fast Track 4 shall apply to Players of Clubs in Categories 1, 2 and 3.
- 3 A Regulatory Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee and the dismissal from the field of play will remain on the record of the Club and the Player.
- 4 The procedures set out in this Fast Track 4 shall proceed in accordance with the applicable timetable set out in Table 12. The time limits and other requirements are to be strictly applied, and only complete claims which adhere to the relevant deadlines will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 4 are concluded ahead of the suspension being served.
- 5 Matters falling within this Fast Track 4 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

- 9 The Player or their Club must submit their claim, along with the evidence upon which their claim is founded (which must include video footage showing the incident from all available angles), to The Association by email (as directed by The Association).
- 10 Once the claim has been lodged with The Association, The Association will confirm that the claim has been made in accordance with the time limits and other requirements of this Fast Track 4 (to include, but not limited to, submitting video footage of the incident).

11 - DISCIPLINARY REGULATIONS

Regulatory Commission

- 11 The Association will convene a Regulatory Commission to examine the claim, which shall consider the matter prior to any suspension being served.
- 12 The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
 - 12.1 The Secretary to the Regulatory Commission will produce:
 - 12.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 12.1.2 all statements, video footage and other evidence provided in support of the claim, including details of the Player.
 - 12.2 After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful. A claim will only be successful where the Regulatory Commission is satisfied that the Referee made an obvious error in dismissing the Player.
 - 12.3 In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment. In all other cases, the penalty shall be the standard punishment.
 - 12.4 In the event the claim is successful, the standard punishment shall be withdrawn. The dismissal shall not be counted for the purposes of paragraphs 29 to 32 of Section One of Part D: On-Field Regulations.
 - 12.5 A record of the decision will be prepared and provided to the Club of the relevant Player on the same day the decision is made.

EXCEPTIONAL CIRCUMSTANCES: NO OR INSUFFICIENT BUSINESS DAYS

- 13 Where, due to there being no or insufficient Business Days between two Matches in the relevant Competition(s), it would not be possible for a claim to be determined before the suspension is to be served the following will apply:
 - 13.1 The Club shall notify The Association by email (JudicialServices@TheFA.com) by 1pm the day following the dismissal and shall lodge their claim, along with the evidence upon which their claim is founded, by 5pm that same day;
 - 13.2 In such cases the Regulatory Commission will consider the claim no later than 6pm on the day before the next fixture.
- 14 Should a Player play in a Match without having given the appropriate notification as set out in paragraph 13.1 above, this shall constitute Misconduct.

APPEALS

- 15 The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 4.

FAST TRACK 5: CLEARLY EXCESSIVE

GENERAL PRINCIPLES

- 1 This Fast Track 5 sets out the process where a Player or their Club seeks to limit the disciplinary consequences of the dismissal of the Player from the field of play by demonstrating that the circumstances of the dismissal were truly exceptional such that the standard punishment, set out in Part D: On-Field Regulations, would be clearly excessive. It shall apply to Players of Clubs in Categories 1, 2 and 3.
- 2 The ability to claim under this Fast Track 5 is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions should approach such cases with these principles in mind and it is envisaged that, in the vast majority of dismissals, the standard punishments will be appropriate and will be applied.
- 3 The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee nor to scrutinise the correctness of the dismissal from the field of play, which shall remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending-off.
- 4 Claims under this Fast Track 5 may only be lodged in relation on-field offences which result in a dismissal for offensive or insulting or abusive language / gestures, serious foul play, violent conduct, or spitting.
- 5 The procedures set out in this Fast Track 5 shall proceed in accordance with the applicable timetable set out at Table 13. The time limits and other requirements are to be strictly applied, and only complete claims which adhere to the relevant deadlines will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 5 are concluded, where possible, ahead of the suspension being served.
- 6 Matters falling within this Fast Track 5 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

PROCEDURE

Notification of Intention to Submit a Claim

- 9 The Player, or their Club, wishing to bring a 'clearly excessive' claim must notify The Association by email (JudicialServices@TheFA.com") of their intention to submit a claim.

Claim

- 10 The Player or their Club must submit their claim, along with the evidence upon which their claim is founded (which must include video footage showing the incident from all available angles), to The Association by email (as directed by The Association). The claim must explain why the case is truly exceptional.
- 11 Once the claim has been lodged with The Association, The Association will confirm that the claim has been made in accordance with the time limits and other requirements of this Fast Track 5 (to include, but not limited to, submitting video footage of the incident).

Regulatory Commission

- 12 The Association will convene a Regulatory Commission to examine the claim which shall, where practicable, consider the matter prior to any suspension being served but shall in all cases consider the matter before the second Match that the Player would miss were the standard punishment to apply.

11 - DISCIPLINARY REGULATIONS

- 13** The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 13.1** The Secretary to the Regulatory Commission will produce:
 - 13.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 13.1.2 all statements, video footage and other evidence provided in support of the claim, including details of the Player.
 - 13.2** After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful. A claim will only be successful where the Regulatory Commission is satisfied so that it is sure that:
 - 13.2.1 the circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - 13.2.2 as a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
 - 13.3** In considering the matters at paragraph 13.2 above, the Regulatory Commission shall have regard to:
 - 13.3.1 the applicable Law(s) of the Game and any relevant FIFA instructions and / or guidelines;
 - 13.3.2 the nature of the dismissal offence including the Player's state of mind, in particular any intent, recklessness or negligence;
 - 13.3.3 where applicable, the level of force used;
 - 13.3.4 any injury to an opponent caused by the dismissal offence;
 - 13.3.5 any other impact on the game in which the incident occurred;
 - 13.3.6 the prevalence of the type of incident in question in football generally;
 - 13.3.7 the wider interests of football in applying consistent punishments for dismissal offences.
 - 13.4** In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment.
 - 13.5** In the event the claim is successful, the standard punishment shall be withdrawn. The Regulatory Commission will go on to decide the punishment to be applied to the Player in respect of the dismissal. In all cases, this shall be a suspension of at least one Match. APPEALS

- 14** The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 5.

FAST TRACK 6: CLEARLY INSUFFICIENT

GENERAL PRINCIPLES

- 1 This Fast Track 6 sets out the process where The Association seeks to increase the disciplinary consequences of the dismissal of the Player from the field of play by demonstrating that the circumstances of the dismissal were truly exceptional such that the standard punishment, set out in Part D: On-Field Regulations, would be clearly insufficient. It applies to Players of Clubs in Categories 1, 2 and 3.
- 2 The ability to claim under this Fast Track 6 is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions should approach such cases with these principles in mind and it is envisaged that, in the vast majority of dismissals, the standard punishments will be appropriate and will be applied.
- 3 The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee nor to scrutinise the correctness of the dismissal from the field of play, which shall remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a sending-off.
- 4 Claims under this Fast Track 6 may only be lodged in relation on-field offences which result in a dismissal for serious foul play, violent conduct, or spitting.
- 5 The procedures set out in this Fast Track 6 shall proceed in accordance with the applicable timetable set out at Table 14. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 6 are concluded, where possible, ahead of the suspension being served.
- 6 A Referee's report showing that a Player was dismissed for serious foul play, violent conduct, or spitting shall be conclusive evidence that the Player has breached the relevant Law of the Game and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- 7 Matters falling within this Fast Track 6 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

PROCEDURE

Claim

- 8** The Association shall submit its claim, along with the evidence upon which their claim is founded (which must include the Referee's report and where available and The Association is in possession of it, video footage showing the incident from all available angles), and must send it to the Player and/or the Player's Club.

Reply

- 9** The Player must submit to The Association a written reply to the claim (which must include all evidence in support of the reply) by email (as directed by The Association). Where no reply is received, the Regulatory Commission shall consider the claim as if it had been denied by the Player.

Regulatory Commission

- 10** A Regulatory Commission will be convened to examine the claim. The Regulatory Commission will, where practicable, consider the matter prior to any suspension being served but will, in all cases, consider the matter before the second Match that the Player would miss were the standard punishment to apply.
- 11** The following procedures following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 11.1** The Secretary to the Regulatory Commission will produce:
- 11.1.1** the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action;
 - 11.1.2** all statements, video footage and other evidence provided in support of the claim; and
 - 11.1.3** the written reply and evidence provided in support.
- 11.2** After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful. A claim will only be successful where the Regulatory Commission is satisfied so that it is sure that:
- 11.2.1** the circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - 11.2.2** as a result of the truly exceptional circumstances the standard punishment would be clearly insufficient.
- 11.3** In considering the matters at paragraph 11.2 above, the Regulatory Commission shall have regard to:
- 11.3.1** the applicable Law(s) of the Game and any relevant FIFA instructions and / or guidelines;
 - 11.3.2** the nature of the dismissal offence including the Player's state of mind, in particular any intent, recklessness or negligence;
 - 11.3.3** where applicable, the level of force used;
 - 11.3.4** any injury to an opponent caused by the dismissal offence;
 - 11.3.5** any other impact on the game in which the incident occurred;

 - 11.3.7** the wider interests of football in applying consistent punishments for dismissal offences.

11 - DISCIPLINARY REGULATIONS

- 11.4 In the event the claim is rejected, the Regulatory Commission shall deliberate no further on the claim and the Player shall serve the standard punishment.
- 11.5 In the event the claim is successful, the standard punishment shall be set aside. The Regulatory Commission will go on to decide the punishment to be applied to the Player in respect of the dismissal. In deciding on the appropriate punishment, the Regulatory Commission shall have regard to those factors listed at paragraphs 11.3.1 to 11.3.7 above. Any punishment imposed by the Regulatory Commission shall be limited to a suspension from playing a specified number of Matches in addition to the standard penalty.
- 11.6 A record of the decision will be prepared and provided to the Club of the relevant Player on the same day as the decision is made.

APPEALS

- 12 The decision will be subject to appeal only:
 - 12.1 in the event that the penalty imposed (over and above the standard penalty) is in excess of three Matches; and
 - 12.2 on the single ground that the additional suspension is excessive; and
 - 12.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.

For example, where a Player is suspended for eight Matches following a dismissal for violent conduct, they may appeal only in respect of the two Matches in excess of the three standard and three additional Match suspension).

APPENDIX IV: SMALL-SIDED FOOTBALL – DISCIPLINE PROCESS

THE FOOTBALL ASSOCIATION DISCIPLINE PROCESS FOR SMALL-SIDED FOOTBALL

Introduction

Implementing an effective disciplinary process is an important factor for all formats of football, helping to establish a quality, organised, safe and enjoyable football experience for all players and officials. The issue of discipline is of equal importance in Small Sided Football as it is in the 11v11 football, and subsequently should be shown proper attention and regard by Small Sided Football providers when organising their competitions; particularly if the competitions wish to be appropriately sanctioned and affiliated to The Association.

The Association has developed this disciplinary process to accommodate the varied and different needs of Small Sided Football. The Association recognises that applying the same disciplinary processes to Small Sided Football as it does in 11v11 football does not satisfactorily meet the differing demands of this version of the game. However, this does not mean that The Association takes ill-discipline in Small Sided Football any less seriously.

It is important to note for all Small Sided Football providers, that failure or disregard in establishing and effectively implementing these disciplinary processes can and will lead to The Association removing affiliation and classifying providers competitions as being unsanctioned by The Association.

For all Small Sided Football providers that affiliate to The Association nationally it is a condition of affiliation to agree to abide by the 'Heads of Agreement' that clearly state that the provider will manage disciplinary issues in accordance with this disciplinary process.

It is recommended that County FAs that affiliate local Small Sided Football providers establish similar agreements.

The implementation of this disciplinary process will help create a safer and more enjoyable football environment for Small Sided Football players and officials, but also importantly for the providers it can assist in retaining Participants playing in their competitions.

1. Discipline Ownership & Control

All issues of discipline that occur at a Small Sided Football provider affiliated to The Association fall under the jurisdiction of the local County FA.

The ability for Small Sided Football providers to manage discipline in their competitions for incidents outlined in Table 1 below have been delegated to the provider by the local County FA.

It is at the discretion of The Association to remove this delegated responsibility from a Small Sided Football provider if the provider is unable to demonstrate competence in handling and managing disciplinary issues. In such cases the responsibility for all discipline in that competition will be returned to the local County FA.

2. Affiliation & Provision of Team Information

When affiliating competitions and slots to The Association or County FAs, all Small Sided Football providers must provide the following information for all teams playing in their competitions to ensure that disciplinary cases can be managed appropriately:

- Team Name
- Team Captain/Manager contact details (name, address, email or telephone number)

The Small Sided Football provider must also ensure that The Association or County FA is updated with accurate team information throughout the course of the affiliation period. Small Sided Football providers will not be affiliated unless this team information is provided accurately.

11 - DISCIPLINARY REGULATIONS

The only exceptions to this rule are outlined below:

2.1. Disciplinary Agreement:

On affiliation to The Association or County FA the Small Sided Football Provider signs the Disciplinary Agreement in Appendix B where the provider agrees to operate a comprehensive system of recording and maintaining accurate team and player details. This agreement also requires the Small Sided Football Provider to provide The Association/ County FA with team information (team name and team captain contact details) within 48 hours of receiving a request for this information. It also accepts that from time-to-time The Association or County FA may request to undertake a random spot-check of a Small Sided Football providers competition to ensure that the provider has accurate team information for all teams in that competition.

As well as signing this Disciplinary Agreement, at the point of affiliation the Small Sided Football provider must also provide written evidence to The Association or County FA to demonstrate the current systems that they operate and maintain to record accurate team information.

If the Small Sided Football provider is able to comply with these points, the organisation will not be required to provide all team information to The Association / County FAs upon affiliation. If however, the Small Sided Football provider consistently fails to provide accurate team information when requested this privilege can be revoked by The Association.

2.2. FA Small Sided Football Accreditation

Small Sided Football providers that have attained The FA Small Sided Football Accreditation have demonstrated through the accreditation process that they have sufficient systems in place for recording and managing team information, and that as part of the accreditation they will provide The Association/County FAs with team details within 48 hours when requested in order for disciplinary cases to be managed. As a consequence, accredited Small Sided Football providers will not be required to provide team information upon affiliation.

3. Issuing of Cautions and 'Timed Suspensions'

In Small Sided Football yellow cards and associated cautions are not employed.

Referees should instead issue a blue card for a cautionable offence. The issuing of a blue card indicates that the recipient will serve an immediate 'timed suspension' ('sin bin').

The options for disciplining offenders are therefore as follows:

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small Sided Football shall be two minutes. The release of Players from a temporary suspension should be at the direction of the Referee.

3.1. Recording of Blue Cards

In Small Sided Football cautionable offences that result in a blue card and a timed suspension from the match shall not be recorded and reported by the match official or Small Sided Football provider.

Blue card offences should not be reported back to the County FA, and no disciplinary fine shall be incurred by the player.

11 - DISCIPLINARY REGULATIONS

4. Disciplinary Procedures for Red Card Offences

4.1. 'Serious' Red Card Offences

Offences not classified in Table 1 below will be the responsibility of the local County FA. Once the County FA has reviewed the case the Small Sided Football provider along with the player will be informed of the outcome and any disciplinary action.

For these offences match official are required to complete the Disciplinary Report in Appendix A and submit a copy to the Small Sided Football provider and the relevant County FA.

4.2. 'Less Serious' Red Card Offences (as outlined in Table 1)

Offences classified within Table 1 should be dealt with by the Small Sided Football provider under the delegated-authority of the County FA covered in paragraph 1 above.

The match official should complete a 'Disciplinary Report' (Appendix A) and ensure that it is sent to the Small Sided Football provider.

The Small Sided Football provider should employ the following disciplinary tariff of suspensions in such cases as outlined in Table 1. The provider shall not fine the player.

Match Suspension Tariff:

Table 1

OFFENCE	PENALTY (TO BE ADMINISTERED BY SMALL SIDED)
Receiving a second 'blue card' in the same match	1 Match suspension
Denying a goal or an obvious goal scoring	1 Match suspension
Use of offensive, insulting or abusive gestures	2 Match suspension
Attempting to kick or strike another player Violent conduct Serious foul play	3 Match suspension

5. Remit of Disciplinary Action

Any suspensions for offences dealt with by the County FA that are not covered in Table 1 apply to all levels of football (i.e. 11 a side and Small Sided Football).

Red cards administered in Small Sided Football for offences within Table 1 are the responsibility of the organiser to deal with according to The Association's recommended tariff of suspensions and are from Small Sided Football only.

6. Personal Liability for 'Serious' Disciplinary Offences

Initial responsibility for a disciplinary issue will be with the individual that committed the offence. If this individual leaves the team but can be accurately identified, this individual shall retain responsibility for the payment of a fine and should be suspended from all forms of football until the fine is paid in accordance with the Football Debt Recovery Regulations.

If the individual responsible for the offence cannot be accurately identified, the responsibility for the payment of this fine will be with (in order of responsibility):

1. The small sided team that the individual played for when committing the offence.
2. The team captain of the team that the individual played for.

11 - DISCIPLINARY REGULATIONS

7. Implementation of Disciplinary Procedures

A robust disciplinary process can only operate if a record is kept of the identity of participating teams and Players.

All Small Sided Football providers should maintain details of participating teams and team contacts prior to the beginning of a competition. Providers should ensure that these details remain updated.

In addition Small Sided Football providers should identify a system whereby the identity of participating Players is recorded prior to a game commencing. These records should be retained by the Organisers and referred to in the event of a serious incident or on suspicion that a Player is playing whilst under suspension.

The existence of these systems (in line with paragraph 2 above) shall be a requirement before The Association or County FA will provide sanction to a competition taking place.

In order for an effective discipline, affiliation and Referees appointment procedure to exist a good working relationship should exist between the Small Sided Football provider and the County FA. County FA's and Small Sided Football providers should establish a 'Heads of Agreement' document which identifies the responsibilities of each party in relation to maintenance of discipline and affiliation processes.

We would encourage clubs and football boot and clothing manufacturers to seek feedback at the earliest possible time, in relation to designs and advertising from The Association and their specific competition. Clubs and manufacturers are reminded to obtain the necessary permissions before manufacture.

If any further guidance is needed please contact The Association – sanctioning@thefa.com]

A. GENERAL

1. Advertising on Clothing and Football Boots is only permitted during the period of a Match in accordance with these Regulations and the Laws of the Game. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the Advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of Clothing during any pre-match warm-up, ceremony or player line up that bear any slogan or message not otherwise covered by these Regulations (for example but not limited to a message of support regarding an ill team-mate).

12 - KIT AND ADVERTISING REGULATIONS

2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the Advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.
4. The appearance on, or incorporation in, any item of Clothing, Football Boots or Other Equipment of any distasteful, threatening, abusive, indecent, insulting, discriminatory or otherwise ethically or morally offensive message, or any political or religious message, is prohibited. 6. Advertising entailing the use of numerals is permitted only if such numerals clearly form part of the Advertising and cannot in any way be confused with Players' shirt numbers.
7. No colour or design may be used in Advertising that might create problems of identification for Match Officials and/or opponents. The colour and design of the Clothing of opponents, goalkeepers and match officials must be taken into account.
8. Without limiting the effect of the above, in the case of Match Officials under the age of 18 years, or a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of Clothing, Football Boots or Other Equipment of any reference whatsoever to a product, service or other activity which is considered by The Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players or Match Officials, is prohibited.

It is the view of The Association that examples of such products, services or related activities would include, but are not limited to, age restricted products, services and related activities such as alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, Clubs and Competitions should contact The Association or Affiliated Association from which it seeks sanction to seek approval.

9. Any issues arising in relation to the interpretation or effect of these Regulations shall be referred to The Association for its determination, which shall be final and binding (subject to provisions relating to Match Officials).
10. A Club, Match Official, Competition or Affiliated Association shall supply on demand to The Association any item of Clothing for consideration as to whether it complies with these Regulations.

Where Competition rules allow for a third strip to be worn, this may carry Advertising as worn on either the "home" or "away" shirt. The third strip may carry an alternative sponsor advertisement with the permission of the Competition. The Advertising must appear in the same form on the Clothing of all Players and Club Officials wherever such Advertising appears, throughout the entirety of the match.
4. Clubs with more than one team may conclude separate shirt Advertising agreements in respect of each of its teams.
5. Club playing name

No Club in Membership of the Premier League, EFL, a League at Steps 1 to 6 of the National League System, The FA Women's Super League, The FA Women's Championship or The FA Women's National League, may include the name of a sponsor in its Club playing name unless in the sole opinion of The Association the Club's playing name arises from a historical association with that Club such as a works sports and social club. MEASUREMENT PROCEDURES

In order to help clubs maximise the space for their sponsors within the regulations, we have provided some practical examples of how The FA would measure sponsor advertising on football club shirts.

If you would like assistance or require clarification of measurement and sizing relevant to your club sponsor, please email sanctioning@TheFA.com

(A multiplied by B)

(A multiplied by B less C + D)

Items on kit will be measured according to their smallest geometric form (square, rectangle, triangle, circle etc), and the dimensions calculated using the usual mathematical formula.

To calculate the surface area, the widest part of the items will be measured from edge to edge. Exceptionally, items may be divided into several individual geometric forms for the purpose of calculating the surface area.

MAXIMUM 250cm²

(A multiplied by B less C + D + E)

12 - KIT AND ADVERTISING REGULATIONS

MEASUREMENT PROCEDURES OF NEUTRAL COLOURED PATCHES/SHIRT COLOURS

- A. **Sponsor advertising on a neutral coloured patch** – i.e. white sponsor logo on a black patch on a predominantly white/green shirt.

In this scenario the area measured would be the total area covered by the black patch on which the logo sits.

- B. **Sponsor advertising on a patch which is based on one of the main colours of the shirt** – i.e. white sponsor logo on a red and white striped shirt.

In this scenario the area measured would only be that around the sponsor's logo even if this logo may stand out more prominently because of the white stripes in the shirt.

- C. **Measuring of a 'chest ring'** – e.g. the white band around a club's shirt

If a club's traditional shirt contains a chest ring and that is one of the official colours of the playing kit, the area that is measured will only be around the sponsor's logo and not the whole of the chest ring.

- D. **MATCH OFFICIALS**

No Advertising of any nature, save as set out below, is permitted on Match Officials' Clothing or Football Boots without the consent of The Association or Affiliated Association.

The following Advertising is permitted:

1. The mark, logo or name of a Clothing manufacturer or a combination of the same, may appear:
 - (a) once only on the shirt provided it is an area no greater than 20 square centimetres.
 - (b) once only on the shorts provided it is an area no greater than 12 square centimetres.
 - (c) incorporated into the design of the socks, but must be limited to an area no greater than 12 square centimetres.

12 - KIT AND ADVERTISING REGULATIONS

2. Jacquard Weave

A jacquard weave or similar technique such as embossing shall be allowed providing each is limited to 20 square centimetres, with unlimited repeats being acceptable. The design of such jacquard weave may be the manufacturer's mark, logo or name. The jacquard weave shading shall be restricted to two shades differing from the base colour, using a standard Pantone reference manual.

3. Sponsor Advertising

- (i) Sponsor Advertising is permitted only if in accordance with the following conditions:
 - (a) The advertising shall consist of one single area not exceeding 150 square centimetres on one or both of the sleeves of the shirt, between the shoulder seam and the elbow.
 - (b) Any sponsorship contract must be made between the sponsor and The Association, Professional Game Match Officials Limited, Competition or Affiliated Association. A Match Official is not permitted to enter into any personal Sponsor advertising contract.
 - (c) Advertising for Match Officials shall not be permitted if it creates a conflict of interest with the advertising worn by either of the two participating teams through a shared sponsor. In the event of such a conflict, match officials shall not wear advertising from the sponsor in question. Any related advertising shall also be removed from the referee review area (RRA) and / or the video operation room (VOR) during the match.
 - (d) Revenues from Sponsor Advertising contracts should be invested in refereeing matters.
 - (e) All Match Officials are provided with shirts, apparel and/or detachable badges, logo etc. carrying Sponsor Advertising free of charge.
- (ii) Without limiting the effect of Regulation A above, Sponsor Advertising by Match Officials of any age, of tobacco-related products, gambling (including but not limited to casinos or betting companies), and alcohol is strictly prohibited.

4. Badges

Match kit shirts may carry the recognised badge of the appropriate Competition once only, which must be on either site of the breast pocket. This badge must not exceed an area of 20 square centimetres and, where it contains the established trademark, trade name or logo of a sponsor of the Competition, must be approved by The Association in advance.

In addition to the recognised competition badge the match kit shirt may carry once only on either site of the breast pocket an officially designated badge of FIFA, The Association, the relevant Affiliated Association or the Referees' Association (where relevant).

5. Sock Tie-Up

Each sock tie-up may show the name and/or badge of appropriate Affiliated Association or the Referees' Association providing it does not exceed an area of 100 square centimetres.

No Advertising is allowed.

6. Charitable and other causes

The officially designated name or logo of a registered charity or any initiative that promotes the game of football may appear as one single area on shirts, provided that such name or logo does not exceed an area of 100 square centimetres. Alternatively, such a name or logo may appear on shirts in the space reserved for the Competition sponsor, either alone or in combination with a Competition sponsor logo, provided that a total area of 150 square centimetres is not exceeded. Before any such name or logo is used on shirts, permission must be granted from the Competition in which the shirts are to be worn and The Association or Affiliated Association from which the Competition seeks sanction.

All charitable or other causes promoted under this provision must be conducted in accordance with Law 4 of the Laws of the Game.

13 - ANTI-DOPING REGULATIONS

PREAMBLE

This Preamble is a binding part of these Anti-Doping Regulations.

Any term used in these Anti-Doping Regulations denoting the masculine gender includes the feminine gender.

The headings contained in the Anti-Doping Regulations are provided for the purposes of convenience only and do not form part of and shall not affect the construction of the Anti-Doping Regulations.

Definitions are contained in Schedule Two to the Anti-Doping Regulations and the Rules.

1. EFFECTIVE VERSION

The amendments to these Anti-Doping Regulations shall come into full force and effect on 1 January 2021 (the “Effective Date”), replacing the Anti-Doping Regulations that were in force prior to the Effective Date.

Participants and other Persons should be aware that the current version of the Anti-Doping Regulations may not be the version published in The FA Handbook. The current version will be published on The Association’s website, located at www.TheFA.com.

These Anti-Doping Regulations may be supplemented by further instructions and/or guidelines issued by The Association from time to time. Any supplemental instructions and/or guidelines are binding on Participants and other Persons.

2. AIMS OF ANTI-DOPING

Doping has become a constant concern of international sports organisations and national governments. The fundamental aims of anti-doping are threefold:

- to safeguard the physical health and mental integrity of Players;
- to uphold and preserve the ethics of sport; and
- to ensure that all competitors have an equal chance.

The above fundamental aims are adopted by The Association as laid down by FIFA, and they are derived from the World Anti-Doping Code.

3. PARTICIPANTS’ AND OTHER PERSONS’ ANTI-DOPING RESPONSIBILITIES

Participants accept the Anti-Doping Regulations as a condition of participation in football and shall be bound by them.

In particular, Players must –

- be aware of and comply with all applicable anti-doping policies and Rules and Regulations adopted by The Association;
- be aware in particular of what constitutes an Anti-Doping Rule Violation under the Anti-Doping Regulations, including what substances and methods are prohibited under the Anti-Doping Regulations;
- make themselves available for Sample collection at all times and provide whereabouts information as required;
- take responsibility for all substances that they ingest and for all substances and methods that they Use;
- inform medical personnel of their obligation not to Use Prohibited Substances and Prohibited Methods and to take responsibility to ensure that any medical treatment received does not contravene the Anti-Doping Regulations;
- co-operate with any investigation regarding a potential Anti-Doping Rule Violation;

13 - ANTI-DOPING REGULATIONS

- inform The Association and FIFA of any decision by a body (whether or not a signatory to the World Anti-Doping Code) that they infringed anti-doping rules in the last ten (10) years; and
- disclose the identity of their Player Support Personnel upon request by The Association or any other Anti-Doping Organisation with authority over the Player.

In particular, Player Support Personnel must –

Other Participants and other Persons must –

- be aware of and comply with all applicable anti-doping policies and Rules and Regulations adopted by The Association, to the extent those policies, Rules and Regulations impose obligations on them;
- co-operate with any investigation regarding a potential Anti-Doping Rule Violation; and
- inform The Association and FIFA of any decision by a body (whether or not a signatory to the World Anti-Doping Code) that they infringed anti-doping rules in the last ten (10) years.

The Anti-Doping Rule Violations set out in the Anti-Doping Regulations may be committed by Participants or other Persons. Where appropriate, the Anti-Doping Regulations stipulate if a particular Anti-Doping Rule Violation can only be committed by a certain category of Participants, such as Players or Player Support Personnel.

4. DRUG TESTING

Players are obliged to undergo drug tests as set out in these Anti-Doping Regulations. Testing may take place In-Competition (i.e. the period that commences at 23:59 on the day before a match in which a Player is scheduled to participate through to the end of that match and the completion of any sample collection process after the match) or Out-of-Competition (i.e. at any other time) and at any location without any advance notice.

The consent of a parent or guardian to Testing of a Player under the age of 18 pursuant to these Regulations, shall be inferred from the fact that the Player has been permitted by their parent or guardian to participate in football.

5. PROHIBITED SUBSTANCES AND PROHIBITED METHODS

Prohibited Substances and Prohibited Methods are set out or referenced in the List of Prohibited

Substances and Prohibited Methods (the "Prohibited List"). Participants and other Persons should note that the Prohibited List may be updated from time to time by WADA independently of the Anti-Doping Regulations. Any changes made to the Prohibited List by WADA will be immediately binding on Participants and other Persons, and recognised and enforced by The Association.

Any substance or method that is added to the Prohibited List by WADA shall immediately be deemed a Prohibited Substance or Prohibited Method (as applicable) for the purpose of the Anti-Doping Regulations. The version of the Prohibited List that is current at any given time will be available on WADA's website located at www.wada-ama.org and on The Association's website, located at www.TheFA.com/anti-doping.

13 - ANTI-DOPING REGULATIONS

6. STRICT LIABILITY

Adverse Analytical Findings and the Use of Prohibited Substances and Prohibited Methods will be dealt with as strict liability violations. This means, for example, that a Player will be guilty of an Anti-Doping Rule Violation if a Prohibited Substance or any of its Metabolites or Markers is present in that Player's body. It is not necessary to demonstrate intent, Fault, negligence or knowing Use on the Player's part to establish an Anti-Doping Rule Violation for such presence, or for Use of a Prohibited Substance or Prohibited Method; and a Player's alleged lack of intent, Fault, negligence or knowledge is not a valid defence to a charge that such an Anti-Doping Rule Violation has been committed.

7. MANDATORY PENALTIES

Participants and other Persons should note that there are a number of mandatory penalties set out in the Anti-Doping Regulations, which are based on the penalties stipulated by WADA, and which may only be eliminated or reduced or suspended (as applicable) in accordance with the exceptional or specific circumstances set out in these Anti-Doping Regulations (see Part Seven).

8. PERSONAL INFORMATION

Personal information that is provided pursuant to these Anti-Doping Regulations shall be collected, stored, processed and/or disclosed in compliance with the applicable law for the purposes of carrying out these Anti-Doping Regulations (including the International Standard for the Protection of Privacy and Personal Information). ANTI-DOPING REGULATIONS

PART ONE – ANTI-DOPING RULE VIOLATIONS

General

1. These Anti-Doping Regulations are intended to implement the mandatory provisions of the World Anti-Doping Code (the “Code”) and the International Standards (each as amended from time to time), and shall be interpreted in accordance with that purpose. The comments annotating various Code provisions are incorporated by reference into these Anti-Doping Regulations as if set out in full herein, and shall be used to interpret these Anti-Doping Regulations. In addition, where these Anti-Doping Regulations conflict with the provisions of the FIFA Anti-Doping Regulations in force from time to time, the provisions of the FIFA Anti-Doping Regulations shall prevail. Participants and other Persons shall be bound by these Anti-Doping Regulations and the Results Management authority of The Association, and also the FIFA Anti-Doping Regulations and the Results Management authority of FIFA.

Anti-Doping Rule Violations

2. Doping is defined as the occurrence of one or more of the anti-doping rule violations set forth in Regulations 3-13 (each, an “Anti-Doping Rule Violation”). The purpose of Regulations 3-13 is to specify the circumstances and conduct that constitute Anti-Doping Rule Violations. Committing an Anti-Doping Rule Violation will be regarded as a breach of the Anti-Doping Regulations, and therefore as a breach of Rule E 25 of the Rules of The Association.
3. Presence of a Prohibited Substance or its Metabolites or Markers in a Player’s Sample
 - (a) The presence of any Prohibited Substance or any of its Metabolites or Markers in a Player’s Sample constitutes an Anti-Doping Rule Violation by that Player under this Regulation 3.
 - (b) It is the Player’s personal duty to ensure that no Prohibited Substance enters his body. Players are responsible for any Prohibited Substances or Markers found to be present in their Samples. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Player’s part be demonstrated in order to establish an Anti-Doping Rule Violation under Regulation 3.
 - (c) Sufficient proof of an anti-doping rule violation under Regulation 3 is established by any of the following:
 - (i) presence of a Prohibited Substance or its Metabolites or Markers in the Players “A” Sample where the Player waives analysis of the “B” Sample and the “B” Sample is not analysed; or
 - (ii) where the Player’s “B” Sample is analysed and the analysis of the Player’s “B” Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Player’s “A” Sample; or
 - (iii) where the Player’s “A” or “B” Sample is split into two parts and the analysis of the confirmation part of the split Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the first part of the split Sample or the Player waives analysis of the confirmation part of the split Sample.
 - (d) Excepting those substances for which a Decision Limit is specifically identified in the Prohibited List or a Technical Document, the presence of any reported quantity of a Prohibited Substance or its Metabolites or Markers in a Player’s Sample shall constitute an Anti-Doping Rule Violation under Regulation 3.
 - (e) As an exception to the general rule of Regulation 3, the Prohibited List, International Standards and/or Technical Documents may establish special criteria for the reporting or the evaluation of certain Prohibited Substances.
 - (f) The penalties set out in Regulation 77 apply to this violation.

13 - ANTI-DOPING REGULATIONS

4. Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method
 - (a) The Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method constitutes an Anti-Doping Rule Violation under this Regulation 4.
 - (b) It is the Player's personal duty to ensure that no Prohibited Substance enters his body and that no Prohibited Method is Used. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Player's part be demonstrated in order to establish an Anti-Doping Rule Violation for Use of a Prohibited Substance or a Prohibited Method.
 - (c) The success or failure of the Use or Attempted Use of a Prohibited Substance or Prohibited Method is not material. It is sufficient that the Prohibited Substance or Prohibited Method was Used or Attempted to be Used for an Anti-Doping Rule Violation to be committed.
 - (d) The penalties set out in Regulation 77 apply to this violation.
5. A Player evading, refusing or failing to submit to Sample collection
 - (a) A Player evading Sample collection; or refusing or failing to submit to Sample collection without compelling justification after notification by a duly authorised person constitutes an Anti-Doping Rule Violation under this Regulation 5.
 - (b) The penalties set out in Regulation 81(a) apply to this violation.
6. Whereabouts Failures by a Player in a Registered Testing Pool
 - (a) Any combination of three missed tests and/or filing failures (as those terms are defined in the International Standard for Results Management ("ISRM")) within a twelve (12) month period by a Player in a Registered Testing Pool (whether the FIFA Pool, The Association's National Registered Testing Pool, or otherwise) is an Anti-Doping Rule Violation under this Regulation 6.
 - (b) Players who are included in a FIFA Pool ("FIFA Pool Players") and/or in The Association's National Registered Testing Pool ("NRTP Players") will be notified in writing by FIFA and/or The Association of that fact. FIFA Pool Players are subject to the applicable requirements of FIFA's Anti-Doping Regulations, which can be found at www.fifa.com. NRTP Players are subject to requirements set out in the International Standard for Testing and Investigations ("ISTI"), which will be notified to them when they are notified that they have been included in the NRTP. For the avoidance of doubt, FIFA Pool Players and NRTP Players also remain subject to all of the requirements of these Anti-Doping Regulations, save for the requirements that Regulation 16 makes applicable to Players who are not in the FIFA Pools or the NRTP.
 - (c) It is the responsibility of all FIFA Pool Players and NRTP Players and their Clubs to ensure that they are aware of the applicable requirements for Players in these Registered Testing Pools, including (i) the requirements to file whereabouts information and to be available for testing at that whereabouts, and (ii) a Player's liability for an Anti-Doping Rule Violation based on three failures in any twelve (12) month period to file the required whereabouts information and/or to be available for testing at the whereabouts specified in such filing.
 - (d) FIFA Pool Players must file the whereabouts information required by FIFA with The Association, in accordance with FIFA's Anti-Doping Regulations, and The Association will submit that information to the FIFA Anti-Doping Unit.
 - (e) The penalties set out in Regulation 81(b) apply to this violation.

13 - ANTI-DOPING REGULATIONS

7. Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person
 - (a) Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person constitutes an Anti-Doping Rule Violation under this Regulation 7.
 - (b) The penalties set out in Regulation 81(a) apply to this violation.
8. Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person
 - (a) Possession by a Player In-Competition of any Prohibited Substance or any Prohibited Method, or Possession by a Player Out-of-Competition of any Prohibited Substance or any Prohibited Method which is prohibited Out-of-Competition, constitutes an Anti-Doping Rule Violation under this Regulation 8 unless the Player establishes that the Possession is consistent with a Therapeutic Use Exemption ("TUE") granted in accordance with these Regulations or other acceptable justification.
 - (b) Possession by a Player Support Person In-Competition of any Prohibited Substance or any Prohibited Method, or Possession by a Player Support Person Out-of-Competition but in connection with a Player, Match or training of any Prohibited Substance or any Prohibited Method which is prohibited Out-of-Competition, constitutes an Anti-Doping Rule Violation under this Regulation 8, unless the Player Support Person establishes that the Possession is consistent with a TUE granted to a Player in accordance with these Regulations or other acceptable justification.
 - (c) The penalties set out in Regulation 77 apply to this violation.
9. Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person
 - (a) Trafficking or Attempted Trafficking by a Participant or other Person in any Prohibited Substance or Prohibited Method constitutes an Anti-Doping Rule Violation under this Regulation 9.
 - (b) The penalties set out in Regulation 81(c) apply to this violation.
10. Administration or Attempted Administration by a Participant or other Person (a) to any Player In-Competition of any Prohibited Substance or Prohibited Method, or (b) to any Player Out-of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out-of-Competition
 - (a) Administration or Attempted Administration by a Participant or other Person (i) to any Player In-Competition of any Prohibited Substance or Prohibited Method, or (ii) to any Player Out-of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out-of-Competition, constitutes an Anti-Doping Rule Violation under this Regulation 10.
 - (b) The penalties set out in Regulation 81(c) apply to this violation.
11. Complicity or Attempted Complicity by a Participant or other Person
 - (a) Assisting, encouraging, aiding, abetting, conspiring, covering up, or any other type of intentional complicity or Attempted Complicity involving an Anti-Doping Rule Violation, Attempted Anti-Doping Rule Violation, or violation of Regulation 105 by another Person, constitutes an Anti-Doping Rule Violation under this Regulation 11.
 - (b) The penalties set out in Regulation 81(d) apply to this violation.

13 - ANTI-DOPING REGULATIONS

- 12.** Prohibited association by a Participant or other Person
- (a) Association by a Participant or other Person subject to the authority of an Anti-Doping Organisation in a professional or sport-related capacity with any Player Support Personnel constitutes an Anti-Doping Rule Violation under this Regulation 12 where that Player Support Person:
 - (i) if subject to the authority of an Anti-Doping Organisation, is serving a period of Ineligibility; or
 - (ii) if not subject to the authority of an Anti-Doping Organisation and where Ineligibility has not been addressed in a Results Management process pursuant to the Code, has been convicted of, or found in a criminal, disciplinary or professional proceeding to have engaged in, conduct which would have constituted a violation of Code-compliant anti-doping rules if they had been applicable to such Player Support Person. The disqualifying status of such Player Support Person shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or
 - (iii) is serving as a front or intermediary for an individual described in Regulation 12(a)(i) or (a)(ii).
 - (b) To establish a violation of Regulation 12, The Association must establish that the Participant or other Person knew of the Player Support Person's disqualifying status.
 - (c) The burden shall be on the Participant or other Person to establish that any association with a Player Support Person described in Regulation 12(a) is not in a professional or sport-related capacity and/or that such association could not have been reasonably avoided. If they discharge that burden (in either respect), that shall be a complete defence to the charge that the Participant or other Person has committed an Anti-Doping Rule Violation under this Regulation 12.
 - (d) The penalties set out in Regulation 81(e) apply to this violation.
- 13.** Acts by a Participant or other Person to discourage or retaliate against reporting to authorities
- (a) The following conduct by a Participant or other Person constitutes an Anti-Doping Rule Violation under this Regulation 13, where such conduct does not otherwise constitute a violation of Regulation 7:
 - (i) Any act that threatens or seeks to intimidate another Person with the intent of discouraging the Person from the good-faith reporting of information that relates to an alleged Anti-Doping Rule Violation or alleged non-compliance with these Anti-Doping Regulations and/or the Code to The Association, FIFA, WADA, UKAD or other Anti-Doping Organisation, a law enforcement, regulatory or professional disciplinary body, a hearing body or a Person conducting an investigation for The Association, FIFA, WADA, UKAD or other Anti-Doping Organisation.
 - (ii) Retaliation against a Person who, in good faith, has provided evidence or information that relates to an alleged Anti-Doping Rule Violation or alleged non-compliance with these Anti-Doping Regulations and/or the Code to The Association, FIFA, WADA, UKAD or other Anti-Doping Organisation, a law enforcement, regulatory or professional disciplinary body, a hearing body or a Person conducting an investigation for The Association, FIFA, WADA, UKAD or other Anti-Doping Organisation.
 - (b) For the purposes of this Regulation 13, retaliation, threatening, and intimidation include an act taken against such Person either because the act lacks a good faith basis or is a disproportionate response.
 - (c) The penalties set out in Regulation 81(f) apply to this violation.

13 - ANTI-DOPING REGULATIONS

PART TWO - MISCONDUCT RELATED TO THE ASSOCIATION'S ANTI-DOPING PROGRAMME

Misconduct

14. Breach of any of Regulations 15-18 (inclusive) does not constitute an Anti-Doping Rule Violation but instead shall constitute Misconduct within the meaning of Rule E.1 of the Rules of The Association, for which the Regulatory Commission shall have at its disposal all of the penalties set out in Regulation 41 of the Disciplinary Regulations, save that for a proven breach of Regulation 16 the penalty set out at Regulation 16(f) of these Anti-Doping Regulations shall apply.
15. Club filing failures (Players not in FIFA Pool or the NRTP):
- (a) A Club must provide to The Association upon request any whereabouts information that The Association specifies from time to time in respect of any of that Club's Players who are not FIFA Pool Players or NRTP Players. That information shall include as a minimum:
 - (i) training dates;
 - (ii) start and finish times of training;
 - (iii) the address at which such training will take place; and
 - (iv) the Player's home address and any other address at which the Player regularly resides overnight.
 - (b) The Association (whether through the Anti-Doping Unit or otherwise) may issue directions from time to time about:
 - (i) the type of whereabouts information to be submitted by Clubs; and/or
 - (ii) the manner and time frame in which such whereabouts information must be submitted.
 - (c) It shall be a breach of this Regulation 15 for a Club to do one or more of the following:
 - (i) to fail to provide whereabouts information in the manner directed by The Association; or
 - (ii) to provide whereabouts information that is either initially inaccurate or has not been updated by the Club as necessary to ensure it remains accurate;on three different occasions within any twelve (12) month period.
16. Missed tests (Players not in FIFA Pool or the NRTP):
- (a) A Player who is not a FIFA Pool Player or an NRTP Player shall be deemed to be aware of the whereabouts information provided by his Club to The Association further to Regulation 15, and must be present and available for drug testing in accordance with that whereabouts information. If such Player is not present and available for drug testing in accordance with that whereabouts information on any occasion, then (subject only to Regulations 16(b) and 16(c)) he shall be notified by The Association that he is deemed to have missed a test and may be targeted for testing. It is a breach of this Regulation 16 for a Player who is not a FIFA Pool Player or an NRTP Player to miss three tests within any twelve (12) month period.

13 - ANTI-DOPING REGULATIONS

- (b) Any Player who is eighteen (18) years old on or before 31 August in the relevant season who is not present and available for drug testing at the squad time and location stated in the whereabouts information provided by his Club will be deemed to have missed a test unless he satisfies the following two conditions:
 - (i) In advance of such absence, he provides The Association with details of an alternative venue at which he will be present and available for drug testing, which must include a stipulated sixty (60) minute time slot during which such testing may take place. This time slot must be on the same day as the Player's absence, must be between 6am and 11pm, and must not commence for at least two (2) hours from the time that the Player notifies The Association of his absence.
 - (ii) He is present and available for drug testing at that alternative venue for the whole of the sixty (60) minute time slot stipulated by him.
- (c) Any Player who is not eighteen (18) years old on or before 31 August in the relevant season at a Club with an Under 18 squad in Professional Development League 1 (this excludes Professional Development Leagues 2 and 3) who is not present and available for drug testing at the squad time and location provided in the whereabouts information submitted by his Club will be deemed to have missed a test unless he satisfies one of the following two conditions:
 - (i) he notifies The Association of his absence in advance of that absence; or
 - (ii) following that absence, he provides The Association with satisfactory independent corroborative evidence of the reason for that absence.
- (d) It is the responsibility of each Player to make himself familiar with and to comply with any and all requirements of this Regulation that apply to him.
- (e) This Regulation does not apply to Players who are included in any FIFA Pool or the NRTP for the period that they are so included.
- (f) For a violation of this Regulation, a suspension of at least one year but of no more than two years must be imposed, with the precise length of the suspension to be fixed based on the Player's degree of Fault.

17. Interference:

- (a) Interference with the conduct of a drug test or any other aspect of the Anti-Doping Programme by a Participant that does not amount to an Anti-Doping Rule Violation under Regulation 5 and/or 7 will be a breach of this Regulation 17. In addition, a Participant is liable for any such interference by a third party of which that Participant has knowledge. The actions set out in Regulations 17(b) - (e) (inclusive) are a non-exhaustive list of examples of conduct that shall be regarded as a breach of this Regulation 17.
- (b) The independent private testing/screening of a Player for a Prohibited Substance for any reason whatsoever.
- (c) Interference in the drug testing process that falls short of the Tampering/ Attempted Tampering violation set out in Regulation 7, including (for example but without limitation) handling Samples when not permitted or authorised to do so by a Competent Official.
- (d) A Club failing to comply with the reasonable instructions of The Association or a Competent Official with regard to the adequacy of the Doping Control Station (which must contain the minimum facilities set out in the Procedural Guidelines).
- (e) Conduct intended to procure that a Player is not presented for drug testing or is delayed from being presented for drug testing. This may include (by way of example and without limitation):
 - (i) a Club either failing to allow a Competent Official access to a Player to notify him of a test, or delaying such access;
 - (ii) a Club intentionally or negligently causing a failure to notify a Player or a delay in notifying a Player that he is required to submit to testing;

13 - ANTI-DOPING REGULATIONS

- (iii) a delay in the Player submitting himself for testing following such notification; and
 - (iv) a Club failing to present a selected Player for testing due to the Player sustaining a serious injury, where the Club fails to provide satisfactory evidence of the Player's admission to hospital and/or attendance at a medical consultation in relation to that injury to The Association within fourteen (14) days of the intended drug test. A serious injury is one which renders a Player incapable of taking a test and/or requires immediate attendance at hospital for medical treatment.
- (f) For the avoidance of doubt, nothing in this Regulation 17 shall prevent any of the conduct mentioned being pursued as an Anti-Doping Rule Violation under Regulation 5 (Evading, refusing or failing to submit to Sample Collection), Regulation 7 (Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person), and/or Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), where appropriate.
- 18. Possession or Use of a Prohibited Substance by a Player Support Person:**
- (a) It is a breach of this Regulation 18 for a Player Support Person to Use any Prohibited Substance or to Possess any Prohibited Substance without valid justification.
 - (b) Possession of a Prohibited Substance that constitutes an Anti-Doping Rule Violation under Regulation 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person) shall be dealt with as an Anti-Doping Rule Violation pursuant to that Regulation.
 - (c) Possession of a Prohibited Substance by a Player Support Person that does not constitute an Anti-Doping Rule Violation under Regulation 8 shall be dealt with as Misconduct pursuant to this Regulation 18 (or, where appropriate, under The Association's Social Drugs Regulations).
- 19.** For the avoidance of doubt, Regulations 15-18 do not restrict The Association's general power to bring proceedings for Misconduct pursuant to Rule E.1 of the Rules of The Association in any circumstances that it deems appropriate, whether related to The Association's Anti-Doping Programme or otherwise. Instead, Regulations 15-18 simply identify specific examples of conduct related to The Association's Anti-Doping Programme that may be treated as Misconduct pursuant to that Rule E.1.

PART THREE – PROHIBITED SUBSTANCES AND PROHIBITED METHODS IDENTIFIED ON THE PROHIBITED LIST

- 20.** The Prohibited List shall identify (a) those substances and methods that are prohibited as doping at all times (both In-Competition and Out-of-Competition) because of their potential to enhance performance in future or their masking potential, and (b) those substances and methods which are prohibited In-Competition only. The version of the Prohibited List current as at the Effective Date appears at Schedule Three.
- 21.** The Prohibited List and its revisions shall come into effect under these Anti-Doping Regulations three (3) months after publication of the Prohibited List by WADA without requiring any further action by The Association. All Participants and other Persons shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Participants and other Persons to familiarise themselves with the most up-to-date version of the Prohibited List and revisions thereto.
- 22.** For the purpose of the application of Part Seven (Consequences and other measures in respect of individuals), all Prohibited Substances shall be Specified Substances except as identified in the Prohibited List. No Prohibited Method shall be a Specified Method unless it is specifically identified as a Specified Method in the Prohibited List.

13 - ANTI-DOPING REGULATIONS

23. For the purpose of the application of Part Seven (Consequences and other measures in respect of individuals), Substances of Abuse shall include those Prohibited Substances which are specifically identified as Substances of Abuse on the Prohibited List because they are frequently abused in society outside of the context of sport.
24. WADA's determination of the Prohibited Substances and Prohibited Methods that will be included on the Prohibited List, the classification of substances into categories on the Prohibited List, the classification of a substance as prohibited at all times or In-Competition only, and the classification of a substance or method as a Specified Substance, Specified Method or Substance of Abuse, is final and may not be challenged by a Participant or other Person, including, but not limited to, based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk, or violate the spirit of sport.
25. Changes to the Prohibited List and Technical Documents relating to substances or methods on the Prohibited List shall not, unless they specifically provide otherwise, be applied retroactively. As an exception, however, when a Prohibited Substance or Prohibited Method has been removed from the Prohibited List, a Participant or other Person currently serving a period of Ineligibility on account of the formerly Prohibited Substance or Prohibited Method may apply to The Association to consider a reduction in the period of Ineligibility in light of the removal of the substance or method from the Prohibited List.

PART FOUR – DRUG TESTING AND INVESTIGATIONS PROCEDURES

26. A Player may be subject to In-Competition and Out-of-Competition Testing at any time and place by FIFA, The Association, WADA, and/or UKAD. Testing shall include, but shall not be limited to, urine tests and blood tests. Save in exceptional and justifiable circumstances, all Testing shall take place without advance notice to the Player in question.
27. Where more than one member of a team has been notified of an Anti-Doping Rule Violation, The Association shall conduct appropriate Target Testing of the team in the same playing season.
28. Administrative and procedural guidelines for the conduct of drug testing are set out in the Procedural Guidelines (see Schedule One). Procedural guidelines for Sample collection are also set out in the ISTI, a copy of which is available on WADA's website (www.wada-ama.org). In the event of inconsistency between the Procedural Guidelines and the ISTI, the ISTI shall prevail. For the avoidance of doubt, The Association may also exercise its powers of inquiry under the Rules of The Association to investigate possible instances of breach of these Anti-Doping Regulations.

PART FIVE – THERAPEUTIC USE EXEMPTIONS (“TUES”)

29. The presence of a Prohibited Substance or its Metabolites or Markers, and/or the Use or Attempted Use, Possession, or Administration or Attempted Administration of a Prohibited Substance or Prohibited Method, shall not be considered an Anti-Doping Rule Violation if it is consistent with the provisions of a TUE.
30. A Player may request permission to Use, for therapeutic purposes, substances or methods on the Prohibited List where such Use would otherwise be prohibited. The question of whether or not a TUE should be granted shall be determined by UKAD in accordance with the procedure and criteria for the grant of a TUE attached as Schedule Four to these Anti-Doping Regulations.

13 - ANTI-DOPING REGULATIONS

PART SIX – RESULTS MANAGEMENT

31. The Association's Results Management process is set out in this Part Six and in the ISRM. In the event of inconsistency between this Part Six and the ISRM, the ISRM shall prevail.
32. Results Management arising under these Anti-Doping Regulations shall be conducted by The Association and/or UKAD as agreed between them. References to The Association in this Part Six shall accordingly be deemed to encompass reference to UKAD as necessary, and references in the ISRM to the Results Management Authority shall be deemed to be references to either The Association or UKAD as necessary.

Review of Adverse Analytical Findings

33. Upon receipt of an Adverse Analytical Finding in relation to an "A" Sample, The Association (involving Independent Reviewers as it deems appropriate) shall conduct a review of any TUE granted to the Player as well as of the documentation relating to the Sample collection and the "A" Sample analysis, and any other relevant information, to determine:
 - (a) whether the presence of the Prohibited Substance or its Metabolites or Markers in the Player's Sample is consistent with a valid and applicable TUE held by the Player (or alternatively whether the Player should be invited to apply for a retroactive TUE); or
 - (b) whether there has been any apparent departure from the ISTI or the International Standard for Laboratories ("ISL") that caused the Adverse Analytical Finding; or
 - (c) whether it is apparent that the Adverse Analytical Finding was caused by an ingestion of the Prohibited Substance by a permitted route.
34. If pursuant to Regulation 33 The Association determines either that the Adverse Analytical Finding is consistent with a valid and applicable TUE held by the Player (including any retroactive TUE), or that there has been an apparent departure from either the ISTI or the ISL that caused the Adverse Analytical Finding, or that it is apparent that the Prohibited Substance was ingested by a permitted route, The Association shall advise the Player, FIFA, WADA, UKAD, and any other relevant NADO of that fact, and no further action shall be taken in relation to such Adverse Analytical Finding.
35. If pursuant to Regulation 33 The Association determines that there is neither a valid and applicable TUE with which the Adverse Analytical Finding is consistent, nor a departure from either the ISTI or the ISL that caused the Adverse Analytical Finding, and nor is it apparent that the Prohibited Substance was ingested by a permitted route, it shall send the Player a Notice in accordance with Regulation 46.

Review of Atypical Findings

36. Where a laboratory reports the presence in a Sample of a Prohibited Substance or its Markers or Metabolites as an Atypical Finding, The Association (using Independent Reviewers as it deems appropriate) will conduct a review to determine:
 - (a) whether the presence of the Prohibited Substance or its Marker or Metabolite in the Player's Sample is consistent with a valid and applicable TUE held by the Player (or alternatively whether the Player should be invited to apply for a retroactive TUE, if they have not applied already); or
 - (b) whether there has been any apparent departure from the ISTI or the ISL that caused the Atypical Finding; or
 - (c) whether it is apparent that the Atypical Finding was caused by an ingestion of the Prohibited Substance by a permitted route.

13 - ANTI-DOPING REGULATIONS

37. If it is determined pursuant to Regulation 36 either that the Atypical Finding is consistent with a valid and applicable TUE held by the Player (including any retroactive TUE), or that there has been an apparent departure from either the ISTI or the ISL that caused the Atypical Finding, or that it is apparent that the Prohibited Substance was ingested by a permitted route, The Association shall advise the Player, FIFA, WADA, UKAD, and any other relevant NADO of that fact, and no further action shall be taken in relation to such Atypical Finding.
38. If it is determined pursuant to Regulation 36 that there is neither a valid and applicable TUE with which the Atypical Finding is consistent, nor a departure from either the ISTI or the ISL that caused the Atypical Finding, and it is not apparent that the Prohibited Substance was ingested by a permitted route, The Association will conduct any necessary follow-up investigation, including any further Testing that may be required.
39. Pending the outcome of the investigation, the Atypical Finding will be kept confidential, save that:
 - (a) if The Association determines that the “B” Sample should be analysed as part of the investigation, The Association shall notify the Player in accordance with Regulation 46(e), and such notice shall additionally include a description of the Atypical Finding and specify the Player’s right to request copies of the “A” and “B” Sample laboratory documentation packages;
 - (b) if requested by The Association, FIFA, a FIFA Confederation, another member Association of FIFA, or a National Olympic Committee that is about to select Players to participate in an international competition recognised by FIFA, The Association may confirm that the Player has a pending Atypical Finding, after informing the Player; and
 - (c) if the Atypical Finding is, in the opinion of qualified medical or expert personnel, likely to be connected to a serious pathology that requires urgent medical attention, The Association will inform the Player of the Atypical Finding.
40. If The Association decides that the Atypical Finding should not be pursued as a potential Anti-Doping Rule Violation, it shall notify the Player, FIFA, WADA, UKAD, and any other relevant NADO. FIFA and/or WADA and/or UKAD and/or any other relevant NADO may either appeal that decision in accordance with Part Nine (Appeals) or may elect to pursue the Atypical Finding as an Anti-Doping Rule Violation under its own rules.
41. If The Association decides that the Atypical Finding should be pursued as one or more potential Anti-Doping Rule Violations, it shall send the Player a Notice in accordance with Regulation 46.

Review of Atypical Passport Findings and Adverse Passport Findings

42. The Association will review Atypical Passport Findings and Adverse Passport Findings in accordance with Annex C to the ISRM. At such time as The Association is satisfied that an Anti-Doping Rule Violation has occurred, it shall send the Player a Notice in accordance with Regulation 46.

Review of Whereabouts Failures

43. The Association will conduct Results Management in relation to potential Whereabouts Failures by Players in a Registered Testing Pool in accordance with ISRM Annex B.3. At such time as The Association is satisfied that an Anti-Doping Rule Violation has occurred, it shall send the Player a Notice in accordance with Regulation 46.

Review of other evidence of a potential Anti-Doping Rule Violation

44. Where there is evidence of a potential Anti-Doping Rule Violation other than an Adverse Analytical Finding, an Atypical Finding, an Adverse Passport Finding, or Whereabouts Failures, The Association will review the file in accordance with ISRM Annex A (where applicable).
45. Where The Association concludes that the Participant or other Person may have committed one or more Anti-Doping Rule Violations, The Association shall send the Participant or other Person a Notice in accordance with Regulation 46.

13 - ANTI-DOPING REGULATIONS

Notice

46. Where it is determined, pursuant to Regulations 33-45, that a Participant or other Person may have committed one or more Anti-Doping Rule Violations, The Association shall promptly notify the Participant or other Person, his Club (where relevant), UKAD, FIFA, WADA, any other relevant NADO, and (with the consent of a Player) the Professional Football Association ("PFA"), in writing (the "Notice") of:
- (a) the Anti-Doping Rule Violation(s) that The Association says the Participant or other Person may have committed;
 - (b) a summary of the facts and evidence relied upon by The Association in this regard;
 - (c) any Provisional Suspension to be imposed on the Participant or other Person pursuant to Regulation 54, along with an explanation of the Participant's or other Person's Regulation 54(d) rights in relation to such Provisional Suspension;
 - (d) the Consequences applicable under these Anti-Doping Regulations if it is established that the Participant or other Person has committed the specified Anti-Doping Rule Violation(s) (including identifying any discretion that may exist in relation to such Consequences under these Rules);
 - (e) where the specified Anti-Doping Rule Violations are Regulations 3 or 4 Anti-Doping Rule Violations based on an Adverse Analytical Finding:
 - (i) the details of the Adverse Analytical Finding;
 - (ii) the Player's right to a copy of the laboratory documentation package for the Adverse Analytical Finding;
 - (iii) the right of the Player to request the analysis of the "B" Sample, explaining that any request for such analysis must be sent in writing so that it is received by The Association within ten (10) days of the Player's receipt of the Notice, failing which the right to the "B" Sample analysis shall be deemed to be waived; and
 - (iv) if such right is exercised, the right of the Player and/or the Player's representative to attend the opening and analysis of the "B" Sample by the laboratory that analysed the "A" Sample at a date and time to be specified by The Association in accordance with Regulation 48.
 - (f) where the specified Anti-Doping Rule Violation is based on an Adverse Passport Finding, that copies of the Athlete Biological Passport documentation package and the joint expert report are enclosed with the Notice;
 - (g) the right of the Participant or other Person to provide an alternative explanation (by a specified deadline) for the facts based on which The Association says the Participant or other Person may have committed an Anti-Doping Rule Violation (for example, in a case based on an Adverse Passport Finding, an alternative explanation for the data on which the Adverse Passport Finding is based);
 - (h) the right of the Participant or other Person to respond to the Notice (by a specified deadline) in one of the following ways, depending on the explanation (if any) provided:
 - (i) to admit the Anti-Doping Rule Violation(s) asserted, and accede to the Consequences specified in the Notice;
 - (ii) to admit the Anti-Doping Rule Violation(s) asserted, but to dispute and/or seek to mitigate the Consequences specified in the Notice, and to have the Consequences determined at a hearing; or
 - (iii) to deny the Anti-Doping Rule Violation(s) asserted, and (if The Association proceeds to charge in accordance with Regulation 57) to have the assertion and (if necessary) any Consequences determined at a hearing; and

13 - ANTI-DOPING REGULATIONS

- (i) the opportunity for the Participant or other Person:
 - (i) to provide Substantial Assistance as set out in Regulation 86;
 - (ii) to benefit (if they admit the Anti-Doping Rule Violation(s)) from the one (1) year reduction of the otherwise applicable period of Ineligibility pursuant to Regulation 89 (if applicable); and
 - (iii) to seek to agree a case resolution agreement as per Regulation 90.
- 47. Before sending the Notice to the Participant or other Person, The Association will organise a check of ADAMS and check with WADA and other relevant Anti-Doping Organisations as necessary to determine whether the Participant or other Person has committed any prior doping offence(s), and will identify the relevant Consequences for the Anti-Doping Rule Violation asserted in the Notice accordingly.

“B” Sample analysis

- 48. In a case involving an Adverse Analytical Finding, if the Player exercises the right to have his “B” Sample analysed, such analysis shall be conducted by the laboratory that analysed the “A” Sample (unless the ISL provides otherwise) on the date and at the time specified by The Association, and the Player and/or their representative may attend at the laboratory on that date and at that time, at the Player’s cost, to witness the opening and analysis of the “B” Sample, as may representatives of The Association, FIFA, and UKAD (each at their own cost).
- 49. If the Player and/or his representative is unable to attend at the date and time specified by The Association for analysis of the “B” Sample, alternative dates and times will be offered in accordance with ISRM Article 5.1.2.4. If the Player and/or his representative are unable to attend on those alternative dates, the laboratory will arrange for an independent witness to attend the “B” Sample analysis on the specified date and time to verify, in accordance with the ISL, that the “B” Sample container shows no signs of Tampering and that the identifying numbers correspond to those on the Sample collection documentation.
- 50. If the Player admits the Anti-Doping Rule Violation(s) asserted in the Notice, and/or does not request analysis of his “B” Sample by the deadline referenced in Regulation 6(e)(iii), he will be deemed to have accepted the accuracy and reliability of the Adverse Analytical Finding based on the “A” Sample analysis alone, and analysis of the “B” Sample shall not be required. The Association may however proceed with such analysis at any time if it sees fit, in which case an independent witness shall attend the analysis for the purpose set out in Regulation 49.
- 51. Where a Player who has requested analysis of his “B” Sample has been Provisionally Suspended in accordance with Regulation 54, he shall remain Provisionally Suspended pending analysis of his “B” Sample. If the analysis of the “B” Sample does not confirm the Adverse Analytical Finding reported in respect of the “A” Sample, then (unless The Association asserts a Regulation 4 Anti-Doping Rule Violation against the Player) the entire test shall be considered negative and the Player, FIFA, UKAD, WADA, and any other relevant NADO will be so informed. In such circumstances, the Notice will be withdrawn, any Provisional Suspension imposed on the Player pursuant to Regulation 54 will be deemed automatically vacated with immediate effect (without the need for any further formality), and no further disciplinary action will be taken against the Player by The Association in relation to the original Adverse Analytical Finding (provided, however, that The Association may investigate why the “B” Sample did not match the “A” Sample). In addition, where the Player or the Player’s team has been removed from a Competition as a result of the Adverse Analytical Finding, if it is still possible (without otherwise affecting the Competition) for the Player or team to be reinstated, the Player or team may be reinstated and continue to take part in the Competition.
- 52. If the “B” Sample analysis confirms the Adverse Analytical Finding reported in respect of the “A” Sample, The Association will provide the “B” Sample laboratory documentation package to the Player, and give the Player a short deadline to provide or supplement his explanation for the Adverse Analytical Finding, and/or to admit the Anti-Doping Rule Violation(s) specified in the Notice based on the Adverse Analytical Finding to potentially benefit from a one (1) year reduction in the otherwise applicable period of Ineligibility under Regulation 89 (if applicable) and/or to accept a voluntary Provisional Suspension under Regulation 55 (if applicable). In case of doubt as to whether the “B” Sample analysis confirms the Adverse Analytical Finding in respect of the “A” Sample, The Association may refer the matter for further review by one or more Independent Reviewer(s), as The Association deems appropriate.

13 - ANTI-DOPING REGULATIONS

53. Where Regulation 50 or 51 applies, the Player shall not be responsible for the costs of the “B” Sample analysis. Where Regulation 52 applies, The Association may require the Player to pay the costs of the “B” Sample analysis.

Provisional Suspension

54. The ability of The Association to impose a Provisional Suspension under this Regulation 54 is separate from, and operates independently of, Rule E.16.
- (a) When, in respect of a Player, an Adverse Analytical Finding or Adverse Passport Finding is received for a Prohibited Substance or a Prohibited Method that is not a Specified Substance or Specified Method, The Association shall impose a Provisional Suspension on the Player (“Mandatory Provisional Suspension”). A Mandatory Provisional Suspension will come into effect on the date specified by The Association in the Notice issued to the Player.
 - (b) The Association may provisionally suspend a Participant or other Person in all other Anti-Doping Rule Violation cases (an “Optional Provisional Suspension”). An Optional Provisional Suspension will come into effect on the date specified by The Association in the Notice issued to the Participant or other Person.
 - (c) If a Provisional Suspension is based on an “A” Sample Adverse Analytical Finding, and subsequently analysis of the “B” Sample does not confirm that Adverse Analytical Finding, any Provisional Suspension that was imposed on a Player based on that Adverse Analytical Finding shall be lifted without delay.
 - (d) Where a Provisional Suspension is imposed, the Participant or other Person shall be entitled to either (i) a Provisional Hearing on a timely basis after its imposition; or (ii) an expedited hearing and determination of the charge against him.
 - (e) At a Provisional Hearing, a Provisional Suspension may only be lifted where –
 - (i) in respect of a Mandatory Provisional Suspension only, the Player establishes that (A) the violation is likely to have involved a Contaminated Product, or (B) the violation involves a Substance of Abuse and the Player establishes an entitlement to a reduced period of Ineligibility under Regulation 80(a);
 - (ii) in respect of either a Mandatory Provisional Suspension or Optional Provisional Suspension, (A) the Anti-Doping Rule Violation charged has no realistic prospect of being upheld due to a fundamental flaw in the case; or (B) there is a strong arguable case that in the circumstances of the particular case that no period of Ineligibility is likely to be imposed; or (C) other facts exist that make it clearly unfair, in all the circumstances, for the Participant or other Person to be subject to a Provisional Suspension prior to the final first instance decision on the merits. (Ground (C) is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the Provisional Suspension would prevent the Participant or other Person Participating in a particular Competition or Match shall not qualify as exceptional circumstances for these purposes).
 - (f) A Regulatory Commission’s decision not to lift a Mandatory Provisional Suspension due to a Player’s assertion regarding a Contaminated Product shall not be appealable. Other decisions relating to Provisional Suspensions may be appealed in accordance with Regulation 119.
55. Voluntary acceptance of Provisional Suspension:
- (a) Players may, on their own initiative, voluntarily accept a Provisional Suspension prior to the later of: (i) the expiration of ten (10) days from the report of the “B” Sample (or waiver of the “B” Sample) or ten (10) days from the Notice of any other Anti-Doping Rule Violation, or (ii) the date on which the Player first competes after such report or Notice.
 - (b) Other Participants and Persons on their own initiative may voluntarily accept a Provisional Suspension if done so within ten days from the notice of the Anti-Doping Rule Violation.

13 - ANTI-DOPING REGULATIONS

Charge Letter

56. Upon receipt of a response by a Participant or other Person to a Notice, The Association will assess any explanation provided, and may conduct such further investigation as it sees fit. As part of such investigation, The Association may require that the Participant or other Person attends a personal interview. At any such interview, the Participant or other Person is entitled to be accompanied by a legal adviser, one representative from his Club (where applicable) a representative of the PFA (where applicable). Such interview may be recorded and may be used by The Association in any disciplinary proceedings brought against such Participant or other Person, or in any related investigation and/or disciplinary proceedings (whether conducted by The Association or any other party).
57. Where, after receipt of the response of the Participant or other Person to the Notice, or expiry of the deadline to receive such response, and after conducting such further investigation as it sees fit (if any), The Association considers that the Participant or other Person has committed one or more Anti- Doping Rule Violations, The Association will promptly charge the Participant or other Person with the relevant Anti-Doping Rule Violation(s).
58. The charge letter sent by The Association to the Participant or other Person (the “Charge Letter”) will set out the following:
- (a) the Anti-Doping Rule Violation(s) that The Association asserts the Participant or other Person has committed;
 - (b) a summary of the facts and evidence relied upon by The Association in support of that assertion;
 - (c) the Consequences that The Association will seek under these Anti-Doping Regulations if it is established that the Participant or other Person has committed the Anti-Doping Rule Violation(s) asserted;
 - (d) the right of the Participant or other Person to respond to the Charge Letter (by a specified deadline of not more than twenty (20) days, which may be extended only in exceptional cases) in one of the following ways:
 - (i) to admit the Anti-Doping Rule Violation(s) asserted, and accede to the Consequences specified in the Charge Letter, including (where applicable) the one (1) year reduction pursuant to Regulation 89 of the otherwise applicable period of Ineligibility;
 - (ii) to admit the Anti-Doping Rule Violation(s) asserted, but to dispute and/or seek mitigation of the Consequences specified in the Charge Letter, and to have those Consequences determined at a hearing; or
 - (iii) to deny the Anti-Doping Rule Violation(s) asserted, and to have the assertion and (if necessary) any Consequences determined at a hearing;
 - (e) a warning that if the Participant or other Person does not deny the Anti-Doping Rule Violation(s) asserted or dispute the proposed Consequences or request a hearing by the prescribed deadline, the Participant or other Person will be deemed to have waived his right to a hearing and to have admitted the Anti-Doping Rule Violation(s) asserted and accepted the Consequences proposed in the Charge Letter (although, for the avoidance of doubt, this will not trigger any entitlement to the one (1) year reduction pursuant to Regulation 89);
 - (f) noting the position in relation to any Provisional Suspension in accordance with Regulation 54; and
 - (g) noting the opportunity for the Participant or other Person to provide Substantial Assistance as set out in Regulation 86, and/or to seek to enter into a case resolution agreement as per Regulation 90.
59. The Participant or other Person has the right to respond to the Charge Letter in any one of the following ways:
- (a) admit the Anti-Doping Rule Violation(s) charged, and accede to the Consequences specified in the Charge Letter;
 - (b) admit the Anti-Doping Rule Violation(s) charged, but dispute and/or seek to mitigate the Consequences specified in the Charge Letter, and have the Consequences determined at a hearing; or

13 - ANTI-DOPING REGULATIONS

- (c) deny the Anti-Doping Rule Violation(s) charged, and have the charge and (if necessary) any Consequences determined at a hearing; provided that if no response is received by the deadline specified in the Charge Letter, the Participant or other Person will be deemed to have admitted the Anti-Doping Rule Violation(s) charged, and, unless The Association (at its sole discretion) refers the determination of the applicable Consequences to a hearing, the Participant or other Person will also be deemed to have acceded to the Consequences specified in the Charge Letter.
- 60. The Charge Letter will be sent at the same time to the Participant or other Person charged, UKAD, FIFA, WADA, and any other relevant NADO, and The Association will cause it to be promptly reported into ADAMS. Thereafter, The Association may Publicly Disclose the charge in accordance with Code Article 14.3.1.
- 61. If by the deadline specified in Regulation 58(d) the Participant or other Person disputes the charge(s) and/or the Consequences specified by The Association in the Charge Letter and requests a hearing, the matter shall be referred to a Regulatory Commission.
- 62. For the avoidance of doubt, The Association may decide to withdraw a Charge Letter for good cause. In that event, The Association will promptly issue a reasoned decision confirming the withdrawal of the Charge and will send notice of the decision to the Participant or other Person who was the subject of the Charge Letter, and to each of UKAD, FIFA, WADA, and any other relevant NADO.

Statute of Limitations

- 63. The Association may not charge a Participant or other Person with an alleged Anti-Doping Rule Violation unless the Participant or other Person has been notified of the alleged Anti-Doping Rule Violation, or notification has been reasonably attempted, within ten years of the date on which the Anti-Doping Rule Violation is alleged to have occurred.

Retirement from sport

- 64. If a Participant or other Person retires while a Results Management process is underway, The Association retains jurisdiction to complete its Results Management process.
- 65. If a Participant or other Person retires before any Results Management process has begun, and The Association would have had Results Management authority over the Participant or other Person at the time the Participant or other Person committed an Anti-Doping Rule Violation, The Association has the authority to conduct Results Management in respect of that Anti-Doping Rule Violation.

Disciplinary Proceedings

- 66. Any disciplinary proceedings brought against a Participant or other Person will be conducted in accordance with The Association's Disciplinary Regulations and any other applicable regulations, save to the extent contrary provisions are included in these Anti-Doping Regulations or the ISRM. By way of such contrary provisions, in respect of appeals, (1) an Appeal Board shall be independently administered and members of an Appeal Board may be appointed by an independent party from outside of The Association's Judicial Panel, and (2) in any case where each of The Association, Participant or other Person, WADA, and UKAD consents, proceedings alleging an Anti-Doping Rule Violation may be heard directly at CAS without any other prior hearing.
- 67. In determining whether or not a Participant or other Person has committed an Anti-Doping Rule Violation and any relevant Consequences, Regulatory Commissions and Appeal Boards shall interpret these Anti-Doping Regulations as an independent and autonomous text and not by reference to any existing national laws. These Anti-Doping Regulations are intended to implement the Code in a harmonised manner, and are distinct in nature from criminal and civil laws. They are not intended to be subject to or limited by any national requirements and legal standards applicable to criminal or civil proceedings, although they do respect and reflect, and are intended to be applied in a manner that respects and reflects, human rights and the principle of proportionality.

13 - ANTI-DOPING REGULATIONS

68. When reviewing the facts and the law of a given case, all courts, arbitral tribunals and other adjudicating bodies should be aware of and respect the distinct nature of these Anti-Doping Regulations, and of the fact that the Code that these Anti-Doping Regulations implement represents the views of the global consensus of WADA's stakeholders as to what is necessary to protect and ensure fair sport.

Proof of Doping

69. Notwithstanding that a different burden and/or standard of proof may apply in other disciplinary proceedings brought pursuant to the Rules and Regulations of The Association, in proceedings alleging an Anti-Doping Rule Violation The Association shall bear the burden of proving, to the comfortable satisfaction of any Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable), bearing in mind the seriousness of the allegations that are made, that an Anti-Doping Rule Violation has taken place. This standard of proof is greater than a mere balance of probability but less than proof beyond a reasonable doubt. For the avoidance of doubt, this Regulation 69 does not apply to a charge for Misconduct for a breach of any of Regulations 15-18.
70. Where these Anti-Doping Regulations place the burden of proof on a Participant or other Person to rebut a presumption or establish specific facts or circumstances, the standard of proof shall be on the balance of probabilities, except as provided in Regulations 72 and 73.
71. Facts relating to Anti-Doping Rule Violations may be established by any reliable means, including but not limited to admissions and data collected as part of the Athlete Biological Passport or other profiling data.
72. Analytical methods or Decision Limits approved by WADA after consultation within the relevant scientific community or which have been the subject of peer review shall be presumed to be scientifically valid. Any Participant or other Person seeking to challenge whether the conditions for such presumption have been met or seeking to rebut the presumption shall, as a condition precedent, first notify WADA and explain the basis for his position. A Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable), on its own initiative, may also inform WADA of any such challenge/attempt to rebut the presumption. Within ten (10) days of WADA's receipt of such notice, and the case file related to such challenge, WADA shall also have the right to intervene as a party, appear as an amicus curiae, or otherwise provide evidence in such proceedings. In cases before CAS, at WADA's request, the CAS Panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge/attempt to rebut the presumption.
- (a) Compliance with an International Standard (as opposed to another alternative standard, practice or procedure) shall be sufficient to conclude that the procedures addressed by the International Standard were performed properly.
 - (b) WADA-accredited laboratories and other laboratories approved by WADA are presumed to have conducted Sample analysis and custodial procedures in accordance with the ISL. The Participant or other Person asserted to have committed an Anti-Doping Rule Violation may rebut this presumption by establishing that a departure from the ISL occurred that could reasonably have caused the Adverse Analytical Finding (or other factual basis for any other Anti-Doping Rule Violation asserted). If the Participant or other Person rebuts the preceding presumption by showing that a departure from the ISL occurred which could reasonably have caused the Adverse Analytical Finding, then The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding.
73. Departures from any other International Standard or other anti-doping rule or policy set forth in the Code or in these Anti-Doping Regulations shall not invalidate analytical results or other evidence of an Anti-Doping Rule Violation; provided, however, that if the Participant or other Person establishes that a departure from one of the specific International Standard provisions listed below could reasonably have caused an anti-doping rule violation based on an Adverse Analytical Finding or whereabouts failure:
- (a) a departure from the ISTI related to Sample collection or Sample handling which could reasonably have caused an Anti-Doping Rule Violation based on an Adverse Analytical Finding, in which case The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding;

13 - ANTI-DOPING REGULATIONS

- (b) a departure from the ISRM or ISTI provisions relating to an Adverse Passport Finding which could reasonably have caused the Anti-Doping Rule Violation asserted, in which case The Association shall have the burden to establish that such departure did not cause the Anti-Doping Rule Violation;
 - (c) a departure from the ISRM relating to the requirement to provide notice to the Player of the “B” Sample opening which could reasonably have caused the Adverse Analytical Finding based on which the Anti-Doping Rule Violation is asserted, in which case The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding; or
 - (d) a departure from the ISRM provisions relating to Player notification which could reasonably have caused a whereabouts failure based on which the Anti-Doping Rule Violation is asserted in which case The Association shall have the burden to establish that such departure did not cause the whereabouts failure.
74. Facts established by a decision of a court or professional disciplinary tribunal that is not the subject of a pending appeal shall be irrebuttable evidence of those facts against the Participant or other Person to whom the decision pertained, unless that Participant or other Person establishes that the decision contravened principles of natural justice. To the extent that this Regulation differs from Regulation 30.5 of the Disciplinary Regulations, this Regulation shall prevail. This Regulation applies only to Anti-Doping Rule Violation cases.
75. A Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable) hearing an Anti-Doping Rule Violation charge may draw any such adverse inference as it sees fit against a Participant or other Person based on the Participant’s or other Person’s refusal to appear at the hearing or answer questions relating to the charge, after any request that he does so that is made in reasonable time.

PART SEVEN – CONSEQUENCES AND OTHER MEASURES IN RESPECT OF INDIVIDUALS

Ineligibility for Presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method

76. The period of Ineligibility for a violation of Regulation 3 (Presence of a Prohibited Substance or its Metabolites or Markers in a Player’s Sample), 4 (Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method) or 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person) shall be as follows, subject to potential elimination, reduction, or suspension pursuant to Regulations 83 (Elimination of the period of Ineligibility where there is No Fault or Negligence), 84-85 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or 86-88 (Elimination, reduction, or suspension of period of ineligibility or other consequences for reasons other than Fault).
77. Subject to Regulation 80(a), the period of Ineligibility shall be four (4) years where:
- (a) The Anti-Doping Rule Violation does not involve a Specified Substance, unless the Participant or other Person can establish that the Anti-Doping Rule Violation was not intentional.
 - (b) The Anti-Doping Rule Violation involves a Specified Substance and The Association can establish that the Anti-Doping Rule Violation was intentional.
78. If Regulation 77 does not apply, the period of Ineligibility shall be two (2) years, subject to Regulation 80(a).
79. As used in Regulation 77, the term “intentional” is meant to identify those Participants or other Persons who engage in conduct which they knew constituted an Anti-Doping Rule Violation or knew that there was a significant risk that the conduct might constitute or result in an Anti-Doping Rule Violation and manifestly disregarded that risk. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall be rebuttably presumed to be not intentional if the substance is a Specified Substance and the Player can establish that the Prohibited Substance was Used Out-of-Competition. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall not be considered “intentional” if the substance is not a Specified Substance and the Player can establish that the Prohibited Substance was Used Out-of-Competition in a context unrelated to sport performance.

13 - ANTI-DOPING REGULATIONS

80. Notwithstanding any other provision in Regulations 76 - 80, where the Anti-Doping Rule Violation involves a Substance of Abuse:

- (a) If the Player can establish that any ingestion or Use occurred Out-of-Competition and was unrelated to sport performance, then the period of Ineligibility shall be three (3) months, which may be reduced to one month if the Participant satisfactorily completes a Substance of Abuse treatment programme approved by The Association. The period of Ineligibility established in this Regulation 80(a) is not subject to any reduction based on any provision in Regulations 84 - 85.
- (b) If the ingestion, Use, or Possession occurred In-Competition, and the Player can establish that the context of the ingestion, Use or Possession was unrelated to sport performance, the ingestion, Use, or Possession shall not be considered intentional for the purposes of Regulation 77 and shall not provide a basis for a finding of Aggravating Circumstances under Regulation 82.

Ineligibility for other Anti-Doping Rule Violations

81. The period of Ineligibility for Anti-Doping Rule Violations other than presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method, shall be as follows, unless Regulations 84 - 85 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or Regulations 86 - 88 (Elimination, reduction, or suspension of period of Ineligibility or other consequences for reasons other than Fault) are applicable:

- (a) For violations of Regulation 5 (Evading, refusing or failing to submit to Sample collection) or 7 (Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person), the period of Ineligibility shall be four years except:
 - (i) in the case of failing to submit to Sample collection, if the Player can establish that the commission of the Anti-Doping Rule Violation was not intentional, the period of Ineligibility shall be two years;
 - (ii) in all other cases, if the Participant or other Person can establish exceptional circumstances that justify a reduction of the period of Ineligibility, the period of Ineligibility shall be in a range from two years to four years, depending on the Participant's or other Person's degree of Fault; or
 - (iii) in a case involving a Protected Person or Recreational Player, the period of Ineligibility shall be in a range between a maximum of two years and, at a minimum, a reprimand and no period of Ineligibility, depending on the Protected Person's or Recreational Player's degree of Fault.
- (b) For violations of Regulation 6 (Registered Testing Pool Whereabouts Failures), the period of Ineligibility shall be two years, subject to reduction down to a minimum of one year, depending on the Player's degree of Fault, provided that there shall be no reduction where a pattern of last-minute whereabouts changes or other conduct raises a serious suspicion that the Player was trying to avoid being available for Testing.
- (c) For violations of Regulation 9 (Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person) or 10 (Administration or Attempted Administration by a Participant or other Person to any Player In-Competition of any Prohibited Substance or Prohibited Method, or Administration or Attempted Administration to any Player Out-of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out-of-Competition), the period of Ineligibility shall be a minimum of four years up to lifetime Ineligibility, depending on the seriousness of the violation. A Regulation 9 or Regulation 10 violation involving a Protected Person shall be considered a particularly serious violation and, if committed by Player Support Person for violations other than for Specified Substances, shall result in lifetime Ineligibility for Player Support Person. In addition, significant violations of Regulation 9 or Regulation 10 which may also violate non-sporting laws and regulations shall be reported to the competent administrative, professional or judicial authorities.

13 - ANTI-DOPING REGULATIONS

- (d) For violations of Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), the period of Ineligibility imposed shall be a minimum of two years, up to lifetime Ineligibility, depending on the seriousness of the violation.
- (e) For violations of Regulation 12 (Prohibited association by a Participant or other Person), the period of Ineligibility shall be two years, subject to reduction down to a minimum of one year, depending on the Participant or other Person's degree of Fault and other circumstances of the case.
- (f) For violations of Regulation 13 (Acts by a Participant or other Person to discourage or retaliate against reporting to authorities), the period of Ineligibility shall be a minimum of two years, up to lifetime Ineligibility, depending on the seriousness of the violation by the Participant or other Person.

Aggravating circumstances which may increase the period of ineligibility

- 82.** If The Association establishes in an individual case involving an Anti-Doping Rule Violation other than violations under Regulation 9 (Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person), Regulation 10 (Administration or Attempted Administration by a Participant or other Person to any Player In-Competition of any Prohibited Substance or Prohibited Method, or Administration or Attempted Administration to any Player Out- of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out- of- Competition), Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), or Regulation 13 (Acts by a Participant or other Person to discourage or retaliate against reporting to authorities), that Aggravating Circumstances are present which justify the imposition of a period of Ineligibility greater than the standard sanction, then the period of Ineligibility otherwise applicable shall be increased by an additional period of Ineligibility of up to two years (with the increase depending on the seriousness of the violation and the nature of the Aggravating Circumstances) unless the Participant or other Person establishes that he did not knowingly commit the Anti-Doping Rule Violation.

Elimination of period of Ineligibility where there is No Fault or Negligence

- 83.** If a Participant or other Person establishes in an individual case that he bears No Fault or Negligence, the otherwise applicable period of Ineligibility shall be eliminated.

Reduction of the period of Ineligibility based on No Significant Fault or Negligence – Reduction of sanctions in particular circumstances for violations of Regulation 3 (Presence of a Prohibited Substance or its Metabolites or Markers in a Player's Sample), Regulation 4 (Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method) or Regulation 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person)

- 84.** All reductions under this Regulation 84 are mutually exclusive and not cumulative.

- (a) Specified Substances or Specified Methods

Where the Anti-Doping Rule Violation involves a Specified Substance (other than a Substance of Abuse) or Specified Method, and the Participant or other Person can establish No Significant Fault or Negligence, the period of Ineligibility shall be, at a minimum, a reprimand and no period of Ineligibility, and at a maximum, two years of Ineligibility, depending on the Participant's or other Person's degree of Fault.

- (b) Contaminated Products

In cases where the Participant or other Person can establish both No Significant Fault or Negligence and that the detected Prohibited Substance (other than a Substance of Abuse) came from a Contaminated Product, the period of Ineligibility shall be, at a minimum, a reprimand and no period of Ineligibility, and at a maximum, two years' Ineligibility, depending on the Participant's or other Person's degree of Fault.

13 - ANTI-DOPING REGULATIONS

(c) Protected Persons or Recreational Players

Where the Anti-Doping Rule Violation not involving a Substance of Abuse is committed by a Protected Person or Recreational Player and the Protected Person or Recreational Player can establish No Significant Fault or Negligence, the period of Ineligibility shall be, at a minimum, a reprimand and no period of ineligibility, and at a maximum, two years' Ineligibility, depending on the Protected Person's or Recreational Player's degree of Fault.

Reduction of the period of Ineligibility based on No Significant Fault or Negligence beyond the application of Regulation 84

- 85.** If a Participant or other Person establishes in an individual case where Regulation 84 is not applicable that he bears No Significant Fault or Negligence, then (subject to further reduction or elimination as provided in Regulations 86- 88) the otherwise applicable period of Ineligibility may be reduced based on the Participant's or other Person's degree of Fault, but the reduced period of Ineligibility may not be less than one-half of the period of Ineligibility otherwise applicable. If the otherwise applicable period of Ineligibility is a lifetime, the reduced period under this Regulation 85 may be no less than eight (8) years.

Elimination, reduction, or suspension of period of Ineligibility or other Consequences for reasons other than Fault

- 86.** Substantial Assistance in discovering or establishing Code violations:

- (a) Prior to an appellate decision or the expiration of the time to appeal, The Association may suspend a part of the Consequences (other than Disqualification and mandatory Public Disclosure) imposed in an individual case where the Participant or other Person has provided Substantial Assistance to an Anti-Doping Organisation, criminal authority or professional disciplinary body:
- (i) which results in the Anti-Doping Organisation discovering or bringing forward an Anti-Doping Rule Violation by another Person; or
 - (ii) which results in a criminal or disciplinary body discovering or bringing forward a criminal offence or a breach of professional rules committed by another Person and the information provided by the Participant or other Person providing Substantial Assistance is made available to The Association, UKAD or another Anti-Doping Organisation with Results Management responsibility; or
 - (iii) which results in WADA initiating a proceeding against a Signatory, WADA-accredited laboratory, or Athlete Passport Management Unit (as defined in the ISL) for non- compliance with the Code or an International Standard or Technical Document; or
 - (iv) (with the approval by WADA) which results in a criminal or disciplinary body bringing forward a criminal offence or a breach of professional or sport rules arising out of a sport integrity violation other than doping. After an appellate decision or the expiration of time to appeal, The Association may only suspend a part of the otherwise applicable Consequences (other than Disqualification and mandatory Public Disclosure) with the approval of WADA and FIFA.
- (b) The extent to which the otherwise applicable period of Ineligibility may be suspended shall be based on the seriousness of the Anti-Doping Rule Violation committed by the Participant or other Person and the significance of the Substantial Assistance that he has provided to the effort to eliminate doping in sport, non-compliance with the Code, and/or sport integrity violations. No more than three quarters of the otherwise applicable period of Ineligibility may be suspended. If the otherwise applicable period of Ineligibility is a lifetime, the non-suspended period under this Regulation 86(b) must be no less than eight (8) years. For the purposes of this Regulation 86(b), the otherwise applicable period of Ineligibility shall not include any period of Ineligibility that could be added under Regulation 94(b). If so requested by a Participant or other Person who seeks to provide Substantial Assistance, The Association shall allow the Participant or other Person to provide the information to it subject to a Without Prejudice Agreement. If the Participant or other Person fails to continue to cooperate and to provide the

13 - ANTI-DOPING REGULATIONS

complete and credible Substantial Assistance upon which a suspension of the Consequences was based, The Association shall reinstate the original Consequences. If The Association decides to reinstate suspended Consequences or decides not to reinstate suspended Consequences, that decision may be appealed by any Person entitled to appeal under Regulation 119.

- (c) To further encourage Participant and other Persons to provide Substantial Assistance to Anti-Doping Organisations, at the request of The Association or at the request of the Participant or other Person who has, or has been asserted to have, committed an Anti-Doping Rule Violation or other violation of the Code, WADA may agree at any stage of the Results Management process, including after an appellate decision, to what it considers to be an appropriate suspension of the otherwise-applicable period of Ineligibility and other Consequences. In exceptional circumstances, WADA may agree to suspensions of the period of Ineligibility and other Consequences for Substantial Assistance greater than those otherwise provided in this article, or even no period of Ineligibility, no mandatory Public Disclosure and/or no return of prize money or payment of fines or costs. WADA's approval shall be subject to reinstatement of the Consequences, as otherwise provided in this article. Notwithstanding Regulation 119, WADA's decisions in the context of this paragraph may not be appealed.
- (d) If The Association suspends any part of an otherwise applicable Consequence because of Substantial Assistance, it shall send notice providing justification for the decision to each Anti-Doping Organisation with a right to appeal the decision under Regulation 119. In unique circumstances where WADA determines that it would be in the best interests of anti-doping, The Association may enter into appropriate confidentiality agreements limiting or delaying the disclosure of the Substantial Assistance agreement or the nature of Substantial Assistance being provided.

87. Admission of an Anti-Doping Rule Violation in the absence of other evidence:

Where a Participant or other Person voluntarily admits the commission of an Anti-Doping Rule Violation before receiving either (a) notification of a Sample collection that could establish the Anti-Doping Rule Violation (in the case of a Regulation 3 Anti-Doping Rule Violation), or (b) a Notice (in the case of any other Anti-Doping Rule Violation), and that admission is the only reliable evidence of the violation at the time of the admission, the otherwise applicable period of Ineligibility may be reduced by up to but not by more than one half.

88. Application of multiple grounds for reduction of a sanction:

Where a Participant or other Person establishes entitlement to a reduction in sanction under more than one provision of Regulation 83 (Elimination of the period of Ineligibility where there is No Fault or Negligence), 84 - 85 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or 86 - 88 (Elimination, reduction, or suspension of period of Ineligibility or other consequences for reasons other than Fault), before applying any reduction or suspension under Regulations 86 - 88, the otherwise applicable period of Ineligibility shall be determined in accordance with Regulations 76 - 80 (Ineligibility for presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method), 81 (Ineligibility for other Anti-Doping Rule Violations), and 84 - 85 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence). If the Participant or other Person establishes entitlement to a reduction or suspension of the period of Ineligibility under Regulations 86 - 88, the period of Ineligibility may be reduced or suspended, but not below one fourth of the otherwise applicable period of Ineligibility.

89. Results Management agreements:

Where The Association sends a Participant or other Person a Charge Letter for an Anti-Doping Rule Violation that carries an asserted period of Ineligibility of four (4) or more years (including any period of Ineligibility asserted under Regulation 82), if the Participant or other Person admits the violation and accepts the asserted period of Ineligibility no later than twenty (20) days after receiving the Charge Letter, he shall receive a one (1) year reduction in the period of Ineligibility asserted by The Association. Where the Participant or other Person receives the one (1) year reduction in the asserted period of Ineligibility under this Regulation 89, no further reduction in the asserted period of Ineligibility shall be allowed under any other Regulation.

13 - ANTI-DOPING REGULATIONS

90. Case resolution agreements:

Where the Participant or other Person admits an Anti-Doping Rule Violation after being confronted with it by The Association and agrees to Consequences acceptable to The Association and WADA, at their sole discretion:

- (a) the Participant or other Person may receive a reduction in the period of Ineligibility based on an assessment by The Association and WADA of the application of Regulations 76 – 88 to the asserted Anti-Doping Rule Violation, the seriousness of the violation, the Participant's or other Person's degree of Fault, and how promptly the Participant or other Person admitted the violation; and
- (b) the period of Ineligibility may start as early as the date of Sample collection or the date on which another Anti-Doping Rule Violation last occurred.

In each case, however, where this Regulation 90 is applied, the Participant or other Person shall serve at least one half of the agreed upon period of Ineligibility going forward from the earlier of (1) the date the Participant or other Person accepted the imposition of a period of Ineligibility; and (2) the date the Participant or other Person accepted a Provisional Suspension which he subsequently respected. The decision by The Association and WADA to enter or not enter into a case resolution agreement, and the amount of the reduction to, and the starting date of, the period of Ineligibility agreed, are not matters that may be determined or reviewed by a hearing panel and are not subject to appeal under Regulation 119. If so requested by a Participant or other Person who seeks to enter into a case resolution agreement under this Regulation, The Association shall allow the Participant or other Person to discuss the potential admission of the Anti-Doping Rule Violation with it subject to a Without Prejudice Agreement.

Multiple violations

91. For a Participant's or other Person's second Anti-Doping Rule Violation, the period of Ineligibility shall be the greater of:

- (a) a six (6) month period of Ineligibility; and
- (b) a period of Ineligibility in the range between:
 - (i) the sum of the period of Ineligibility imposed for the first Anti-Doping Rule Violation plus the period of Ineligibility otherwise applicable to the second Anti-Doping Rule Violation treated as if it were a first violation; and
 - (ii) twice the period of Ineligibility otherwise applicable to the second Anti-Doping Rule Violation treated as if it were a first violation.

The period of Ineligibility within this range shall be determined based on the entirety of the circumstances and the Participant's or other Person's degree of Fault with respect to the second violation.

The period of Ineligibility established in this Regulation 91 may then be further reduced by the application of Regulation 86.

92. A third Anti-Doping Rule Violation will always result in a lifetime period of Ineligibility, except that if the third violation fulfils the condition for reduction of the period of Ineligibility under Regulations 84 - 85, or involves a violation of Regulation 6 (Registered Testing Pool Whereabouts Failures), the period of Ineligibility shall be from eight (8) years to lifetime Ineligibility. The period of Ineligibility established in this Regulation 92 may then be further reduced by the application of Regulation 86.

93. An Anti-Doping Rule Violation for which a Participant or other Person has established No Fault or Negligence shall not be considered a violation for the purposes of Regulations 91 - 92. In addition, an Anti-Doping Rule Violation sanctioned under Regulation 80(a) shall not be considered a violation for the purposes of Regulations 91 - 92.

13 - ANTI-DOPING REGULATIONS

94. Additional rules for certain multiple offences:

- (a) For the purpose of imposing sanctions under Regulations 91 - 92, except as provided in Regulations 94(b) and 94(c), an Anti-Doping Rule Violation will only be considered a second or third violation if The Association can establish that the Participant or other Person committed the additional Anti-Doping Rule Violation after the Participant or other Person received notice, or after The Association made a reasonable attempt to give notice, of the first (or the second, as applicable) Anti-Doping Rule Violation. Otherwise, the first and second Anti-Doping Rule Violations (or the second and third Anti-Doping Rule Violations, as applicable) shall be considered as one single first Anti-Doping Rule Violation, and the sanction imposed shall be based on the Anti-Doping Rule Violation that carries the more severe sanction, including the application of Aggravating Circumstances. Results in all Matches dating back to the earlier Anti-Doping Rule Violation will be Disqualified as provided in Regulations 96 – 99.
- (b) If The Association establishes that a Participant or other Person committed an additional Anti-Doping Rule Violation prior to notification of the first Anti-Doping Rule Violation, and that the additional violation occurred twelve (12) months or more before or after the first notified violation, the period of Ineligibility for the additional violation shall be calculated as if it were a stand-alone first violation, and this period of Ineligibility will be served consecutively to, rather than concurrently with, the period of Ineligibility imposed for the first-notified violation. Where this Regulation 94(b) applies, the violations taken together shall constitute a single violation for purposes of Regulations 91 - 92.
- (c) If The Association establishes that a Participant or other Person committed a Regulation 7 Anti-Doping Rule Violation in connection with the Doping Control process relating to another asserted Anti-Doping Rule Violation, the Regulation 7 Anti-Doping Rule Violation shall be treated as a stand-alone first violation and the period of Ineligibility for such violation shall be served consecutively to, rather than concurrently with, the period of Ineligibility (if any) imposed for the underlying Anti-Doping Rule Violation. Where this Regulation 94(c) is applied, the violations taken together shall constitute a single violation for purposes of Regulations 91 - 92.
- (d) If The Association establishes that a Participant or other Person has committed a second or third Anti-Doping Rule Violation during a period of Ineligibility, the periods of Ineligibility for the multiple violations shall run consecutively, rather than concurrently.

95. For the purposes of Regulations 91 - 92, each Anti-Doping Rule Violation must take place within the same ten (10) year period in order to be considered multiple violations.

Disqualification of individual results

- 96. An Anti-Doping Rule Violation in connection with an In-Competition test automatically leads to Disqualification of any awards received by individual Players in the relevant Match.
- 97. An Anti-Doping Rule Violation occurring during or in connection with a Competition may, upon the decision of the Competition, lead to Disqualification of all of the Player's individual results obtained in that Competition, except as provided in Regulation 98. Factors to be included in considering whether to Disqualify other results in a Competition might include, for example, the seriousness of the Player's Anti-Doping Rule Violation, and whether the Player tested negative in the other Matches in the Competition.
- 98. If the Player establishes that he bears No Fault or Negligence for the violation, the Player's individual results in the other Matches in the Competition shall not be Disqualified, unless the Player's results in Matches other than the Match in which the Anti-Doping Rule Violation occurred were likely to have been affected by the Player's Anti-Doping Rule Violation.
- 99. In addition to the automatic Disqualification of the results in the Match which produced the positive Sample under Regulation 96, all other competitive results of the Player obtained from the date a positive Sample was collected (whether In-Competition or Out-of-Competition), or other Anti-Doping Rule Violation occurred, through the commencement of any Provisional Suspension or Ineligibility period, shall, unless fairness requires otherwise, be Disqualified with all of the resulting Consequences.

13 - ANTI-DOPING REGULATIONS

Forfeited prize money

100. If The Association has recovered prize money forfeited as a result of an Anti-Doping Rule Violation, it shall take reasonable measures to allocate and distribute this prize money to the Player(s) who would have been entitled to it had the forfeiting Player not competed.

Financial Consequences

101. A fine may also be imposed for an Anti-Doping Rule Violation, but only where the maximum period of Ineligibility has been imposed, and only where doing so is in accordance with the principle of proportionality. Where a fine or costs order is imposed in respect of an Anti-Doping Rule Violation, this shall not be considered as grounds for reducing any period of Ineligibility applicable under these Anti-Doping Regulations.

Commencement of period of Ineligibility

102. Where a Participant or other Person is already serving a period of Ineligibility for an Anti-Doping Rule Violation, any new period of Ineligibility for an Anti-Doping Rule Violation shall commence on the first day after the current period of Ineligibility has been served. Otherwise, subject to Regulations 103 - 104, a period of Ineligibility shall commence from the date of the final hearing decision providing for the period of Ineligibility or, if the Participant or other Person waives the right to a hearing or there is no hearing, on the date that the period of Ineligibility is accepted or otherwise imposed.
103. Where there have been substantial delays in the hearing process or other aspects of Doping Control, and the Participant or other Person can establish that such delays are not attributable to him, the period of Ineligibility may be deemed to have started at any time from the date the Anti-Doping Rule Violation occurred (e.g. the date of the Sample collection) to take account of such delays. All competitive results achieved during the period of Ineligibility, including retroactive Ineligibility, shall be Disqualified.
104. Credit for Provisional Suspension or period of Ineligibility served:
- (a) If a Provisional Suspension is respected by the Participant or other Person, the Participant or other Person shall receive a credit for such period of Provisional Suspension against any period of Ineligibility which may ultimately be imposed. If the Participant or other Person does not respect a Provisional Suspension, the Participant or other Person shall receive no credit for any period of the Provisional Suspension served. If a period of Ineligibility is served pursuant to a decision that is subsequently appealed, the Participant or other Person shall receive a credit for such period of Ineligibility served against any period of Ineligibility which may ultimately be imposed on appeal.
 - (b) If a Participant or other Person voluntarily accepts a Provisional Suspension in writing from The Association and thereafter respects the Provisional Suspension, the Participant or other Person shall receive a credit for such period of voluntary Provisional Suspension against any period of Ineligibility which may ultimately be imposed. A copy of the Participant's or other Person's voluntary acceptance of a Provisional Suspension shall be provided promptly to each party entitled to receive notice of an asserted Anti-Doping Rule violation as provided in these Anti-Doping Regulations.
 - (c) No credit against a period of Ineligibility shall be given for any time period before the effective date of the Provisional Suspension or voluntary Provisional Suspension regardless of whether the Player elected not to compete or was suspended by his Club.

Status during Ineligibility or Provisional Suspension

105. While subject to a period of Ineligibility or Provisional Suspension, a Participant or other Person may not participate in any capacity in a Match or activity (other than authorised anti-doping Education or rehabilitation programmes) authorised or organised by FIFA, any other Signatory, a club or other member organisation of any Signatory, or in competitions authorised or organised by any professional league or any international or national-level competition organisation or any elite or national-level sporting activity funded by a governmental agency.

13 - ANTI-DOPING REGULATIONS

106. A Participant or other Person subject to a period of Ineligibility longer than four years may, after completing four years of the period of Ineligibility, participate in local sports competitions not approved or otherwise under the authority of FIFA or any other Signatory or its member, but only so long as the local sports competition is not at a level that could otherwise qualify such Participant or other Person directly or indirectly to compete in (or accumulate points towards) a national championship or international competition, and does not involve the Participant or other Person working in any capacity with Protected Persons.
107. A Player subject to a period of Ineligibility shall remain subject to Testing and any possible requirement by The Association or an Anti-Doping Organisation to provide whereabouts information.
108. In addition, save where the Anti-Doping Rule Violation involved a reduced sanction further to Regulations 83 - 85, some or all financial support or benefits (if any) that might have otherwise been provided to the Participant or other Person shall be withheld by The Association, Signatories, Signatories' member organisations, and governments or government agencies.
109. As an exception to Regulation 105, a Player may return to train with a team or to use the facilities of a club or other member organisation of a FIFA member association or any other Signatory during the shorter of: (1) the last two (2) months of the Player's period of Ineligibility, or (2) the last one quarter of the period of Ineligibility imposed.
110. Where a Participant or other Person who has been declared Ineligible violates the prohibition against participation during Ineligibility as described in Regulation 105, the results of such participation shall be Disqualified and a new period of Ineligibility equal in length up to the original period of Ineligibility shall be added to the end of the original period of Ineligibility. The new period of Ineligibility, including a reprimand and no period of Ineligibility, may be adjusted based on the Participant's or other Person's degree of Fault and other circumstances of the case. The determination of whether a Participant or other Person has violated the prohibition against participation, and whether an adjustment is appropriate, shall be made by The Association or the Anti-Doping Organisation whose Results Management led to the imposition of the initial period of Ineligibility. If the Participant or other Person does not accept any new period of Ineligibility (or, if applicable, reprimand) proposed by The Association or Anti-Doping Organisation, the matter shall proceed to a hearing before a Regulatory Commission in accordance with the Disciplinary Regulations and ISRM Article 11.1. The Regulatory Commission's decision may be appealed pursuant to Part Nine.
111. A Participant or other Person who violates the prohibition against participation during a Provisional Suspension shall receive no credit for any period of Provisional Suspension served and the results of such participation shall be Disqualified. Where a Player Support Person or other Person assists a Person in violating the prohibition against participation during Ineligibility or a Provisional Suspension, The Association shall pursue the matter as a potential Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person) Anti-Doping Rule Violation.

Automatic publication of Consequences

112. A mandatory Consequence in every case where an Anti-Doping Rule Violation has been committed shall be automatic publication of details of the relevant decision as provided in Regulation 137.

Reinstatement testing

113. A Player who is the subject of a suspension pursuant to these Anti-Doping Regulations remains subject to these Anti-Doping Regulations (including, without limitation, the requirement to submit to drug testing to determine compliance with these Anti-Doping Regulations) during his period of Ineligibility. Therefore, he must make himself available for testing during that period of Ineligibility and must at the request of The Association (or other sports governing body if the Player moves outside of The Association's jurisdiction) provide details of his whereabouts to The Association (or other sports governing body, as applicable) to allow such testing to take place.

13 - ANTI-DOPING REGULATIONS

- 114.** Any Player who retires from football while he is the subject of a period of Ineligibility pursuant to these Anti-Doping Regulations must make himself available for testing if he seeks to participate in any other sports competition. Where any such Player seeks a return to football activity, he may only make such return once he has notified The Association of his intention to return and has made himself available for Out-of-Competition testing for a period equal to the period of Ineligibility he remained subject to when he retired, or six (6) months, whichever is the longer.
- 115.** If a Player who is not suspended retires from football, such that he is no longer subject to testing by The Association or any other relevant authority, he may not return to participate in football activity unless he notifies The Association in writing at least six (6) months before he expects to resume football activity and makes himself available for Out-of-Competition testing and (if requested) complies with the whereabouts requirements during that six month period. WADA in association with The Association may grant an exemption from this six (6) month written notice requirement where its application would be manifestly unfair to the Player.
- (a) Where a Player decides to end their career in accordance with Rule C, the Player shall give written notice of retirement to The Association via the email address antidoping@thefa.com.

PART EIGHT – CONSEQUENCES FOR CLUBS

- 116.** Where more than one member of a team has been notified of an Anti-Doping Rule Violation in connection with a Competition, the team may be subjected to Target Testing during the Competition.
- 117.** If more than two Players of a team are found to have committed Anti-Doping Rule Violations during a Competition and in the same playing season, whilst registered to play for that team, a Regulatory Commission shall impose a sanction on the Club, in addition to any Consequences imposed on the Players who committed such Anti-Doping Rule Violations. This sanction shall automatically follow from the Anti-Doping Rule Violations committed by the Players. The Club will not be entitled to challenge the findings of the Regulatory Commission or Appeal Board in relation to the Anti-Doping Rule Violations committed by the Players, but shall be entitled only to address a Regulatory Commission in mitigation as to the sanction to be imposed on the Club.
- 118.** The sanctions available to a Regulatory Commission in such circumstances shall be as follows:
- (a) a points deduction;
 - (b) forfeit of a Match or Matches;
 - (c) exclusion of a team from a Competition; and/or
 - (d) a fine.

PART NINE – APPEALS

- 119.** The following decisions – a decision that an Anti-Doping Rule Violation was committed, a decision imposing or not imposing Consequences for an Anti-Doping Rule Violation, or a decision that no Anti-Doping Rule Violation was committed; a decision that an Anti-Doping Rule Violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by WADA not to grant an exception to the six (6) months' notice requirement for a retired Player to return to Competition under Regulation 115; a decision by WADA assigning Results Management responsibility; a decision by The Association not to bring forward an Adverse Analytical Finding or an Atypical Finding as an Anti-Doping Rule Violation, or a decision not to go forward with an Anti-Doping Rule Violation after an investigation; a decision to impose, or lift, a Provisional Suspension as a result of a Provisional Hearing; The Association's failure to comply with Regulation 54 (provisional suspensions); a decision that The Association lacks jurisdiction to rule on an alleged Anti-Doping Rule Violation or its Consequences; a decision to suspend, or not suspend, a period of Ineligibility or to reinstate, or not reinstate, a suspended period of Ineligibility under Regulation 86); a failure to comply with

13 - ANTI-DOPING REGULATIONS

Regulation 90; a decision under Regulation 110; and a decision by The Association not to recognise another Anti-Doping Organisation's decision – may be appealed by any of the following parties exclusively as provided for by this Part Nine:

- (a) the Participant or other Person who is the subject of the decision being appealed;
 - (b) The Association;
 - (c) any other party to the case in which the decision was rendered;
 - (d) FIFA;
 - (e) UKAD;
 - (f) the NADO(s) of the Participant's or other Person's country of residence, country of nationality, and country where he is licensed to participate in sport (if different from UKAD); and
 - (g) WADA.
- 120.** Decisions subject to possible appeal in accordance with Regulation 119 shall be notified immediately to UKAD, FIFA, WADA, and any other relevant NADO. In cases involving International-Level Players (as defined by FIFA), the decision may be appealed exclusively to CAS. Save as otherwise specified in this Part Nine, in all other cases the appeal shall proceed under The Association's Appeal Regulations.
- 121.** The deadline for FIFA, UKAD, and any other relevant NADO to lodge an appeal shall be twenty-one (21) days from receipt of the decision. Any Regulation that stipulates a time limit applicable to other appellants in The Association's Appeal Regulations shall not apply to UKAD, FIFA, WADA, and any other relevant NADO in anti-doping cases.
- 122.** The filing deadline for an appeal filed by WADA shall be the later of:
- (a) twenty-one (21) days after the last day on which any other party having a right to appeal could have appealed; or
 - (b) twenty-one (21) days after WADA's receipt of the complete file relating to the decision.
- 123.** FIFA and WADA shall also have the right to appeal to CAS against any decision of the Appeal Board in relation to an Anti-Doping Rule Violation that would otherwise be final and binding under The Association's Appeal Regulations. Such decisions of the Appeal Board shall be sent immediately to FIFA and WADA. The deadline for FIFA and WADA to lodge such an appeal shall be twenty-one (21) days from receipt of the decision and any case file from The Association. Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the Code are specifically permitted. Any party with a right to appeal under these Anti-Doping Regulations must file a cross appeal or subsequent appeal at the latest with the party's answer.
- 124.** Both the Participant or other Person who is the subject of the decision and The Association shall have the right to act as a respondent where an appeal is brought by UKAD, FIFA, WADA, and any other relevant NADO.
- 125.** Any Anti-Doping Organisation that is a party to an appeal shall promptly provide the appeal decision to the Participant or other Person and to the other Anti-Doping Organisations that would have been entitled to appeal.
- 126.** Notwithstanding any other provision of these Anti-Doping Regulations, where WADA has a right of appeal under these Anti-Doping Regulations against a decision, and no other party has appealed against that decision, WADA may appeal that decision directly to CAS without having first to exhaust any other remedy, including (without limitation) without having to appeal to the Appeal Board. Where The Association (Regulatory Commission or Appeal Board) fails to render a decision with respect to whether an Anti-Doping Rule Violation was committed within a reasonable deadline set by WADA, WADA may elect to appeal directly to CAS as if The Association had rendered a decision finding no Anti-Doping Rule Violation. If CAS determines that an Anti-Doping Rule Violation was committed and that WADA acted reasonably in electing to appeal directly to CAS, WADA's costs and legal fees shall be reimbursed by The Association.

13 - ANTI-DOPING REGULATIONS

127. The scope of review for any appeal pursuant to these Anti-Doping Regulations includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker. Any party to an appeal may submit evidence, legal arguments and claims that were not raised in the first instance hearing so long as they arise from the same cause of action or same general facts or circumstances raised or addressed in the first instance hearing. In making its decision in any appeal, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.

PART TEN – CONFIDENTIALITY, REPORTING AND PUBLICATION

128. A Player has the right to access information relevant to his test held by The Association in relation to the Anti-Doping Programme. The Association may however refuse such access if, for example but without limitation, the release of such information:
- (a) would jeopardise any charges brought or to be brought by The Association or jeopardise an ongoing investigation whether or not this involves the Player who was being charged;
 - (b) would jeopardise the rights of third parties (including the source(s) of information received by The Association); or
 - (c) appears to be sought by the Player for an improper or collateral purpose.
129. Periodically, The Association may publish to UKAD or the public, in summary and anonymised form, reports of tests undertaken on Players.
130. If The Association charges a Participant or other Person with commission of an Anti-Doping Rule Violation, The Association shall notify UKAD, FIFA, WADA and any other relevant NADO simultaneously with the issue of the charge to the Participant or other Person. Notification shall include: the Participant's or other Person's name, country and discipline within football, the Participant's or other Person's competitive level, whether the test (if any) was In-Competition or Out-of-Competition, the date of Sample collection, the analytical result reported by the laboratory, and other information as required by the ISTI, or, for Anti-Doping Rule Violations other than under Regulation 3, the rule violated and the basis of the alleged violation.
131. FIFA, WADA, UKAD and any other relevant NADO shall be regularly updated on the status and findings of any review or proceedings conducted by The Association pursuant to these Anti-Doping Regulations, including by way of a prompt written reasoned explanation or decision explaining the resolution of the matter.
132. The Association shall notify FIFA, WADA, UKAD and any other relevant NADO of the decision of any Regulatory Commission and/or Appeal Board considering an Anti-Doping Rule Violation.
133. The recipient organisations shall not disclose any of this information beyond those persons with a need to know (which would include the appropriate personnel at the applicable Club) until The Association has made Public Disclosure or has failed to make Public Disclosure of this information.
134. Any information provided by The Association to third parties in respect of pending cases pursuant to these Anti-Doping Regulations shall be provided to them on the confidential basis set out in Code Article 14.1.5.
135. Any information relating to a whereabouts-related failure in respect of a Player shall not be disclosed beyond those persons with a need to know unless and until that Player is found to have committed an Anti-Doping Rule Violation or Misconduct based on such whereabouts-related failure. Such persons who need to know shall also maintain the confidentiality of such information until the same point.
136. The Association shall not comment publicly on the specific facts of a pending case, except in response to public comments attributable to the Participant or other Person concerned or his representatives.

13 - ANTI-DOPING REGULATIONS

- 137.** In the event of an Anti-Doping Rule Violation being determined by a final decision in disciplinary proceedings (including any appeal proceedings), Results Management agreement, or case resolution agreement, or a Participant being found to have violated the prohibition against participation during a period of Ineligibility or Provisional Suspension (under Regulation 110), The Association shall make Public Disclosure by publishing on its website the details of the decision, including the violation, the name of the Participant or other Person who committed the violation, the Prohibited Substance or Prohibited Method involved (where applicable), and the Consequences imposed. Where the final decision is that no Anti-Doping Rule Violation has been committed, the decision may only be Publicly Disclosed, whether in its entirety or in redacted form, with the consent of the Participant or other Person. The Association shall use reasonable efforts to obtain such consent. Public Disclosure on The Association's website of any decision pursuant to this Regulation 137 shall be for the longer of either one month or the duration of any suspension imposed on the Participant or other Person.
- 138.** The mandatory requirement to make Public Disclosure of decisions contained in Regulation 137 shall not apply (a) where the Participant or other Person who has committed an Anti-Doping Rule Violation is a Protected Person or a Recreational Player, or in the case of decisions finding Misconduct contrary to any of Regulations 15 - 18. Any optional Public Reporting in a case involving a Protected Person, Minor or a Recreational Player shall be proportionate to the facts and circumstances of the case. Any publication by The Association in relation to such cases will be entirely at its discretion.
- 139.** Notwithstanding Regulation 137, the Regulatory Commission or Appeal Board may order that some or all of the text of any decision it reaches in an anti-doping case may not be published, where there are compelling reasons not to publish. In such cases, only the outcome may be published.

PART ELEVEN – EDUCATION REQUIREMENTS

Education requirements

- 140.** A Club participating in either the Premier League, EFL, FAWSL or FAWC will receive an education session for its Players each season. A failure of a Club to make reasonable endeavours to ensure the attendance of all of its Players at an education session may result in a charge of Misconduct.
- 141.** Any Club with an Academy participating in either the Premier League or EFL will receive an education session for all of its Scholars each season. A failure of a Club to make reasonable endeavours to ensure the attendance of all of its Scholars at an education session may result in a charge of Misconduct.
- 142.** A Club participating in either the Premier League, EFL, FAWSL or FAWC shall at all times ensure that at least two members of its Player Support Personnel have completed a designated anti-doping education course as directed by The Association from time to time. At least one of the Club's Player Support Personnel shall at all times be a member of the Club's medical staff.
- A failure by a Club to comply may result in a charge of Misconduct.

PART TWELVE – MISCELLANEOUS

Implementation of decisions

- 143.** A decision regarding an anti-doping rule violation made by a Signatory Anti-Doping Organisation, an appellate body or CAS shall, after the parties to the proceeding are notified, automatically be binding beyond the parties to the proceeding and upon FIFA and The Association, as well as every Signatory in every sport with the effects described below:
- (a) A decision by any of the above-mentioned bodies imposing a Provisional Suspension (after a Provisional Hearing has occurred or the Participant or other Person has either accepted the Provisional Suspension or has waived the right to a Provisional Hearing, expedited hearing or expedited appeal

13 - ANTI-DOPING REGULATIONS

offered in accordance with Article 7.4.3 of the Code) automatically prohibits the Participant or other Person from participation in all sports within the authority of any Signatory during the Provisional Suspension.

- (b) A decision by any of the above-mentioned bodies imposing a period of Ineligibility (after a hearing has occurred or been waived) automatically prohibits the Participant or other Person from participation in all sports within the authority of any Signatory for the period of Ineligibility.
 - (c) A decision by any of the above-mentioned bodies accepting an anti-doping rule violation automatically binds all Signatories.
 - (d) A decision by any of the above-mentioned bodies to Disqualify results in accordance with Article 10.10 of the Code for a specified period automatically Disqualifies all results obtained within the authority of any Signatory during the specified period.
- 144.** The Association shall recognise and implement a decision and its effects as required by Regulation 143, without any further action required, on the date The Association receives actual notice of the decision.
- 145.** A decision by an Anti-Doping Organisation, a national appellate body or CAS to suspend or lift Consequences shall be binding upon The Association without any further action required, on the date The Association receives actual notice of the decision.
- 146.** Notwithstanding any provision in this Part Eleven, a decision of an anti-doping rule violation by a Major Event Organisation made in an expedited process during a Competition shall not be binding on The Association unless the rules of the Major Event Organisation provide the Participant or other Person with an opportunity to an appeal under non-expedited procedures.
- 147.** The Association may decide to implement other anti-doping decisions rendered by Anti-Doping Organisations not described in this Part Eleven, such as a Provisional Suspension prior to a Provisional Hearing or acceptance by the Participant or other Person.

An anti-doping decision by a body that is not a Signatory shall be implemented by The Association if The Association finds that the decision purports to be within the authority of that body and the anti-doping rules of that body are otherwise consistent with the Code.

Effective date

- 148.** These Anti-Doping Regulations do not apply retrospectively to matters arising prior to the Effective Date. However:
- (a) Anti-Doping Rule Violations that took place prior to the Effective Date count as prior violations for the purposes of determining sanctions under Part Seven for violations taking place after the Effective Date.
 - (b) Any Whereabouts Failure (whether a filing failure or a missed test) that took place prior to the Effective Date may be relied upon as one of the requisite elements of a Regulation 6 (Registered Testing Pool Whereabouts Failures) Anti-Doping Rule Violation under these Anti-Doping Regulations until twelve (12) months after it took place.
 - (c) For the purposes of assessing the period of Ineligibility for a second violation, the period of Ineligibility imposed for the first violation is taken into account: see Regulation 91(b)(i). Where the period of Ineligibility that was imposed for the first violation was determined based on rules in force prior to the Effective Date, it shall be assumed for purposes of the calculation under 91(b)(i) that the period of Ineligibility imposed for the first violation was whatever period of Ineligibility would have been imposed for that first violation had these Anti-Doping Regulations been applicable to the first violation.
 - (d) Any case that is pending as of the Effective Date and any case brought after the Effective Date based on an Anti-Doping Rule Violation that allegedly occurred prior to the Effective Date will be governed by the substantive provisions of the Regulations in effect at the time the alleged Anti-Doping Rule Violation occurred, and not by the substantive anti-doping rules set out in these Anti-Doping

13 - ANTI-DOPING REGULATIONS

Regulations (unless the Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable)) hearing the case determines that a *lex mitior* in these Anti-Doping Regulations in relation to Consequences should apply instead), while the procedural aspects of the case will be governed by these Anti-Doping Regulations.

- (e) For these purposes, the retrospective periods in which prior violations can be considered for purposes of multiple violations under Regulations 91 - 92 and the statute of limitations in Regulation 63 are procedural rules, not substantive rules, and should be applied retroactively, provided, however, that Regulation 63 will only be applied retroactively if the statute of limitation period (whether the original one or as extended by subsequent Anti-Doping Regulations) has not already expired by the Effective Date. Where a final decision finding an Anti-Doping Rule Violation has been rendered prior to the Effective Date, but the Participant or other Person is still serving the period of Ineligibility as of the Effective Date, the Participant or other Person may apply to The Association before the period of Ineligibility has expired to reduce the period of Ineligibility in light of *lex mitior* in these Anti-Doping Regulations. The Association's decision on that application may be appealed pursuant to Regulation 119.

Reference to days

Where the term "days" is used in these Anti-Doping Regulations, it shall mean calendar days, unless otherwise specified. Reference to days

SCHEDULE ONE

PROCEDURAL GUIDELINES FOR THE CONDUCT OF DRUG TESTING AND INVESTIGATIONS

PART ONE – GENERAL PROVISIONS

1. General

- 1.1 Testing and investigations will be carried out in conformity with the ISTI and these Procedural Guidelines (as amended from time to time). Players may be drug tested at any place and any time, including during any period of Ineligibility. Testing shall only be undertaken for anti-doping purposes, although Samples collected in such testing may also be analysed to determine compliance with The Association's Social Drugs Regulations prohibiting the Out-of-Competition use of social drugs (as defined in those Regulations).
- 1.2 Drug testing refers to the collection of both blood and urine Samples. The minimum requirements for blood testing are set out in paragraph 5.1. Any Player may be subject to blood testing regardless of which league he participates in.
- 1.3 Drug testing may be conducted on Minors and should be carried out in accordance with the ISTI. Where a Minor is to be tested, any consent or signature that is required by these Anti-Doping Regulations is to be given by a representative of the Player's Club. It is the responsibility of each Club to ensure that it has obtained, from a person with parental responsibility for any Minor, prior written consent to the conduct of drug testing upon such a Minor. No Minor may participate in any football activity without such consent being obtained.
- 1.4 Players are obliged to undergo drug testing as set out in the Anti-Doping Regulations and these Guidelines. In particular, every Player designated to undergo a drug test by a Doping Control Officer, or Blood Collection Officer, whether as a result of Target Testing or random selection, is obliged to provide a urine Sample and/or a blood Sample, and to cooperate promptly and fully with all Competent Officials.

13 - ANTI-DOPING REGULATIONS

2. Doping Control Form

It should be noted that the Doping Control Form used in the Anti-Doping Programme is generic and not specific to football. In the event of any conflict between the terms of any form and the Anti-Doping Regulations or these Guidelines, the Anti-Doping Regulations and Guidelines shall prevail.

3. Test Distribution Planning

3.1 UKAD will draw up the test distribution plan for football in consultation with The FA Anti-Doping Unit. The test distribution plan must be compliant with the WADA Technical Document for Sport Specific Analysis (TDSSA) and the requirements of the ISTI. Players shall be selected for Sample collection using random selection methods and Target Testing, as required.

3.2 Target Testing shall be based on an assessment of the risks of doping and the most effective use of resources to ensure optimum detection and deterrence. If more than one Player in a team has tested positive, Target Testing may be performed on all Players in the team.

3.3 For individual Players, Target Testing may be performed as a consequence of:

- (a) behaviour indicating doping;
- (b) abnormal biological parameters (blood parameters, steroid profiles etc.);
- (c) injury;
- (d) repeated, or suspicious failure to make whereabouts filings;
- (e) player test history;
- (f) the conditions of a disciplinary order;
- (g) reinstatement following a period of Ineligibility; or
- (h) any other reason determined by UKAD or, in relation to social drugs Testing only, The Association.

Neither The Association nor UKAD is obliged to provide the Player or Club representative with a reason for the Player's selection for a Target Test.

3.4 Testing that is not Target Testing shall be determined by random selection.

4. Notification of Drug Testing

4.1 The Sample collection will be carried out by Chaperones, Doping Control Officers ("DCOs"), and/or Blood Collection Officers ("BCOs").

4.2 Before drug testing is carried out, the Competent Officials must show their identification cards to Players.

4.3 On arriving at a venue for In-Competition drug testing or for testing using the whereabouts information specified in Regulation 15, the Competent Officials will attempt to make contact with an official from the relevant Club. For an In-Competition test the official would be the Secretary of the home Club or (if the Secretary is not present or otherwise unavailable) another official from the home Club.

4.4 Any Player selected for drug testing will be requested to produce photographic identification to prove his identity. In the event a Player has no available identification then a third party may be asked to positively confirm the identity of the Player.

5. Facilities for the Collection of Samples

5.1 At all venues used for drug testing, Clubs are obliged to provide as a minimum the following secure areas (collectively known as the "Doping Control Station") for the collection of Samples:

- (a) a clean, adequately lit, and private waiting area, with sufficient seating for the Players waiting to be tested;
- (b) a clean, private working area of sufficient size to comfortably accommodate the persons

13 - ANTI-DOPING REGULATIONS

referred to in paragraph 12.3 below, which should contain clean fixed surfaces for sampling equipment and Samples;

- (c) private toilets; and
 - (d) where blood testing is being conducted, a chair and/or bed for the Player to use during the provision of the blood Sample, and sufficient space for the Player to lie down.
- 5.2 The Doping Control Station must be allocated for the sole use of the Competent Officials for the duration of the doping control process. Where practical, all areas required for the Doping Control Station must be linked with or proximate to each other. The Doping Control Station must be clearly identified. The Doping Control Station should be made available in a usable condition and should be clean.
- 5.3 The Competent Officials will provide the equipment that is required for the drug testing, including (where applicable) collection vessels, containers, Sample bottles, and approved sealing equipment.
- 5.4 Prior to the start of testing, the Competent Officials should satisfy themselves that the Doping Control Station facilities are adequate. Clubs must comply with any reasonable requests made by Competent Officials who do not believe that the facilities are adequate. The Association may make a written request for a Club to alter or improve its Doping Control Station or the facilities used for the same, and the Club shall alter or improve its Doping Control Station to meet the request within a reasonable timeframe to be stipulated by The Association.
- 5.5 The DCO(s) will make every effort to collect Samples as discreetly as possible and with maximum privacy, but it must be recognised that circumstances may impose difficulties upon a DCO that cannot easily be overcome.
- 5.6 Once the Competent Officials have confirmed their satisfaction with the facilities provided, only those people listed in paragraph 12.3 of these Guidelines should be allowed into the Doping Control Station until completion of the doping control process.
- 5.7 It is recommended that the Club arranges for a security guard/steward to be positioned outside the Doping Control Station to keep unauthorised persons from entering the Station. A 'No Entry' sign should be displayed.

6. Verification of whereabouts information

On occasion, The Association may send officials to training venues in order to verify in any respect the accuracy of the whereabouts information submitted by a Club or Player. Such verification may be conducted separately to or in conjunction with drug testing. Clubs must provide staff attending for this purpose with all necessary assistance to complete this task satisfactorily. Any inaccuracy of the whereabouts information submitted by a Club or Player that is discovered in this manner may be treated as a breach of Regulation 15 and/or Regulation 16, as appropriate.

7. Random selection of Players

- 7.1. If it is decided to select Players on a random basis, the random selection by a draw of required Players will be conducted by the Lead DCO witnessed by the Competent Officials.
- 7.2 Only the Competent Officials need to be present for the draw. Although official(s) from the relevant Club(s) whose Players are subject to testing may be invited to be present, the absence of such officials will not invalidate the draw.
- 7.3 Additional "reserve" Players will be drawn in case a Player drawn is unable and/or fails to submit to the doping control process. For the avoidance of doubt, if a Player is determined to have failed without compelling justification to submit to the doping control process, he may be charged with an Anti-Doping Rule Violation under Regulation 5.
- 7.4 During any test event, Target Testing of further Players may also be conducted at that time as a separate matter.

13 - ANTI-DOPING REGULATIONS

8. Target Testing

- 8.1 Target Testing may be conducted on Clubs or Players, including Players in the current representative England team squads. Target Testing may be requested by The Association, Professional Footballers' Association and/or Clubs.
- 8.2 A Player may be required to supply whereabouts information to The Association to allow Target Testing to take place.

9. Player rights and responsibilities

- 9.1. The Player's rights in relation to the drug testing process include the right to:
- (a) have the team physician or other representative and (if required) an interpreter present;
 - (b) be informed and ask for additional information about the Sample collection process;
 - (c) request a delay (for valid reasons) in reporting to the Doping Control Station (to be granted at the discretion of the DCO/Chaperone); and
 - (d) request modifications to the drug testing process in accordance with Annex A of the ISTI (if the Player suffers from an impairment).
- 9.2 The Player's obligations in relation to the drug testing process include the requirement to:
- (a) report immediately for a test following notification, unless there are valid reasons for a delay, as determined at the absolute discretion of the DCO or BCO;
 - (b) produce identification (in accordance with paragraph 4.4 above);
 - (c) remain within direct observation of the BCO, DCO or the Chaperone at all times from the point of notification until completion of the Sample collection; and
 - (d) comply with Sample collection procedures (where practicable the Player shall be advised of the possible consequences of failure to comply).

10. Notification of Players

- 10.1 Only in circumstances where such notification is required by the ISTI, an appropriate Club representative may be notified of the Players selected for testing prior to notification being provided to the Players. The Club representative should then be accompanied by the DCO or Chaperone to notify the Player.
- 10.2 The Club and all Club officials must ensure that the Competent Officials are given clear and unobstructed access to Players selected for testing without delay. Clubs and Club officials must provide the Competent Officials with all reasonable assistance they may require to locate the Player and carry out the notification process and Sample collection as expeditiously and as efficiently as possible. Clubs and Club officials must do all in their power to ensure that the Competent Officials make contact with Players selected for testing as soon as reasonably practicable. Any failure to comply with the above may be treated as a breach of Regulation 7 (Tampering or Attempted Tampering) or Regulation 17 (interference with the drug testing process), as appropriate.
- 10.3. Once contact has been made between the selected Player and the Competent Official, the Player will be notified of his selection for drug testing and must (in accordance with paragraph 9.2(a)) immediately report to the Doping Control Station. The Player must allow himself to be chaperoned at all times following the notification. Save only where written acknowledgement is clearly impracticable at the time of notification, upon notification the Player must acknowledge that he has been selected for drug testing by signing the relevant section of the Doping Control Form. In those exceptional cases where written acknowledgement is impracticable at the time of notification, the Player should confirm the notification when he gets to the Doping Control Station, by signing the relevant section of the form at that point.

13 - ANTI-DOPING REGULATIONS

- 10.4 If a Player is determined to have avoided notification without compelling justification, he may be charged with an Anti-Doping Rule Violation under Regulation 5 (evading, refusing or failing to submit to Sample collection) or (if Regulation 5 does not apply) with Misconduct.

11. Testing of reserves or other Players

Where a Sample cannot be collected from a Player due to injury, a Sample will be taken from another Player of the same team, either selected at random or pre-selected as a reserve. Clubs and Club officials must ensure that a Player pre-selected as a reserve does not leave the stadium, training ground or other relevant venue until the DCO has confirmed to Club officials that the Player is not needed.

12. Collection of Samples

- 12.1. Having been notified, a Player must immediately report to the Doping Control Station. On reporting to the Doping Control Station, the Player must (if he has not done so already) acknowledge that he has been selected for drug testing by signing the relevant section of the Doping Control Form. He must then remain there until the testing process is completed. He may leave the Doping Control Station only under exceptional circumstances with the prior permission of the Lead DCO and then only if chaperoned by a DCO or Chaperone at all times until his return to the Doping Control Station.
- 12.2. If a Player fails or refuses to report to provide a Sample, reports but then refuses to provide a Sample, or otherwise fails to follow the directions of the Competent Officials, he may be subject to penalties for an Anti-Doping Rule Violation under Regulation 5 or Regulation 7 or (if neither Regulation 5 nor Regulation 7 applies) for Misconduct.
- 12.3. Only the following persons should be allowed into the working room of the Doping Control Station:-
- (a) the DCO(s);
 - (b) the BCO(s);
 - (c) the Chaperone(s);
 - (d) the Player;
 - (e) the team physician or other representative nominated by the Player (and interpreter if required); and
 - (f) any other person specified by UKAD and/or The Association.

The Competent Officials may reasonably refuse access to the Doping Control Station to any person not listed in this paragraph 12.3.

- 12.4. Where a Sample is to be taken from a Player who is a Minor, the Player will be given the opportunity to have a representative, selected by and of the same gender as the Player, where practicable, present during the doping control process at all times. Even if a Minor declines a representative, the DCO shall consider whether another third party ought to be present during the notification of the Player.

13. Failure to comply with Doping Control

- 13.1. When any Competent Official becomes aware of any matters occurring before, during or after a Sample collection session that may lead to a determination of a failure to comply, he must inform the Lead DCO immediately.
- 13.2. The Lead DCO shall then:
- (a) inform the Player or other party concerned of the consequences of a possible failure to comply if practicable;
 - (b) complete the Player's Sample collection session, if possible;
 - (c) provide a detailed written report of any possible failure to comply to The Association and UKAD.

13 - ANTI-DOPING REGULATIONS

- 13.3. The Association shall then:
- (a) inform the Player or other party concerned of the possible failure to comply in writing and grant the Player an opportunity to respond;
 - (b) notify WADA, and instigate an investigation of the possible failure to comply based on all relevant information and documentation; and
 - (c) document the evaluation process.
- 13.4. If The Association determines that there has been a potential failure to comply, it shall promptly notify the Player or other party in writing of the possible consequences, i.e. that a potential failure to comply will be investigated and that appropriate follow-up action will be taken in accordance with the Anti-Doping Regulations.
- 13.5 Any additional necessary information about the potential failure to comply shall be obtained from all relevant sources, including the Player or other party, as soon as possible and recorded.
- 13.6 The Association shall investigate the potential failure to comply and take appropriate follow-up action in accordance with the Anti-Doping Regulations and any applicable disciplinary regulations.
- 13.7 The FA Anti-Doping Unit shall establish a system for ensuring that the outcomes of its investigation into the potential failure to comply are considered for the purposes of results management and, if applicable for further planning and Target Testing.

14. Urine Samples

- 14.1. As soon as a Player feels that he is ready to provide a urine Sample, he may select a Sample collection vessel and a lid from a number of clean, unused vessels/lids and proceed to provide the Sample. The collection of the Sample should be witnessed by a DCO or Chaperone who is the same gender as the Player.
- 14.2 Each Player is to be requested to provide a minimum of 90ml of urine. However, any 'shortfall' in the amount of urine provided shall not invalidate the test provided there is sufficient Sample for the analysis to be adequately performed.
- 14.3 If initially a Player is unable to provide the required amount of urine, the Sample should be sealed and kept secure in the Doping Control Station. If a Competent Official permits him to leave the Doping Control Station (under chaperone), the Player must satisfy himself that the partial Sample has been sealed and safely stored prior to leaving the Doping Control Station. When ready to add to the Sample previously provided, the Player may return to the relevant area and provide a further Sample in accordance with the procedure set out in paragraph 14.1 of these Procedural Guidelines.
- 14.4 Once the DCO is satisfied that a sufficient amount of urine has been collected, the Player will be asked to select a box containing two tamper-evident Sample bottles and to pour his Sample from the collection vessel into the bottles. One Sample bottle will be used as the "A" Sample and the other as the "B" Sample.
- 14.5 If one or more further Samples are provided pursuant to paragraph 14.3 of these Guidelines, such Sample(s) will be mixed together by the Player (or in exceptional circumstances where the Player is unable to do so, by a DCO) to create a single Sample.
- 14.6 The DCO will carry out a test on the residue of the Sample left in the collection vessel to check the specific gravity of the Sample to ensure that it falls within the range required by the ISTI. If the Sample does not fall within the required range, the Player must provide further Sample(s) in accordance with the procedure set out in paragraph 14.1 of these Procedural Guidelines until a Sample is provided that falls within the required range. The number of additional Samples to be collected is at the sole discretion of the DCO conducting the test, who may decide to abandon the test if circumstances prevent the collection of further Samples. For the avoidance of doubt, a Sample may still be analysed if it falls outside of the specified range.
- 14.7 The urine Sample must be divided by the Player (or in exceptional circumstances where the Player is

13 - ANTI-DOPING REGULATIONS

unable to do this, by a DCO in the presence of the Player) into the two bottles. It is a requirement that the "A" Sample consists of at least 60ml and the "B" Sample of at least 30ml of urine.

- 14.8 The two bottles must be closed and sealed by the Player (or in exceptional circumstances where the Player is unable to do this, by a DCO in the presence of the Player) and inserted into the box for transit to the laboratory. The Player should ensure that the code on each bottle is the same as the code entered by the DCO on the Doping Control Form.
- 14.9 The Player, any accompanying representative and the DCO present at the Doping Control Station must sign the Doping Control Form, confirming that the above procedures were carried out satisfactorily. If the Player thinks that the procedures were not carried out satisfactorily, he should declare so in writing on the Doping Control Form and state his reasons for dissatisfaction. If the Player does not indicate any dissatisfaction with the testing procedure, this shall amount to conclusive evidence that the test was properly conducted and the Player will be deemed to have waived a claim to any irregularity in the collection of the Sample.

15. Blood Samples

- 15.1 Upon arrival at the Doping Control Station, the Player will be provided with an opportunity to hydrate. The Player will be required to sit, and to remain seated and relaxed for a time specified by the DCO before providing the blood Sample. Should the Player not comply with this request, this will be recorded by the DCO.
- 15.2 The DCO or BCO will ask the Player to provide information in relation to each of the following:
 - (a) the Player's use of medication that may affect the Sample collection, particularly any medication that may affect blood clotting; and
 - (b) any disorder suffered by the Player that may affect bleeding.
- 15.3 If the Player provides any information in relation to either of the above, this should be recorded on the Doping Control Form, and the BCO (after consultation with the DCO) may determine in his or her sole discretion not to proceed with the collection procedure, in which case the DCO shall complete the Doping Control Form stating the reason why the BCO did not proceed with the collection.
- 15.4 After the required rest period, the DCO shall direct the Player to choose the required blood collection kit. The DCO/BCO will then direct the Player to choose one blood Sample storage kit (containing an "A" and "B" Sample bottle).
- 15.5 If, in assessing the Player's veins, the BCO considers that a butterfly needle is required for Sample collection, the Player shall be asked to select a butterfly needle from a selection of sealed needles.
- 15.6 The BCO will then insert the needle into the Player's vein and attach the appropriate number of container(s) to the needle to collect the blood from the Player.
- 15.7 In the event that the BCO is unable to draw sufficient blood from the first attempt, the BCO will undertake a second attempt to collect the blood Sample from a different puncture site and using a new collection kit. No more than three attempts in total to insert a needle into the Player's body will be made on a Player at any one blood collection session. Should all three attempts fail, the blood collection session will be terminated and the DCO or BCO will record the reasons for terminating the collection session. The entire blood Sample collection session will be carried out (to the extent reasonably practicable) in full view of the Player.
- 15.8 Once the BCO has collected the blood from the Player, the blood Sample containers will be inverted gently to mix the blood with the anti-coagulant (if required) and then placed on a table in full view of the Player and the BCO.
- 15.9 The DCO/BCO or Player will then place one blood Sample container into each of the "A" and "B" Sample bottles and seal the bottles. The DCO/BCO will then record the blood Sample bottle codes onto the Doping Control Form and record the time of sealing.

13 - ANTI-DOPING REGULATIONS

- 15.10 The Player shall be provided with an opportunity to document on the Doping Control Form any blood transfusions that he/she may have undergone over the last three (3) months and/or to indicate any medications taken by him or her over the past seven days. The Player will also be required to complete the 'Consent for Research' section of the Doping Control Form to document whether the Player consents for his Sample to be used for research.
- 15.11 The Player, any accompanying representative and the DCO/BCO present at the Doping Control Station must sign the Doping Control Form, confirming that the above procedures were carried out satisfactorily. If the Player considers that the procedures were not carried out satisfactorily, he should declare so in writing on the Doping Control Form and state his reasons for dissatisfaction. If the Player does not indicate any dissatisfaction with the testing procedure, this shall amount to conclusive evidence that the test was properly conducted and the Player will be deemed to have waived a claim to any irregularity in the collection of the Sample.

PART TWO – PROCEDURES SPECIFIC TO IN-COMPETITION TESTING

16. Selection of Matches

- 16.1 Drug testing may be conducted at any Match involving Participants and, save in exceptional and justifiable circumstances, no prior notice will be given either to the Clubs concerned or to the Players.
- 16.2 The Matches at which the drug tests are to be conducted will be decided by UKAD. All Matches are open to testing.

17. Procedures following the selection of Players

- 17.1. Once Players have been selected the Club must allow the Competent Officials access to observe the Players from the tunnel area and/or from an adjacent or nearby area of the pitch or stand where the Competent Officials can easily accompany the selected Players from the field of play in the event of substitution, injury or other reason for leaving the field of play.

PART THREE – PROCEDURES SPECIFIC TO OUT-OF-COMPETITION TESTING

18. General

Out-of-Competition testing may be conducted unannounced on any Player at any place and any time, whether or not such place and/or time has been provided by the Club or Player as part of the provision of whereabouts information.

19. Procedures following the selection of Players

- 19.1 Once Players have been selected, the Competent Officials must give Players a reasonable time to complete training or any other activity in which they are engaged before giving the verbal notification in accordance with paragraph 10.3 above.
- 19.2 The Club must allow the Competent Officials access to observe the Players complete training or any other activity in which they are engaged.

PART FOUR – STORAGE, DESPATCH AND ANALYSIS OF SAMPLES

20. Storage and Despatch of Samples

- 20.1 All Samples should be stored in a secure place pending despatch to the laboratory.

13 - ANTI-DOPING REGULATIONS

- 20.2 Where blood Samples are collected, the "A" and "B" Sample bottles may (depending on the transportation system being used) be placed into a plastic sleeve under the observation of the Player. The bottles will be placed into a temperature-controlled container for transportation, whatever the transportation system used.
- 20.3 Samples should be sent to the laboratory as soon as is reasonably practicable.

21. Use of accredited laboratories

For purposes of establishing an Adverse Analytical Finding, Samples shall be analysed only by WADA-accredited laboratories or laboratories otherwise approved by WADA.

22. The purpose of Sample analysis

- 22.1 Samples and related analytical data or Doping Control information shall be analysed to detect Prohibited Substances and Prohibited Methods identified in the Prohibited List and other substances as may be directed by WADA, and/or to assist in profiling relevant parameters, including DNA or genomic profiling, or for any other legitimate anti-doping or other football regulatory purpose. They may also be analysed to determine compliance with The Association's Social Drugs Regulations. Samples may be collected and stored for future analysis.
- 22.2 Investigations may be undertaken in relation to Atypical Findings and Adverse Passport Findings, and in relation to other indications of potential Anti-Doping Rule Violations, to gather intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an Anti-Doping Rule Violation has occurred.

23. Research on Samples

Samples, related analytical data and Doping Control information may be used for anti-doping research purposes, although no Sample may be used for research without the Player's written consent. Samples and related analytical data or Doping Control information used for research purposes shall first be processed in such a manner as to prevent Samples and related analytical data or Doping Control information being traced back to a particular Player.

24. Analysis of Samples

- 24.1 Laboratories shall analyse Samples and report results in conformity with the ISL. The head of the laboratory shall send the test results to UKAD. The head of the laboratory may also send results to The Association.
- 24.2 There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time The Association issues a Charge Letter to a Player, asserting the results of analysis of the Sample as the basis for a Regulation 3 Anti-Doping Rule Violation charge. If after issuing such a Charge Letter The Association wishes to conduct additional analysis on that Sample, it may do so with the consent of the Player or approval from the Regulatory Commission, Appeal Board or any other relevant hearing body.
- 24.3 After a laboratory has reported a Sample as negative, or the Sample has not otherwise resulted in an Anti-Doping Rule Violation charge, it may be stored and subjected for further analyses for the purpose of paragraph 22 at any time exclusively at the direction of either (a) the Anti-Doping Organisation that initiated and directed Sample collection, or (b) WADA. Any other Anti-Doping Organisation with authority to test the Player that wishes to conduct further analysis on a stored Sample may do so with the permission of the Anti-Doping Organisation that initiated and directed Sample collection or WADA, and shall be responsible for any follow-up results management. Any Sample storage or further analysis initiated by WADA or another Anti-Doping Organisation shall be at WADA's or that organisation's expense. Further analysis of Samples shall conform with the requirements of the International Standard for Laboratories.
- 24.4 Where The Association, UKAD, WADA, and/or a WADA-accredited laboratory (with approval from WADA or the Anti-Doping Organisation with Results Management authority) wishes to split an "A" or

13 - ANTI-DOPING REGULATIONS

“B” Sample in order to use the first part of the split Sample for an “A” Sample analysis and the second part of the split Sample for confirmation, the applicable procedures in the ISL shall be followed.

- 24.5 WADA's right to take possession of Samples and related data:
- (a) WADA may, in its sole discretion at any time, with or without prior notice, take physical possession of any Sample and related analytical data or information in the possession of a laboratory or Anti-Doping Organisation. Upon request by WADA, the laboratory or Anti-Doping Organisation in possession of the Sample or data shall immediately grant access to and enable WADA to take physical possession of the Sample or data. If WADA has not provided prior notice to the laboratory or Anti-Doping Organisation before taking possession of a Sample or data, it shall provide such notice to the laboratory and the Anti-Doping Organisation within a reasonable time after taking possession.
 - (b) After analysis and any investigation of a seized Sample or data, WADA may direct another Anti-Doping Organisation with authority to test the Player to assume Results Management responsibility for the Sample or data if a potential Anti-Doping Rule Violation is discovered.
- 24.6 All Samples provided by Players further to Doping Control under the responsibility of The Association are the property of the designated Sample collection body. The designated Sample collection body shall immediately following Sample provision by the Player concerned transfer ownership of that Sample to The Association. Following consultation with The Association, UKAD may make reasonable directions in relation to the re-analysis of Samples based on knowledge and information arising after the initial analysis. The Association shall comply with such reasonable directions.
- 24.7 The Association will endeavour to ensure that the analysis of the “A” Sample is carried out as soon as possible after arrival at the designated laboratory.
- 24.8 Access to the laboratory during analysis should be restricted to authorised members of the laboratory and to authorised observers.
- 24.9 If at any stage any question, issue or problem arises in relation to the Sample, the laboratory may conduct any further or other tests necessary to clarify or resolve the matter at issue. The results of such tests may be relied upon by The Association in any disciplinary proceedings.

PROHIBITED LIST

2022

This List shall come into effect on 1 January 2022.

THE 2022 PROHIBITED LIST WORLD ANTI-DOPING CODE

VALID 1 JANUARY 2022

Introduction

The *Prohibited List* is a mandatory *International Standard* as part of the World Anti-Doping Program.

The *List* is updated annually following an extensive consultation process facilitated by WADA. The effective date of the *List* is 01 January 2022.

The official text of the *Prohibited List* shall be maintained by WADA and shall be published in English and French. In the event of any conflict between the English and French versions, the English version shall prevail.

Below are some terms used in this *List of Prohibited Substances* and *Prohibited Methods*.

Prohibited In-Competition

Subject to a different period having been approved by WADA for a given sport, the *In-Competition* period shall in principle be the period commencing just before midnight (at 11:59 p.m.) on the day before a *Competition* in which the *Athlete* is scheduled to participate until the end of the *Competition* and the *Sample* collection process.

Prohibited at all times

This means that the substance or method is prohibited *In-* and *Out-of-Competition* as defined in the *Code*.

Specified and non-Specified

As per Article 4.2.2 of the *World Anti-Doping Code*, “for purposes of the application of Article 10, all *Prohibited Substances* shall be *Specified Substances* except as identified on the *Prohibited List*. No *Prohibited Method* shall be a *Specified Method* unless it is specifically identified as a *Specified Method* on the *Prohibited List*”. As per the comment to the article, “the *Specified Substances* and *Methods* identified in Article 4.2.2 should not in any way be considered less important or less dangerous than other doping substances or methods. Rather, they are simply substances and methods which are more likely to have been consumed or used by an *Athlete* for a purpose other than the enhancement of sport performance.”

Substances of Abuse

Pursuant to Article 4.2.3 of the *Code*, *Substances of Abuse* are substances that are identified as such because they are frequently abused in society outside of the context of sport. The following are designated *Substances of Abuse*: cocaine, diamorphine (heroin), methylenedioxymethamphetamine (MDMA/“ecstasy”), tetrahydrocannabinol (THC).

13 - ANTI-DOPING REGULATIONS

www.wada-ama.org

SCHEDULE FOUR

GUIDE TO THERAPEUTIC USE EXEMPTIONS

1. INTRODUCTION

- 1.1 The Anti-Doping Regulations permit Players to apply for permission to use, for therapeutic purposes, substances or methods on the Prohibited List whose use is otherwise prohibited under the Anti-Doping Regulations. In order to excuse the presence or Use or Possession or Administration of a Prohibited Substance or Prohibited Method that would otherwise amount to an Anti-Doping Rule Violation, a TUE must be obtained that covers such presence or Use or Possession or Administration. The process for obtaining a TUE will be managed by UKAD on behalf of The Association, in accordance with this Guide.
- 1.2 Any Player who consults a doctor and is prescribed treatment or medication shall enquire whether the prescription contains any Prohibited Substances or involves the Use of any Prohibited Methods. If so, the player should check with their doctor if they could use an alternative medication or treatment. If alternatives do not exist, are unsuitable, or have failed to be effective (if trialled), an application for a TUE should be made in accordance with this Guide.
- 1.3 The International Standard for Therapeutic Use Exemptions (the “International Standard for TUEs”) sets out the circumstances in which Players may claim such a therapeutic use exemption (or “TUE”). This Guide adopts and incorporates the International Standard for TUEs, as amended from time to time. All persons shall be deemed to accept the International Standard for TUEs and any such amendments thereto as binding upon them without further formality. In the case of any discrepancy between the International Standard for TUEs and this Guide, the International Standard for TUEs shall prevail.
- 1.4 This Guide may be updated at any time by The Association to take account of changes in the International Standard for TUEs or any other procedural changes. The version of this Guide in force at any given time will be published on The Association’s website, at www.TheFA.com.
- 1.5 Subject only to paragraph 1B2 (which identifies limited circumstances in which a retroactive TUE may be granted), the following Players must obtain a TUE, by following the process for TUE applications detailed in Sections 1A and 1B of this Guide, prior to Using or Possessing the Prohibited Substance or Prohibited Method in question:
 - Premier League Players (First Team and U23)
 - Championship Players (First Team and U23)
 - League 1 Players (First Team and U23)
 - League 2 Players (First Team and U23)
 - Registered Scholars competing in the U18 Premier League
 - Women’s Super League Players
 - Any other Player who trains or competes with any of the above groups of Players

Any Player not in any of the categories identified above does not need a TUE in advance but instead may apply for it after a test, in accordance with paragraph 1B2(c), provided that use of a Prohibited Substance or a Prohibited Method prior to that time shall be at the Player’s own risk.

13 - ANTI-DOPING REGULATIONS

- 1.6 Players must take note that TUEs issued to them by UKAD in accordance with this Guide may not be automatically recognised by UEFA or FIFA or organisers of other competitions in which they participate. It is the Player's responsibility to ensure that he complies with any additional TUE requirements placed on him by FIFA or UEFA or such other competition organiser. Any TUE granted by UKAD will not be valid for purposes of UEFA or FIFA or other competitions unless and until it is recognised by them. The Association and/or UKAD will support the Player in seeking such recognition. If UEFA or FIFA refuses to recognise that TUE, then the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then UKAD will determine whether the original TUE should nevertheless remain valid for national-level competition and Out-of-Competition Testing.
- 1.7 A Player may not apply to more than one body for a TUE.
- 1.8 The Association will recognise and respect any TUE granted to a Player by FIFA or UEFA or other body provided that the grant is consistent with the Code and the International Standard for TUEs and is within the grantor's authority. If The Association does not think the TUE should be recognised, the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then that TUE will become valid for all purposes, including for purposes of The Association's Anti-Doping Regulations.
- 1.9 A Player who seeks a TUE from UKAD consents to the disclosure of confidential medical records for the purposes of the TUE application as set out in this Guide, including:
- (a) the disclosure by the Player's physician(s) of any further information required by UKAD or the UK TUE Committee to process his/her TUE application;
 - (b) the communication by UKAD of the information in the application and/or supplemental information from the Player's physician(s) to members of the UK TUE Committee and (as required) on an anonymised basis to other independent medical or scientific experts consulted by the UK TUE Committee; and
 - (c) the communication of the grant or denial of a TUE, including the details of any conditions or restrictions on such grant, and any supporting documentation or information, to The Association, FIFA, WADA and other Anti-Doping Organisations. The data will be processed by UKAD, The Association and any other relevant party for the purposes of carrying out these Anti-Doping Regulations.
- 1.10 Should the Player wish to revoke the consent set out in the preceding paragraph, he or she must notify UKAD and his/her physician(s) in writing of the fact, provided that upon such revocation of consent the application for a TUE (or for renewal of an existing TUE) will be deemed denied.

13 - ANTI-DOPING REGULATIONS

Section 1A: Process for applying for a Therapeutic Use Exemption (TUE)

1A1 An application for a TUE:

- must not be made simultaneously to both UKAD and another body;
- should be made on forms provided by UKAD, UEFA or FIFA, provided that they are in English and comply with the International Standard for TUEs;
- must be completed legibly, fully and accurately, in English, and must be signed by the Player and by any physician(s) supporting the application;
- must specify the dose, frequency, route and duration of proposed administration of the otherwise Prohibited Substance or Prohibited Method;
- must also include a comprehensive medical history of the Player and the results of all clinical examinations, laboratory investigations and imaging studies relevant to the application. For TUE applications involving imaging studies and respiratory function tests, copies of images or physiological data should be submitted, as well as any interpretative reports that may have been produced;
- must also enclose copies of any prior application(s) that the Player has made for the TUE, to whomever made, and the decision made on such application(s), or else must confirm that the Player has not made any prior application for the TUE;
- must provide completely accurate and up-to-date contact details for the Player and for each physician supporting the application, including in each case a current mailing address and phone number; and
- must be sent to UKAD either by e-mail or post (if posted, in an envelope marked "Private and confidential TUE Application"):

TUE
UK Anti-Doping,
Sport Park,
3 Oakwood Drive,
Loughborough, LE11 3QF

or by e-mail: tue@ukad.org.uk

1A2 Players should retain a copy of the application and enclosures sent to UKAD, along with proof of the date of mailing/emailing.

1A3 UKAD will make best efforts to carry out an administrative review of the application within three (3) working days of receipt to confirm that the application:

- falls within UKAD's TUE jurisdiction. If the Player falls under the TUE jurisdiction of UEFA or FIFA, then UKAD will forward the application to UEFA or FIFA (as applicable) for review. Any delay shall be at the risk of the Player, who is responsible for making the application to the correct authority in the first place;
- has been completed fully and accurately in accordance with paragraph 1A1, above; and
- is accompanied by sufficient medical information to process the application.

1A4 If the application is incomplete and/or otherwise does not meet the necessary requirements, it will be returned to the Player with an explanation to that effect, and he/ she shall be invited to re-apply in compliance with the necessary requirements. Any delay shall be at the risk of the Player, who is responsible for submitting a proper and complete application.

1A5 If the application passes the administrative review, UKAD will forward it to three members of the UK TUE Committee, one of whom will be designated as the Chair. The Chair will coordinate the responses of the UK TUE Committee and provide a final decision to UKAD with respect to the application. The Chair shall also be responsible for requesting, where necessary, further specialist input to support the UK TUE Committee in making a final decision. Timeframes for the review of TUE applications are set out in Section 1D.

13 - ANTI-DOPING REGULATIONS

- 1A6** The members of the UK TUE Committee shall meet the following criteria:
- each of them shall be a physician with experience in the care and treatment of Players and a sound knowledge of clinical, sports and exercise medicine;
 - in cases where specific expertise is required (for example, for Athletes with impairments where the substance or method pertains to the Athlete's impairment), at least one (1) member or expert of the UK TUE Committee should possess such expertise; and
 - a majority of the UK TUE Committee members must not have any official responsibility within football. At the discretion of the Chair, however, one of the three physicians may be a Football Association medical officer, in order to provide sport-specific expertise, provided that such person must otherwise satisfy these criteria; and (b) they will observe confidentiality with respect to the entire TUE process.
- 1A7** The UK TUE Committee will review the application, including the medical information provided, and make a decision as soon as reasonably practicable. The UK TUE Committee will only grant the TUE if the Player demonstrates to the satisfaction of the Committee, on the balance of probabilities, that all four of the following conditions are met:
- (a) The Prohibited Substance or Prohibited Method in question is needed to treat a medical condition, supported by relevant clinical evidence.
 - (b) The Therapeutic Use of the Prohibited Substance or Prohibited Method will not produce any additional enhancement of performance beyond what might be anticipated by a return to the Player's normal state of health following the treatment of the medical condition.
 - (c) The Prohibited Substance or Prohibited Method is an indicated treatment for the medical condition, and there is no reasonable permitted Therapeutic alternative.
 - (d) The necessity for the Use of the Prohibited Substance or Prohibited Method is not a consequence, wholly or in part, of the Player's prior Use (without a TUE) of a substance or method which was prohibited at the time of such Use.
- 1A8** Where it does not need any further information to process the application, the UK TUE Committee will make best efforts to make a decision within seven (7) days of its receipt of the application. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the application, whether from the Player or his physician or from a third party, the UK TUE Committee shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Committee shall make its decision as soon as reasonably practicable after receipt of the further information or opinion.
- 1A9** The UK TUE Committee's decision to grant a TUE must be unanimous to be valid.
- 1A10** If the UK TUE Committee grants the TUE, it shall detail in its decision (a) the approved substance or method, the dosage(s), frequency and route of Administration permitted, (b) the duration of the exemption granted; and (c) any conditions or requirements that the Player must satisfy.
- 1A11** If the UK TUE Committee denies the TUE, it shall state its reasons for doing so in the decision itself.
- 1A12** UKAD will send copies of the UK TUE Committee's decision, on a confidential basis, to the Player and/or to the Player's designated representative. UKAD may send The Association a copy where necessary. UKAD will also share a copy of the decision on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.
- 1A13** If the UK TUE Committee denies the TUE application, then at the same time as UKAD sends a copy of the decision to the Player, it shall also advise him/her of the right to appeal the decision to the UK TUE Appeal Panel in accordance with Section 1D of this Guide.
- 1A14** The submission of false or misleadingly incomplete information in support of a TUE application may result in the bringing of disciplinary charges for breach of Regulation 7 of the Anti-Doping Regulations (Tampering or Attempted Tampering) or (as appropriate) for Misconduct.

13 - ANTI-DOPING REGULATIONS

Section 1B: Timing of Applications for TUEs and Effective Dates for TUE Grants

1B1 In accordance with the International Standard for TUEs, subject only to the exceptions set out in paragraph 1B2, a Player is required to obtain a TUE in advance of Using or Possessing the Prohibited Substance or Prohibited Method in question. He must apply for the TUE as soon as the requirement for the TUE arises and no less than twenty-one (21) days before participating in an event or competition.

Retroactive TUE applications

1B2 A Player may only be granted a retroactive TUE for his prior Use of a Prohibited Substance or Prohibited Method if all four of the conditions set out at paragraph 1A7 are met and:

- (a) emergency or urgent treatment of a medical condition was necessary; or
- (b) there was insufficient time, opportunity or other exceptional circumstances that prevented the Player from submitting, or the UK TUE Committee to consider, an application for the TUE prior to Doping Control; or
- (c) the Player falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5;
- (d) the Player Used Out-of-Competition, for Therapeutic reasons, a Prohibited Substance that is only prohibited In-Competition

1B3 In exceptional circumstances and notwithstanding any other provision in this Schedule Four, a Player may apply for and be granted retroactive approval for their therapeutic Use of a Prohibited Substance or Prohibited Method if, considering the purpose of the Code, it would be manifestly unfair not to grant a retroactive TUE. In the case of International-Level and National-Level Players (as defined by the Code), any such grant must be with the prior approval of WADA.

1B4 An application for a TUE covering emergency treatment or treatment of an acute medical condition should be made within five (5) working days of the commencement of Use of the Prohibited Substance or Prohibited Method in question. UKAD may extend this deadline if the Player provides compelling reasons why it should do so.

1B5 If a Player is tested who falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5, the Player must submit an application for a retroactive TUE in accordance with Section 1A of this Guide so that it is received by UKAD no later than five (5) working days after an Adverse Analytical Finding is reported in respect of the Sample collected from the Player. UKAD may extend this deadline if the Player provides compelling reasons why it should do so.

Effective dates for TUE grants

1B6 A Player may not assume that his/her application for a TUE (or for renewal of a TUE) will be granted. Any Use or Possession of a Prohibited Substance or Prohibited Method before an application has been granted shall be entirely at the Player's own risk.

1B7 A TUE granted by a UK TUE Committee may be cancelled if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE.

1B8 If there is a change to the dose, frequency, route or duration of the administration of the Prohibited Substance or Prohibited Method where a TUE has been granted, the TUE will no longer be valid and the Player must apply for a new TUE immediately.

1B9 On expiry of the term of a TUE granted by the UK TUE Committee, a Player who wishes to continue to use the Prohibited Substance or Prohibited Method in question must again apply for a TUE in accordance with Section 1A of this Guide. A player should submit an application for a new TUE well in advance of that expiry date, so that there is sufficient time for a decision to be made on the application before the TUE expires.

13 - ANTI-DOPING REGULATIONS

Section 1C: Expiration or Cancellation of a TUE

- 1C1** A TUE granted pursuant to this Guide:
- (a) shall expire in accordance with paragraph 1A.10 at the end of any term for which the TUE was granted;
 - (b) may be cancelled by UKAD if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE; or
 - (c) may be withdrawn by the UK TUE Committee (as applicable) if it is subsequently determined that the criteria for grant of a TUE are not in fact met.
- 1C2** Expiration of a TUE pursuant to paragraph 1C1(a) shall take effect automatically at the end of the term for which the TUE was granted without the need for any further notice or other formality.
- 1C3** Cancellation of a TUE pursuant to paragraph 1C1(b) or withdrawal of a TUE pursuant to paragraph 1C1(c) shall be notified by UKAD to the Player and/or the Player's designated representative and all other relevant Anti-Doping Organisations. Such notice shall take effect upon receipt. UKAD may also notify The Association where necessary.
- 1C4** In the event of an expiration, cancellation or withdrawal of the TUE pursuant to paragraph 1C1, the Player shall not be subject to any consequences based upon his/her Use or Possession of the Prohibited Substance or Prohibited Method in question in accordance with the TUE at any time prior to the effective date of expiry, cancellation or withdrawal of the TUE. If the analysis of the Player's "A" Sample indicates the presence of a Prohibited Substance or the Use of a Prohibited Method, The Association shall consider whether such finding is consistent with Use of the Prohibited Substance or Prohibited Method prior to that date, in which case there shall be no case to answer.

Section 1D: Process for Appealing a Denial or Conditional Grant of a Therapeutic Use Exemption

- 1D1** A Player who wishes to appeal a decision of the UK TUE Committee must lodge written notice of the appeal with UKAD within ten (10) working days of the date of receipt of the decision in question. The only available grounds of appeal shall be that the decision is not consistent with the requirements of the International Standard for TUEs.
- 1D2** The notice should be sent to UKAD at the following address, in an envelope marked "Private and confidential TUE Appeal":
- TUE
UK Anti-Doping,
Sport Park,

Loughborough,
LE11 3QF
- or by e-mail: tue@ukad.org.uk
- 1D3** UKAD will pass the notice of appeal, along with the complete file of the original TUE application, to the UK TUE Appeal Panel. The UK TUE Appeal Panel will be made up of three (3) members meeting the criteria set out at clause 1A7, but who were not involved in the decision being appealed.
- 1D4** The UK TUE Appeal Panel will review the application, including the medical information provided, and make a decision as soon as reasonably practicable, in accordance with the requirements set out in the International Standard for TUEs and without being bound in any way by the decision being appealed.

13 - ANTI-DOPING REGULATIONS

- 1D5** The UK TUE Appeal Panel must make its decisions unanimously for a TUE to be granted. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the appeal, whether from the Player or his physician or from a third party, the UK TUE Appeal Panel shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Appeal Panel shall make its decision as soon as reasonably practicable after receipt of the further information or opinion. The Chair of the UK TUE Appeal Panel will provide a copy of the written decision to UKAD as soon as practicable, the target being within two (2) working days of the decision being made.
- 1D6** If the UK TUE Appeal Panel grants the TUE, it shall detail in its decision (a) the duration of the exemption; and (b) any conditions or requirements that the Player must satisfy.
- 1D7** If the UK TUE Appeal Panel denies the TUE, it shall state its reasons for doing so in the decision itself.
- 1D8** UKAD will send copies of the UK TUE Appeal Panel's decision, on a confidential basis, to the Player and/or the Player's designated representative. UKAD may also notify The Association where necessary. UKAD will also share a copy on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.
- 1D9** The foregoing provisions of this Section 1D shall be without prejudice to:
- (a) the right of a Player to appeal to the UK TUE Appeal Panel against any decision of the UK TUE Committee denying a TUE, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (b) the right of a Player to request that WADA exercise its discretion to intervene and overturn any decision of the UK TUE Appeal Panel, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (c) the right of WADA, on its own initiative, to reverse a TUE decision if it determines that such decision did not comply with the International Standard for TUEs; and
 - (d) the right of the Player or UKAD (or FIFA or UEFA in accordance with their rules) to appeal to CAS against any decision made by WADA reversing a TUE decision made pursuant to this Guide.
- 1D10** Until such time as the grant of a TUE application made pursuant to this Guide has been reversed by WADA, or the denial of a TUE application made pursuant to this Guide has been reversed by WADA, or overturned on appeal, such grant or denial shall remain in full force and effect.
- 1D11** Where UKAD fails to take action on a properly submitted application for a TUE within a reasonable time, this failure to decide may be considered a denial of the application for the purpose of the appeal rights provided in this schedule.

14 - SOCIAL DRUGS REGULATIONS

1. EFFECTIVE DATE

- 1.1 These Social Drugs Regulations are issued pursuant to FA Rule J1.3.1. The amendments to the Social Drugs Regulations shall come into full force and effect on 25 May 2021 (the “Effective Date”).
- 1.2 The substantive amendments to the Social Drugs Regulations that are introduced by this version shall not apply to conduct occurring prior to the Effective Date. Instead, that conduct and its consequences shall be governed by the substantive provisions of the Social Drugs Regulations and the Rules and Regulations of The Association that were in force at the time the conduct occurred, save that (1) if these Social Drugs Regulations provide for lesser consequences for that conduct, the lesser consequences will apply; and (2) no disciplinary action will be taken against any Player as a result of a hair Sample collected after the Effective Date resulting in a Social Drug Finding relating to Use prior to the Effective Date. In any event, all procedural aspects of any case will be governed by this version of the Social Drugs Regulations, whenever the conduct at issue occurred. However, all procedural aspects of any case will be governed by this version of the Social Drugs Regulations, whenever the conduct at issue occurred.

2. DEFINITIONS

- 2.1 As of the Effective Date, the term “Social Drug” means any of the following: amphetamine, cannabinoids (for example, hashish and marijuana), cocaine, diamorphine (aka heroin), ketamine, lysergic acid diethylamide (aka LSD), mephedrone, methadone, methylamphetamine, methylenedioxyethylamphetamine (aka MDMA or ecstasy) and methylenedioxyethylamphetamine (MDEA).

 - 2.2.1 Any changes to the list of Social Drugs after the Effective Date will be published on The Association’s website (located at TheFA.com) and will take effect from the date of such publication. The PFA will be notified at least 14 days in advance of such changes.
 - 2.2.2 The Association’s designation of a substance as a Social Drug is final and may not be challenged on any basis.
- 2.3 Where used in these Social Drugs Regulations:

 - 2.3.3 “Attempt” means purposely engaging in conduct that constitutes a substantial step in a course of conduct planned to culminate in the commission of a breach of these Regulations; provided, however, there shall be no breach based solely on an attempt to commit a breach if the Participant renounces the attempt prior to it being discovered by a third party not involved in the attempt.
 - 2.3.4 “In-Competition” means the period commencing at 23:59 on the day before a Match in which the Player is scheduled to participate through to the end of said Match, including any Sample collection process after the conclusion of the Match.
 - 2.3.5 “Marker” means a compound, group of compounds, or biological variable(s) that indicate the Use of a Social Drug.
 - 2.3.6 “Metabolite” means any substance produced by a biotransformation process.
 - 2.3.7 “No Fault or Negligence” means that the Participant is able to establish that he did not know or suspect, and could not reasonably have known or suspected even with the exercise of utmost caution, that he had Used or been administered the Social Drug or otherwise violated these Regulations. Except in the case of a Player who has not reached the age of 18, for any breach of Regulation 4.1.1, the Player must also establish how the Social Drug entered his system.

14 - SOCIAL DRUGS REGULATIONS

- 2.3.8 "Out-of-Competition" means any time that is not In-Competition.
 - 2.3.9 "Player Support Person(nel)" means any person working with, treating or assisting a Player participating in or preparing for Matches or training sessions, including but not limited to a coach, trainer, manager, agent, Intermediary (as defined in The Association's Regulations on Working with Intermediaries), club staff, official, nutritionist, medical or paramedical personnel, or parent.
 - 2.3.10 "Possession" has the same meaning as given to it at Regulation 4.1.3.1.

 - 2.3.12 "Sample" means any biological material collected for the purpose of testing pursuant to these Social Drugs Regulations, including (without limitation) hair and urine.

 - 2.3.15 "Tampering" has the same meaning as given to it at Regulation 4.1.8.1.
 - 2.3.16 "Trafficking" means selling, giving, transporting, sending, delivering, or distributing (or Possessing for any such purpose) a Social Drug (either physically or by any electronic or other means) by a Participant to any third party.
 - 2.3.17 "Use" means the utilisation, application, ingestion, injection, consumption, or other use by any means whatsoever of any Social Drug.
- 2.4 Terms denoting the male gender shall be read to include as an alternative the female gender.
 - 2.5 Unless otherwise indicated, references to a "Regulation" are to a particular provision in these Social Drugs Regulations, as amended from time to time.

3. PURPOSE

- 3.1 These Social Drugs Regulations are not concerned with the presence, Use, etc. of Social Drugs during the In-Competition period or with the illicit enhancement of sports performance. Such concerns are addressed solely and exclusively by The Association's Anti-Doping Regulations. To that end, nothing in these Social Drugs Regulations is intended to be interpreted or applied or should be interpreted or applied in a manner that undermines the strict application and enforcement of The Association's Anti-Doping Regulations in accordance with their terms. In particular, if any conduct that would constitute a breach of these Social Drugs Regulations also constitutes a breach of the Anti-Doping Regulations, it shall be pursued as a breach of the Anti-Doping Regulations, and not as a breach of these Social Drugs Regulations.
- 3.2 Instead, these Social Drugs Regulations have been adopted because experience shows that, due to their age, spare time, disposable income, etc., Players are at risk of being exposed to Social Drugs while Out-of-Competition, with the following potential consequences:
 - 3.2.1 Damage to the physical and/or mental health and welfare of a Player using Social Drugs (and so to his career, as well as to his general well-being), both in the short-term and (because of the addictive qualities of Social Drugs) in the long-term.
 - 3.2.2 Players under the influence of Social Drugs injuring themselves or others during training, due to the negative effect that Social Drugs can have on both mental and physical functioning (such as motor functioning, reaction time, altered perception, concentration, judgment, and decision-making).

14 - SOCIAL DRUGS REGULATIONS

- 3.2.3 Players testing positive immediately after a match for a Social Drug taken Out-of-Competition (because metabolites of the drug remain in the system for several days or even weeks), and consequently being banned from the sport under the Association's Anti-Doping Regulations.
- 3.2.4 Harm to public health where Players' Use of Social Drugs is copied by young players and fans who see them as role models.
- 3.2.5 Damage to the image and reputation of the sport, with parents potentially being deterred from permitting their children to pursue a career in the sport and/or commercial partners potentially being deterred from associating their brands with the sport.
- 3.3 The purpose of these Social Drugs Regulations is to prevent these damaging consequences by providing for (i) courses of education, counselling and treatment, where appropriate, to rehabilitate Players who have become involved with Social Drugs while Out-of-Competition; and (ii) the imposition of proportionate sanctions when necessary to address such conduct and to deter similar conduct in the future.
- 3.4 These Social Drugs Regulations are to be interpreted and applied (including where an issue arises that is not expressly provided for in these regulations) by reference to the foregoing objectives. This purposive interpretation and application will take precedence over any strict legal or technical interpretations that may otherwise be proposed.

4. PROHIBITED CONDUCT

- 4.1 Subject always to Regulation 4.3, each of the following shall constitute a breach of these Social Drugs Regulations (whether or not it takes place in connection with a training session or other activity organised by a Club):
 - 4.1.1 The presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample provided by a Player while he is Out-of-Competition.
 - 4.1.1.1 Subject to Regulation 4.1.1.3, such presence is a strict liability offence, i.e., to establish a breach of Regulation 4.1.1 no proof is required that the Player ingested the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge for breach of Regulation 4.1.1.
 - 4.1.1.2 The following evidence shall be sufficient to establish the presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample collected from the Player while he was Out-of-Competition: (A) a Social Drug Finding in respect of the Player's "A" Sample, where the Player waives analysis of the "B" Sample; (B) a Social Drug Finding in respect of the Player's "A" Sample, where analysis of the Player's "B" Sample confirms that Social Drug Finding; or (C) where the Player's Sample has been split into two parts, and there has been a Social Drug Finding in respect of the first part of the split Sample, and the Player waives analysis of the confirmation part of the split Sample, or else analysis of the confirmation part of the split Sample confirms the Social Drug Finding made in respect of the first part of the split Sample.
 - 4.1.1.3 It shall be a defence to a charge brought under Regulation 4.1.1 for a Player to prove that his ingestion of a Social Drug took place during a period of time during which he was not a Participant and therefore was not bound by these Social Drugs Regulations.
 - 4.1.2 The Use or Attempted Use of a Social Drug by a Player while he is Out-of-Competition.
 - 4.1.2.1 Such Use is a strict liability offence, i.e., to establish the offence of Use of a Social Drug by a Player while he is Out-of-Competition, in breach of Regulation 4.1.2, no proof is required that the Player Used the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge of Use in breach of Regulation 4.1.2.

14 - SOCIAL DRUGS REGULATIONS

- 4.1.2.2 In contrast, to establish the offence of Attempted Use of a Social Drug by a Player while Out-of-Competition, The Association must prove intent on the part of the Player.
- 4.1.3 Possession of a Social Drug by a Player while he is Out-of-Competition.
- 4.1.3.1 "Possession" means the actual physical possession, or the constructive possession (which shall be found only if the Participant has exclusive control or intends to exercise control over the Social Drug or the premises in which a Social Drug exists); provided, however, that if the Participant does not have exclusive control over the Social Drug or the premises in which a Social Drug exists, constructive possession shall only be found if the Participant knew about the presence of the Social Drug and intended to exercise control over it. There shall be no breach of these Regulations based solely on possession if, prior to receiving notification of any kind that the Participant has committed a breach under these Regulations, the Participant has taken positive action demonstrating that he never intended to have possession and has renounced possession by expressly declaring it to The Association. Notwithstanding anything to the contrary in this definition, the purchase (including by any electronic or other means) of a Social Drug constitutes Possession by the Participant who makes the purchase. The term "Possession" shall also encompass circumstances where a Player Support Personnel or other third party is holding a Social Drug on behalf of the Player while he is Out-of-Competition, at the direction of the Player and/or with the Player's knowledge and acquiescence.
- 4.1.4 Possession of a Social Drug by a Player Support Person or other Participant on behalf of a Player for Use by the Player when the Player is Out-of-Competition.
- 4.1.5 Administration or Attempted Administration of a Social Drug by a Player or other Participant to a (nother) Player (with or without his knowledge) while the (other) Player is Out-of-Competition.
- 4.1.6 Trafficking or Attempted Trafficking of one or more Social Drugs by a Player or other Participant.
- 4.1.7 Evading Sample collection; or refusing or failing to submit to Sample collection without compelling justification.
- 4.1.8 Tampering or Attempted Tampering by a Participant.
- 4.1.8.1 "Tampering" means intentional conduct which subverts any step or process carried out pursuant to these Social Drugs Regulations, from test planning through to ultimate disposition of any appeal and the enforcement of Consequences (including all steps and processes in between). Tampering shall include, without limitation, offering or accepting a bribe to perform or fail to perform an act, preventing the collection of a Sample, affecting or making impossible the analysis of a Sample, falsifying documents submitted to The Association or any other relevant body, procuring false testimony from witnesses, committing any other fraudulent act upon The Association or any other relevant body, and any other similar intentional interference or Attempted interference with any aspect of any step or process carried out pursuant to these Social Drugs Regulations.
- 4.1.9 Assisting, encouraging, aiding, abetting, conspiring, covering up, or any other type of intentional complicity (or Attempt at the same) by a Player or other Participant in relation to a breach by another Player or other Participant of these Social Drugs Regulations.
- 4.2 All Players, Player Support Personnel, and other Participants are responsible for ensuring that they know what substances have been designated Social Drugs and what conduct is prohibited under these Social Drugs Regulations. Professed ignorance of these Social Drugs Regulations shall not be a defence to a charge of breach of these Social Drugs Regulations nor provide mitigation in respect of sanction. Nor shall it be a defence that the breach did not have any effect on any Player's sports performance.

14 - SOCIAL DRUGS REGULATIONS

- 4.3 A Player with a documented medical condition may apply in advance in writing to The Association for permission to Use a Social Drug for a defined period to treat that condition. Such application must be accompanied by accurate and complete medical evidence justifying such Use. The Association may grant or deny such application, conditionally or otherwise, in its absolute discretion. Any permission granted must be in writing in order to be valid for these purposes. Any presence of a Social Drug in a sample, or any Use, Possession, Administration or supply of a Social Drug that is consistent with such permission shall not amount to a breach of these Social Drugs Regulations. An application for permission to use a Social Drug will not be considered for retroactive approval except in cases where the emergency treatment or treatment of an acute medical treatment was necessary or due to exceptional circumstances there was insufficient time or opportunity for a Player to submit an application prior to drug testing.

5. MONITORING/INVESTIGATING COMPLIANCE

- 5.1 In accordance with its general power under Rule F to monitor compliance with its Rules and regulations, The Association may monitor compliance with these Social Drugs Regulations as it sees fit, including (without limitation) by having Samples collected from Players while they are Out-of-Competition and analysed by a duly credited laboratory for the presence of Social Drugs, their Metabolites, and Markers.
- 5.1.1 Samples may be collected for this purpose at any time and place during Out-of-Competition periods, without any advance notice, including (without limitation) in reliance on whereabouts information provided pursuant to the Anti-Doping Regulations.
- 5.1.2 The procedures set out in Schedule One for the collection and analysis of Samples shall apply.
- 5.2 The Association may also exercise its powers of inquiry under Rule F to investigate possible instances of breach of these Social Drugs Regulations.
- 5.3 The private testing/screening of Players for Social Drugs by any Participant is prohibited, and amounts to Misconduct contrary to Rule E. A Club may refer any good faith concerns that it has about a Player's or other Participant's lack of compliance with these Social Drugs Regulations to The Association, which shall address such concerns as it sees fit.
- 5.4 Where The Association has evidence that it considers may justify a charge of Misconduct based on a breach of these Social Drugs Regulations, prior to issuing any charge The Association may inform the Player or other Participant in question of that evidence in writing, and give him the opportunity to provide a written explanation in response within a designated time.
- 5.4.1 In respect of Players, the letter may also (where the Player is registered with a Club) be sent to a senior representative of his Club. If the Player is a member of the PFA and consents to the letter being sent to a representative of the PFA, the letter will also be sent to that representative.
- 5.4.2 Instead of or in addition to any written explanation, The Association may require the Player or other Participant to attend a personal interview to answer its questions. He may be accompanied at the interview by one representative of his Club, a legal adviser, and/or (where relevant) a representative of the PFA. Such interview may be recorded, and the recording may be used by The Association in any disciplinary proceedings brought against such Player or other Participant or others.

6. SUPPORT AND REHABILITATION OF PLAYERS THROUGH EDUCATION, COUNSELLING AND/OR TREATMENT

- 6.1 The Association will identify options for support and rehabilitation through education, counselling and/ or treatment of Players who breach these Social Drugs Regulations, for consideration by the Regulatory Commission in the exercise of its powers under Regulation 8.1.1 and Regulation 8.6.1 in referring a Player for education, counselling and/or treatment. Where the Player is a member of the PFA and so consents, The Association will identify such options in close consultation with the PFA.

14 - SOCIAL DRUGS REGULATIONS

- 6.2 If The Association has evidence that it considers may justify a charge against a Player of Misconduct based on a breach of these Social Drugs Regulations, it may at any time require that Player to meet with a specialist in drug misuse and addiction for assessment and evaluation. The specialist's report shall be provided to The Association and the Player.
- 6.3 The Regulatory Commission may at any time order a Player charged with breach of the Social Drugs Regulations to meet with a specialist in drug misuse and addiction for assessment and evaluation, in order to assist the Regulatory Commission in deciding whether to exercise its powers under Regulation 8.6.1.

7. DISCIPLINARY PROCEEDINGS

- 7.1 A breach of these Social Drugs Regulations shall constitute Misconduct contrary to Rule E25. Accordingly, The Association may bring disciplinary proceedings for Misconduct pursuant to Rule E1.2 against the Player or other Participant involved in the breach. The Regulations for Football Association Disciplinary Action shall apply to such proceedings, as amended/supplemented below.
- 7.2 The Association may provisionally suspend a Player or other Participant on or at any point after (a) the date that it notifies him of a Social Drug Finding (where applicable); (b) the date that he admits to a breach of these Social Drugs Regulations (before being charged); or (c) the date that it charges him with a breach of these Social Drugs Regulations. No appeal shall lie against the imposition of a Provisional Suspension, but the Player or other Participant who is the subject of the Provisional Suspension shall be entitled to an expedited hearing and determination of the charge against him.
- 7.3 Where a Social Drug Finding is reported, The Association shall afford the Player involved confirmatory analysis of the "B" Sample. The Player may request or waive such confirmatory analysis as he sees fit. If analysis of the "B" Sample is undertaken and it does not confirm the presence of a Social Drug or its Metabolite(s) or Marker(s) in the "B" Sample, the entire test shall be considered negative, any charge based on the Social Drug Finding shall be withdrawn, and any Provisional Suspension that has been imposed based on the Social Drug Finding shall be lifted automatically, without the need for further formality.
- 7.4 The Association must prove an alleged breach of these Social Drugs Regulations on the balance of probabilities. It may prove facts establishing that breach by any reliable means. Departures from the procedural guidelines set out at Schedule One or any procedure relevant to these Social Drugs Regulations will not invalidate analytical results or other evidence of a breach of these Social Drugs Regulations, unless the Participant establishes that such a departure could reasonably have caused that breach.
- 7.5 Where these Social Drugs Regulations place the burden of proof on a Participant to rebut a presumption or establish specific facts or circumstances, the standard of proof will also be on the balance of probabilities.

8. CONSEQUENCES

- 8.1 Subject to the other provisions of this Regulation 8:
- 8.1.1 For a breach of Regulation 4.1.1 (presence in a Sample), Regulation 4.1.2 (Use or Attempted Use), Regulation 4.1.3 (Possession by a Player), or Regulation 4.1.4 (Possession by a Player Support Person or other Participant), the following consequences shall be imposed:
- (a) if it is the Participant's first breach of these Social Drugs Regulations, then the Regulatory Commission shall (i) issue a warning, (ii) require the Player to undergo a course of assessment/evaluation, education, counselling and/or treatment, and (iii) may impose a fine in such amount as the Regulatory Commission sees fit.
- (b) if it is the Participant's second or subsequent breach of these Social Drugs Regulations, the Regulatory Commission shall impose a three month period of suspension. However, the period of suspension imposed under this Regulation 8.1.1(b) may be reduced to one month if the Participant agrees to complete, to The Association's satisfaction, a course of assessment/evaluation, education, counselling, and/or treatment.

14 - SOCIAL DRUGS REGULATIONS

- 8.1.2 For a breach of Regulation 4.1.5 (Administration or Attempted Administration) or Regulation 4.1.6 (Trafficking or Attempted Trafficking), 4.1.7 (evading Sample collection; or refusing or failing to submit to Sample collection without compelling justification), or Regulation 4.1.8 (Tampering or Attempted Tampering) a sanction within the following range shall be imposed:
- (a) for a first breach of these Social Drugs Regulations – a suspension in the range of 4 to 12 months;
 - (b) for a second breach of these Social Drugs Regulations – a suspension in the range of 12 to 48 months;
 - (c) for a third breach or subsequent breach of these Social Drugs Regulations – a suspension of 24 months or more.
- 8.1.3 For a breach of Regulation 4.1.9 (complicity), the sanction shall be the same as if the Player or other Participant had personally committed the breach in which he was complicit. Any course of assessment/evaluation, education, counselling and/or treatment that may be imposed pursuant to this Regulation 8.1.3 shall be appropriate to the nature of the relevant Participant's breach of Regulation 4.1.9.
- 8.1.4 For a breach of Regulation 5.3 (private testing for Social Drugs), the general powers for sanctioning Misconduct set out under the Regulations for Football Association Disciplinary Action shall apply.
- 8.2 If a Participant refuses or fails to complete any imposed course of assessment/evaluation, education, counselling and/or treatment to the satisfaction of The Association, then The Association may refer the matter back to the Regulatory Commission to determine what (if any) further consequences should be imposed. In the event that such refusal or failure relates to a course agreed to by a Participant under Regulation 8.1.1(b), such additional sanction shall include (as a minimum) the imposition of an additional two-month period of suspension.
- 8.3 For purposes of Regulation 8.1, a breach of the predecessor Rules and/or regulations to these Social Drugs Regulations shall be treated as a prior breach of these Social Drugs Regulations even though it took place prior to the Effective Date, provided that it took place within ten years of the breach of the Social Drugs Regulations for which a sanction is now being determined.
- 8.4 Notwithstanding any other provision in these Social Drugs Regulations:
- 8.4.1 If a Participant establishes in any case that he bears No Fault or Negligence for the breach in question, any otherwise applicable sanction will be eliminated. No Fault or Negligence will only be found in exceptional circumstances and shall not apply where offending conduct is intentional.
 - 8.4.2 In imposing sanctions, a Regulatory Commission (or where relevant an Appeal Board) must apply any mitigating and/or aggravating factors, to include but not limited to the disciplinary record of the Participant and other factors that may be communicated by the Association from time to time.
 - 8.4.3 Where a Participant voluntarily admits to having committed a breach of these Social Drugs Regulations before receiving notice that The Association is investigating such breach and before receiving notice of a Sample collection that could establish such breach, and that admission is the only reliable evidence of the breach at the time of admission, then any fine may be waived, and any otherwise applicable period of suspension may be reduced by up to one half, even if that takes it below the minimum period specified in Regulation 8.1.

14 - SOCIAL DRUGS REGULATIONS

- 8.5 Generally, a period of suspension shall start running from the date that such suspension is imposed. However:
- 8.5.1 The Participant shall be given credit for any period of Provisional Suspension that he has served.
- 8.5.2 Where the Participant admits the breach promptly after being notified of it by The Association, the Regulatory Commission may back-date the period of suspension so that it is deemed to have started on or at any time after the date that the breach occurred. This discretion may not be exercised, however, where the period of suspension has been reduced under Regulation 8.4.3.
- 8.6 In any case that is brought before a Regulatory Commission for breach by a Player of these Social Drugs Regulations, in addition to applying the foregoing provisions of this Regulation 8:
- 8.6.1 The Regulatory Commission may refer the Player for evaluation and assessment by one or more specialists in drug misuse and addiction, in order to determine whether it is appropriate to require the Player to attend a course of education, counselling, and/or treatment designed to assist in his rehabilitation.
- 8.6.2 The Regulatory Commission may order that the Player be tested with or without prior notice, including during any period of suspension and/or any course of education, counselling, and/or treatment, in order to monitor his ongoing compliance with these Social Drugs Regulations.
- 8.7 In accordance with Regulation 41 of The Association's Disciplinary Regulations, in any case of breach of these Social Drugs Regulations the Regulatory Commission may where it sees fit impose a fine in addition to any other consequences specified in this Regulation 8, provided that such fine should not take the place of or reduce any period of suspension that would otherwise be imposed. The Regulatory Commission may also order the Player or other Participant charged to pay a contribution towards the costs incurred by The Association.

9. DISCIPLINARY DECISIONS

- 9.1 Any decision by a Regulatory Commission to uphold or not to uphold a charge for breach of these Social Drugs Regulations, and/or imposing consequences or not imposing consequences for such a breach, may be appealed by the Player or other Participant in question and/or by The Association to an Appeal Board, in accordance with Rule H and the Regulations for Football Association Appeals.
- 9.2 Regulation 17 of the The Association's Disciplinary Regulations (General Provisions) shall not apply to decisions under these Social Drugs Regulations in respect of cases involving alleged breaches of Regulations 4.1.1 to 4.1.4 (but shall apply to breaches of Regulations 4.1.5 to 4.1.9). Instead, subject to Regulation 9.3 and Regulation 10, cases involving alleged breaches of Regulations 4.1.1 to 4.1.4 shall be confidential in all respects between The Association and the Participant concerned.
- 9.3 The Association may comment publicly in respect of a case brought under these Regulations in response to public comments made by any Participant or his representatives in relation to the case.

10. MISCELLANEOUS

- 10.1 Each Participant acknowledges that any of his personal information that is provided to The Association by him or on his behalf shall be processed for the purposes of carrying out these Social Drugs Regulations and ensuring the integrity of the sport. More information on the data processed for these purposes, and the Participant's rights, is set out in The Association's Anti-Doping Privacy Policy.
- 10.2 The Association may report any breach of these Social Drugs Regulations that may also constitute a breach of non-sporting laws and/or regulations to the competent authority. If that authority decides to investigate and/or bring charges against a Participant in relation to the matter so reported, The Association may stay any related investigation and/or proceedings that it has previously commenced for breach of these Social Drugs Regulations.

SCHEDULE ONE

PROCEDURAL GUIDELINES FOR THE CONDUCT OF SOCIAL DRUG TESTING

1. General

- 1.1 Players may be tested for Social Drugs at any time Out-of-Competition pursuant to the Social Drugs Regulations. Such testing will be carried out in conformity with these Procedural Guidelines (as amended from time to time).
- 1.2 Testing for Social Drugs may involve the collection of Samples of hair and/or urine and/or any other suitable biological material.
- 1.3 Players are obliged to undergo drug testing as set out in the Social Drugs Regulations and these Procedural Guidelines. In particular, every Player designated to undergo a Social Drugs test, is obliged to provide a Sample when requested to do so, and to cooperate promptly and fully with the Sample collection process.
- 1.4 The Sample collection process will be carried out by Social Drugs Control Officers ("SDCOs"), who are persons appointed by The Association to carry out and assist with the Sample collection process. A Football Association Supervising Officer ("FASO") may also be present (i) to act as a point of liaison between the Club and Player and SDCOs, (ii) to facilitate the conduct of Social Drugs testing, and (iii) to report any matters of interest or concern to The Association. (SDCOs and FASOs are collectively referred to below as "Competent Officials").
- 1.5 On arriving at a venue for Social Drugs testing, the Competent Officials will attempt to make contact with an official from the relevant Club. Once such contact is made, Club officials will ensure that, following the arrival of the Competent Officials at the venue, no Player leaves the venue until completion of the Sample collection process or otherwise with the express authorisation of the Competent Officials. Any failure to do so may be treated as a breach of Regulation 4.1.8 of the Social Drug Regulations (Tampering or Attempted Tampering), Regulation 4.1.9 of the Social Drugs Regulations (Complicity), or Rule E3, or otherwise as appropriate.

2. Facilities for the Collection of Samples

- 2.1 Clubs shall make available for the purposes of Social Drugs testing the same facilities that it makes available for testing pursuant to The Association's Anti-Doping Regulations, i.e., its Doping Control Station (referred to as the "Social Drugs Testing Station" for the purpose of these Procedural Guidelines).
- 2.2 The Competent Officials will provide the equipment that is required for the Social Drugs testing, including (where applicable) collection vessels, containers, Sample bottles, and approved sealing equipment.
- 2.3 Prior to the start of testing, the Competent Officials should satisfy themselves that the Social Drugs Testing Station facilities are adequate. Clubs must comply with any reasonable requests made by Competent Officials who do not believe that the facilities are adequate.
- 2.4 The SDCO(s) will make every effort to collect Samples as discreetly as possible and with maximum privacy, but it must be recognised that circumstances may impose difficulties upon SDCOs that cannot easily be overcome.
- 2.5 Once the Competent Officials have confirmed their satisfaction with the facilities provided, only those people listed in paragraph 7.2 of these Procedural Guidelines should be allowed into the Social Drugs Testing Station until completion of the doping control process.
- 2.6 It is recommended that the Club arranges for a security guard/steward to be positioned outside the Social Drugs Testing Station to keep unauthorised persons from entering the Station. A 'No Entry' sign should be displayed.

14 - SOCIAL DRUGS REGULATIONS

3. Selection of Players

- 3.1 Players shall be selected for Social Drugs testing by way of target testing, or by random selection at the venue at which testing takes place.
- 3.2 Target testing shall be based on a risk assessment and the most effective use of resources to ensure optimum detection and deterrence. If more than one Player in a team has tested positive, target testing may be performed on all Players in the team.
- 3.3 For individual Players, target testing may be performed as a consequence of:
 - (a) behaviour indicating the use of Social Drugs;
 - (b) other reasonable cause to suspect the use of Social Drugs; or
 - (c) any other reason determined by The Association.

The Association is not obliged to provide the Player or any Club representative with a reason for the Player's selection for a target test.

- 3.4 If it is decided to select Players on a random basis, the random selection by a draw of required Players will be conducted by the Competent Officials.
- 3.5 Only the Competent Officials need to be present for the draw. Although official(s) from the relevant Club(s) whose Players are subject to testing may be invited to be present, the absence of such officials will not invalidate the draw.
- 3.6 Additional "reserve" Players will be drawn in case a Player drawn is unable and/or fails to submit to Sample collection.
- 3.7 Subject to any instructions provided by The Association, the timing of the draw will be at the complete discretion of the Competent Officials.

4. Notification of Players

- 4.1 An appropriate Club representative may be notified of the Players selected for testing, prior to notification being provided to the Players.
- 4.2 The Club and all Club officials must ensure that the Competent Officials are given clear and unobstructed access to Players selected for testing without delay. Clubs and Club officials must provide the Competent Officials with all reasonable assistance they may require to locate the Player and carry out the notification process and Sample collection as expeditiously and as efficiently as possible. Clubs and Club officials must do all in their power to ensure that the Competent Officials make contact with Players selected for testing as soon as reasonably practicable. Any failure to comply with the above may be treated as a breach of Regulation 4.1.8 of the Social Drug Regulations (Tampering or Attempted Tampering), Regulation 4.1.9 of the Social Drugs Regulations (Complicity), or Rule E3, or otherwise as appropriate.
- 4.3 The Club and Club Officials must allow the Competent Officials access to observe the Players complete training or any other activity in which they are engaged.
- 4.4 The Competent Officials must give Players to be tested a reasonable time to complete training or any other activity in which they are engaged before giving the verbal notification in accordance with paragraph 4.7 below.
- 4.5 Before Social Drugs testing is carried out, each Competent Official must show their identification cards, clearly identifying themselves as persons duly authorised by The Association to undertake Sample collection for the purpose of Social Drugs testing.

14 - SOCIAL DRUGS REGULATIONS

- 4.6 Any Player selected for Social Drugs testing will be requested to produce photographic identification to prove his identity. In the event a Player has no available identification, a third party may be asked to positively confirm the identity of the Player.
- 4.7 Once contact has been made between the selected Player and the Competent Official, the Player will be notified of his selection for Social Drugs testing and requirement to attend the Social Drugs Testing Station. Save only where written acknowledgement is clearly impracticable at the time of notification, upon notification the Player must acknowledge by way of signature that he has been selected for Social Drugs testing. In those exceptional cases where written acknowledgement is impracticable at the time of notification, the Player should confirm the notification when he gets to the Social Drugs Testing Station, by providing his signature at that point.
- 4.8 If a Player is found to have avoided notification without compelling justification, or he fails or refuses to provide a Sample within a reasonable period of being requested to do so, he may be charged with a breach of Regulation 4.1.8 (evading Sample collection, or refusing or failing to submit to Sample collection) or (if Regulation 4.1.8 does not apply) with Misconduct.

5. Player rights and responsibilities following notification

5.1 The Player's rights in relation to the Social Drugs testing process are the right to:

- (a) have the club doctor or physio or other representative and (if required) an interpreter (to be supplied by the Club or the Player) present;
- (b) be informed and ask for additional information about the Sample collection process;
- (c) request a delay (for valid reasons) in reporting to the Social Drugs Testing Station (to be granted at the discretion of the Competent Officials); and
- (d) request reasonable modifications to the Social Drugs testing process (if the Player suffers from a relevant impairment).

5.2 The Player's obligations in relation to the Social Drugs testing process include the requirement to:

- (a) report promptly for a test following notification, unless there are valid reasons for a delay, as determined at the absolute discretion of the Competent Officials;
- (b) produce identification (in accordance with paragraph [4.6] above);
- (c) when requested, to remain within direct observation of the Competent Officials at all times from the point of notification until completion of the Sample collection; and
- (d) comply with Sample collection procedures. (Where practicable, the Player shall be advised of the possible consequences of failure to comply).

6. Testing of reserves or other Players

Where a Sample cannot be collected from a Player for any reason, a Sample will be taken from another Player of the same team, either selected at random or pre-selected as a reserve. Clubs and Club officials must ensure that a Player pre-selected as a reserve does not leave the stadium, training ground or other relevant venue until the Competent Officials have confirmed to Club officials that the Player is not needed.

7. Collection of Samples

7.1 Having been notified, a Player must immediately report to the Social Drugs Testing Station (unless the Competent Officials permit a delay in reporting to complete training or other activity). On reporting to the Social Drugs Testing Station, the Player must (if he has not done so already) acknowledge that he has been selected for drug testing by providing his signature. He must then remain there until the testing process is completed. He may leave the Social Drugs Testing Station only under exceptional circumstances with the prior permission of a Competent Official.

14 - SOCIAL DRUGS REGULATIONS

- 7.2 Only the following persons are allowed into the working room of the Social Drugs Testing Station:-
- (a) the Competent Officials;
 - (b) the Player;
 - (c) the club doctor or physio or other representative nominated by the Player (and interpreter if required); and
 - (d) any other person specified by The Association.

The Competent Officials may reasonably refuse access to the Social Drugs Testing Station to any person not listed in this paragraph 7.2.

- 7.3 Where a Sample is to be taken from a Player who is a Minor, the Player must be accompanied by an adult representative, selected by the Player and of the same gender as the Player, where practicable, present during the Sample collection process at all times. The Competent Officials shall also consider whether another third party ought to be present during the notification of the Player who is a Minor.
- 7.4 The collection of Samples of hair and/or urine and/or any other suitable biological material will be carried out in accordance with relevant laboratory requirements/procedures, which will be notified to the Player by the Competent Officials (and may be published on The Association's website).
- 7.5 For the avoidance of doubt, a Player will not be able to choose which type of Sample to provide, e.g., if a Player is requested to provide a urine sample, a urine sample must be provided.

8. Storage and Despatch of Samples

- 8.1 All Samples should be stored in a secure place pending despatch to the laboratory.
- 8.2 Samples should be sent to the laboratory as soon as is reasonably practicable.

9. Use of accredited laboratories

For purposes of establishing a Social Drugs Finding, Samples shall be analysed only by laboratories accredited to ISO/IEC 17025. Such Laboratories shall be selected exclusively by The Association, or by any other body as may be designated by The Association.

10. The purpose of Sample analysis

Samples and related analytical data shall be analysed to detect the presence of Social Drugs or their Metabolite(s) or Marker(s). Samples may be collected and stored for future analysis.

11. Analysis of Samples

- 11.1 Laboratories shall analyse Samples and report results.
- 11.2 There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time The Association issues a charge pursuant to the Regulations asserting the results of analysis of the Sample as the basis for the charge. If after issuing such a charge The Association wishes to conduct additional analysis on that Sample, it may do so with the consent of the Player or with the approval of the Regulatory Commission, Appeal Board, or any other relevant hearing body.
- 11.3 Where The Association wishes to split an "A" or "B" Sample in order to use the first part of the split Sample for an "A" Sample analysis and the second part of the split Sample for confirmation, the laboratory shall undertake procedures to ensure the integrity of the Sample.
- 11.4 All Samples provided by Players for the purposes of Social Drugs are the property of The Association.
- 11.5 If at any stage any question, issue, or problem arises in relation to the Sample, the laboratory may conduct any further or other tests necessary to clarify or resolve the matter at issue. The results of such tests may be relied upon by The Association in any disciplinary proceedings.

17 - SAFEGUARDING CHILDREN REGULATIONS

THE ASSOCIATION'S SAFEGUARDING CHILDREN REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Children Regulations below, the operative parts shall prevail.

As set out in The Association's Safeguarding Children Policy, The Association is committed to safeguarding children within football and has Case Management procedures in place to assess the risk of harm that individuals may pose to children in football.

In assessing that risk, children's welfare is the paramount consideration.

Towards this, The Association has the power under the Safeguarding Children Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Independent Safeguarding Authority (ISA) or the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to children;
- (iii) The individual has been disqualified from working with children under the Criminal Justice and Court Services Act 2000;
- (iv) The individual is subject to any other restriction on their involvement with children not within (ii) or (iii) made pursuant to statute;
- (v) The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in Regulation 1.1; or
- (vi) Following a risk assessment, The Association is satisfied that the individual poses or may pose a risk of harm to children; or
- (vii) Following a risk assessment, The Association is satisfied that the individual is or was in a position of trust in relation to another person and has engaged in sexual activity and/or an inappropriate relationship with that person.

GENERAL

- 1 1.1 In these Regulations the expression "Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.

The expression "position of trust" shall mean any position where an individual is in a relationship of trust with any person with responsibility and / or authority in relation to that person, and shall include without limitation those who care for, advise, supervise, train, coach, teach, manage, tutor, mentor, assess, develop, guide, treat or provide therapy to children and young people.

- 1.2 The Safeguarding Review Panel shall determine its own procedures save that in making findings of fact the test that the Safeguarding Review Panel shall apply shall be the civil standard of the balance of probability. Where a case is referred to the Safeguarding Review Panel pursuant to these Regulations it shall have the discretion to depart from the procedures set out in these Regulations where it considers it appropriate to do so.
- 1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.

17 - SAFEGUARDING CHILDREN REGULATIONS

- 1.4 The Association may notify other parties of the terms of any order imposed under these Regulations where the Case Manager considers that such notification is appropriate in order to give effect to the terms of the order.
- 1.5 Where urgent cases arise under these Regulations the Chairman of the Safeguarding Review Panel may exercise the functions and powers of the Case Manager and/or the Safeguarding Review Panel, as provided for by these Regulations, on an interim basis. An interim decision taken by the Chairman of the Safeguarding Review Panel shall not be final until such time as it has been ratified by the Safeguarding Review Panel, which shall have the right to ratify, modify or make any other order as it considers appropriate in relation to the decision taken by the Chairman of the Safeguarding Review Panel.
- 1.6 A Participant must immediately report to The Association any alleged incident, facts or matters regarding potential abuse or harm against a child, or any sexual offence against anyone (whether an adult or child). Any failure to do so may amount to Misconduct.

THE ASSOCIATION'S SAFEGUARDING PROCESS

2. Any person, regardless of their age, applying for or currently in such a position that The Association in its discretion considers relevant must comply with the requirements of The Association's Safeguarding process.

Such persons will include but not be limited to:

- (i) Those in "Regulated Activity" as defined in Part V of the Protection of Freedoms Act 2012. An individual will fall within the definition where:
 - (a) his/her duties include teaching, training, instructing, caring for, supervising or providing guidance or advice on wellbeing to Children or driving a vehicle (on behalf of an organisation) only for Children; and
 - (b) such duties happen frequently (e.g. once a week or more often) or intensively (e.g. on 4 or more days in a 30 day period, or overnight); and
 - (c) The individual carrying out any of the duties described in (a) and (b) above is unsupervised.

Any person falling within this Regulation 2(i) shall be referred to as a "Regulated Activity Person"; and

- (ii) Those who would otherwise fall within the definition of a Regulated Activity Person but for the fact that their duties are supervised (a "Supervised Person").

The requirements of The Association's Safeguarding process are:

- 2.1
 - (a) In respect of a Regulated Activity Person, to obtain and provide to The Association a DBS Enhanced Criminal Records Check with Children's Bared List
 - (b) In respect of a Supervised Person, to obtain and provide to The Association a DBS Enhanced Criminal Records Check
- 2.2 To provide any such further detail, explanation or clarification of any part of the matters disclosed pursuant to Regulation 2.1 (a) or (b) above, as may be required by The Association;
- 2.3 To comply with any other request or requirement which may assist The Association in progressing or completing any investigation, risk assessment or other enquiry as part of the Safeguarding process;
- 2.4 Where required, to provide at least two references that attest to their suitability to be involved in youth football. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and
- 2.5 To comply with each of the requirements set out in Regulations 2.1 – 2.4 within any such time limit as The Association may stipulate.

17 - SAFEGUARDING CHILDREN REGULATIONS

- 2.6 To comply with any order imposed by the Safeguarding Review Panel.

Any person who fails to comply with any of the requirements set out in Regulation 2 shall be subject to an immediate suspension from football activity, on such terms and/or for such period as The Association may stipulate.

Where an individual is subject to a suspension under Regulation 2.6, that suspension will remain effective (and not subject to any review by The Association) until such time as:

- (i) The individual successfully appeals against their suspension pursuant to Regulation 5; or
- (ii) The individual complies with the requirements set out in Regulation 2 that resulted in his or her suspension.

Any requirement under this Regulation 2, or any suspension arising from any failure to comply with any of the requirements of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

INTERIM ORDERS

3. Upon receipt by The Association of:

- 3.1 Notification that an individual has been charged with an Offence;
- 3.2 Notification that an individual is the subject of an investigation by the Police, Children's Services or any other authority relating to an Offence; or
- 3.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children,

The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 6.

- 4. 4.1 In determining whether an order under Regulation 3 should be made, the Case Manager shall give consideration, inter alia, to the following factors:
 - 4.1.1 Whether a child is or children are or may be at risk of harm;
 - 4.1.2 Whether the matters are of a serious nature; and/or
 - 4.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 3 should be made and/or to properly assess the factors in Regulation 4.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.

- 4.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order, such notification to be sent by registered post to the individual's usual or last known address.

17 - SAFEGUARDING CHILDREN REGULATIONS

5. An individual who is subject to an interim order under Regulation 3 or under Regulation 2.6 shall have the immediate right to appeal the interim order.
6. Appeals under Regulation 5 shall be considered by the Safeguarding Review Panel.
7. To bring an appeal under Regulation 5, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager. The notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel. Following the earliest of (a) receipt by The Association of any such material in support of the appeal, (b) the end of the 14 day period to provide such material, or (c) receipt of confirmation from appellant that no such material will be provided, The Association, as the respondent, may submit any material which it relies on, to the appellant and the Safeguarding Review Panel within 14 days thereafter.
8. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):
 - 8.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
 - 8.2 Whether exceptional material is put before the Safeguarding Review Panel.
9. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including ratifying, modifying or removing it.
10. Any appeal under Regulation 5 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
11. All interim orders will be reviewed at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 5, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 11 shall be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 5. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate.
12. The total period of an interim order under Regulation 3 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

17 - SAFEGUARDING CHILDREN REGULATIONS

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH CHILDREN

13. 13.1 Where any individual is:
- 13.1.1 Barred from regulated activity relating to children in accordance with section 3 of the Safeguarding Vulnerable Groups Act 2006 (as may be amended);
 - 13.1.2 Disqualified from working with children in accordance with section 35 of the Criminal Justice and Court Services Act 2000; and/or
 - 13.1.3 Subject to any other order, not within Regulations 13.1.1 or 13.1.2, issued pursuant to statute restricting their involvement with children,
- The Association shall have the power to make any order, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate. Any such order shall be issued by the Case Manager.
- 13.2 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. The Safeguarding Review Panel may ratify, modify or remove any such order, or make any other order as it considers appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

14. 14.1 Where the Case Manager becomes aware that an individual has a caution or conviction which leads to a concern about that individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 14.
- 14.2 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.

OTHER ORDERS

15. In addition to The Association's powers under Regulations 2.6, 3, and 13, where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 15.
- Following such a referral, the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to a child or children and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.

RISK ASSESSMENTS

16. The Case Manager may conduct a risk assessment of an individual's participation in football following any order or referral made under Regulation 13, 14 or 15. This risk assessment may be in such form and prepared by any person, as the Case Manager, at his/her discretion, considers appropriate.

17 - SAFEGUARDING CHILDREN REGULATIONS

PROCEDURE

17. Before an order or referral is made under Regulation 13, 14 or 15, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.
18. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose, ratify, modify or remove any order under Regulation 13, 14 or 15.
19. Following the receipt of the reply and/or other written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
 - 19.1 Decide that no further action is currently required as there are no longer grounds for an order or referral under Regulation 13, 14 or 15;
 - 19.2 Make any such further inquiries as he or she considers appropriate in light of any matters raised by the individual in response to the written notification; or
 - 19.3 Refer the case to the Safeguarding Review Panel.
20. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may only be relied on by the Case Manager if that written material has been sent to the individual and he or she has had 14 days to reply to it, save for any exceptional material dealt with under Regulation 24. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
21. A Safeguarding Review Panel may issue such further order, requirement, or instruction as it considers appropriate for the purpose of giving effect to its decision.
22. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case it is considering under Regulation 13, 14 or 15. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:
 - 22.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 22.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 22.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 22.4 Any response from the individual to such further written material and all other written material submitted with that response.
23. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:
 - 23.1 Whether the terms of any order under consideration would affect the individual's paid employment within football in which case the individual shall be entitled to address the Safeguarding Review Panel in person;
 - 23.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
 - 23.3 Whether an oral hearing has previously been conducted pursuant to Regulation 9 in relation to the same matter.

17 - SAFEGUARDING CHILDREN REGULATIONS

EXCEPTIONAL MATERIAL

24. 24.1 In considering an interim order under Regulation 5, a review of any interim order under Regulation 11, or whether or not to make any order under Regulation 15, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 24.2 Exceptionally, in respect of any of the matters set out at Regulation 24.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:–
- 24.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
- 24.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 24.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 24.2 above, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
- 24.3.1 Create a risk of harm to any person or persons; and/or
- 24.3.2 Amount to a criminal offence or otherwise be unlawful.
- 24.4 Any reply by an individual to a notice referred to in Regulation 24.3 must be passed to the Exceptional Material Panel for consideration.
- 24.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 24.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
- 24.6.1 A redacted version of the exceptional material; and/or
- 24.6.2 A summary of the exceptional material.
- 24.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 24.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 15 in relation to that individual.

SUPERVISION ORDERS

25. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order.

17 - SAFEGUARDING CHILDREN REGULATIONS

DISCRETION TO REFER TO THE SAFEGUARDING REVIEW PANEL

26. Any of the powers and/or case management functions exercised by a Case Manager under these Regulations may instead be exercised by the Safeguarding Review Panel if the Case Manager, in his or her sole discretion, determines that the matter should be referred to the Safeguarding Review Panel (“a general referral”). The Case Manager shall make a general referral to the Safeguarding Review Panel where the facts and circumstances of a case are exceptional and/or of significant public interest, though the Case Manager’s discretion to make a general referral will not be limited to such cases.
27. Where the Case Manager makes a general referral to the Safeguarding Review Panel, the same rights of review and appeal arise as if the decision of the Safeguarding Review Panel had been made by the Case Manager. Any review or appeal of the decisions of the latter will be heard by a Safeguarding Review Panel, none of the members of which shall have been a member of the Safeguarding Review Panel which was involved in any earlier decision on that case.

RIGHT OF APPEAL

28.
 - 28.1 A Participant or The Association may appeal to an Appeal Board any decision of the Safeguarding Review Panel made under Regulations 13.1.3, 14 or 15. Subject to Regulation 28.3 and 28.4, such appeals shall be conducted in accordance with Part C: Appeals Non-Fast-Track of the Disciplinary Regulations (“Appeal Regulations”). Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.
 - 28.2 Notwithstanding any provision to the contrary in the Appeal Regulations, an Appeal Board convened to hear an appeal pursuant to Regulation 28.1 shall take place as a full rehearing of the case.
 - 28.3 Paragraph 10 of the Appeal Regulations shall be replaced with the following: “The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Such application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. The Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. 18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Adults at Risk Regulations below, the operative parts shall prevail.

As set out in The Association's Safeguarding Adults at Risk Policy, The Association is committed to safeguarding Adults at Risk within football and has Case Management procedures in place to assess the risk of harm that individuals may pose to Adults at Risk in football.

In assessing that risk, the welfare of Adults at Risk is the paramount consideration. Towards this, The Association has the power under the Safeguarding Adults at Risk Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Independent Safeguarding Authority (ISA) or the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to Adults at Risk
- (iii) The individual is included on the Disclosure and Barring Service (DBS) Adults Barred List;
- (iv) The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in Regulation 1.1; or
- (v) Following a risk assessment, The Association is satisfied that the individual poses or may pose a risk of harm to Adults at Risk.
- (vi) Following a risk assessment, The Association is satisfied that the individual is or was in a position of trust in relation to another person and has engaged in sexual activity and / or an inappropriate relationship with that person.

GENERAL

1. 1.1 In these Regulations the expression "Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to an Adult at Risk.

The expression "position of trust" shall mean any position where an individual is in a relationship of trust with any person with responsibility and / or authority in relation to that person and shall include without limitation those who care for, advise, supervise, train, coach, teach, manage, tutor, mentor, assess, develop, guide, treat or provide therapy to Adults at Risk
- 1.2 The Safeguarding Review Panel shall determine its own procedures save that in making findings of fact the test that the Safeguarding Review Panel shall apply shall be the civil standard of the balance of probability. Where a case is referred to the Safeguarding Review Panel pursuant to these Regulations it shall have the discretion to depart from the procedures set out in these Regulations where it considers it appropriate to do so.
- 1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.
- 1.4 The Association may notify other parties of the terms of any order imposed under these Regulations where the Case Manager considers that such notification is appropriate in order to give effect to the terms of the order.

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

- 1.5 Where urgent cases arise under these Regulations the Chairman of the Safeguarding Review Panel may exercise the functions and powers of the Case Manager and/or the Safeguarding Review Panel as provided for by these Regulations, on an interim basis. An interim decision taken by the Chairman of the Safeguarding Review Panel shall not be final until such time as it has been ratified by the Safeguarding Review Panel, which shall have the right to ratify, modify or make any other order as it considers appropriate in relation to the decision taken by the Chairman of the Safeguarding Review Panel.
- 1.6 A Participant must immediately report to the Association, any alleged incident, facts or matters regarding potential abuse or harm against an Adult at Risk, or any sexual offence against anyone (whether an Adult at risk or not). A failure to do so may amount to Misconduct.
2. For these purposes, the term Adult at Risk or Adults at Risk means any person who falls within any one or more of the following:
 - 2.1 The Care Act 2014
 - 2.2 Section 59 of the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012; and 2.3 any adult who is or may be in need of community care services by reason of mental health issues, learning or physical disability, sensory impairment, age or illness and who is or may be unable to take care of him/herself or unable to protect him/ herself against significant harm or serious exploitation.

SAFEGUARDING ADULTS AT RISK PROCESS

3. Any person, regardless of their age, applying for or currently in such positions that The Association in its discretion considers relevant whose duties include regularly caring for, training, supervising, administering treatment and/or therapy or medical treatment to an Adult at Risk may be required by The Association to comply with the requirements of The Association's Safeguarding Adults at Risk process. These requirements are:
 - 3.1 To obtain and provide to The Association a DBS Enhanced Criminal Records Check (to include the Adults Barred List check where the duties fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012) or to obtain and provide to The Association a DBS Enhanced Criminal Records Check without a check of the adults barred list where the duties do not fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012 or other DBS check according to role.
 - 3.2 To provide any such further detail, explanation or clarification of any part of the matters disclosed pursuant to Regulation 3.1 above as may be required by The Association;
 - 3.4 Where required, to provide at least two references that attest to their suitability to be involved in football involving Adults at Risk. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and
 - 3.5 To comply with each of the requirements set out in Regulations 3.1-3.4 within any such time limit as The Association may stipulate.
 - 3.6 To comply with any order imposed by the Safeguarding Review Panel.

Any person who fails to comply with any of the requirements set out in Regulation 3 shall be subject to an immediate suspension from football activity, on such terms and/or for such period as The Association may stipulate.

Where an individual is subject to a suspension under Regulation 3.6, that suspension will remain effective (and not subject to any review by The Association) until such time as:

- (i) The individual successfully appeals against their suspension pursuant to Regulation 6; or
- (ii) The individual complies with the requirements set out in Regulation 3 that resulted in his or her suspension.

Any requirement under this Regulation 3, or any suspension arising from any failure to comply with any

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

requirement of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

INTERIM ORDERS

4. Upon receipt by The Association of:
 - 4.1 Notification that an individual has been charged with an Offence;
 - 4.2 Notification that an individual is the subject of an investigation by the Police or any other authority relating to an Offence; or
 - 4.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to an Adult at Risk, The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 7.
5. 5.1 In determining whether an order under Regulation 4 should be made, the Case Manager shall give consideration, inter alia, to the following factors
 - 5.1.1 Whether Adults at Risk may be at risk of harm from the individual
 - 5.1.2 Whether the matters are of a serious nature; and/or
 - 5.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 4 should be made and/or to properly assess the factors in Regulation 5.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.
- 5.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order, such notification to be sent by registered post to the individual's usual or last known address.
6. An individual who is subject to an interim order under Regulation 4 or under Regulation 3.6 shall have the immediate right to appeal the interim order.
7. Appeals under Regulation 6 shall be considered by the Safeguarding Review Panel.
8. To bring an appeal under Regulation 6, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager. The notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 days of giving such notice or it may not be considered by the Safeguarding Review Panel. Following the earliest of (a) receipt by The Association of any such material in support of the appeal, (b) the end of the 14 day period to provide such material, or (c) receipt of confirmation from the appellant that no such material will be provided, The Association, as the respondent, may submit any material which it relies on, to the appellant and the Safeguarding Review Panel within 14 days thereafter.
9. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):

- 9.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
- 9.2 Whether exceptional material is put before the Safeguarding Review Panel.
10. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including ratifying, modifying or removing it.
11. Any appeal under Regulation 6 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
12. All interim orders will be reviewed at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 6, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 12 shall be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 6. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate.
13. The total period of an interim order under Regulation 4 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 4 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH ADULTS AT RISK

14. 14.1 Where any individual is:
 - 14.1.1 Barred from regulated activity relating to Adults at Risk;
 - 14.1.2 Included in the list of individuals considered unsuitable to work with Adults at Risk, as kept by the Disclosure and Barring Service (DBS); and/or
 - 14.1.3 Subject to any other order, not within Regulation 14.1.1 or 14.1.2, issued pursuant to statute restricting their involvement with Adults at Risk,

The Association shall have the power to make any order, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate. Any such order shall be issued by the Case Manager.
- 14.2 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. The Safeguarding Review Panel may ratify, modify or remove any such order, or make any other order as it considers appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

15. 15.1 Where the Case Manager becomes aware that an individual has a caution or conviction which leads to

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

a concern about that individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to see an order under Regulation 15.

- 15.2 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.

OTHER ORDERS

16. In addition to The Association's powers under Regulations 3.6, 4, and 14, where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving Adults at risk, the Case Manager may refer a case to the Safeguarding Review Panel in order to see an order under Regulation 16.

Following such a referral, the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to Adults at Risk and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.

RISK ASSESSMENTS

17. The Case Manager may conduct a risk assessment of an individual's participation in football following an order or referral made under Regulation 14, 15 or 16. This risk assessment may be in such form and prepared by any person, as the Case Manager at his/her discretion, considers appropriate.

PROCEDURE

18. Before an order or referral is made under Regulation 14, 15 or 16, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.
19. The individual shall have 14 days to reply to this notification and to provide any written material that he/she wishes the Safeguarding Review Panel to take into account in considering whether or not to impose, ratify, modify or remove any order under Regulation 14, 15 or 16.
20. Following the receipt of the reply and/or written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
- 20.1 Decide that no further action is currently required as there are no longer grounds for an order or referral under Regulation 14, 15, or 16;
 - 20.2 Make any such further inquiries as he or she considers appropriate in light of any matters raised by the individual in response to the written notification; or
 - 20.3 Refer the case to the Safeguarding Review Panel.
21. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

only be relied on by the Case Manager if that written material has been sent to the individual and he or she has had 14 days to reply to it, save for any exceptional material dealt with under Regulation 24. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.

22. A Safeguarding Review Panel may issue such further order, requirement, or instruction as it considers appropriate for the purpose of giving effect to its decision.
23. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case it is considering under Regulation 14, 15 or 16. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager to address it in person, the case shall be considered on the basis of the following written material only:
 - 23.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 23.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 23.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 23.4 Any response from the individual to such further written material and all other written material submitted with that response.
24. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:
 - 24.1 Whether the terms of any order under consideration would affect the individual's paid employment within football in which case the individual shall be entitled to address the Safeguarding Review Panel in person;
 - 24.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
 - 24.3 Whether an oral hearing has previously been conducted pursuant to Regulation 10 in relation to the same matter.

EXCEPTIONAL MATERIAL

25. 25.1 In considering an interim order under Regulation 6, a review of any interim order under Regulation 12, or whether or not to make any order under Regulation 16, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 25.2 Exceptionally, in respect of any of the matters set out at Regulation 25.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:
 - 25.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
 - 25.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 25.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 25.2, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
 - 25.3.1 Create a risk of harm to any person or persons; and/or

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

- 25.3.2 Amount to a criminal offence or otherwise be unlawful.
- 25.4 Any reply by an individual to a notice referred to in Regulation 25.3 must be passed to the Exceptional Material Panel for consideration.
- 25.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 25.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
- 25.6.1 A redacted version of the exceptional material; and/or,
- 25.6.2 A summary of the exceptional material.
- 25.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 24.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 16 in relation to that individual.

OTHER ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

26. Following a referral under Regulation 16, in addition to its ability to make an order under Regulation 16, the Safeguarding Review Panel may make any other order consistent with the aims of the Adults at Risk Policy that it considers appropriate in the circumstances.

SUPERVISION ORDERS

27. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order.

DISCRETION TO REFER TO THE SAFEGUARDING REVIEW PANEL

28. Any of the powers and/or case management functions exercised by a Case Manager under these Regulations may instead be exercised by the Safeguarding Review Panel if the Case Manager, in his or her sole discretion, determines that the matter should be referred to the Safeguarding Review Panel (“a general referral”). The Case Manager shall make a general referral to the Safeguarding Review Panel where the facts and circumstances of a case are exceptional and/or of significant public interest, though the Case Manager’s discretion to make a general referral will not be limited to such cases.
29. Where the Case Manager makes a general referral to the Safeguarding Review Panel, the same rights of review and appeal arise as if the decision of the Safeguarding Review Panel had been made by the Case Manager. Any review or appeal of the decisions of the latter will be heard by a Safeguarding Review Panel, none of the members of which shall have been a member of the Safeguarding Review Panel which was involved in any earlier decision on that case.

RIGHT OF APPEAL

30. 30.1 A Participant or The Association may appeal to an Appeal Board any decision of the Safeguarding Review Panel made under Regulations 13.1.3, 14 or 15. Subject to Regulation 30.3 and 30.4, such

18 - SAFEGUARDING ADULTS AT RISK REGULATIONS

appeals shall be conducted in accordance with Part C: Appeals Non-Fast-Track of the Disciplinary Regulations (the "Appeal Regulations"). Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.

- 30.2 Notwithstanding any provision to the contrary in the Appeal Regulations, an Appeal Board convened to hear an appeal pursuant to Regulation 30.1 shall take place as a full rehearing of the case.
- 30.3 Paragraph 10 of the Appeal Regulations shall be replaced with the following: The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Such application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. The Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final. Where leave to present new evidence has been granted, in all cases the other party will be given an opportunity to respond.
- 30.4 Any decision of the Appeal Board shall be final and binding with no further right of appeal.

WRITTEN MATERIAL

31. For the purposes of these Regulations, "written material" may include photographic, video, electronic and/or audio evidence.

 - b. only where the Player makes a request in writing to the Club, the Club may:
 - (i) make an actual deduction in periodic instalment(s) from a Player's net salary in favour of the Intermediary, so that the sums are deducted and paid in discharge of the Player's obligation to the Intermediary contained in the relevant Representation Contract or the relevant paperwork submitted to The Association; and/or
 - (ii) discharge the Player's liability towards his Intermediary, as contained in the relevant Representation Contract or the relevant paperwork submitted to The Association, on the Player's behalf as a taxable benefit.

19 - WORKING WITH INTERMEDIARIES REGULATIONS

4. Where the Intermediary and the Player agree periodic instalments and the Player's employment contract in respect of which he was represented by the Intermediary lasts longer than the Representation Contract, the Intermediary is entitled to the agreed instalments after expiry of the Representation Contract, until the Player's employment contract expires or, if earlier, until the Player signs a new employment contract without the involvement of that Intermediary.
5. Any and all remuneration or payments of whatever nature, and howsoever arising, and whether direct or indirect, made to any person in relation to any Intermediary Activity for or on behalf of a Club, must be made by the Club only, and must be fully recorded in the accounting records of the Club. This does not prevent an Intermediary acting for a Club from paying another Intermediary with whom he has assigned or sub-contracted any Intermediary Activity duties or services or responsibilities in accordance with Regulation B6.
6. Any payment by a Club to an Intermediary in relation to any Intermediary Activity, whether direct or indirect, other than a payment made by a Club under Regulation C2.(b)(i), must be made through The Association, using the relevant designated account and in accordance with The Association's clearing house protocol as may be prescribed by The Association from time to time.
7. Where the Intermediary and the Club agree that such a commission is to be paid, they shall also agree in the Representation Contract what the commission shall be and whether the Club shall remunerate the Intermediary with a lump sum payment at the start of the employment contract of the Player who was the subject of the Transaction or whether the Club will pay by periodic instalments and/or whether such commission (or any instalment or part thereof) shall be conditional in any way.
8. Save when acting further to Regulation B6, an Intermediary, or an Intermediary's Organisation, must not pass any remuneration directly relating to Intermediary Activity to any other person. This does not affect the ability of an Organisation to pay its employees or contractors pursuant to their employment or other contracts or any other parties for purposes unrelated to any Intermediary Activity.
9. A Club which pays to a Recognised Club a compensation payment and/or any Solidarity Payment and/or Training Compensation Payment, or other sum properly payable as consideration for, or in connection with, a Transaction must ensure that it pays any such amount(s) only to the Recognised Club and/or any other Recognised Clubs and/or persons to whom the same is payable in accordance with any applicable competition rules and/or the Rules and/or Regulations of The Association. A Club must not pay any amount to any other third party (including but not limited to any Intermediary involved in the Transaction) save with the express consent of the appropriate governing body in respect of the Transaction in question.
10. Players and/or Clubs that engage the services of an Intermediary when negotiating an employment contract and/or a transfer agreement are prohibited from making any payments to such Intermediary if the Player concerned is a Minor.
11. As a recommendation, Players, Clubs and Intermediaries may adopt the following benchmarks:
 - a. The total amount of remuneration per Transaction due to Intermediaries who have been engaged to act on a Player's behalf should not exceed three per cent (3%) of the Player's Basic Gross Income for the entire duration of the relevant employment contract.
 - b.  - c. Subject to Regulation E5, the total amount of remuneration per Transaction due to Intermediaries who have been engaged to act on a Club's behalf in order to conclude a transfer agreement should not exceed three per cent (3%) of the eventual transfer compensation paid in connection with the relevant transfer of the Player.

This is in addition to The Association's powers to publish contained in the General Provisions Relating to Inquiries, Commissions of Inquiry, Regulatory Commissions of The Association, Other Disciplinary Commissions, Appeal Boards and Safeguarding Review Panel Hearings, or elsewhere in its Rules and regulations.
5. An Intermediary or Intermediary's Organisation shall lodge with The Association any agreement with another Intermediary or Intermediary's Organisation which purports to resolve any past, existing, or future dispute between the parties regarding a Player and/or Club in relation to Intermediary Activity. Such documents must be lodged within 10 days of being executed.

E. CONFLICTS OF INTEREST

Consent to Dual/Multiple Representation

1. An Intermediary may only act for one party to a Transaction save where the Intermediary and other relevant parties comply in full with the requirements regarding consent for dual/ multiple representation set out at Regulations E2 and E3. The content of Regulations E2 and E3 must also be complied with prior to any situation where two or more Connected Intermediaries are proposing to act for more than one party to a Transaction. In that case, the Connected Intermediaries will collectively be required to comply with the requirements of Regulations E2 and E3.
2. An Intermediary may undertake Intermediary Activity for more than one party in relation to a Transaction, only where the following requirements are met in full:
 - a. The Intermediary has a pre-existing Representation Contract with one party to the Transaction ("the first party") and the Representation Contract has been lodged with The Association in accordance with the requirements of Regulation B; alternatively the Intermediary has entered into a sub-contract agreement in relation to the first party in accordance with the requirements of Regulation B6; and

19 - WORKING WITH INTERMEDIARIES REGULATIONS

- b. The Intermediary obtains all parties' prior written consent to him providing services to any other party to the Transaction ("the other party(ies)") in the form prescribed by The Association from time to time; and
 - c. Once the Intermediary and the other party(ies) have agreed terms, (but prior to them entering into a Representation Contract), the Intermediary must inform all parties in the form prescribed by The Association from time to time of the full particulars of the proposed arrangements including, without limitation, the proposed fee (if any) to be paid by all parties to the Intermediary; and
 - d. All parties are given the reasonable opportunity to take independent legal advice and/or, in the case of a Player, to take advice from the Professional Footballers' Association prior to providing written consent in the form prescribed by The Association from time to time; and
 - e. Having been given such opportunity, all parties provide their express written consent for the Intermediary to enter into a Representation Contract with the other party(ies) on the proposed terms in the form prescribed by The Association from time to time.
3. Where any party does not provide its express consent in accordance with the above requirements, the Intermediary is not permitted to proceed with the provision of services to the other party(ies), or to receive any remuneration from the other party(ies) in respect of the relevant Transaction, and the other party(ies) are not permitted to receive any services from the Intermediary or make any payment to the Intermediary in respect of the relevant Transaction. The Intermediary may continue to represent the first party (only) in respect of the relevant Transaction and be paid for such services in accordance with Regulation C and the terms of the relevant Representation Contract.

Restriction on Conflict of Interest

4. An Intermediary, any individual or legal person with an interest in an Intermediary's Organisation or an Intermediary's Organisation shall not have an interest in a Club. Similarly, a Player, Club, Club Official, Manager or any individual or entity with an interest in a Club shall not have any interest in the business or affairs of an Intermediary or an Intermediary's Organisation.

Such interest shall be defined as:

- a. beneficial ownership of more than 5% of any entity, firm or company through which the activities of the Club or Intermediary (as applicable) are conducted and/or
- b. being in a position or having any association that may enable the exercise of a material, financial, commercial, administrative, managerial or any other influence over the affairs of the Club or Intermediary (as applicable) whether directly or indirectly and whether formally or informally.

An interest for the purposes of clauses (a) and (b) above includes an interest of:

- (i) a spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable); and/or
 - (ii) a company in which any legal or beneficial interest or any proportion or share is held by the Intermediary, Player, Club Official or Manager or any spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable) (save for a holding of less than 5%); and/or
 - (iii) a company over whose affairs financial, commercial, administrative, managerial or any other control or influence can be exercised by the individual or any spouse, child, stepchild, parent or sibling of the Intermediary, Player, Club Official or Manager (as applicable).
5. An Intermediary must not have, either directly or indirectly, any interest of any nature whatsoever in relation to a registration right or an economic right. This includes, but is not limited to, owning any interest in any transfer compensation or future transfer value of a Player or payments contingent on the future transfer of a Player. This does not prevent an Intermediary acting solely for a Club in relation to a Transaction to transfer a Player's registration being remunerated by reference to the total amount of transfer compensation generated by solely that Transaction.

19 - WORKING WITH INTERMEDIARIES REGULATIONS

6. An Intermediary must not give, offer or seek to offer, any consideration of any kind, either directly or indirectly, to any Club, Club Official, Manager or Player as a result of, or in connection with, a Transaction or in return for any benefit, service, favour or any kind of preferential treatment in respect of the Club's Players, access to those Players or the promotion of the Intermediary's services with those Players. Clubs, Club Officials, Managers and Players are prohibited from accepting such offers or receiving such consideration.

Such disclosure must be made within 10 days of:
 - a. the Intermediary entering into such an agreement or contractual or other arrangement with a Club Official, Manager or Club in respect of a Club Official or Manager; or

11.
 - 11.1 An Intermediary or Intermediary's Organisation shall not enter into any form of sponsorship agreement with a Club participating in the Premier League, EFL, or National League System at Steps 1 to 4.

 - 11.3 Any sponsorship agreement entered into between any Club not subject to the prohibition set out above and any Intermediary and/or Intermediary's Organisation shall be disclosed to The Association by the relevant Club(s).

1. To the extent that any provision of these Regulations or its performance contravenes any applicable law or regulation, it shall be deemed to be null and void; provided, however, that such determination shall not affect the validity and enforceability of any other provision of these Regulations, which shall remain in full force and effect.
2. An Intermediary (whether an individual or operating through an Organisation) is responsible for ensuring that any of its employees (if applicable), contractors or agents who are not registered as an Intermediary are prohibited from carrying out:
 - a. any Intermediary Activity;
 - b. making any approach to or entering into any agreement with a Player in relation to a Representation Contract; or
 - c. entering into a Representation Contract with a Player on behalf of the Intermediary.
3. An Intermediary should use all reasonable endeavours to ensure that the Organisation through which he operates shall comply fully with the requirements of the Rules of The Association and these Regulations in relation to any Intermediary Activity carried out by that Intermediary.

Transitional Provisions

4. An Intermediary can conduct Intermediary Activity pursuant to a Representation Contract lodged with The Association before 1st April 2015 if this Representation Contract is resubmitted to The Association within 10 days of the Intermediary registering with The Association in accordance with Appendix II.
5. A Representation Contract between an Intermediary and a Minor lodged with The Association before 1st April 2015 will only be enforceable if the Intermediary is authorised to deal with Minors.

20 - THIRD PARTY INTEREST IN PLAYERS REGULATIONS

PREAMBLE

These Regulations are made in accordance with the Rules of The Association and are binding on all Participants. These Regulations are founded on the principle that no party, other than a Club itself, should be placed in a position where it may be able to influence the manner in which a Club operates, its policies or the performance of its teams. The Association considers that a party holding an interest in the registration, federative, economic or similar rights of a Player may, as a consequence of that interest, have such ability. The purpose of these Regulations is to ensure that no such 'third party' interests are held in Players playing for Clubs.

Any breach of these Regulations shall be Misconduct and shall be dealt with in accordance with the Rules of The Association and shall be determined by a Regulatory Commission of The Association. All other decisions by The Association pursuant to these Regulations shall be made by or under the delegated authority of the Football Regulatory Authority and shall be made at its absolute discretion.

In dealing with any issue under these Regulations, regard shall be given to the substance of any dealings or arrangements and not just their legal form.

22 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

REGULATIONS FOR THE SANCTION AND CONTROL OF COMPETITIONS AT STEP 1 OF THE NATIONAL LEAGUE SYSTEM AND BELOW

Preamble

Competitions receive sanction from The Association or County FAs to demonstrate that each Competition comprises clubs that are affiliated to a County FA; that each set of rules complies with FA requirements and that the Competitions may benefit from the use of registered match officials, may play against other affiliated clubs and benefit from other services offered by The Association and County FAs. All Affiliated Associations sanctioning Competitions and all Competitions shall observe the Rules and Regulations of The Association. Any rule, regulation or practice of any such Association or Competition that is inconsistent with the Rules and Regulations of The Association shall be void and unenforceable. For further avoidance of doubt, the fact that a Competition has been sanctioned whether directly or indirectly by The Association shall not render enforceable any such rule, regulation or practice that would otherwise be void and unenforceable under the Rules of The Association.

In order to receive sanction from The Association or an Affiliated Association, a Competition must have its Rules approved by the sanctioning Association and provide a list of its member clubs and teams, all of which must be affiliated to an Affiliated Association for the appropriate season.

Applications to form new Competitions should be directed to the Affiliated Association which has the majority of clubs expected to participate. The application must state whether the Competition comprises new clubs/teams or whether it proposes to invite clubs/teams from existing Competitions. Applications to form a new Competition involving clubs/teams from existing Competitions must allow time for the sanctioning Association to consult with the existing Competitions and relevant Associations in order to assess the impact of the new Competition before deciding whether to approve or reject the application.

1. A Competition consisting of clubs, all of which are Members of one Affiliated Association only, shall make application for sanction to, and the Competition shall be sanctioned by, and be under the jurisdiction of that Association.
2. Competitions at Steps 1 to 6 of the National League System and competitions in the top five tiers of the Women's Pyramid shall make application for sanction to The Association. Other competitions consisting of clubs within the area of, or affiliated to, two or more Affiliated Associations shall make application for sanction to, and may be affiliated with, the association which has the majority of the Competition's clubs in membership. In the case of any dispute as to the correct sanctioning Association, this will be determined by The Association. In its absolute discretion, The Association may vary the provisions of this Regulation as it sees fit.
3. A Competition may be used for advertising and/or sponsorship purposes and the name of the donor of a Trophy or any other presentation may form part of the title of a Competition only with the prior consent of The Association or appropriate Affiliated Association. The title sponsor of a Competition may be changed from season to season.
4. If a Competition is discontinued for any reason a Trophy or any other presentation shall be returned to the donor if the conditions attached to it so provide or, if not, dealt with in accordance with the Competition rule governing the dissolution of the Competition as set out in The Association's Standard Codes of Rules and approved by the sanctioning Association.
5. The sanctioning Association(s) may not allot a club/team to a Competition. The sanctioning Association may permit the Competition to make provision in its Rules to restrict the number of Competitions, except FA and County Cup Competitions, in which its teams take part. An exception to the Regulation shall be in Competitions that form part of the National League System, Regional NLS Feeder Leagues and the Women's Football Pyramid and Girls' Football, as determined from time to time by The Association. In accordance with FIFA Statutes, Clubs applying to play in a Competition under the jurisdiction of another National Association must have the permission of their County FA, The Association, other National Association, UEFA and FIFA.

22 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

6. In accordance with the Player Status Rules, Players without a written contract are not restricted as to the clubs for which they may register and play provided they comply with the Rules and Regulations of any Competition in which their club(s) may be engaged.
7. Application for sanction of a Competition must be made in a timely fashion. Following approval of the Rules by the sanctioning Association, Competitions shall complete and submit FA Form "D" giving a full list of clubs participating in the Competition for the relevant season. All participating clubs must be correctly affiliated to an Affiliated Association before the Competition starts the season.

All Competitions

- i. Applications for sanction must receive approval from the Competition's sanctioning Association for:
- ii. The rules of the Competition and related Competitions (e.g. League plus League Cups); and
- iii. All Member clubs being correctly affiliated to an Affiliated Association; and
- iv. The terms and conditions of any offer of sponsorship, which must include details of the offer made and the proposed distribution/use of sponsorship monies.
- v. The proposed Rules of the Competition must be submitted to the sanctioning Association at least 28 days prior to the date set for the Competition's AGM or SGM. The request for approval must clearly set out the proposed departures from the Standard Code of Rules, highlighting any alterations.
- vi. Late submissions may result in the Rules not being approved in time to be considered at the General Meeting.
- vii. For Competitions sanctioned for the previous season only changes to the Rules of the previous season need be submitted. Such changes to the Rules of the previous season must be set out clearly alongside the existing rule with an explanation for the proposed change and state whether the change has been proposed by clubs, the Board or Management Committee or is a mandatory change required by The Association or sanctioning Association.
- viii. Proposed rules that do not comply with the mandatory elements of the Standard Code of Rules published by The Association from time to time will need to be amended to satisfy the requirements of the sanctioning Association before being put before the Competition's General Meeting. Any proposed rule that runs contrary to FA policies shall also be amended or withdrawn before being considered by the Competition's AGM or SGM.
- ix. A Competition is not allowed to alter its Constitution, Rules or clubs without the consent of The Association or the Affiliated Association(s) sanctioning the Competition.
- x. Rule changes may not be made after they have been approved by the sanctioning Association(s) giving consent to the Competition, unless such intended alteration has first been submitted to, and approved by, that Association, and subsequently by a General Meeting of the Competition.
- xi. Competitions shall submit a complete list of all member clubs prior to each season on FA Form "D" or in the manner prescribed by The Association from time to time.
- xii. Prior to the start of a Competition's season, the Competition shall ensure that all participating teams are correctly affiliated and shall make available to the sanctioning Association a list of all participating teams.
- xiii. Applications for sponsorship may be made at any time although sanctioning Associations will require up to 14 days to consider and approve applications
- xiv. Sponsorship terms and conditions can only apply and refer to the Competition and its member clubs. The terms of sponsorship must not impose any requirement on clubs which refers to their participation in other unrelated Competitions.

22 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

- xv. When required to do so by the sanctioning Association, Competitions shall provide a copy of the minutes of their AGM and a copy of the Annual Report, Balance Sheet and Statement of Accounts.
- xvi. Competitions shall not allow matches to be played until their member clubs are affiliated and Rules or Rule changes are approved by the sanctioning Association(s).
- xvii. Youth (up to and including U18) Competitions must have appointed a Youth League Welfare Officer (YLWO) before sanction may be granted.
- xviii. Separate rules must be submitted for Youth sections/Competitions.

Charity Competitions/Matches

Charity Competitions should refer to FA Rule B for specific guidance on staging charity matches. Sanctioning Associations will need to know whether the match / Competition involves affiliated teams or scratch teams.

- 8. When an application for sanction is made by a Competition the Affiliated Association(s) concerned may require that the Competition Rules provide that representation of the association(s) be by the inclusion of non-voting member(s) of the Management Committee. This arrangement is for the guidance of the Competition to ensure compliance with Association Rules and instructions.
- 9. The sanctioning Association(s) may approve modifications of the Laws of the Game defined by the International FA Board in Competitions for players under the age of 16, women's football, veterans' football (over 35 years of age) and disability football.
- 10. If a difference of opinion arises between Affiliated Associations over the right of sanction and jurisdiction, any of the association(s) may appeal to The Association in accordance with FA Rule H and the Appeal Regulations.
- 11. In the event of a Competition being refused sanction or affiliation by an Affiliated Association the applicants have the right of appeal to The Association in accordance with FA Rule H and the Appeal Regulations.
- 12. A Competition shall consist of a maximum number of member clubs as approved by the sanctioning Association. The voting rights of member clubs shall be determined by the Rules of the Competition subject to the approval of the sanctioning Association(s).
- 13. With the exception of any club competing in The FA Women's Super League, if a club is required to do so by its parent Affiliated Association, a club must enter a suitable Cup Competition of that Association. However, in the absence of any existing suitable County Cup Competition, women's clubs may enter a Competition jointly organised by a neighbouring Affiliated Association. Only the matches of such Competition(s) will take precedence over other Competitions in which the club competes, except the Premier League, the EFL and the EFL Cup Competition.

With the consent of its parent Affiliated Association, a club may enter suitable Cup Competition(s) of other Affiliated Association(s). Ties in The FA Youth Challenge Cup Competition will take precedence with the exception of ties in other FA Competitions and first team League fixtures.

Affiliated Association(s) Cup Competition games which involve the Reserve or Youth teams of a club do not take precedence over arranged first team League fixtures of The National League, Northern Premier, Isthmian and Southern Leagues.

- 14. (a) A club may not withdraw or resign without penalty unless it has complied with the obligations set out in the Rules of the Competition, in so far as such Rules are consistent with the following provisions of this Regulation and the other Rules and Regulations of The Association. Competitions may, through the sanctioning Association, use the regulations of the Football Debt Recovery process to collect football debts of clubs/teams that withdraw without satisfying their obligations to the Competition.
- (b) A Competition may require a club to give written notice of an intention or provisional intention to resign or withdraw at the end of a season. Where such notice has been submitted a club must either confirm or rescind the notice, in writing, by 31st March in that season.

22 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

- (c) A Competition may not, in its Rules and Regulations, adopt or give effect to any Rule, Regulation or practice whereby:

The approaching Participant (A) may not approach the same Club a second time in the same playing season; (B) may approach only one Club within the same Competition at any time; and (C) may not approach another Club in the same Competition within 28 days of an earlier notice of approach or acknowledgment.

18. Referees must not be called upon to perform duties extraneous to the Laws of the Game which would bring them into direct contact unnecessarily with participating players, e.g. when match report cards were being signed by players.
19. Competitions must not impose bonds on their member clubs as a guarantee of the good behaviour of their players on or around the field of play.
20. The Rules of the Competition must comply with the Standard Code of Rules issued by The Association and as altered from time to time for the level at which the Competition competes.

- 2.2 A framework for discussion on matters of policy and common interest to Leagues and Clubs.
- 2.3 The seasonal movement of Clubs.
- 2.4 A co-ordinated approach between Leagues regarding the final date of the Playing Season.

All Leagues are bound by the Regulations. A Club is bound by the Regulations from the date it has qualified for placement into the NLS until such time as it leaves the NLS for whatever reason.

3. NLS LEAGUE STRUCTURE

3.1 The current structure of the NLS is set out below:

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

The Leagues currently at Steps 5 and 6 are set out at the end of the Regulations.

Each Step shall have the following maximum number of Clubs: Step 1-24, Step 2-48, Step 3-88, Step 4- 160, Step 5 - 320, Step 6- 340. Clubs will be placed in the most geographically appropriate division.

5 DETAILED PROMOTION AND RELEGATION ISSUES

- 5.1 The criteria for entry to the NLS and the criteria for ground/stadium facilities and the Criteria for participation in Play Off Matches shall be determined by the Committee. All criteria so determined shall be published by The Association from time to time.
- 5.2 Subject to 5.5, at the conclusion of each Playing Season, the following procedures will apply to promotion / relegation subject to the application of the Rules:

Step 1 and Step 2

These regulations do not deal with promotion from Step 1

The Clubs finishing in the bottom three places at Step 1 at the end of the Playing Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted. The Clubs finishing in 2nd, 3rd, 4th, 5th, 6th and 7th positions shall be eligible to take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division there is a qualifying round, semi-finals and a promotion final with all ties being played over a single leg at the ground of the higher placed Club. The winner of the promotion final in each Step 2 division will be promoted. If a Club is not eligible to enter Step 1 then it shall not take part in any Play Off Matches. In that event, such Club shall not be replaced and the Play Off Matches structure and draw shall be adjusted as necessary by the Competition on the basis of the remaining Clubs' final league positions.

Step 2 and Step 3

The Clubs in the bottom three places in each of the two divisions at Step 2 at the end of the Regular Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the four divisions at Step 3 together with a further four Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in 3rd position (and so on) shall be the Club in the next eligible position to take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the Criteria for participation in Play Off Matches the Club finishing in the next eligible position shall take part in the Play Off Matches. In each division at Step 3, the Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The ties will be played on a single match basis with the

home Club being the Club with the best points per match ratio in the Regular Season. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will play in the further Play Off Match described above. Clubs finishing below position 7 will not be eligible to take part in Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season.

Step 3 and Step 4

The Clubs finishing in the bottom four places in each of the four divisions at Step 3 at the end of the Regular Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the eight divisions at Step 4 together with a further eight Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in 3rd position (and so on) shall be the Club in the next eligible position to take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the Criteria for participation in Play Off Matches, the Club finishing in the next eligible position shall take part in the Play Off Matches. In each division at Step 4 the Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The ties will be played on a single match basis with the home Club being the Club with the best points per game ratio in the Regular Season. If there are only three eligible Clubs then the highest placed shall receive a bye to the second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below 7th position will not be eligible to take part in Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season.

Step 4 and Step 5

The Clubs finishing in the bottom two places in each of the eight divisions at Step 4 at the end of the Regular Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 5 for the following Playing Season. The Clubs finishing in third and fourth from bottom in each of the eight divisions at Step 4 at the end of the Regular Season will take part in Inter-Step Play-Off Matches against the Clubs finishing in 2nd position in each of the sixteen divisions at Step 5 to determine whether they remain at Step 4 or are relegated to Step 5 for the following Playing Season.

Clubs relegated for finishing bottom and second from bottom in each of the eight divisions at Step 4 will be replaced by the Clubs finishing in 1st position in each of the sixteen divisions at Step 5. The Clubs finishing in 2nd position in each of the sixteen divisions at Step 5 will take part in Inter-Step Play Off Matches against the Clubs finishing in third and fourth from bottom in each of the eight divisions at Step 4 to determine whether they remain at Step 5 or are promoted to Step 4 for the following Playing Season. Where a Club finishes in 1st position but does not meet the minimum criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in 3rd position (and so on) shall be the Club in the next eligible position to take part in the Inter-Step Play Off Matches. Where a Club finishes in an Inter-Step Play Off Position but does not meet the Criteria for participation in Inter-Step Play Off Matches, the Club finishing in the next eligible position shall take part in the Inter-Step Play Off Matches. Clubs finishing below 4th position will not be eligible to take part in Inter-Step Play Off Matches.

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

Inter-Step Play Off Matches:

Each Club at Step 4 which finishes the Regular Season in an Inter-Step Play Off Position will be drawn at home against a Club from Step 5 which finishes the Regular Season in an Inter-Step Play Off Position. The conditions of Inter-Step Play Off Matches (such as the criteria of how ties are drawn, associated financial matters, extra time, and player eligibility) will be confirmed by the Committee from time to time. Ties will be a one-off match with the winner being allocated to Step 4 for the following Playing Season and the defeated Club being allocated to Step 5 for the following Playing Season.

The Clubs allocated to Step 4 will be placed in a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season. In addition, a Club allocated to Step 4 shall comply with the Licencing System provision as set out in Appendix 1 to the Standardised Rules.

Step 5 and Step 6

The Clubs in the bottom two places in each of the sixteen divisions at Step 5 at the end of the Regular Season will be relegated and placed a feeder pool and placed in the most geographically appropriate division at Step 6 for the following Playing Season.

These Clubs will be replaced by (i) the Clubs finishing in 1st position at the end of the Regular Season in each of the two divisions operated by the South West Peninsula League; (ii) the Clubs finishing in 1st position at the end of the Regular Season in each of the remaining fifteen divisions at Step 6; and (iii) a further fifteen Clubs determined by a series of Play Off Matches within those remaining fifteen divisions (i.e. not including the two divisions operated by the South West Peninsula League). Where a Club finishes in 1st position but does not meet the criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted and the Club finishing in 3rd position (and so on) shall be the Club in the next eligible position to take part in the Play Off Matches. Where a Club finishes in a Play Off Position but does not meet the Criteria for participation in Play Off Matches, the Club finishing in the next eligible position shall take part in the Play Off Matches. In each division at Step 6, the Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other. The ties will be played on a single match basis with the home Club being the Club with the best points per game ratio in the Regular Season. If there are only three eligible Clubs then the highest placed shall receive a bye to the second match where it will play the winner of the other Play Off Match and the winner of that match will be promoted. Clubs finishing below 7th position will not be eligible to take part in Play Off Matches.

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 5 for the following Playing Season.

Step 6 and relegation

At the end of the Regular Season the Clubs in the bottom three positions of each of the seventeen Step 6 divisions will be liable to relegation. The final number of Clubs to be relegated will be confirmed once promotion candidates from Feeder Leagues and any vacancies are known. If reprieves are required the Clubs third from bottom will be ranked on a points per match basis (then goal difference, then goals scored if required) - the Club(s) with the best points per match will be reprieved. If all third from bottom Clubs are reprieved, and a further reprieve(s) is required, the same process will apply for Clubs in second from bottom (and so on).

- 5.3 At Steps 2-5 the Club finishing in last place in the table at the end of the Regular Season will be relegated and not reprieved.
- 5.4 At Steps 1 to 6, if a Club becomes eligible to take part in a Play Off Match and refuses to take part in that match or if a Club qualifies for promotion and refuses to be promoted then that Club shall be relegated from the division it last played in and shall play the following Playing Season in the division at the next Step level below. If the refusal/ineligibility applies to a Club currently operating at Step 6, the Club will be removed from the NLS and placed in the appropriate Regional NLS Feeder League, provided there is an eligible Club at Feeder League level to replace them.
- 5.5 Where a vacancy occurs within the NLS the following procedures will apply:

End of the Playing Season

- 5.5.1 (a) Where a Club notifies its decision to resign from its League at the end of the Playing Season, then a vacancy is created on the date the notification of that decision is formally recorded by that League. Such resignation can only be withdrawn by the end of that Playing Season with the consent of the Board of that League.
- (b) In all cases, that Club is treated as a relegated Club. The final table of that division is not affected.
- (c) In cases where the vacancy is created after the end of the Playing Season but before the League's AGM, the vacancy will be filled in accordance with Regulation 5.5.2 below.
- 5.5.2 (a) Where a vacancy occurs at Step 1 and Step 2 following the completion of a Playing Season the best ranked Club in a relegation position is reprieved.
- (b) Where a vacancy arises at Step 3 to 6 following the completion of a Playing Season it shall be dealt with at the sole discretion of the Committee.
- (c) Where a vacancy occurs at Step 3 and 4 after the allocations for the following season have been published and prior to the holding of the League's AGM. The vacancy created shall be dealt with at the sole discretion of the Committee in order to minimise disruption.
- (d) Where a vacancy occurs after the date of a League AGM then a League is not able to replace the Club(s) concerned for the following Playing Season.

Prior to the end of a Playing Season

- 5.5.3 (a) In cases where the vacancy is created prior to the end of the Playing Season, at Steps 1 and 2 the vacancy will be filled by the best ranked Club in a relegation position at the end of the Regular Season, eligible of being reprieved in that same division. In the event of there being more vacancies than Clubs eligible to be reprieved, such vacancy or vacancies will be filled by Clubs eligible to be reprieved in the Competition's other division(s) on a points per match ratio. At Steps 3 to 6, the vacancies shall be filled at the sole discretion of the Committee.
- (b) Where, prior to the end of the Playing Season, a Club notifies its decision to resign from its League with immediate effect or where a Club is removed from the League for any reason, then the playing record of that Club will be expunged and a vacancy is created on the date the resignation or removal is formally recorded by that League.
- (c) In all such cases that Club is treated as a relegated Club and the vacancy will be filled in accordance with 5.5.3(a) above.
- 5.6 Only internal changes to the constitution of a League are allowed following the holding of a League's Annual General Meeting.
- 5.7 Clubs are not allowed to enter into a ground share agreement in order to gain promotion or to retain membership at a particular Step where the Club has failed to attain or maintain the relevant Grade.

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

- 5.8 Ground grading requirements will be in accordance with the Rules.

Each Playing Season, a Club participating at Step 1 to Step 6 must attain the following ground grading by 31 March:

STEP	GRADE
Step 1	Grade 1
Step 2	Grade 2
Step 3	Grade 3
Step 4	Grade 4
Step 5	Grade 5
Step 6	Grade 6

Where a Club fails to attain the relevant grade by 31 March in a Playing Season, it will not be eligible for promotion or to participate in any Play Off Match in that Playing Season and will be relegated to the Step immediately below at the end of the Playing Season (save for where that Club also fails to meet the ground grading criteria applicable for the Step immediately below, in which case the Committee shall decide (at its sole discretion) where to place the Club for the following Playing Season).

Clubs promoted from Feeder Leagues must install floodlights in working order by 30th September following promotion. Failure to do this will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

- 5.9 If a Club is relegated for not achieving the required Grade for the Step at which it is playing it will not be eligible for promotion again until it has attained the required Grade for the Step to which it wishes to be promoted. The Club must have that Grade at 31st March in the year in which it seeks promotion.
- 5.10 Where a Club resigns from a League that Club will not be eligible for promotion for at least one Playing Season following the Season in which it resigned.
- 5.11 In the event of any question arising regarding the interpretation of these Regulations it will be decided by The Association in its sole discretion.

6. THE MOVEMENT OF CLUBS WITHIN THE NLS OTHER THAN BY PROMOTION OR RELEGATION

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in these Regulations or League Rules save with the approval of the Committee.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee / sub-committee. Only a Club subject to lateral movement from one League to another may appeal that decision pursuant to Regulation 8.2(b).

- 6.2 Any Club wishing to move from one League to another must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving shall not levy a financial penalty on that Club.

- 6.3 (i) If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, it will be allowed to make an application only to join a League/ division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of Premier League or EFL then the Committee shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the Committee by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the Committee will consider at its discretion which application will be considered in accordance with this Regulation.

- (ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the Committee within five working days of it receiving written notification of its removal from its League. The Committee will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

- 6.4 If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the Committee, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the Committee in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee at its absolute discretion.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

- 6.5 If two or more Clubs (“the Merging Clubs”) are proposing a transaction or series of transactions that result in the merging or consolidation (“the Proposed Merger”) of those Clubs into one Club (“the Merged Club”) then a formal application to do so must be received by the Committee and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Committee may apply the following minimum criteria:

- 6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;
- 6.5.2 The proposed playing name of the Merged Club must be acceptable to the Committee; and
- 6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;
- 6.5.4 Any other criteria that the Committee may from time to time deem to be appropriate;
- 6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Committee at its absolute discretion.

7. PLACEMENT OF A CLUB INTO A LEAGUE

- 7.1 Usually a club can only enter the NLS at Step 6 via a Feeder League. However a League may seek approval from the Committee to receive a club or team not currently in membership of a League within the NLS provided that there is: (a) exceptional circumstances, (b) a vacancy within its constitution, (c) the club meets the entry criteria and (d) promotion and relegation issues have been satisfied. Such request must be received from the league by no later than 1st February. Any decision shall only be capable of Appeal to The Association by the affected League.
- 7.2 Reserve teams, including a team from a club or Club which is not considered by the Committee to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 and Feeder League level. No two teams from the same Club can play at the same Step.
- 7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

- 7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certification has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. PROCEDURES FOR THE DETERMINATION OF ANY MATTER, DISPUTE OR DIFFERENCE BY THE COMMITTEE

- 8.1 The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 2. The Committee may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.

- 8.2 (a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.

- (b) Subject to Regulation 6.1 above, any decision of the Committee shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Appeal Regulations save for (i) appeals in relation to Ground Grading decisions where the procedures are outlined in Regulation 8.2(c) below and (ii) appeals in relation to decisions made pursuant to Regulations 6.1 and 6.2 above where the procedures are outlined in Regulation 8.2(d) below.

- (c) Procedures for Ground Grading Appeals

- (i) The ratification of the Ground Grading decision must be sent in writing within 14 days of the final decision date, currently 31st March.
- (ii) Appeals in relation to Ground Grading Appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
- (iii) The Committee will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
- (iv) In all cases the Committee will submit any documentation including the Ground Grading report that was considered by the Committee in relation to the Ground Grading decision, (which the appellant would already have received).
- (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Ground Grading appeals and details of the dates would be notified to all Clubs in the correspondence from the Committee notifying the decision of the Ground Grading assessment.

- (d) Procedures for appeals against decisions made pursuant to Regulation 6.1 and 6.2.

- (i) Such appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
- (ii) The Committee's response to the appeal shall be submitted to The Association's Judicial Services Department within seven days of the date the Club's appeal was submitted, with a copy to The Association's National League System Department.

23 - NATIONAL LEAGUE SYSTEM REGULATIONS

- (iii) In all cases the Committee will submit any documentation considered by the Committee in relation to the relevant decision (which the appellant would already have received) with its response.
- (iv) The Committee will appear before an Appeal Board with the Appellant for determination of the appeal.
- (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of such appeals and details of the dates would be notified to the Club in the correspondence from the Committee notifying them of the relevant decision.

8.3 The Committee may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to anybody it considers to be appropriate (including a sub-committee or commission which may include members of council not on the Committee or a body constituted by a County Football Association).

9. CRITERIA FOR THE PARTICIPATION IN PLAY-OFF MATCHES

In order to qualify for Play Off Matches and Inter-Step Play Off Matches a Club must comply with:

- Security of Tenure – see Standardised Rule 2.3.2
- Solvency – see Standardised Rule 13.B.2

- Ground Grading – see 5.8 of these regulations and the relevant criteria document

10. ARBITRATION

The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.

11. LICENSING SYSTEM

A Club shall be required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS.

- (a) The Association shall through the appropriate Committee operate a Licensing System to apply to all Clubs competing at Steps 1 to 4 of the National League System (“NLS”). A Club is required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS. The Licensing System to be applied is as shown at an Appendix to the Standardised Rules.
- (b) Each Competition at Steps 1 to 4 of the NLS shall be responsible for the operation, assessment and granting of the Licence in respect of its Clubs through the Standardised Rules as approved by a Committee of The Association. A Competition at Steps 1 to 4 shall take all reasonable and practical steps to co-operate with The Association in the application of the Licence.
- (c) In the event that a Competition fails to apply the Licensing System set out in the Standardised Rules to the satisfaction of The Association, then The Association shall have the powers of the Board of that Competition as set out in the Standardised Rules to apply such Licensing System. In addition, The Association may, if necessary, bring an action against the Competition for Misconduct under the Rules of The Association.

12. PRECEDENCE

In the case of conflict between the Regulations for the Operation of the NLS and the Rules, the Regulations take precedence:

APPENDIX A

1. League Structure

- 1.1 The Leagues currently operating as Feeder Leagues are set out at the end of the Appendix.
- 1.2 At Feeder League level the maximum number of Clubs in each division shall be determined by the Sanctioning Authority taking into account all relevant factors. In any case, this shall not be more than 18 Clubs. The minimum amount of Clubs should be 14.
- 1.3 Any league wishing to become a Feeder League must apply to the FA Leagues Committee by 31st December in the relevant year in such form and /or providing such information as shall be required by the Committee from time to time. The decision as to whether or not a league should be admitted as a Feeder League shall be made by the Committee.

2. Rules and Regulations for Promotion and Relegation

- 2.1 All Feeder League Clubs seeking promotion to Step 6 must make an application using the prescribed form direct to The Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Feeder League. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the Club finishing in 2nd position will be eligible for promotion. If the Club in 2nd position does not seek promotion or fails to meet the entry criteria then Clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position may not be considered for promotion and only one Club may be considered for promotion from each League. Each application must be accompanied by the agreed application fee, as determined by the Committee, which is non-refundable.

- 2.2 Clubs competing in a Feeder League must comply fully with the minimum requirements of Grade 8. To be considered for promotion to Step 6, Clubs must meet the requirements of Grade 7 and attain Grade 6 by 31st March in the year following promotion. Clubs can be promoted from Feeder Leagues to Step 6 without floodlights, provided that that all other requirements of Grade 7 are met by 31st March in the Playing Season in which the Club wishes to gain promotion and that the Club has the following in place:

- Planning permission granted for floodlights.
- That by 30th September following promotion that floodlights are installed and in working order.
- A development / business plan
- Quotations / estimates for the work to be carried out.
- Funding applications submitted, if required.

Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

3. Placement of a Club in a League

- 3.1 The matter of draft placements for Clubs in Feeder Leagues is for the League in conjunction with its Sanctioning Authority. Once drafted, proposed placements are to be submitted to the Committee for ratification by an appropriate date as prescribed by the Committee from time to time. This is save for Clubs being allocated to Feeder Leagues having been relegated from Step 6, which is a matter for the Committee.

- 4.2 Any Club wishing to move from one League to another must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. - 2.3 The aims and objectives of the Women's Football Pyramid are:
 - 2.3.1 To provide clubs with a level of competitive football appropriate to their playing ability, stadium/ground facilities, economic means and geographical location.
 - 2.3.2 To provide a framework for discussion on matters of policy and common interest to Leagues and Clubs.
 - 2.3.3 To allow the seasonal movement of clubs.
- 2.4 All Leagues and Clubs participating in the Women's Football Pyramid shall be bound by and comply with these Regulations. Every League and Club shall be deemed, as participants of the Women's Football Pyramid, to have accepted these Regulations and to have agreed to abide by the decisions of the Board in relation thereto, subject to any right of appeal prescribed in these Regulations.

3. MEMBERSHIP OF A LEAGUE IN THE WOMEN'S FOOTBALL PYRAMID

- 3.1 The structure of the Women's Football Pyramid is as set out at Appendix A. Reserve sections/divisions sit outside of the Women's Football Pyramid.
- 3.2 Subject to regulation 3.3, a League in Tier 3 to Tier 6 inclusive is permitted to operate with between 10 and 12 Clubs per division.
- 3.3 A Regional League may only operate as a Regional League Format B provided that:
 - 3.3.1 each division operates with no more than 10 teams;
 - 3.3.2 the Regional League has consulted with the County Leagues (at Tier 7) for that geographical region; and

A League that signifies its acceptance to be bound by these Regulations must be in a position to promote and relegate Clubs at the conclusion of each Playing Season. In extenuating circumstances, where a League is not in a position to relegate due to that League not being up to strength, it must obtain the permission of the Board.
- 4.2 A Club shall be promoted or relegated to the correct designated league or division in the Women's Football Pyramid according to its County Association affiliation, unless the provisions of Regulation 5 provide for the contrary.

5. DETAILED PROMOTION AND RELEGATION PROVISIONS

- 5.2 The criteria for entry into a League at Tier 3 to Tier 7, including the ground grading criteria, shall be agreed between the Board and the Leagues at Tier 3 to Tier 7.
- 5.3 The agreed criteria in respect of ground grading for each Tier are contained in the Women's Football Pyramid Ground Grading Document as published by The Association from time to time.

Where this is necessary, no Club will be asked to move more than once in any three seasons, unless, as determined by the Board it would be advantageous to the Club to do so earlier than three seasons.
- 5.5 Each year the Board will consider whether any lateral movements may be necessary at Tiers 3 to 7; if so the Clubs likely to be affected shall be notified and, if the Club does not wish to be moved laterally, given the opportunity to present a case to the Board. The decision of the Board shall be final and binding subject only to arbitration under the Rules.

A Regional League shall include provisions in its rules, as agreed by the Board, for appropriate relegations to its feeder County Leagues upon reaching its maximum membership.

A Regional League which has not reached its maximum membership may include provisions in its rules for appropriate relegations to its feeder County Leagues provided that a sufficient number of teams have been promoted from its feeder County Leagues via the promotion pool at the end of that Playing Season.

The movement of Clubs from Tier 7 (County Leagues) to Tier 6 will be via a promotion pool.

Clubs in a League at Tier 7 playing open age 11 v 11 format can apply to the Board to be considered for promotion into Tier 6. Any such application must be made by 31 March in each year and priority will be based on the finishing positions of those Clubs. In the event that the champion Club at Tier 7 has not applied for promotion by 31 March in the relevant year, that Club will nevertheless still be considered for promotion to Tier 6.

The Board, in consultation with the relevant Joint Liaison Committee, shall decide which Clubs shall be promoted into Tier 6 (and into which division at Tier 6), taking into account:

The rules for the play-off matches shall be determined by the Board.

Tiers within the same League

In exceptional circumstances and only in the case of Leagues which have divisions at more than one Tier, the promotion and relegation between Tiers which form part of the same League may be decided by a majority of those persons eligible to attend and vote at a Special General Meeting or Annual General Meeting where this is considered, subject to the approval of the Board.

Additional Teams

Second or subsequent teams from the same Club already competing in the Women's Football Pyramid are not permitted to play above Tier 6.

24 - WOMEN'S FOOTBALL PYRAMID REGULATIONS

6. THE MOVEMENT OF CLUBS WITHIN THE WOMEN'S FOOTBALL PYRAMID OTHER THAN BY PROMOTION OR RELEGATION

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation save with the approval of the Board or in accordance with Regulation 6.3, such approval being final and binding.
- 6.2 A new Club intending to participate in a League at Tier 7 or a Club already participating in a League at Tier 7 shall be permitted to apply to the Board to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, at its absolute discretion, whether this exception applies, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. Where the Board decides that the exception applies, the position may be subject to annual review.
- 6.3 Any Club proposing to move from one League to another, other than by promotion, relegation and/or via the promotion pool, must make applications to resign from and be elected to the relevant Leagues in accordance with the rules and regulations of those Leagues. Any such notice must in any event, and regardless of any provisions to the contrary in a League's rules and regulations, be given to both Leagues and the Board by 31st March in the relevant year in order to be effective for the following Playing Season. Only once promotion and/or relegation has been decided will a decision be made by the Board in respect of a Club's application.
- 6.4 If a Club (whether a members' club or a company) is wound up, liquidated or withdrawn or removed from a League/division in the Women's Football Pyramid and then wishes to reform and/or re-enter the Women's Football Pyramid the following Playing Season, unless otherwise determined by the Board, it will be allowed to make an application only to join a League/division a minimum of two Tiers below the League/division in which it was a member when wound up, liquidated, withdrawn or removed (e.g. from Tier 1 to Tier 3 or below, from Tier 2 to Tier 4 or below, from Tier 3 to Tier 5 or below etc.). This relates only to Clubs that wish to reform and/or return for the following Playing Season and subject to the approval of the Board as set out above.
- 6.5 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the Board and the League(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A deed of agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Board shall determine at its absolute discretion where the Merged Club is to be included in the Women's Football Pyramid for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Board may apply the following minimum criteria:

- 6.5.1 with regard to each of the Merging Clubs:
- 6.5.1.1 The shareholders or members of the Club have voted to agree to the transfer of the Club's membership to the new entity and/or a licensed insolvency practitioner(s) appointed to the Club has agreed to sell or transfer some or all of the Club's assets to the new entity.
- 6.5.1.2 All Football Creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity, and evidenced as such.

24 - WOMEN'S FOOTBALL PYRAMID REGULATIONS

6.5.1.3 All other creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity and evidenced as such.

6.5.1.4 The proposed new entity has provided financial forecasts to the Board and the League showing its ability to fund the Club for the next twelve (12) months or to the end of the Playing Season following transfer (whichever is the longer) and that evidence of funding sources has been provided.

6.5.1.5 The Board must have given approval for the transfer to take place.

In the event that requirement 6.5.1.1 and/or 6.5.1.3 are not fully complied with, and only where the Board, at its absolute discretion, deems there to have been exceptional circumstances surrounding the application for the merger, it may approve the merger (subject to compliance with all other provisions above);

6.5.2 the proposed playing name of the Merged Club must be acceptable to the Board;

6.5.3 the Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;

6.5.4 any other criteria that the Board may from time to time deem to be appropriate; and

6.5.5 the Merged Club will ordinarily be placed at the lower of the Tiers at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been relegated without the Proposed Merger proceeding or if one of the Merging Clubs has finishing the Playing Season in a promotion place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been promoted without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Board at its absolute discretion.

6.6 In the event that a League in the Women's Football Pyramid ceases to exist, the Board will use its reasonable endeavours to place the Clubs previously playing in that League at the next highest level of the Women's Football Pyramid for the following Playing Season (but is under no obligation to do so), unless otherwise requested by a Club.

7. ELECTION OF A CLUB INTO A LEAGUE

7.1 Subject to Regulation 7.3, a Club can only enter the Women's Football Pyramid at Tier 7 and only to the County League of their Parent County Association.

7.2 Any Club shall, with the permission of the Board, be permitted to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, whether such permission shall be granted, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. If permission is granted, this may be subject to annual review.

7.3 In exceptional circumstances a League may seek approval from the Board to elect a Club not currently in membership of that League provided that there is: (a) exceptional circumstances (b) a vacancy within its constitution (c) the Club meets the entry criteria and (d) promotion and relegation issues have been satisfied.

24 - WOMEN'S FOOTBALL PYRAMID REGULATIONS

Any application for a change of playing name must be received by the Board on or before 1 May in a Playing Season in order for it to be considered by Board for adoption in the following Playing Season. - (iii) admit the allegation(s). A Referee who admits the allegation(s) may set out any submissions which he wishes the Referees' Committee to consider when considering what, if any, action to take. The Referee may also request a personal hearing as above.

In considering any allegation at a personal hearing, a Referees' Committee or Commission thereof, may adopt such procedures as it considers appropriate and expedient for the determination of the matter brought before it; and shall not be bound by any enactment of rule or law relating to the admissibility of evidence in proceedings before a court of law.

Guide to Procedures at Personal Hearings

The following may be used as a guide to the procedures to be followed at a personal hearing, unless the Referees' Committee or Commission consider it appropriate to amend them:

- (a) The allegation(s) will be read out to the Referee, who will be asked if the allegation(s) are admitted or denied.
- (b) Evidence in support of the allegation(s) to be called.
- (c) Evidence in response to the allegation(s) to be submitted by the Referee, who may, with the permission of the Referees' Committee or Commission, be accompanied by a representative. (Any such representative shall not be permitted to give evidence as a witness).
- (d) The Referees' Committee or Commission and the Referee (as appropriate) shall be entitled to ask questions of any witness giving evidence in support of the allegation(s). The Referees' Committee or Commission shall be entitled to ask questions of the Referee, who may give evidence in defence of the allegation(s).

The Referees' Committee or Commission may draw such inferences as it considers appropriate from the failure of the Referee to give evidence or answer a question.

- (e) In the event of evidence submitted in answer to the allegation(s) disclosing a point which the Referees' Committee or Commission considers was not covered in the evidence of, or not put to, any witness in support of the allegation(s), the Referees' Committee or Commission may recall and ask questions of such witness. The Referee or relevant representative may also ask questions.
- (f) After the evidence has been completed to the satisfaction of the Referees' Committee or Commission, the Referee or representative shall be entitled to make submissions based upon the evidence, but this may not include reference to facts not disclosed in the evidence presented to the Referees' Committee or Commission. At the conclusion of the submissions all persons shall withdraw whilst the Referees' Committee or Commission considers the evidence and submissions presented to it and determines whether the allegation(s) has been proved or not. After reaching a decision, the Referees' Committee or Commission shall recall the Referee and any representative, and announce whether the allegation(s) have proved or not proved. The decision shall be subsequently confirmed in writing. As an alternative the Referees' Committee or Commission may, where it considers it appropriate, not announce its decision at the meeting but inform the Referee that such a decision will be communicated in writing.

- (g) Where the Referees' Committee or Commission find the allegation(s) proved, it shall have the power to act in relation to the Registration of the Referee as it considers appropriate. This may include, but is not limited to, censure, a period of remedial training, suspension or removal of Registration.
- (h) A Referee may be dealt with in the normal course as a participant for any alleged Misconduct (i.e. by a Regulatory Commission or another Disciplinary Commission as appropriate), in addition to having issues relating to the Registration as a Referee considered by The Association, Affiliated Association or Service Association through its Referees' Committee in relation to the same behaviour. In such cases, a charge of Misconduct shall be considered before any matter relating to the issue of Registration is dealt with by the Referees' Committee under Regulation 7 (a)(vi).

Action in respect of the Registration of Match Officials appointed to Competitions of The Association and other Competitions including Step 3/4 Leagues and above in the Order of Precedence (Section 9) will be considered by the appropriate committee of The Association.

- (i) In circumstances where it is considered appropriate, the Referees' Committee may order that the Registration of a Referee be suspended with immediate effect, pending determination of a charge of Misconduct or pending the determination of a charge under 7(a)(i) or (ii) above and in the latter case the reason for such suspension is to be notified to the Referee in writing and reported to the Commission hearing any resultant charge.

8. APPEALS AGAINST DECISIONS OF A REFEREES' COMMITTEE OR COMMISSION THEREOF

- (a) Where The Association or an Affiliated or Service Association, through its Referees' Committee, makes an order in relation to the registration or classification of a Referee there shall be a right of appeal by the Referee against the decision.

- (c) Should any match official be approached to supply any details, they should immediately report the matter to the Association or Affiliated Association.

GUIDE TO MARKING

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

MARK RANGE	COMMENT
100-86	The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
85-76	The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.
75-61	The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.
60 and below	The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the Referee.

CONTROL AND DECISION MAKING

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?

25 - REFEREES

- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

COMMUNICATION AND PLAYER MANAGEMENT

- How well did the Referee communicate with the players during the game?
- Did the Referee's Level of involvement/profile suit this particular game?
- Did the Referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

FINAL THOUGHTS

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

(Players under the age of 18 on 31st August in the current season)

2. The constitution of the Youth Association, or Committee, must be submitted to The Association.

MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

1. It is usually the pupil of outstanding Football ability whose services are sought by any Club, and the Player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and Club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
2. An outside Club or organisation should consult the head-teacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Head-teachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

Any Club not maintaining the grade set for the Competition may be relegated at the end of the Playing Season to a step determined by The FA.

[Any delay in inspection shall in no way release a Club from its obligation to have its ground ready for inspection. If for any reason a Club's existing ground, or any new ground in which it proposes to play its home matches in the season following inspection, is not available for grading by 31st March prior to commencement of the relevant season then the Club must, by the 31st March, submit to the Board in writing its proposals for a venue for its home matches in the following season ("alternative proposal"), such alternative proposal to be considered (and if appropriate) approved at the next Board Meeting after 31st March. The alternative proposal must, inter alia, contain documentary evidence in support of any ground sharing arrangements and evidence that the proposed ground is demonstrably suitable at a level which the relevant club will be competing. The alternative proposal may not be for a continuation of any ground share arrangement if the Club has had a ground sharing arrangement for the previous 2 seasons, or any part thereof, even if those arrangements have related to more than one ground.

Any approval of the alternative proposal will be subject to the issue of a grading certificate. 31 - STANDARD CODE OF RULES FOR MINI SOCCER AND YOUTH FOOTBALL COMPETITIONS

This document contains the Standard Code of Rules developed by The Football Association for Mini Soccer and Youth Football Competitions (the “Standard Code”).

The Standard Code is mandatory for all Mini Soccer and Youth Football Competitions.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

Please note that from the 2021/22 season all players must be registered through the Player Registration System and it will not be possible to register players using the alternative methods in Rule 18(A).

35 - SMALL-SIDED FOOTBALL

LAWS OF THE GAME

Revised March 2018

INTRODUCTION

The following laws of the game are The Association's recommended laws for use in Small-Sided Football. This includes 5, 6 and 7-a-side games but not Mini-Soccer or Futsal, which have their own specific laws. (These are also available from The Association). These Laws were revised in 2012 based on the following principles;

- A revision of The Association's Laws so that they better reflect the game that it is being played in many venues
- Applying the general principle of the 'normal laws of Association Football with exceptions' and as consequence simplifying the game for both players and Referees.
- Improving the technical quality of play in the small-sided game
- To encourage participation and enjoyment in a safe and controlled environment.

Small-Sided Football is now the largest form of the recreational game. The laws that people play the game tend to differ from venue to venue and reflect both traditions of play and the constraints of the facility in which the game is taking place. The set of Laws contained in this document are those that The Association will use in its own Small-Sided Football competitions and we would recommend their adoption by all organisers of Small-Sided Football. However, given the diversity of small sided facilities and formats in this country, use of these Laws in all circumstances is not mandatory and these revised Laws also allow The Association and the County Football Associations to sanction other formats of Small-Sided Football. The principles of any approval by The Association shall be based upon;

- The normal laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials.

This document contains both a full set of laws, suitable for use by competition organisers and Match Officials and an abridged version that can be used to advise participants of the laws that will be of greatest interest to them.

Further advice on laws of the game and the affiliation of competitions can be obtained from your local County Football Association.

35 - SMALL-SIDED FOOTBALL

SECTION ONE

SMALL-SIDED FOOTBALL - LAWS OF THE GAME

General Principle

Where not stated the normal Laws of Association Football apply with exceptions notably that there is no offside in Small-Sided Football

LAW 1: THE PLAYING AREA

The Pitch

Small Side Football may be played with or without barriers.

The playing area must be rectangular. The length of the touchline must be greater than the length of the goal line.

For 5 and 6 – a side football the following dimensions are

Recommended Length: minimum 25 m
maximum 50 m

Width: minimum 16 m
maximum 35 m

For 7 a side football the following dimensions are

Recommended Length: minimum 50m
maximum 60m

Width: minimum 30m
maximum 40m

35 - SMALL-SIDED FOOTBALL

Area Markings

The playing area is marked with lines. The two longer boundary lines are called touchlines. The two shorter lines are called goal lines.

All lines are 8cm wide.

The playing area is divided into two halves by the halfway line.

The centre mark is indicated at the midpoint of the halfway line. A circle with a radius of 3 m is marked around it.

A penalty area is defined at each end of the pitch as follows:

A semi circle of 6 m radius shall be drawn from the centre of each goal line. The extremities of these semi-circles should reach the goal line, barrier or wall regardless of whether or not the goal posts encroach onto the playing area.

Penalty Mark

A penalty mark is drawn 6 m from the midpoint between the goal posts and equidistant from them.

The Corner Arc

Where barriers do not surround the playing area a quarter circle with a radius of 25cm from each corner is drawn inside the playing area.

Goals

Goals must be placed on the centre of each goal line.

They consist of two upright posts equidistant from each corner and joined at the top by a horizontal crossbar.

The distance (inside measurement) between the posts is maximum 5m, minimum 3m and the distance from the lower edge of the crossbar to the ground is maximum 2m minimum 1.20m.

Both goal posts and the crossbar have the same width and depth of 8cm. Nets, made of hemp, jute or nylon, are attached to the posts and crossbars behind the goals. The lower part is supported by curved bars or some other adequate support.

Safety

The goals may be portable but they must be anchored securely to the ground during play as per Health and Safety requirements.

Playing Surface

Where natural turf is not used the surface must be smooth and flat and non-abrasive.

The use of wood or artificial material is recommended.

LAW 2: THE BALL

Qualities and Measurements

The ball is:

- Spherical
- Made of leather or other suitable material
- Size appropriate to the age group playing

Replacement of a Defective Ball

If the ball bursts or becomes defective during the course of a game:

- The game is stopped
- The game is restarted by dropping the replacement ball at the place where the first ball became defective

35 - SMALL-SIDED FOOTBALL

If the ball bursts or becomes defective while not in play:

- The game is restarted according to the Laws

The ball may not be changed during the match without the permission of the Referee.

LAW 3: THE NUMBER OF PLAYERS

A match is played by two teams, each consisting of not more than the following number of players and substitutes for each format:

5-a-side = 5 players per team and 3 substitutes (total of 8 players)

6-a-side = 6 players per team and 3 substitutes (total of 9 players)

7-a-side = 7 players per team and 3 substitutes (total of 10 players)

Substitution Procedure

The maximum number of substitutes permitted is three.

The number of substitutions made during a game is unlimited. A player who has been replaced may return to the pitch as a substitute for another player.

Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game. This will be determined by the Competition Rules.

A substitution is one that is made when the ball is in or out of play for which the following conditions must be observed:

- The player entering the playing area may not do so until the player leaving the playing area has passed completely over the boundary line
- Where barricades are used the players must use the opening onto the playing area
- A substitution is complete when the substitute enters the playing area from which moment they become a player and the player they are replacing ceases to be a player

A substitute is subject to the authority and jurisdiction of the Referee whether called upon to play or not.

Changing Places with the Goalkeeper

Any of the players or substitutes, may change places with the goalkeeper. The following conditions must be observed:

- The Referee must be informed before the change is made
- The change may only be made during a stoppage in play
- The replacement goalkeeper must wear a jersey which distinguishes them from all other players

Infringements/Sanctions

If, while a substitution is being made, a substitute enters the playing area before the player being replaced has completely left:

- Play is stopped
- The player being replaced is instructed to leave the playing area
- The substitute is 'sin binned' for the agreed period.
- Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

35 - SMALL-SIDED FOOTBALL

Where barricades are used if, while a substitution is being made, a substitute enters the playing area or a player being replaced leaves it from a place other than the recognised opening in the barricades:

- Play is stopped
- The substitute is 'sin binned' for the agreed period.

Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

Validity of a Match – Playing Numbers

A match should not be considered valid if the playing strength of either team is permanently reduced by:

- More than two players for 5-a-side,
- More than two players for 6-a-side
- More than three players for 7-a-side.

However this should only apply when players are permanently excluded or lost through injury rather than within the 'Sin Bin' for a two minute suspension.

LAW 4: THE PLAYERS' EQUIPMENT

Safety

A player must not use equipment or wear anything that is dangerous to themselves or another player, including any kind of jewellery. Jewellery should be removed.

Basic Equipment

- A jersey or shirt
- Shorts or track suit trousers
- Socks
- Shinguards
- Footwear – which is subject and appropriate to local conditions and surface type must be worn.

Shinguards

- Are covered entirely by the socks
- Are made of a suitable material (rubber, plastic or similar substances)
- Provide a reasonable degree of protection

Goalkeepers

- The goalkeeper is permitted to wear long trousers
- Each goalkeeper wears colours which easily distinguish them from the other players and the Referees

35 - SMALL-SIDED FOOTBALL

Infringements/Sanctions

For any Infringements of this Law:

- The player at fault is instructed by the Referee to leave the playing area to correct their equipment or to obtain any missing item of equipment. The player may not return to the playing area without first reporting to the Referee, who then checks that the player's equipment is now correct. The player is only allowed to re-enter the game when the ball is out of play
- Players can return to play whilst the ball is in play if a second official has checked the equipment. If no second official is present the player must wait for a break in play in order for the Referee to check the faulty equipment

LAW 5: THE REFEREE

The Authority of the Referee

Each game is controlled by a Referee who has full authority to enforce the Laws of the Game in connection with the game to which they have been appointed, from the moment they enter the locality where the playing area is situated until they leave.

Powers and Duties The Referee:

Enforces the Laws of the Game

- Allows play to continue when the team against which an offence has been committed will benefit from such an advantage and penalises the original offence if the anticipated advantage does not ensue at that time
- Keeps a record of the match and provides the appropriate authorities with a game report which includes information on any disciplinary action taken against players, and/or team officials and any other incidents which occur before, during or after the game
- Acts as timekeeper
- Stops, suspends or terminates the game for any infringement of the Laws or due to any kind of outside interference
- Takes disciplinary action against players guilty of cautionable and sending-off offences
- Takes action against team officials who fail to conduct themselves in a responsible manner and may, at their discretion, expel them from the playing area and its immediate surrounds
- Ensures that no unauthorised persons enter the playing area
- Stops the game if, in their opinion, upon injury assessment a player is seriously injured and ensures that they are removed from the playing area
- Ensures any player bleeding from a wound leaves the playing area
- Allows play to continue until there is a stoppage in play if a player is, in their opinion, only slightly injured
- Ensures that any ball used meets the requirements of Law 2
- Make use of timed suspensions to exclude temporarily players guilty of infringements of the laws
- In the absence of a second official, the Referee should make excluded players aware of the end of their period of suspension

Decisions of the Referee

The decisions of the Referee regarding facts connected with play are final.

LAW 6: THE MATCH OFFICIAL

Duties

The duties of the Match Official are to assist the Referee in the control of the game in the following areas: -

- Control of the substitution procedure, ensuring that the player to be replaced has left the playing area before the substitute is allowed to enter the playing area
- Check the equipment of all the substitutes entering the playing area
- Ensure that a player sent from the playing area by the Referee, to replace any missing or defective equipment is checked before being allowed back on to the playing area
- If a player has been removed from the playing area by the Referee to have a 'blood injury' treated the Match Official must ensure that the bleeding has stopped before the player is allowed to re enter the playing area
- Keep a full record of the game details
- Act as the timekeeper for any player who has been given a temporary suspension from the game
- Report to the Referee any misconduct by any of the team players or officials in the technical / bench / substitute area
- Carry out any other duties as requested by the Referee

LAW 7: THE DURATION OF THE GAME

The duration of the game shall be divided into two equal periods of over five and up to 25 minutes each period subject to the following:

- a. Allowance shall be made in either period for time lost through stoppages as decided by the Referee.
- b. The duration of either half shall be extended to enable a penalty kick to be taken.
- c. At half time the interval shall not exceed five minutes except by consent of the Referee.
- d. Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends.

For games ending in a draw, competition rules may state provisions involving extra time or other procedures approved by the International FA Board to determine the winner of the game.

LAW 8: START OF PLAY

Preliminaries

The choice of ends is decided by the toss of a coin. The team winning the toss decides which goal it wishes to attack in the first half of the game.

The other team takes the kick-off to start the game.

Kick-off

A kick-off is a way of starting or restarting play:

- At the start of the game
- After a goal has been scored
- At the start of the second half of the game
- At the start of each period of extra time, where applicable

A goal may be scored directly from the kick-off.

35 - SMALL-SIDED FOOTBALL

Procedure

- All players are in their own half of the playing area
- The opponents of the team taking the kick-off are at least 3m from the ball until it is in play
- The ball is stationary on the centre mark
- The Referee gives a signal
- The ball is in play when it is kicked and moves forward
- The kicker may not touch the ball a second time until it has touched another player

After a team scores a goal, the other team takes the kick-off.

Infringements/Sanctions

If the kicker touches the ball for a second time before it has been touched by another player:

- An indirect free kick is awarded to the opposing team which has to be taken from the place where the infringement occurred. For any other infringement of the kick-off procedure the kick-off is retaken.

Drop Ball

A drop ball is a way of restarting the game after a temporary stoppage

Procedure

The Referee drops the ball at the place where it was located when play was stopped, unless it was in the goalkeeper's possession, when the goalkeeper shall, at the referee's signal; return the ball into play by throwing the ball from any point within the Penalty Area.

Play restarts when the ball touches the ground.

Where barricades are in use and a drop ball is required the Referee shall drop the ball 2m from the barricade at the appropriate point.

Infringements/Sanctions

The ball is dropped again:

If it is touched by a player before it makes contact with the ground

If the ball leaves the playing area after it makes contact with the ground, without a player touching it

LAW 9: THE BALL IN AND OUT OF PLAY

Ball Out of Play

The ball is out of play when:

- It has wholly crossed the goal line or touch line, whether on the ground or in the air
- Play has been stopped by the Referee
- When playing indoors, it hits the ceiling

Ball In Play

The ball is in play at all other times including when:

- It rebounds from a goal post, the crossbar, or the barricades onto the playing area
- It rebounds from the Referee when on the playing area

Decisions

When a game is being played on an indoor playing area and the ball hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the one which last touched the ball.

35 - SMALL-SIDED FOOTBALL

The indirect free kick should be taken from the point at which the ball began to rise. Should this occur in the penalty area, the free kick should be taken from the penalty area line nearest to where the offence was committed. The exception to this rule is when the ball hits the ceiling following a deliberate 'save' (as opposed to a clearance) by the goalkeeper. In this case teams should play on.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

LAW 10: THE METHOD OF SCORING

Goal Scored

Except otherwise provided by these Laws, a goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, unless it has been thrown, carried or intentionally propelled by the hand or arm by a player of the attacking side, the goalkeeper included.

Winning Team

The team scoring the greater number of goals during a game is the winner. If both teams score an equal number of goals or if no goals are scored, the game is drawn.

Competition Rules

For games ending in a draw, competition rules may state provisions involving extra time or other procedures to determine the winner of a game.

LAW 11: FREE KICKS

Types of Free Kicks

Free kicks are either direct or indirect.

For both direct and indirect free kicks, the ball must be stationary when the kick is taken and the kicker may not touch the ball a second time until it has touched another player.

The Direct Free Kick

- If a direct free kick is kicked directly into the opponent's goal, a goal is awarded

The Indirect Free Kick

- A goal can be scored only if the ball subsequently touches another player before it enters the goal

Position of Free Kick

- All opponents must be at least 3m from the ball until it is in play
- The ball is in play after it has been touched or played

Infringements/Sanctions

If, when a free kick is taken, an opponent is closer to the ball than the required distance:

- The kick is retaken

If, after the ball is in play, the kicker touches the ball a second time before it has touched another player:

- An indirect free kick is awarded to the opposing team, taken from the place where the infringement occurred.

35 - SMALL-SIDED FOOTBALL

Signals

Direct Free Kick: the Referee keeps one arm horizontal pointing in the direction the kick has to be taken

Indirect Free Kick: the Referee indicates an indirect free kick by raising their arm above their head. They maintains their arm in that position until the kick has been taken and the ball has touched another player or goes out of play

LAW 12: FOULS AND MISCONDUCT

Fouls and misconduct are penalised as follows:

Direct Free Kick

- A direct free kick is awarded to the opposing team if a player commits any of the following seven offences in a manner considered by the Referee to be careless, reckless or using excessive force:
- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at an opponent
- Charges an opponent, even with the shoulder
- Strikes or attempts to strike an opponent
- Pushes an opponent
- Tackles an opponent

A direct free kick is also awarded to the opposing team if a player commits any of the following offences:

- Holds an opponent
- Spits at an opponent
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- Handles the ball deliberately, with the exception of the goalkeeper, who is able to handle the ball in their own penalty area

A direct free kick is taken from the place where the infringement occurred.

Penalty Kick

A penalty kick is awarded if a player commits any of the aforementioned offences inside their own penalty area, irrespective of the position of the ball but provided that it is in play.

If the Competition Rules dictate that only goalkeepers are permitted inside their own penalty area then this part of the Law does not apply.

Indirect Free Kick

An indirect free kick is awarded to the opposing team if a goalkeeper commits one of the following offences:

- Touches or controls the ball with their hands after it has been deliberately kicked to them by a team-mate
- Touches or controls the ball with their hands after they have received it directly from a kick-in taken by a team-mate
- Touches or controls the ball with their hands or feet, in the penalty area, for more than four seconds
- Height of ball restrictions (optional modification) – If a height restriction is introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team
- If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place.

35 - SMALL-SIDED FOOTBALL

- The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance unless the ball hits the roof, when play should be restarted with a drop ball. However should another player play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

An indirect free kick is also awarded to the opposing team, to be taken from the place where the infringement occurred, if, in the opinion of the Referee, a player:

- Plays in a dangerous manner
- Deliberately impedes the progress of an opponent when the ball is not being played
- Prevents the goalkeeper from releasing the ball from their hands
- Commits any other offence, not previously mentioned in Law 12, for which play is stopped to caution or dismiss a player

The indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred.

Disciplinary Sanctions

The use of temporary time suspensions ('sin bins) and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match Officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences.

Referees shall also have the discretion to use a second 'blue card' and a further period of suspension for a second minor offence rather than a second blue card automatically resulting in a red card and permanent expulsion.

The options for a match official imposing disciplinary sanctions are therefore;

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small-Sided Football shall be two minutes. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions – Procedures

A player temporarily suspended from play will be shown a blue card by the Match Official and informed that they shall be suspended from play for two minutes.

The player is obliged to leave the playing area and remain in a designated 'Sin Bin' area for the required suspension time. Separate 'sin bin' areas should be identified for each team. If no designated 'sin bin' areas are provided then suspended players should remain in the area where they can be seen by the Referee and adjacent to team officials and substitutes.

A player will be informed as to the end of a period of suspension by the Referee or Match Official and invited to rejoin the game. Where barricades are used the players must use the opening onto the playing area.

35 - SMALL-SIDED FOOTBALL

Temporary Timed Suspensions

A player is shown the blue card and temporarily excluded from play if they commit any of the following offences:

- C1** Is guilty of unsporting behaviour C2 shows dissent by word or action
- C3** Persistently infringes the Laws of the Game C4 delays the restart of play
- C5** Fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance.
- C6** Enters or re-enters the playing area without the Referee's permission or infringes the substitution procedure
- C7** Deliberately leaves the playing area without the Referee's permission outside of a substitution For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Exception to the use of 'Blue Cards' and Temporary Timed Suspensions

The only exception to the use of 'Blue Cards' and Temporary Timed Suspensions is in facilities where if a player is excluded for two minutes they are unable to take up a position which is still in the eye line of the Referee but outside the boundaries of the pitch. This might be the case in an enclosed sports hall or in a complex of caged pitches. In such circumstances safety considerations requires the Referee to employ the use of yellow cards, with all players remaining on the pitch unless excluded permanently. In this situation normal disciplinary sanctions will apply after the game as per the competition rules. If 2 yellow cards are given to an individual the player will be shown a red card and dismissed.

Sending-Off Offences

A player is sent off and shown the red card if they commit any of the following offences:

- S1** Is guilty of serious foul play
- S2** Is guilty of violent conduct
- S3** Spits at an opponent or any other person
- S4** Denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within their own penalty area)
- S5** Denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick
- S6** Uses offensive, insulting or abusive language
- S7** Receives a second blue/yellow card in the same match

If play is stopped for a player to be sent from the playing area without having committed any additional infringement of the Laws, the game is restarted by an indirect free kick, awarded to the opposing team, to be taken at the place where the infringement occurred. However, if the offence is committed in the penalty area, the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Decisions

A player who has been sent off may not take any further part in the game nor may they sit on the substitutes' bench, where provided.

LAW 13: THE PENALTY KICK

The Penalty Kick

A penalty kick is awarded against a team which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play subject to Competition Rules dictating if other players other than the defending goalkeeper may enter the penalty area.

A goal may be scored directly from a penalty kick.

Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players

The ball:

- Is placed on the penalty mark

The player taking the penalty kick:

- Is properly identified

The defending goalkeeper:

- Remains on their goal line, facing the kicker, between the goalposts, until the ball has been kicked

The players other than the kicker are located:

- Inside the pitch
- Outside the penalty area
- Behind or to the side of the penalty mark
- At least 3m from the ball

Procedure

- The player taking the penalty kicks the ball forward
- They may not play the ball a second time until it has touched another player
- The ball is in play when it is kicked and moves forward

When a penalty kick is taken during the normal course of play, or time has been extended at half-time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing the goalposts and under the crossbar:

- The ball touches either or both of the goalposts, and/or the crossbar and/or the goalkeeper

Infringements/Sanctions

If any of the following situations occur:

A player of the defending team infringes this Law:

- The kick is retaken, only if a goal is not scored
- The kick is not retaken if a goal is scored

A team-mate of the player taking the kick infringes this Law of the Game:

- The kick is retaken if a goal is scored
- The kick is not retaken if a goal is not scored

The player taking the kick infringes this Law of the Game after the ball is in play:

- An indirect free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

35 - SMALL-SIDED FOOTBALL

LAW 14: THE KICK-IN

A kick-in is a method of restarting play.

A goal cannot be scored directly from a kick-in. A kick-in is awarded:

- When the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling
- From the place where it crossed the touch line or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use
- To the opponents of the player who last touched the ball

Position of the Ball and the Players

The ball:

- Has to be stationary on the touch line; or 2m into the playing area from the barrier where barricades are in use
- Is kicked into play in any direction

The player taking the kick-in:

- Has part of each foot either on the touch line or on the ground outside the touch line at the moment of kicking the ball; or
- Must stand between the ball and the barricade where in use

The players of the defending team:

- Are at least 3m from the place where the kick-in is taken

Procedure

- The player taking the kick-in may not play the ball a second time until it has touched another player
- The ball is in play immediately after it is kicked or touched

Infringements/Sanctions

The kick-in is retaken by a player of the opposing team if:

- The kick-in is taken incorrectly
- The kick-in is taken from a position other than the place where the ball passed over the touch line or where indicated by the Referee where barricades are in use
- An indirect free kick is awarded to the opposition if the player taking the kick-in plays the ball a second time before it has been played by another player

LAW 15: THE GOAL CLEARANCE

The Goal Clearance

A goal clearance is a method of restarting play.

A goal may not be scored directly from a goal clearance. The goal clearance is awarded when:

- The whole of the ball, having last touched a player of the attacking team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- Opponents remain outside the penalty area
- The goalkeeper does not play the ball a second time until it has touched another player
- The ball is in play when the ball is thrown or kicked from any point within the penalty area by the goalkeeper of the defending team

Infringements/Sanctions

If the ball is not thrown or kicked directly beyond the penalty area:

- The goal clearance is retaken

If, after the ball is in play, the goalkeeper touches the ball, before it has touched another player:

- An indirect free kick is awarded to the opposing team from the penalty area line from the place nearest to where the infringement occurred

If, after the ball is in play, the goalkeeper picks the ball up after it has been deliberately kicked to them by a team mate:

- An indirect free kick is awarded to the opposing team, to be from the penalty area line from the place nearest to where the infringement occurred
- Competition rules may allow variations to this ruling allowing goalkeepers to receive the ball straight from a team mate.

LAW 16: THE CORNER KICK

The Corner Kick

A corner kick is a method of restarting play.

A goal may be scored directly from a corner kick, but only against the opposing team. A corner kick is awarded when:

- The whole of the ball, having last touched a player of the defending team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- The ball is placed inside the corner arc at the nearest corner
- Opponents remain at least 3m from the ball until it is in play
- The ball is kicked by a player of the attacking team
- The ball is in play when it is kicked or touched
- The kicker does not play the ball a second time until it has been played by or touched another player

35 - SMALL-SIDED FOOTBALL

Infringements/Sanctions

An indirect free kick is taken by the opposing team if:

- The player taking the corner kick plays the ball a second time before it has been played by or touched another player. The indirect free kick is taken from the place where the infringement occurred

For any other infringement:

- The corner kick is retaken

Where the playing area is surrounded by barricades the corner kick is replaced by a kick-in at a point 2m inside the playing area at the corner nearest the point where the ball left the playing area.

Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line.

Kicks From The Penalty Mark Procedure

Taking Kicks from the Penalty Mark is a method of determining the winning team where competition rules require there to be a winning team after a match has been drawn

Procedure

- The Referee chooses the goal at which the kicks will be taken
- The Referee tosses a coin and the team whose captain wins the toss decides whether to take the first or second kick.
- The Referee keeps a record of the kicks being taken
- In principle each team takes five kicks, depending on the circumstances described hereafter
- The kicks are taken alternately
- The names of the players taking the kicks are announced to the Referee by the captains of each team before the kicks from the penalty mark are taken and must be among those included on the list of players submitted before the match. Only those players on the pitch at the completion of the game are eligible to take part in Kicks from the Penalty Mark
- Where a player(s) has been sent off by the Referee the opposing team must reduce the number of players to equalise the participants in each team prior to the Kicks from the Penalty Mark commencing
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, both have scored the same number of goals, kicks continue to be taken in the same order, until one team has scored one goal more than the other from the same number of kicks
- Any player who has been sent off may not take part in the kicks from the penalty mark
- Any eligible player may change places with their goalkeeper
- Only the eligible players and Match Officials are permitted to remain on the pitch when kicks from the penalty mark are taken
- All players, except the player taking the kick and the two goalkeepers, must remain in the opposite half to that where the kicks are being taken
- If a goalkeeper is injured during the kicks from the penalty mark procedure they may be replaced by a substitute

Procedures to Determine the Winner of a Match

To determine the winner of a match, tied after fulltime the following procedures or a combination of these procedures may be used,

- Extra time
- Kicks from the penalty mark

Use of these procedures should be detailed in the competition rules

APPENDIX A: NOTES ON THE LAWS FOR SMALL-SIDED FOOTBALL - MODIFICATIONS

Provided the principles of these laws are maintained, the Laws may be modified in their application for matches, including for players with disabilities as outlined below.

Any or all of the following modifications are permissible:

- Size of the playing area
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play
- Substitutions
- Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team
- Access to penalty areas being restricted only to goalkeepers. Entry into the penalty area by a defender results in a direct free kick from the penalty mark; entry into the penalty area by an attacker results in the goalkeeper being given possession of the ball to re-start the game.
- After the goalkeeper has distributed the ball, they may only receive a pass if the ball has either touched an opponent or if the ball has been touched by at least two of the goalkeeper's team-mates.
- Goalkeepers can only distribute the ball through underarm throws. Goalkeepers are not allowed to kick the ball deliberately unless in the process of making a save.
- Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line
- Players are not permitted to hold onto barriers when in place to shield the ball and should be penalised by the Referee for holding and a direct free kick awarded to the opposition.

Other formats of Small-Sided Football

The Football has the ability to sanction other formats of Small-Sided Football. The principles of any approval by The Association shall be based upon,

- The normal Laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials

APPENDIX B: ADVICE TO REFEREES AFFILIATED COMPETITIONS

To ensure they are covered by their County FA Public Liability Insurance Referees should ensure that all games they officiate in are sanctioned by the appropriate authority (The Association or County FA). If in doubt contact your County FA for clarification

Disciplinary Process

Referees should ensure that all offences for which they have dismissed players with a single red card are reported to their County FA within 48 hours of the game being played. Likewise any disciplinary issues with team officials should be reported within the same timescales

SECTION TWO

Small-Sided Football Laws of the Game Players' Guide

1. The players equipment
2. The Referee
3. Duration of play
4. Playing the match
5. Making Substitutions and Changes
6. Fouls and free-kicks
7. Discipline Process
8. Returning the ball back into play
9. Modifications to the Laws

The Normal Laws of Association Football apply with exceptions:

- 1 **The Players' Equipment** - A player must not use equipment or wear anything that is dangerous to themselves or another player. All Jewellery must be removed. Shinguards, must be covered entirely by the socks, made of a suitable material (rubber, plastic or similar substances) and provide a reasonable degree of protection.
Goalkeepers are permitted to wear long trousers and must wear colours, which easily distinguish them from the other players and the Referees
- 2 **The Authority of the Referee** - Each match is controlled by a Referee who has full authority to enforce the Laws of the Game in connection with the match to which they have been appointed, from the moment they enter the locality where the playing area is situated until they leave.
- 3 **The Duration of the Game** - the game shall be divided into two equal periods of over 5 and up to 25 minutes each period subject to the following:
 - Allowance shall be made in either period for time lost through stoppages as decided by the Referee
 - The duration of either period shall be extended to enable a penalty kick to be taken
 - The Half Time interval shall not exceed 5 minutes except by consent of the Referee
 - Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends

- 4 **Kick-off** – is a way of starting or restarting play: at the start of the game, after a goal has been scored, at the start of the second half of the game, and at the start of each period of extra time, where applicable. A goal may be scored directly from the kick-off. All players must be in their own half of the playing area; the opponents of the team taking the kick-off are at least 3m from the ball until it is in play. The ball must be stationary on the centre mark until the Referee gives a signal. The ball is in play when it is kicked and moves forward. The kicker may not touch the ball a second time until it has touched another player

Drop Ball – is a way of restarting the match after a temporary stoppage. Play restarts when the ball touches the ground.

Ball Out of Play – The ball is out of play when: it has wholly crossed the goal line or touchline, whether on the ground or in the air, when the Referee has stopped play, or when playing indoors, the ball hits the ceiling.

Ball In Play – the ball is in play at all other times including when: it rebounds from a goal post, the crossbar, or the barricades onto the pitch, or if it rebounds from the Referee when on the playing area. When a match is being played on an indoor playing area and the ball accidentally hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the team, which last touched the ball.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

Offside – There is no offside.

Areas of Play – All players – both attackers and defenders – are permitted to play within the penalty area. Goals can be scored within the penalty area. Modified rules may determine that access to the penalty area is restricted except for the goalkeeper.

- 5 **Substitution Procedure** – The maximum number of substitutes permitted is three.

The number of substitutions made during a match is unlimited. A player who has been replaced may return to the pitch as a substitute for another player. Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game.

Changing Places with the Goalkeeper – Any of the other players, or substitutes, may change places with the goalkeeper. The following conditions must be observed: the Referee must be informed before the change is made; a change may only be made during a stoppage in play, the replacement goalkeeper must wear a jersey, which distinguishes them from all other players, and the Referee.

Viability of a match (Playing Numbers) – For 5 or 6-a-side if a team loses at any time more than 2 members of their team the match should be abandoned. For 7-a-side this number should be more than 3 members of a team. However for all formats this should only apply when players are permanently excluded or lost through injury rather than within the 'Sin Bin' for a two minute suspension.

35 - SMALL-SIDED FOOTBALL

6 Fouls and Misconduct – Fouls and misconduct are penalised as follows:

A Direct Free Kick – A direct free kick is taken from the place where the infringement occurred and can be kicked directly into the opponent's goal to score a goal. The referee keeps one arm horizontal pointing in the direction the kick has to be taken. A direct free kick is awarded to the opposing team if a player commits any of the following offences in a manner considered by the Referee to be careless, reckless or using excessive force:

- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at, pushes or charges an opponent (even with the shoulder)
- Strikes or attempts to strike an opponent
- Tackles an opponent (the key words are doing it carelessly, recklessly or with excessive force)

In addition direct free kicks will also be awarded if a player:

- Spits at an opponent,
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- Handles the ball deliberately, with the exception of the goalkeeper, who is able to handle the ball in their own penalty area Holds an opponent

A Penalty Kick – is awarded against a team, which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play. Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players for a Penalty kick – The ball is placed on the penalty mark; the player taking the penalty kick is properly identified. The defending goalkeeper must remain on their goal line, facing the kicker, between the goalposts, until the ball has been kicked. The players other than the kicker are located: inside the pitch, outside the penalty area, behind or to the side of the penalty mark, at least 3m from the ball. The player taking the penalty must kick the ball forward; they may not play the ball a second time until it has touched another player. The ball is in play when it is kicked and moves forward.

Indirect Free Kicks – An indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred. An indirect free kick is awarded for the following offences;

- A Goalkeeper touches or controls the ball with their hands after it has been deliberately kicked or thrown to them by a team-mate.
- A Goalkeeper touches or controls the ball with their hands or feet, in the penalty area, for more than four seconds.
- The ball exceeds the height of ball restrictions (optional modification).
- If in the opinion of the Referee, a player: plays in a dangerous manner, deliberately impedes the progress of an opponent when the ball is not being played, prevents the goalkeeper from releasing the ball from their hands, commits any other offence, not previously mentioned for which play is stopped to administer a temporary timed suspension or dismiss a player.

From an Indirect Free Kick a goal can be scored only if the ball subsequently touches another player before it enters the goal. For an Indirect Free Kick: the Referee indicates an indirect free kick by raising their arm above their head. They maintains their arm in that position until the kick has been taken and the ball has touched another player or goes out of play.

Position of Free Kick – All opponents must be at least 3m from the ball until it is in play. The ball is in play after it has been touched or played.

- 7 **Disciplinary Sanctions** – The use of temporary time suspensions ('Sin Bins') and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match Officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences. Yellow cards are no longer to be used in small-sided football unless the use of temporary timed suspensions is impractical due to the nature of the venue i.e. Referees cannot supervise players who have been dismissed. In these cases yellow cards may continue to be used.

- The options for a Match Official imposing disciplinary sanctions are therefore;
- Player shown a blue card is temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily suspended from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play of two minutes in duration. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions – A player is shown the blue card and temporarily excluded from play if they commit any of the following offences: is guilty of unsporting behaviour, shows dissent by word or action, persistently infringes the Laws of the Game, delays the restart of play, fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance. Enters or re-enters the pitch without the Referee's permission or infringes the substitution procedure, deliberately leaves the pitch without the Referee's permission.

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred. .

Sending-Off Offences – A player is sent off and shown the red card if they commit any of the following offences: is guilty of serious foul play, is guilty of violent conduct, spits at an opponent or any other person, denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within their own penalty area). Denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick. Uses offensive, insulting or abusive language. Or if a player receives a second/third blue card in the same match.

Decisions – A player who has been sent off may not take any further part in the match nor may they sit on the substitutes' bench, where provided.

- 8 **The Kick-In** – is a method of restarting play. A goal cannot be scored directly from a kick-in. A kick-in is awarded if; the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling. A Kick-in is taken from the place where it crossed the touchline or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use. The kick is awarded to the opponents of the player who last touched the ball.

The player taking the kick-in may not play the ball a second time until it has touched another player. The ball is in play immediately after it is kicked or touched. The players of the defending team must be at least 3m from the place where the kick-in is taken. The feet of the player taking the kick-in must not cross the line.

The Corner Kick – a goal may be scored directly from a corner kick.

35 - SMALL-SIDED FOOTBALL

9 Modifications to the Laws –

Any or all of the following modifications are permissible:

- Size of the field of play
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play
- Substitutions
- Height of ball restrictions
- Access to penalty areas being restricted only to goalkeepers
- Goalkeeper unable to receive 'pass backs' unless the ball has been touched by an opponent or been touched by at least two of his team-mates
- Goalkeepers can only distribute the ball through underarm throws
- Goalkeeper restarts if the ball crosses goal line
- Players are not permitted to hold onto barriers when in place to shield the ball

Modifications to the laws should be detailed in the competition regulations

36 - FLEXIBLE FOOTBALL

THE FORMAT OF FLEXIBLE FOOTBALL

The Association has introduced "Flexible Football" as a new format to provide players with an additional way to participate in 11 a side football. The objective is to provide a more flexible framework within which 11 a side competition can be organised that is entirely separate to the normal football pyramid.

GENERAL PRINCIPLE

The IFAB Laws of the Game and the Rules and Regulations of The Association shall apply at all times, save for where indicated below.

COMPETITION ORGANISER AND TEAM INFORMATION

1. Competition organisers must affiliate the league and its teams with the relevant County Football Association.
2. Each competition should last no longer than 20 weeks of fixtures in total.
3. Flexible Football is for male only or female only competitions. For a temporary period to be determined by the Sanctions and Registrations Committee of The Association, mixed gender open age football competitions may also be permitted as a pilot project, subject to the prior approval of the Sanctions and Registrations Committee.
4. Competitions can run concurrently throughout the year.
5. There is no link between Flexible Football and the National League System and Women's Pyramid in relation to promotion and relegation.
6. The competition organiser is responsible for devising the competition format, dealing with any issues regarding scheduling and communicating the features of the competition to the teams prior to commencement.

PLAYER INFORMATION

7. All players must be at least 16 years of age and must be registered in order to play.
8. Players register by completing a registration form which shall be provided by the competition organiser. A player may cancel their registration with a team at any time by giving written notice to the competition organiser. Players may register with a new team provided all financial liabilities to the previous team have been discharged.
9. There is no limit on how many players can be registered for each team, but a player may not be registered for more than one team at the same time, in any competition.
10. A squad of no more than 15 players per team is permitted for each game.
11. A team shall require a minimum of seven players to participate in a match.
12. If a team has less than seven players at any time the match will be abandoned.
13. A team sheet setting out the name of each member of the squad must be provided to the competition organiser before each game.
14. Shin pads are mandatory for all players, including goalkeepers.
15. Players must wear appropriate footwear. This is at the discretion of the Referee and as permitted by the venue.
16. A team found to have played an ineligible or suspended Player in a match shall have any points gained from that match deducted. If the opposing team did not win the match, it will be awarded the points for a victory.
17. No refunds of match fees or other charges will be provided to players or teams, as a result of contravention of the competition rules.

36 - FLEXIBLE FOOTBALL

MATCH INFORMATION

18. The duration of a match is at the discretion of the competition organiser. Each match in an individual competition must be played for two halves of the same duration. The half time interval shall be a minimum of five and no longer than 10 minutes.
19. Unlimited repeat substitutions are permitted.

DISCIPLINARY

20. Competition organisers and the Referee administer the disciplinary system for the competition, save for where indicated below.
21. In the event a player receives a yellow card during a match that player will be subject to a "Temporary Time Suspension". A Temporary Time Suspension will result in the player being excluded from play for a period six minutes, or until the conclusion of the match (whichever is earlier).
22. The release of players from a Temporary Time Suspension shall be at the direction of the Referee.
23. The options for Referees when imposing disciplinary sanctions are therefore;
 - Player shown a yellow card and temporarily suspended from play for six minutes.
 - Player issued with a second yellow card, followed by a red card and excluded from play.
 - Player issued with a red card and excluded from play.

For the avoidance of doubt, a first yellow card offence should always be accompanied by a Temporary Time Suspension.

24. Temporary Time Suspensions – Procedure
 - A player will be shown a yellow card by the Referee and informed that he/she shall be suspended from play for six minutes.
 - The player is obliged to leave the playing area and remain in the area where they can be seen by the Referee and adjacent to his or her own team officials and substitutes.
 - A player will be informed as to the end of a period of suspension by the Referee and invited to re-join the game.
 - A player shall re-join the game from the half-way line.

25. Temporary Time Suspensions - Offences

A player is shown a yellow card and made subject to a Temporary Time Suspension if he commits any of the following offences:

- C1 Is guilty of unsporting behaviour.
- C2 Shows dissent by word or action.
- C3 Persistently infringes the Laws of the Game.
- C4 Delays the restart of play.
- C5 Fails to respect the required distance when play is restarted with a corner kick, free kick or goal clearance.
- C6 Enters or re-enters the playing area without the Referee's permission or infringes the substitution procedure.
- C7 Deliberately leaves the playing area without the Referee's permission outside of a substitution.

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred.

36 - FLEXIBLE FOOTBALL

26. Where a red card has been issued a copy of the Disciplinary Report should also be sent to the County Football Association within 48 hours of the end of the match. Suspensions arising from “Standard Red Card Offences” imposed by the County Football Association are only applicable within the competition and not to other formats of Association Football. The suspension is to commence 14 days from the date the player was dismissed.
27. Suspensions arising from ‘Serious Misconduct Red Card Offences’ imposed by the County Football Association are applicable to all formats of Association Football.

Management of Cautions, Standard Dismissals and Serious Misconduct Offences in Flexible Football

The table below summarises the management of the disciplinary process in Flexible Football.

SANCTION	OFFENCES	RESPONSIBILITY FORADMINISTERING	TARIFFS
Caution (Yellow card)	As per the normal Laws of Association	Referee	Temporary Time Suspension
Dismissal - Standard Red Card Offences	A second yellow card offence. Denying an obvious goal scoring opportunity. Use of offensive, insulting or abusive language/gesture (including at the referee). Serious Foul Play	County Football Association	As determined by the relevant FA Disciplinary Process
Dismissals - Serious Misconduct Offences to be managed by the County Football Association *	Violent conduct or behaviour causing injury, including any form of assault. Spitting. Any offences where the offender has also acted in a discriminatory manner for reasons of ethnic origin, colour, race, religion, sex, sexual orientation, disability. Any other offence not covered above including offences comitted after the match or after being dismissed.	County Football Association	As determined by the relevant FA Disciplinary Process

*In addition to imposing the relevant standard penalty, the County Football Association retains the discretion to take additional disciplinary action, depending upon the seriousness of the offence.

37 - MEDICAL REGULATIONS

PREAMBLE

The safety of Players (and, where applicable, others) is of paramount importance. These Medical Regulations, made in accordance with Rule J, set out in the medical requirements imposed on Clubs that participate in the following leagues:

- (i) the Premier League;
- (ii) the EFL;
- (iii) leagues at Steps 1-6 of the National League System;
- (iv) The FA Women's Super League;
- (v) The FA Women's Championship; and
- (vi) The FA Women's National League.

These Medical Regulations are binding on all such Clubs.

Nothing in these Medical Regulations:

- replaces, reduces or affects in any way the obligations imposed on Clubs or any other Persons by law in the fields of medicine, occupational health and/or health (or any other area); or
- prevents any Club from arranging for medical provision that exceeds any minimum medical requirements prescribed by these Medical Regulations.

Capitalised terms in these Medical Regulations are defined in Rule A, save that "FA Competition" means (as the context requires) (i) The FA Cup, (ii) The FA Community Shield, (iii) The FA Trophy, (iv) The FA Vase, (v) Women's FA Cup, (vi) The FA Women's League Cup, (vii) The FA Youth Cup, and (viii) such other Competitions organised by The Association as The Association may specify from time to time.

While not forming part of these Medical Regulations, from time to time The Association issues guidance in respect of medical matters, which is published on The Association's website and distributed to Participants as appropriate. This guidance includes The FA Concussion Guidelines, which are available at <http://www.thefa.com/learning/coaching/the-fas-concussion-guidelines>.

A. COMPETITION RULES AND REGULATIONS APPLICABLE TO CLUBS

Clubs and Participants should ensure that they check the relevant Competition rules and/or regulations to ensure compliance. These rules and regulations should be referred to directly in order to establish their full force and effect.

COMPETITION / ORGANISER	APPLICABLE MEDICAL RULES / REGULATIONS
UEFA	See relevant competition rules or regulations.
Premier League	See relevant competition rules or regulations.
EFL	See relevant competition rules or regulations.
Leagues in the National League System (Steps 1-6)	See relevant competition rules or regulations.
The FA Women's Super League	See relevant competition rules or regulations.
The FA Women's Championship	See relevant competition rules or regulations.
The FA Women's National League	See relevant competition rules or regulations.

B. MEDICAL REGULATIONS

1. Clubs must adhere to the medical rules and regulations set out in section A and all other relevant medical rules and regulations where applicable to them.
2. Save where the rules of the FA Competition state expressly to the contrary, when participating in Matches in an FA Competition, Clubs must comply with the minimum medical standards that apply to the Club's league Matches (subject to making any necessary allowances in order to reflect the different context). For the avoidance of doubt, this means that the home Club must comply with any minimum medical standards that apply to its home league Matches, and the away Club must comply with any minimum medical standards that apply to its away league Matches, i.e., where specific provisions apply to the away Club.

Explanatory note: For example, where a Club participating at Step 1 of the National League System ("NLS Club") meets a Premier League Club in the third round (proper) of The FA Cup:

- *If the NLS Club is the home Club, then it must treat the Match as if it were a home league match (adhering to any medical rules or regulations as may be prescribed by its league), and the Premier League Club must treat the Match as if it were an away (Premier League) league match (as prescribed by the Premier League Rules).*
 - *If the Premier League Club is the home Club, then it must treat the Match as if it were a home (Premier League) league match (as prescribed by the Premier League Rules), and the NLS Club must treat the Match as if it were an away league match (adhering to any medical rules or regulations as may be prescribed by its league).*
3. The home and away Clubs participating in Matches in FA Competitions must liaise with each other in advance of their Match to ensure that each is clear and satisfied as to the medical provision that will be available at the Match.
 4. When participating in any competition that is not (i) specified at section A above, or (ii) an FA Competition, or (iii) sanctioned by The Association and/or an Affiliated Association (e.g., pre-season friendly tournaments held abroad), Clubs must comply with any minimum medical standards (or similar) applicable to that competition as determined by the relevant competition organiser. In absence of any such minimum medical standards (or similar), the Clubs must comply with the minimum medical standards that apply to their relevant league Matches.
 5. Any breach of these Medical Regulations will be Misconduct in accordance with Rule E1.2. Any charge for Misconduct will be dealt with in accordance with the Rules and will be determined by a Regulatory Commission of The Association.

38 - GOALPOST SAFETY GUIDELINES

Updated June 2018

The Football Association, along with the Department for Culture, Media and Sport, the Health and Safety Executive and the British Standards Institution, would like to draw your attention to the following guidelines for the safe use of goalposts.

Several serious injuries and fatalities have occurred in recent years as a result of unsafe or incorrect use of goalposts. Safety is always of paramount importance and everyone in football must play their part to prevent similar incidents occurring in the future:

To minimise the risk of poorly designed, badly installed or inadequately maintained goals being used the BSI have a standard for football goals, nets, maintenance and management which has been agreed across Europe. Only goals and nets that are certified as complying with the relevant British Standard should be purchased or used for all forms of football.

Traditionally larger sized/weighted goals have been designed to withstand the types of misuse that can occur on unsupervised sites (people swinging on the cross bar, etc.); making the goals strong enough to withstand abuse does result in them being quite heavy and concerns have been expressed that there is the possibility of a greater risk of injury occurring through a heavy goal tipping or when a free-standing type, as often used on 3G pitches, is being moved around a field. Lighter goals have been developed for these pitches and a new standard established. BS EN 16579

When selecting goals and other sports equipment, consideration must be given to the precise uses of the pitch, so that changes in activity can take place with the minimum of effort and inconvenience. Goals can be freestanding, and therefore easily moved, although it is important to make proper provision for their storage when not in use (the run-offs of the pitch must not be used for this purpose) or they can be socketed when semi-permanent installation is required.

1. For safety reasons goalposts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground or have a weighted back bar.
 - Portable goalposts must be secured as per the manufacturer's instructions; this is also a requirement for the Laws of the Game.
 - Under no circumstances should children or adults be allowed to climb on, swing or play with the structure of the goalposts;
 - Particular attention is drawn to the fact that if not properly assembled and secured, portable goalposts may overturn; and
 - Regular inspections of goalposts must be carried out to check that they are properly maintained.
2. Portable goalposts should not be left in place after use. They should either be dismantled or removed to a place of secure storage, or placed together and suitable fixings applied to prevent unauthorised use at any time.
3. Goalposts which are "homemade" or which have been altered from their original size or construction should not be used under any circumstances as they potentially pose a serious safety risk
4. There is no BS/CEN standard for wooden goals and it is unlikely that wooden goals will pass a load or stability test. The FA recommends that wooden goals should be replaced with British Standard compliant metal, aluminium or plastic goalposts. All wooden goals previously tested by independent consultants have failed strength and stability tests.

The FA and BSI, recognise the previous industry, standards for goalposts – BSEN 748 (2013) BS 8461:2005 +A1: 2009 and BS 8462: 2005 +A2: 2012 along with the new BS EN standard 16579. It is strongly recommended that you ensure that all goals purchased comply with the relevant standard. A Code of Practice BS 8461 is also available and copies of all of these standards are available from the BSI. Funding for the replacement of unsafe goals is available via the Football Foundation and eligibility criteria and further details can be obtained from their website.

REMEMBER TO USE GOALPOSTS SAFELY AT ALL TIMES

39 - GOALPOST AND PITCH SIZES AND LINE MARKING

1. GOALPOST AND PITCH SIZES

The FA receives many enquiries around pitch and goal sizes suitable for all age groups and therefore recommends the following should be applied where possible:-

AGE GROUPING	TYPE	RECOMMENDED SIZE OF GOALPOSTS		MAXIMUM RECOMMENDATION WITHOUT RUNOFF		RECOMMENDED SIZE INCLUDING RUNOFF (SAFETY AREA AROUND PITCH)	
		(HEIGHT X WIDTH) FT		(LENGTH X WIDTH) YDS		(LENGTH X WIDTH) YDS	
Mini-Soccer U7/U8	5 v 5	6	12	40	30	46	36
Mini Soccer U9/U10	7 v 7	6	12	60	40	66	46
Youth U11/U12	9 v 9	7	16	80	50	86	56
Youth U13/U14	11 v 11	7*	21*	90	55	96	61
Youth U15/U16	11 v 11	8	24	100	60	106	66
Youth U17/U18	11 v 11	8	24	110	70	116	76
Over 18 Senior Ages	11 v 11	8	24	110	70	116	76

Note: County FAs and Leagues may have defined rules for their own competitions and reference should always be made to their handbooks for additional guidance and compliance.

The FA recommends that run-off's for natural grass pitches should be a minimum of 3 yards (or 3 metres) all around the pitch. For those clubs playing in the football pyramid the minimum safety run off is 1.83 metres (6 feet) but ideally at least 2 metres. If a new ground is to be constructed at least 3m should be provided.

The run-off must be of natural grass and must not be of tarmac or concrete construction, with no barriers or obstructions evident within the run-off area. If Football Turf (3G) is to be used as a run-off, this should be constructed to meet the performance standards of full size pitches and be green in colour.

Where pitches neighbour others within a confined area, the minimum run-off between both pitches should ideally be 6 yards to allow for spectators watching either match.

39 - GOALPOST AND PITCH SIZES AND LINE MARKING

The Laws of the Game may be modified in their application for matches for players of under 16 years of age, for women footballers, for veteran footballers (over 35 years) and for players with disabilities.

Any or all of the following modifications are permissible:-

- a. The size of the field of play
- b. The size, weight and material of the ball
- c. The width between the goalposts and the height of the crossbar from the ground
- d. The duration of the periods of play
- e. Substitutions

If a pitch is to be provided for U13/14 it is recommended that 7 x 21 goalposts are provided. However, it should be noted that 8 x 24 would also be acceptable as not all sites will be able to provide specifically for this age group

2. LINE MARKING

Multi-line Marking on Single Pitches

FIFA rules stipulate (Law 1 The field of play) that where 3G Football Turf pitches are being used 11v11 adult pitch should be marked in white. Other lines are permitted provided that they are of a different colour and clearly distinguishable. The lines must be of the same width which must not be more than (1.2cm) 5 inches. The FA have produced guidance documents for natural and football turf pitches that include recommended colours and how pitch dimensions and layouts can be implemented. These documents are available on The FA website.

As a quick guide the following colours are recommended when marking pitches:

Red	Mini Soccer U7 & U8 (5v5)
Yellow	Mini Soccer U9 & U10 (7v7)
Blue	U11 & U12 (9v9)
White	Other age groups & adult (11v11)

40 - ARTIFICIAL GRASS

THIRD GENERATION (3G) FOOTBALL TURF PITCHES

There continues to be significant interest in the use of Third Generation Football Turf Pitches (3G) for clubs in the National League System and below.

Much of this interest, both from leagues and clubs within the non-League pyramid, seeks to understand The FA's position regarding the sanction of these pitches, particularly in FA Competitions.

The FA Board and Council have now approved the use of such pitches in all FA competitions.

- FA Cup
- FA Trophy
- FA Vase
- FA Youth Cup
- FA Women's Super League, FA Women's Premier League, FA Women's Cup and FA WSL Continental Cup
- FA Sunday Cup
- FA County Youth Cup

The use of such pitches is however dependent on compliance with conditions of use – a copy of these is available for download and should be read in association with these notes.

It has been agreed that matches for steps 3 – 6 of the National League System, Womens Super League and FA competitions may be played on 3G Football Turf Pitches that conform to the FIFA 1 star/Quality performance standard, or the equivalent International Artificial Turf Standard (IATS)/ International match standard (IMS). (see specific notes in the league rules relating to steps 1 and 2 and the FA Cup competition rules relating to first round 'proper' fixtures involving professional clubs)

To qualify for use, the pitch must be certified annually as meeting the FIFA 1 Star/Quality or IATS/IMS Standard and listed on the FA's Register of 3G Football Turf pitches. The relevant certificate or report must be supplied to The FA and relevant competition for approval before play is allowed.

3G Football Turf pitches are also allowed to be used for matches for Step 7 and below (including youth competitions) subject to the pitch meeting the correct performance criteria (relaxed from the FIFA 1 star/Quality standard) and appearing on the FA 3G register. A pitch must be tested (by an accredited test institute) every three years and the certificate or report passed to the FA. The FA will give a decision on the suitability for use and add the pitch to the Register.

Clubs should make their own risk assessment of whether such an installation is plausible or not given their individual circumstances and depending on the volume of use. There is a risk that pitches may deteriorate over time and may not achieve the required standards at each period of retesting especially if the pitch has significant use and is not maintained appropriately.

It is suggested that clubs negotiate suitable longevity warranties from the pitch manufacturers to ensure that the pitch will last in line with the club's business plan and intended usage levels. A sinking fund should be established to ensure sufficient funds are available when the surface needs replacing.

Clubs are encouraged to understand the full maintenance required, which may be necessary to validate any warranty. The FA have found that most pitches that fail the performance test have insufficient maintenance. These pitches are not maintenance free and it is recommended that 1 hours maintenance is provided for every 10 hours use. This should increase for high activity use such as youth competitions or school use.

The FA together with representatives from the industry have prepared information regarding the design, installation, construction, maintenance and testing of Football Turf Pitches and The FA Facilities team can also offer advice to clubs considering installation. This information can be accessed within the facilities section of The FA's website www.TheFA.com.

41 - RESPECT

Respect is The FA's response to a clear message from throughout the game, that the health of football depends upon high standards of behaviour on and off the pitch.
